## STATISTICAL STORY OF NEWARK, N. J.

### LOCATION

Latitude, 40° 41'; Longitude, 74° 10' west from Greenwich. Three miles above Newark Bay; eight miles west from New York. Area 23.40 square miles, of which 6.5 square miles are tide water lands. Five hundred acres have been reclaimed by the City on which wharves, docks and railway terminals are being developed for factory and warehousing uses.

### WATERFRONT

Wharf frontage on Newark Bay and Passaic River, 10½ miles, channel 300 feet, depth at mean low water 20 feet, at high water 25 feet. Tonnage of freights annually, 2,897,123. Estimated value \$147,895,000.

### RAILROADS

Pennsylvania, Lackawanna, Erie, Lehigh Valley and (Reading) N. J. Central. Passenger depots 15. Passenger trains daily 900. Freight delivery yards 22. Freight trains daily 61. Cars of merchandise freight annually 498,251. Railway tonnage delivered 6,538,526. Shipped annually 1,512,752.

NEWARK is within hauling distance by wagon to the piers and docks of New York.

More people get on and off trains in Newark than any other city in the United States not a terminal point.

### ELECTRIC RAILROADS

Hudson and Manhattan tubes, 18 minutes to New York. Electric trolley lines to suburban points, 26; cars operated, 737; trips daily 3,858. Passenger movement, 1918, 18,830,413. Trains daily to and from New York, 260.

### VALUATIONS, DEBT, REVENUE

Assessed valuation of property (1921) .....	\$534,745,340.00
Value of Municipal property .....	72,321,197.19
Number of Public Buildings .....	76
Total Bonded Debt .....	49,825,200.00
Sinking Fund Assets .....	16,620,223.72
Total Net Debt .....	33,204,976.28
Annual Tax Rate per 1,000 of Valuation .....	37.60
Whole Number of Buildings in the City .....	45,869
Total Municipal Revenue, 1920 .....	21,696,572.79

If NEWARK'S tax rate is above the average, it is because it is spending millions of money for education, recreation and sanitation—the three elements that return compound interest and dividends on the investment.

### WATER SUPPLY

47.7 million gallons daily, delivered by gravity. Daily consumption in gallons, 44.8 million; gallons per capita, 108.15; meters in use, 45,491; cost for first 500 cubic ft., \$1.50; \$1.00 per 1,000 cubic ft. thereafter.

### PAVEMENTS

Miles of streets paved, 278.0; miles of streets unpaved, 59.0; average width of streets, 36 feet. NEWARK is rated one of the best paved cities in the United States.

## **SEWERS**

Brick and concrete, 87.54 miles; pipe, 229.86 miles; catch basins, 4,331; man-holes, 9,203; total cost of public sewers, \$6,040,847.15.

## **STREET LIGHTING**

Newark has never had a disastrous fire, and it is an old city, which talks well for its Fire Department.

Newark has a scientific fire alarm system that represents the highest claim for efficiency.

## BUILDINGS IN NEWARK, 1922

Dwellings, 36,353; Stores and Dwellings (combined), 6,601; Factories, 1,227; Commercial Buildings, 2,565; Churches and Charities, 270; Schools, 116; Public Buildings, 81; Total, 47,213.

## BUREAU OF HEALTH

Number of inspectors, 59; Office division, 20; Physicians, 24; Nurses, 38; Total number of employes, 167, not including City Hospital.

Vital statistics for year 1922: Deaths, 5,059; rate per 1,000, 11.7; Births, 10,993; rate per 1,000, 25.4.

Newark's health rate is above par. Its death rate above, speaks well for its Department of Health.

Newark's population is a polyglot one, but is a sanitary city, because of the work of its Health and Tenement House Commission.

## METEOROLOGICAL

Total rainfall, 51.83 inches; snowfall, 34.04 inches; temperature below 32° freezing, 87 days; above 90°, 7 days; average annual mean temperature 56.7.

Newark has a developed park area greater per square mile of territory than any city in the United States.

## MANUFACTURES

Capital invested in manufacturing, 1920 (estimated).....	\$420,547,000.00
Number of persons engaged in industry.....	104,043
Annual wages and salaries paid.....	139,416,000.00
Value of Raw Material, 1920 (estimated).....	337,932,000.00
Establishments using power and employing over 10 hands.....	2,300
Value of finished product, 1920, (estimated).....	577,609,000.00

NEWARK ranks eleventh in the aggregate value of products annually.

NEWARK has 252 distinct lines of industry, fifty lines turning out values from one to thirty million dollars annually.

NEWARK as a manufacturing centre ranks ahead of thirty States in the aggregate value of its manufactured products.

NEWARK leads the world in the manufacture of umbrella frames.

NEWARK leads in the manufacture of badges and advertising novelties.

NEWARK per capita to its population leads in the variety of its manufactures.

NEWARK is the largest fine jewelry manufacturing centre in the United States.

NEWARK produces the largest variety and best grades of leather for shoes, automobiles, carriages and upholstering.

NEWARK is a great centre for the manufacture of chemicals, varnishes, lacquers and paints.

NEWARK excels in the superiority of its cutlery and edged tools.

NEWARK is the home of the "Mother of Pearl" button and novelty industry.

NEWARK produced the first malleable iron in America.

NEWARK built the first locomotive engine to travel up grade.

NEWARK made the first patent leather in America.

NEWARK added celluloid to the world's commerce.

The location of a new industrial plant to most cities is an occasion for a holiday of rejoicing. If such a rule were followed in Newark every day in the year would be a holiday.

## STATISTICAL STORY OF NEWARK, N. J.

Founded .....	1666
Incorporated a City.....	1836
Population (1920) Census.....	414,524

### LOCATION

Latitude, 40° 41'; Longitude 74° 13' west from Greenwich. Three miles above Newark Bay; eight miles west from New York. Area 23.40 square miles, of which 6.5 square miles are tide water lands. Five hundred acres have been reclaimed by the City on which wharves, docks and railway terminals are being developed for factory and warehousing uses.

### WATERFRONT

Wharf frontage on Newark Bay and Passaic River, 10½ miles, channel 300 feet width; depth at M. L. T., 31 feet; at high water, 35 feet; Public docks and piers 6; Private docks and piers 139; Tonnage annually 3,408,609.

### WATER LINES

Trans Marine Corporation, Ocean Service; Trans Marine Corporation, Canal Section; Newark Express & Transportation Company.

### RAILROADS

Pennsylvania, Lackawanna, Erie, Lehigh Valley, (Reading) N. J. Central, Baltimore & Ohio and Atlantic Port Railway. Passenger Depots 15. Passenger Trains daily 850. Freight delivery yards 22. Freight Trains daily 131. Team track yards 6. Railway tonnage, 4,508,827.

Newark is within hauling distance by wagon to the piers and docks of New York City.

More people get on and off trains in Newark than any other city in the United States not a terminal point.

### ELECTRIC RAILROADS:

Hudson and Manhattan Tubes, 18 minutes to New York City. Trains daily to and from New York, 260.

Electric Trolley Lines, City 6; mileage 134; Suburban Lines 23, mileage 227; Passengers daily, City 366,000; Passengers daily, Essex County Division 465,700; Cars daily, City and Essex County Division 572; Trips daily, City and Essex County Division, 4,872.

Annual Tax Rate per 1,000 of Valuation.....	37.80
Whole Number of Buildings in the City.....	86,794
Total Municipal Revenue 1921.....	23,110,415.02

If NEWARK'S tax rate is above the average, it is because it is spending millions of money for education, recreation and sanitation—the three elements that return compound interest and dividends on the investment.

## WATER SUPPLY

54 million gallons daily, delivered by gravity. Daily consumption in gallons 43.7 million; gallons per capita, 94.85. Meters in use, 47,643. Cost for first 500 cubic feet, \$1.50; \$1.00 per 1,000 cubic feet thereafter.

## PAVEMENTS

Miles of streets paved, 290; miles of streets unpaved, 60; average width of streets, 36 feet.

Newark is rated one of the best paved cities in the United States.

## SEWERS

Brick and concrete, 87.95 miles; pipe, 232.28 miles; catch basins, 4,371; manholes, 9,286; total cost of public sewers, \$6,160,823.77.

## STREET LIGHTING.

No. of 1500 cp Type C. 137. No. of 600 cp Type C. 2163. No. of 1000 cp Type C. 394. No. of 400 cp Type C 1120. No. of 250 cp Incan., 34. No of small Incan., 220. No. of Carbon Arcs, 14. No. of Gas Lamps, 1,757.

Newark has never had a disastrous fire, and it is an old city, which talks well for its Fire Department.

Newark has a scientific fire alarm system that represents the highest claim for efficiency.

## BUILDINGS IN NEWARK, 1922

Dwellings, 36,353; Stores and Dwellings (combined), 6,601; Factories, 1,227; Commercial Buildings, 2,565; Churches and Charities, 270; Schools, 116; Public Buildings, 81; Total, 47,213.

## BUREAU OF HEALTH

Number of inspectors, 59; Office division, 20; Physicians, 24; Nurses, 38; Total number of employees, 167, not including City Hospital.

Vital statistics for year 1922: Deaths, 5,059; rate per 1,000, 11.7; Births, 10,993; rate per 1,000, 25.4.

Newark's health rate is above par. Its death rate above, speaks well for its Department of Health.

Newark's population is a polyglot one, but is a sanitary city, because of the work of its Health and Tenement House Commission.

## METEOROLOGICAL

Total rainfall, 51.83 inches; snowfall, 34.04 inches; temperature below 32° freezing, 87 days; above 90°, 7 days; average annual mean temperature 56.7.

## PARKS

Newark has a developed park area greater per square mile of territory than any city in the United States.

## MANUFACTURES

Capital invested in manufacturing, 1920 (estimated).....	\$420,547,000.00
Number of persons engaged in industry.....	104,043
Annual wages and salaries paid.....	139,416,000.00
Value of Raw Material, 1920 (estimated).....	337,932,000.00
Establishments using power and employing over 10 hands.....	2,300
Value of finished product, 1920, (estimated).....	577,609,000.00

NEWARK ranks eleventh in the aggregate value of products annually.

NEWARK has 252 distinct lines of industry, fifty lines turning out values from one to thirty million dollars annually.

NEWARK as a manufacturing centre ranks ahead of thirty States in the aggregate value of its manufactured products.

NEWARK leads the world in the manufacture of umbrella frames.

NEWARK leads in the manufacture of badges and advertising novelties.

NEWARK per capita to its population leads in the variety of its manufactures.

NEWARK is the largest fine jewelry manufacturing centre in the United States.

NEWARK produces the largest variety and best grades of leather for shoes, automobiles, carriages and upholstering.

NEWARK is a great centre for the manufacture of chemicals, varnishes, lacquers and paints.

NEWARK excels in the superiority of its cutlery and edged tools.

NEWARK is the home of the "Mother of Pearl" button and novelty industry.

NEWARK produced the first malleable iron in America.

NEWARK built the first locomotive engine to travel up grade.

NEWARK made the first patent leather in America.

NEWARK added celluloid to the world's commerce.

The location of a new industrial plant to most cities is an occasion for a holiday of rejoicing. If such a rule were followed in Newark every day in the year would be a holiday.

NEWARK, N. J.

January 2, 1923.

A regular meeting of the Board of Commissioners of the City of Newark, N. J., was held on the above date in the Council Chamber, City Hall Newark, at 11 A. M.

Present:—Commissioners Brennan, Howe, Mayor Breidenbach.

Absent: — Commissioners Gillen, Raymond.

The minutes of the meeting of December 26th, 1922, were read and approved.

Mayor Breidenbach: I might say in connection with the ordinance for the opening and widening of Ogden Street that Director Raymond is in the City Hall but he is very ill. He

has requested that this ordinance be laid over for one week.

Commissioner Brennan moved that "An ordinance to provide for the opening and widening of Ogden Street on the easterly side thereof from Bridge Street northerly about 495 feet to an angle in said easterly side by the addition thereto of a strip 11.64 feet in width" be laid over for one week.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Howe, Mayor Breidenbach.

Commissioner Brennan moved that the title of "An Ordinance to provide for the opening of Ward Street from Market Street to River Street" be taken for its third reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Howe, Mayor Breidenbach.

The clerk then read the title of the ordinance as follows:

An ordinance to provide for the opening of Ward Street from Market Street to River Street.

The ordinance having been read three times was then declared to be upon its third and final passage.

The roll being called, the ordinance was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Howe, Mayor Breidenbach.

Commissioner Brennan offered the following ordinance which was read by the clerk:

An ordinance to provide for the construction of an eight (8) inch pipe sewer to be used for house sewage only in Vassar Avenue between Bergen Street and Maple Avenue.

The Board of Commissioners of The City of Newark, do ordain; Section 1. That an eight (8) inch pipe sewer shall be constructed in Vassar Avenue between Bergen Street and Maple Avenue. This sewer to be used for house sewage only and to be constructed with house connections to

the curb lines, together with all the appurtenances necessary to complete the same, in accordance with the plans, specifications and profiles dated December 11, 1922, and now on file in the office of the Department of Streets and Public Improvements, under and by virtue of the provisions of an act entitled "An Act Concerning Municipalities" approved March 27, 1917, (P. L. 1917-319) and the supplements thereto and amendments thereof. Section 2. That said improvement shall be made as a local improvement and the cost thereof shall be assessed against the property benefited by said improvement in proportion to the benefits received under and by virtue of the provisions of the act above referred to.

Section 3. That the sum of \$5,650.00 is hereby appropriated to pay the cost of said improvement, and for the purpose of meeting said appropriation and temporarily financing said improvement, temporary bonds and notes shall be issued from time to time in an amount not to exceed \$5,650.00 under and by virtue of the provisions of an act entitled "An Act to authorize and regulate the issuance of bonds and other obligations and the incurring of indebtedness by county, city, borough, village, town, township, or any municipality governed by an improvement commission" approved March 22, 1916, (P. L. 1916-525) and the supplements thereto and amendments thereof, which bonds or notes shall bear interest at a rate of not to exceed six per centum per annum. All

other matters in respect to such temporary bonds or notes shall be determined by the Director of the Department of Revenue and Finance who is hereby authorized to execute and issue said bonds or notes.

Section 4. That this ordinance shall take effect immediately and all ordinances or parts of ordinances inconsistent with the provisions of this ordinance be and the same are hereby repealed.

The ordinance having been read once, Commissioner Brennan moved that it be ordered to a second reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Howe, Mayor Breidenbach.

The clerk then read the ordinance by sections.

Title declared open to amendment.

Section 1 declared open to amendment.

Section 2 declared open to amendment.

Section 3 declared open to amendment.

Section 4 declared open to amendment.

The ordinance was declared open to amendment in all its parts.

The ordinance having been read a second time, Commissioner Brennan moved that it be ordered to a third reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Howe, Mayor Breidenbach.

Commissioner Brennan moved that the ordinance be taken up on third reading and final passage on January 9th.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Howe, Mayor Breidenbach.

Commissioner Howe offered the following resolutions:

RESOLVED, That the report of the Commissioners of Assessments for Local Improvements of the City of Newark for benefits conferred by the paving of South Twentieth Street from Clinton Avenue to Springfield Avenue, which said report is hereto annexed, be and the same is hereby in all things adopted, ratified and confirmed; and

Joint Meeting

In the matter of an Outlet Sewer for the following Municipalities:

Newark, Summit, Irvington, West Orange, Village of South Orange,

Millburn.

Office of Secretary:

City Hall, Newark, N. J.,

December 29th, 1922.

Mr. W. J. Egan,

City Clerk,

Newark, N. J.

Dear Sir:

In accordance with a resolution passed by the Joint Meeting on December 22, 1921, recommending that the Engineer be directed to prepare a report and recommendations as to the best methods of increasing the capacity of the Joint Trunk Sewer, and that \$4,200 be appropriated to cover the cost of such report, which recommendation was concurred in by all the contracting municipalities, this report has now been presented to the Joint Meeting.

At a meeting held December 28th, 1922, the Secretary was directed to forward to each of the contracting municipalities twenty (20) copies of

this report, which copies are being sent under separate cover.

Very truly yours,

Edward S. Rankin,  
Secretary.

Commissioner Brennan offered the following ordinance which was read by the clerk:

An ordinance to amend an ordinance entitled "An ordinance to regulate the construction, repair, altera-

tion and removal of buildings within the City of Newark, N. J.," approved December 31, 1910.

The Board of Commissioners of the City of Newark, Do Ordain:

That part of Section 2, entitled "Charges for Permits" of said Ordinance be and the same is hereby amended to read as follows:

**Charges for permits:** Charges for all permits shall be as follows: For all alterations, repairs and new buildings, fee to be paid to the Division of Buildings shall be—\$5.00 for each \$1,000 of cost, or fractional part thereof, for work not exceeding \$2,000; \$3.00 additional for each \$1,000, or fractional part thereof, for \$2,000 of additional cost; \$2.00 additional for each \$1,000 of additional cost, or fractional part thereof, up to \$50,000 and \$1.00 additional for each \$1,000 of additional cost, or fractional part thereof, over \$50,000.

Any permits which may be issued by the Superintendent of Buildings pursuant to the provisions of this section, but under which no work is commenced, may be cancelled upon application of the owner, and the City shall refund not more than 50% of the fee paid to the Division of Buildings.

If no work is commenced within one year from the time of issuance, and no application has been made for cancellation, the permit shall expire at the end of that time, and all fees

paid therefor shall be forfeited by the person to whom such license shall have been granted.

JOHN HOWE,

The Board of Commissioners of  
The City of Newark, N. J.

W. J. EGAN,  
City Clerk.

NEWARK, N. J.

January 9, 1923.

A regular meeting of the Board of Commissioners of the City of Newark, N. J., was held on the above date in the Council Chamber, City Hall, Newark, at 11 A. M.

Present:—Commissioners Brennan, Gillen, Howe, Mayor Breidenbach.

Absent:—Commissioner Raymond.

The minutes of the meeting of January 2nd were read and approved.

Mr. John T. Miller, 29 Bridge Street, objected to the widening of Ogden Street on the ground that this improvement is not necessary at the present time.

Commissioner Brennan moved that "An ordinance to provide for the opening and widening of Ogden Street on the easterly side thereof from Bridge Street northerly about 495 feet to an angle in said easterly side by the addition thereto of a strip 11.64 feet in width" be laid over for one week.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Mayor Breidenbach.

Mr. H. H. Barse, representing the Quinby Building Corporation, 21 Di-

vision Street, stated he did not appear to protest against the widening of Ogden Street but wanted just a little information in regard to whether or not the company with which he was associated would be assessed for this improvement.

Corporation Counsel Congleton: If your property is benefited by it you will be assessed. After the improvement is completed the matter is left to the Assessment Commission for the purpose of assessing the widening. Whether or not there is any benefit to any of the surrounding property will be determined by the Assessment Commission. You will receive notice of that just as you did of this meeting. That will be some time from now, however.

Colonel James W. Howard, 234 Prospect Avenue, stated he knew of a barber who recently received a ton of coal that contained at least 50% slate. In order to overcome this condition he suggested that the Mayor's Coal Committee see to it that the coal delivered to this city shall not in any case contain more than 15% of slate or other matter not coal.

Commissioner Gillen: I think we should endorse what Colonel Howard says: If these coal dealers are selling slate for coal, charging high prices for it, I think something ought to be done to relieve the situation.

Commissioner Gillen moved that the matter be referred to the Mayor and the Law Department for the purpose

of having an ordinance drawn to prevent the sale of slate for coal.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Mayor Breidenbach.

Commissioner Brennan moved that the ordaining clause of "An ordinance to amend an ordinance entitled 'An ordinance to regulate the construction, repair, alteration and removal of buildings within the City of Newark, N. J.," approved, December 31, 1910, be stricken out.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Mayor Breidenbach.

Commissioner Brennan offered the following ordinance which was read by the clerk:

An ordinance to amend the last paragraph of Section 132 and the last paragraph of Section 229 of Chapter 14 of the Revised Ordinances of the City of Newark (Revision of 1913), approved October 4, 1913.

The Board of Commissioners of The City of Newark, Do Ordain as follows:

Section 1. That the last paragraph of Section 132 of Chapter 14 of the

Revised Ordinances of the City of Newark (Revision of 1913), approved October 4, 1913, be and the same is hereby amended to read as follows:

Charges for all permits shall be as follows:

For any alterations or repairs and for each new building the cost of which does not exceed the sum of \$1,000, a fee of \$5; where the cost exceeds \$1,000 but does not exceed \$50,000, an additional fee of \$2 per thousand on such excess of cost over \$1,000; where the cost exceeds \$50,000, an additional fee of \$1 per thousand and of such excess of cost over \$50,000.

Any permit which may be issued by the Superintendent of Buildings pursuant to the provisions of this section but under which no work is commenced, may be cancelled upon application of the owner, and the City shall refund 50% of the fee paid for such permit.

For every inspection of buildings made upon application of owner, occupant or prospective purchaser a fee of \$1 shall be charged.

Section 2. That the last paragraph of Section 229 of Chapter 14 of the Revised Ordinances of the City of Newark (Revision of 1913), approved October 4, 1913, be and the same is hereby amended to read as follows:

Before any elevator, escalator or lowerator is erected in any building

in the City of Newark a permit shall be obtained from the Department of Buildings for which a fee of \$2 shall be paid.

Section 3. All ordinances and parts of ordinances inconsistent herewith be and the same are hereby repealed.

Section 4. This ordinance shall take effect immediately.

The ordinance having been read once, Commissioner Brennan moved that it be ordered to a second reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Mayor Breidenbach.

The clerk then read the ordinance by sections.

Title declared open to amendment.

Commissioner Brennan offered the following ordinance which was read by the clerk:

An ordinance to amend Section 511 of the Revised Ordinances of The City of Newark.

The Board of Commissioners of The City of Newark, Do Ordain:

1. That section 511 of the Revised Ordinances of the City of Newark be amended to read as follows:

"511. No person or persons, firm or corporation, shall hawk, peddle or vend any merchandise, goods, or articles of any description within the

City of Newark, or shall drive any peddler's cart or wagon within the said City, without having first obtained from the Department of Public Safety of the City of Newark, a license for that purpose.

2. Licenses issued to hawkers, peddlers or vendors shall specify the particular kind of goods, wares or merchandise which may be sold thereunder. No other goods, wares or merchandise than that specified in such license shall be sold thereunder. Separate licenses for the sale of different kinds of goods, wares or merchandise may be issued to the same person.

3. The application for a license to hawk, peddle or vend goods, wares or merchandise, in addition to other matters required to be therein set forth, shall state the particular kind of goods, wares or merchandise to be sold, and a separate application shall be required for each license.

4. Any person or persons, firm or corporation, found guilty of violating any of the provisions of this ordinance shall be liable to a fine of Ten dollars.

5. All ordinances and parts of ordinances inconsistent with the provisions of this ordinance are hereby repealed.

6. This ordinance shall take effect immediately.

The ordinance having been read

once, Commissioner Brennan moved that it be ordered to a second reading.

## NEWARK, N. J.

January 23, 1923.

A regular meeting of the Board of Commissioners of the City of Newark, N. J., was held on the above date in the Council Chamber, City Hall, Newark, at 10 A. M.

Present: — Commissioners Brennan, Gillen, Howe, Mayor Breidenbach.

Absent: — Commissioner Raymond.

The minutes of the meeting of January 17th, 1923, were read and approved.

Mayor Breidenbach: This is the time set for a public hearing on the budget for 1923. We will now take up the consideration of the budget and we will be glad to hear from anybody. Before calling on any citizen I wish to say that I am rather surprised to see that there are so few taxpayers protesting against the adoption of the budget, especially in view of the criticism I hear from the people on the expenditures of the various departments. We will take up the different departments one at a time. The first budget will be my own as Director of Public Affairs.

There will be an increase of \$109,999. for my department for the year 1923. At first the total represented an increase of over \$300,000, but I finally succeeded in having this reduced to \$109,000. \$50,000. of this is charged to the city hospital and

\$50,000. to the Free Public Library for two branches. The increase in the library appropriation is mandatory and the increase in the Hospital appropriation is largely due to the new grade of salaries paid to orderlies, the purchase of new instruments and the additional cost of maintaining the hospital. Then there is \$5,000. set aside for the creation of a Department of Public Welfare should I decide that this department is necessary.

Mr. A. V. Hamburg, representing the Chamber of Commerce, stated that no one can criticize this increase as it is within reason and the additional amount of money is necessary to enable the Mayor to properly conduct the different departments under his jurisdiction.

Mr. James J. Shaw, 26 Chestnut Street, stated the Commissioners are spending the city's money in a most outrageous manner and it is about time the enormous expenditures were stopped. He also stated that the citizens of Newark are thoroughly disgusted with the manner in which the city government is carried on.

Mr. John J. Hayden, 37 Providence Street, stated he thought the city is very well administered. He also stated the unfortunate part is that the people of the City of Newark think they are still living in the days of 1860 or 1870 and that Newark is a one-horse town.

Mr. Henry Bergfels, 40 Walnut

street, stated he would like to know why the City of Newark pays \$100. a year for telephone service for each Commissioner when he is able to get it for \$48.00 a year for his own use.

Mayor Breidenbach stated business rates and house rates are not the same, and although the money is appropriated it does not necessarily mean that that much is used; the balance is returned to the city treasury.

Commissioner Brennan: There is an increase in my department of \$60,800. over that of last year. \$40,000. of that at least is absolutely mandatory because of salaries for additional appointments to the Police and Fire Departments. \$15,000. has been appropriated for the amplifying and the building of the Electrical Bureau. To keep pace with the growth of our city in new buildings and in the handling of the Building Department it is absolutely necessary that additional men be appointed for that particular department, if this department is going to be expected to give attention and inspection to alterations and construction of buildings that is demanded in a great many instances of men assigned to do the investigating. I think from the requests made on me from citizens in practically every section of the city I could very easily use 250 more men in the Police Department, if I were to comply with all of the requests in placing of additional traffic men on absolutely dangerous corners. I feel, however, that with the scheme about

to be inaugurated that I will be able to get along for the year 1923 with the present police force.

Commissioner Howe: The Department of Revenue and Finance will cost \$8,640. more to run this year than last. I might add that this is almost 100% mandatory. Over 87% of all the money spent by the different commissioners is mandatory; they must provide the money.

Commissioner Gillen: There seems to be a substantial increase in the budget of the Department of Parks and Public Property. The increase appears to be \$34,000. I can explain that in this manner: \$22,000. of that is appropriated for the purpose of rearranging Military Park for the erection of the famous World War monument for the Van Horn estate. The park needs rearranging and it is necessary to remove the Kearney statue and to fix up the whole park. The sum of \$50,000. was requested for this change, but after we considered that very carefully we managed to pare it down to \$22,000. There is an increase in the Public Buildings appropriation of \$6,000. This is due mainly to the fact that we have to repair elevators that are in very bad shape. Then there is an increase in the removal of dead animals. We asked for bids on this contract some time ago and the cost jumped from \$1,000. a year to \$5,000. a year and we had to make a contract for a part of this year at the higher rate which means an increase in that department of \$2,500. These three sums account

for the greater part of this \$34,000. increase.

Mayor Breidenbach: I want to say that I regret that Commissioner Raymond will not be able to be with us today due to illness. We have some engineers here from Commissioner Raymond's department who will explain what is needed for the Department of Streets and Public Improvements.

Engineer Costello: The total increase over last year will be \$120,000. which is entirely due to street cleaning and garbage removal.

Mr. A. V. Hamburg and Mr. E. W. Wollmuth, representing the Chamber of Commerce, stated they believed and agreed with the citizens in general that the expenditures of the city are growing rapidly and if they continue at the same ratio in the next five years we will have a tremendous budget. They added, however, that they had nothing but the very best to say for the budget.

Mayor Breidenbach announced that the hearing on the budget for 1923 is closed.

Mayor Breidenbach offered the following resolution:

WHEREAS, the Board of Commissioners of the City of Newark, at a meeting thereof held on January 9, 1923, did approve of its local budget for the fiscal year 1923, under the provisions of Chapter 192, of the Laws of 1917, and the acts, amendatory thereof and supplementary thereto;

and did designate Tuesday, January 23, 1923, at 10 A. M., and the Board Room in the City Hall, as the time and place when and where all objections thereto might be presented by any taxpayer of said municipality, and did direct the City Clerk to publish said budget, together with the notice of time and place of public hearing thereon, as provided for by said Act, and also to forward a copy of said budget to the Commissioner of Municipal Accounts; and

WHEREAS, Proof of publication of said budget and notice of hearing thereon has been filed, showing the publication thereof, as required by law; and

WHEREAS Said Board of Commissioners did meet at the time and place so fixed for the hearing of objections and having given all persons desiring to be heard upon said budget an opportunity to state their objections and having considered the same;

THEREFORE, BE IT RESOLVED, By the Board of Commissioners of the City of Newark, that the following budget be and the same is hereby adopted as the local budget of the City of Newark for the fiscal year 1923.

Commissioner Howe moved that the regular order of business be suspended and we hear from the Trustees of the Newark Museum Association.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Mayor Breidenbach.

Mr. Arthur F. Egner: I appear here today as Chairman of the Executive Committee of the Newark Museum Association, accompanied by practically every member of the Executive Committee, to announce the gift to the City of Newark of \$500,000. by Mr. Louis Bamberger for the building of a museum. Mr. Bamberger announced his gift for the museum building without any solicitation on our part. I have here a communication from Mr. Bamberger announcing his gift and also the reply of the Museum Association Trustees. I would ask that these be inserted in your record.

In making our request for a larger appropriation, I ask that the appropriation be increased from \$15,000. to \$25,000. We feel, in view of the fact that the budget is passed, it would render it extremely difficult for you to appropriate the additional money at this time, and so we merely desire to state that should it appear that this money is essential we hope again to bring the matter to the attention of your body.

Mayor Breidenbach: I may say to the Commissioners and to the Trustees of the Newark Museum Association, of which I am an ex-officio member, that the City of Newark welcomes this gift from Mr. Louis Bamberger. I as Mayor of the city feel very proud to know that Mr. Bamberger thinks so well of Newark. In regard to the appropriation of \$10,000 that the Trustees asked for, I want you to know that if there is anything I can do later on to help the Trustees I want you to feel that I will do everything in my power to aid you.

Commissioner Brennan moved that the request of Mr. Egner relative to the gift to the Newark Museum Association be received and spread in full in the minutes.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Mayor Breidenbach.

January 19th, 1923.

To the Trustees,

Newark Museum Association,  
City.

Gentlemen:—

The Newark Museum Association has found itself handicapped in the development of the public purpose for which it was organized by the want of proper facilities. Dependent on

the hospitality of the Free Public Library, the restricted space available has not been sufficient for the present needs, and, if the Association is to continue, arrangements must be made of a permanent character and with a view to the expansion incident to the increasing public interest in its work. Although a private corporation in form the charter declares that all the property of the Association shall be held by it in trust for the people of the city of Newark, and the Association is, in truth, a public institution.

In recognition of the public interest and advantage, the City has lately purchased as a site for a Museum Building, the Ward Homestead, on Washington Place, a location admirably convenient for the public use and affording room for future growth.

Now that the site is available, the pressing need of the Association is a suitable building, and that need, within a cost limit which I trust may not be regarded as illiberal, my very great interest in the Museum Association and the purposes it was organized to serve, prompts me to supply, conditional only on satisfactory assurances of the irrevocable dedication of the site and the building to the Museum's use, and on reasonable control over the expenditure I am willing to assume in the erection of the building.

I do not propose to give to the Museum Association a sum of money. I propose to give to the Association a completed building suitable for its

purposes, to be, with the tract of land whereon it stands, irrevocably dedicated to the Museum use so long as the Association continues to function as contemplated by its charter.

In the first place, I regard it as essential that ample room for future additions to the building shall be assured, and I am convinced that the area of the Ward property is none too large for reasonable provision for future expansion. I, therefore, think it advisable to require the subjection of the entire tract purchased by the City from the Ward Estate to permanent occupation by the Museum Association.

In the second place, I desire (subject, of course, to the approval of the plans by the Museum Association) to be in unrestricted control of the building operations until the building shall be completed and ready for occupancy. I wish to present to the Association a completed building, in accordance with the approved plans, free of expense to it, asking only of the Association such co-operation as may be necessary to enable me to accomplish that purpose.

The conditions I have named seem to me reasonable, and I am ready, upon their acceptance, to at once undertake the perfecting of plans for a building to cost approximately \$500,000., and, upon their approval by the Association, to promptly begin and prosecute with all reasonable speed, the erection of the building in accordance therewith.

am shortly to leave the City for an extended absence. I will, therefore, be accommodated by immediate consideration and reply.

Yours very truly,

Louis Bamberger.

Newark, N. J., January 19, 1923.

---

January 20, 1923.

Mr. Louis Bamberger,

Newark, New Jersey.

Dear Mr. Bamberger:—

The Trustees of the Newark Museum Association wish to express to you their deep appreciation of your great generosity in presenting to the Newark Museum Association a building dedicated to its growing work.

This building will permit the development of Mr. Dana's plans for the future, and will assure for the Museum that opportunity for growth which will make it a greater and greater force in the life of the community.

The Trustees accept your munificent gift looking upon it as a great incentive to other liberal-minded men in Newark and as an example to be followed.

And we are especially proud, Mr.

Bamberger, to be in the position to receive this gift and to hold it in trust for our fellow citizens, because it has the worthy distinction not only of being the largest free-will offering of any citizen to the City of Newark, but also far more of being a gift for the promotion of those knowledges and tastes and appreciations which form what is very properly called the finer side of life.

Yours truly,

The Trustees of the  
Newark Museum Association.

By Arthur F. Egner,

Chairman of the Executive Committee.

Mayor Breidenbach offered the following resolution:

WHEREAS, the City Commission has learned with great pleasure of the munificent gift of Mr. Louis Bamberger to the Newark Museum Association of a building to be devoted to the uses of that Association for the good of the people of Newark;

NOW, THEREFORE, The City Commission does hereby express the thanks of the people of Newark for this distinguished offering for their use and the Commission does further accept the gift on behalf of the City of Newark upon the conditions outlined by Mr. Bamberger in the announcement of his gift; and

BE IT FURTHER RESOLVED,

The Board of Commissioners of  
The City of Newark, N. J.

W. J. EGAN,  
City Clerk.

NEWARK, N. J.

January 30, 1923.

A regular meeting of the Board of Commissioners of the City of Newark, N. J., was held on the above date in the Council Chamber, City Hall, Newark, at 11 A. M.

Present: — Commissioners Brennan, Gillen, Howe, Mayor Breidenbach.

Absent: — Commissioner Raymond.

The minutes of the meeting of January 23rd, 1923, were read and approved.

Mr. Harry Steiner, 9 Clinton Street, presented three petitions and two letters in behalf of property owners in the vicinity of Clinton Avenue from Treacey Avenue to Shanley Avenue, and requested that the ordinance adopted on December 5th, 1922, changing this section to a business district be repealed and that another ordinance be passed in its place restricting the use of this section to residential purposes.

Mr. William H. Smith, Kinney Building, representing Mr. Joseph H. West, residing at 597 Clinton Avenue, objected to the ordinance being changed so that this district would be classed as a residential district. He stated the property owners should have objected to this section being placed in the business district at the time the ordinance was being considered by the City Commission and not

now. He also stated the property owners protesting do not own property contiguous to the property in question and therefore have no right to enter a protest against this locality being used as a business district.

Commissioner Brennan moved that the petitions and letters presented by Mr. Steiner be received and referred to the Zoning Commission with the request that they consult with the Law Department to see if this change can be made, and report back to this Commission next Tuesday, February 6th.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Mayor Breidenbach.

Mr. John W. Steinvoké, 59 Broad Street, presented the following petition which was read by the clerk:

The undersigned, property owners of property in the vicinity of Oriental Street between Broad and Belleville Avenue hereby petition your Honorable Body to amend the Building Zone Ordinance so that this block may be classed as a business district instead of a residential district.

Signed by ten property owners.

Commissioner Brennan moved that the petition be received and referred to the Zoning Commission.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Mayor Breidenbach.

Commissioner Brennan moved that "An ordinance to provide for the opening and widening of Ogden Street on the easterly side thereof from Bridge Street northerly about 495 feet to an angle in said easterly side by the addition thereto of a strip 11.64 in width" be laid over until February 13th.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Mayor Breidenbach.

Commissioners Brennan moved that "An ordinance to amend section 511 of the Revised Ordinances of The City of Newark" be laid over until February 13th.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Mayor Breidenbach.

Commissioner Brennan moved that the title of "An ordinance to amend the last paragraph of Section 132 and the last paragraph of Section 229 of Chapter 14 of the Revised Ordinances of the City of Newark (Revision of

1913,) approved October 4, 1913," be taken for its third reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Mayor Breidenbach.

The clerk then read the title of the ordinance as follows:

An ordinance to amend the last paragraph of Section 132 and the last paragraph of Section 229 of Chapter 14 of the Revised Ordinances of The City of Newark (Revision of 1913), approved October 4, 1913.

The Board of Commissioners of

The City of Newark, N. J.

Honorable Sirs:—

I have your communication regarding the protest against the amendment to the Building Zone Ordinance effecting Clinton Avenue, adopted December 5, 1922.

The petition requesting this change bore the names of Rev. Fred C. O'Neill, representing the Blessed Sacrament Parochial School, and Mrs. Margaret Kaufhold, owner of 589 Clinton Avenue, both of whom are now asking to have their names withdrawn. If your Honorable Body permits the withdrawal of these names the petition would not represent the required fifty per cent. of frontage. However, I would call to your attention the wording of Section 26 of the ordinance which says, "The Board of Commissioners may from time to time on its own motion or on petition . . . . amend, supplement or change the regulations and districts herein established."

Respectfully yours,

R. B. Rankin,

Secretary Zoning Commission.

RESOLVED, By the Board of Com-  
missioners of the City of Newark,  
that the foregoing report and decla-  
ration of costs be and the same is  
hereby referred to the Board of Com-  
missioners of Assessments for Local

Improvements pursuant to the direction and provisions of the statutes in such case made and provided.

John Howe,  
W. J. Brennan,  
F. C. Breidenbach,  
Charles P. Gillen,

The roll being called, the resolution was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Mayor Breidenbach.

WHEREAS, The Board of School Estimate of the School District of the City of Newark has by its certificate dated February 5th, 1923, certified to the Board of Commissioners of the City of Newark, that it has fixed and determined the sum of Five million six hundred and fifty thousand dollars (\$5,650,000.00) as the amount of money necessary to be appropriated for the use of the public schools in said district for the ensuing school year, exclusive of the amount which shall be appropriated to it by the County Superintendent of Schools; and

WHEREAS, Said amount is in excess of three-fourths of one per centum of the taxable valuation of the real and personal property by the sum of One million three hundred eleven thousand, five hundred thirty-three dollars and forty-eight cents (\$1,311,533.48); and

WHEREAS, By Section 75 of an act entitled, "An Act to establish a thorough and efficient system of free public schools and to provide for the maintenance, support and management thereof", approved October 19, 1903, as amended, it is provided that any amount in excess of three-fourths of one per centum of the taxable valuation of the real and personal property shall be appropriated only with the concurrence and consent of The Board of Commissioners expressed by its resolution duly passed;

THEREFORE, BE IT RESOLVED, By the Board of Commissioners of The City of Newark that the amount of One million three hundred eleven thousand, five hundred thirty-three dollars and forty-eight cents (\$1,311,533.48), being the amount in excess of three-fourths of one per centum of the taxable valuation of the real and personal property, be and the same is hereby appropriated in addition to the sum of Four million three hundred thirty-eight thousand, four hundred sixty-six dollars and fifty-two cents (\$4,338,466.52), which two amounts are the amount of money fixed and determined by the Board of School Estimate of the School District of the City of Newark as the amount of money necessary to be appropriated for the use of the public schools of said district for the ensuing school year (exclusive of the amount which shall be apportioned to it by the County Superintendent of Schools), and that said total amount shall be assessed, levied and collected in the same manner as moneys ap-

propriated for other purposes of said city are assessed, levied and collected.

John Howe,  
W. J. Brennan,  
F. C. Breidenbach,  
Charels P. Gillen,

BE IT RESOLVED, By the Board of Commissioners of The City of Newark that the name of Frank V. Tansey be stricken from resolution 5580-S adopted at regular meeting of January 30, 1923.

W. J. Brennan,  
F. C. Breidenbach,  
John Howe,  
Charles P. Gillen,

The roll being called, the resolution was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Mayor Breidenbach.

Commissioner Gillen offered the following resolutions:

WHEREAS, Fire has occurred in the Centre Market, and in the judgment of the Director of the Department of Parks and Public Property, in whose department said market is, it is advisable to restore said market to a condition of usefulness; and

WHEREAS, By reason of said fire, in the judgment of this Board, an exigency exists which will not permit of advertising for competitive bids for the doing of said work;

THEREFORE, BE IT RESOLVED, By the Board of Commissioners of The City of Newark that said Director be and he is hereby authorized

to proceed in the restoration of said property to a condition of usefulness.

Charles P. Gillen,  
W. J. Brennan,  
John Howe,  
F. C. Breidenbach,

The roll being called, the resolution was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Mayor Breidenbach.

WHEREAS, Fire has occurred in the Center Market and in the judgment of the Director of the Department of Parks and Public Property, in whose department said market is, it is advisable to engage the services of a special adjuster to assist him in the adjustment of the loss sustained by the City;

THEREFORE, BE IT RESOLVED, By the Board of Commissioners of The City of Newark that Charles P. Gillen, Director of the Department of Parks and Public Property, be and he is hereby authorized to employ Charles Selvage, under the supervision of said director, as adjuster to represent the City of Newark in the settlement of said loss with the fire insurance companies carrying insurance on said building.

Charles P. Gillen,  
John Howe,  
W. J. Brennan,  
F. C. Breidenbach,

The roll being called, the resolution was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Mayor Breidenbach.

Commissioner Gillen: In connection with this appointment of Mr. Selvage as an adjuster to adjust the claim of the city in connection with the fire loss on the old centre market, I might say that some criticism has been made by employees of the Insurance Fund Commission as to the wisdom of appointing an adjuster. Now, I want to make a record in the minutes of the facts in connection with this case so that you will know where I stand. There was a fire at the centre market; there was a loss. We had three insurance companies on the risk. These insurance companies offered to settle with the city, and after I took the matter up with the insurance companies the next thing I knew an offer was made by some persons claiming to represent the city to have the insurance companies settle the claim for the sum of \$48,000. or \$49,000. The total insurance on the market is \$60,000. These companies said that the market would be torn down some time in the near future and that it would be useless to make any repairs. There is no definite decision as to what disposition will be made of the old market, and no company has a right to say what the city is going to do with the old market; the governing body has never definitely decided what to do with the centre market. These companies

claim the city suffered a loss of \$48,000. or \$49,000. and is the sum they have offered to settle this claim. I claim we have sustained a loss of \$60,000. and will insist upon this sum of money being paid to the city. I have therefore engaged an expert adjuster to adjust a technical and complicated claim of this character. My desire is to get as much of the claim as is possible, and when you have a loss from fire where there is any complication or technicality the invariable procedure is to engage the services of an expert who will get as much of that loss as is possible. I have engaged the services of Mr. Salvage because he is recognized in insurance circles as one of the ablest adjusters in this city, and I feel in doing this that I am trying to benefit the city in getting as much out of the claim as is possible. Since engaging the services of Mr. Salvage I have discovered that Mr. Stone and Mr. Stewart, employees of the Insurance Fund Commission—both men under salary—undertook to settle direct with the companies. Mr. Stone or Mr. Stewart have no authority to act for the City of Newark in this matter. My action in engaging the services of Mr. Salvage was for the best interests of the city, and when the governing body takes such action it is not within the province of some subordinate to undo or to nullify or vitiate the action of his superior. If he does he is liable to have charges of insubordination preferred against him. In regard to this I have not made up my definitely as to what I will do with these two gentlemen. I want to

submit this explanation and have it incorporated in the minutes, along with the passage of this resolution.

RESOLVED, That the Director of the Department of Parks and Public Property be and he is hereby authorized to advertise for bids for the repair and re-equipment of the northwest elevator of the City Hall Building.

The Service Club by resolution adopted at its meeting on Tuesday, February 6th, unanimously resolved to offer to the City of Newark the

site owned by the Club at the north-west corner of Waverly Avenue and Barclay Street, being a house on plot 50'x100' to be acquired by the City for the erection and maintenance of a Social Service Centre and Boys' Welfare Work Organization. It can also be used for a branch library or a swimming pool to be built there by the City.

We pledge our hearty co-operation and support to you in this work as five years experience of our organization amply fits us to be what our name implies, a club devoted to real service.

Respectfully yours,

The Service Club of Newark, N. J.

Ordered referred to the Director of Public Affairs.

Newark, N. J., February 9, 1923.

Board of Commissioners,

City Hall, Newark, N. J.

Gentlemen:—

With reference to the property located at 43-45 Green Street, this City, I refer to letter of City Clerk Egan dated October 3, 1922, in which I was informed that my communication of September 28, 1922, had been referred to Hon. Charles P. Gillen, Director of Parks and Public Property.

The Executors of the Estate of the Estate of Frederick W. Baldwin

desire me to state that the offer of this property to the City for \$30,000. is hereby withdrawn dating from this day.

Please acknowledge receipt of this letter.

Very truly yours,

Howard Baldwin.

Ordered referred to the Director of Parks and Public Property.

The Washington Street Association

February 10, 1923.

City of Newark,

47 Washington Street,

Newark, N. J.

Gentlemen:—

A meeting of the Washington Street Association (now forming) has been called by Mr. E. S. Bamberger, Temporary Chairman, for Monday evening, February 19th, at 8 o'clock in the Council Chamber of the City Hall.

The purpose of this meeting is to consider the plan on which the Association will be permanently organized and to elect a Board of Trustees. The Chairman has directed me to invite you to be present on account of your interest in the street. It is expected that certain specific features of im-

provement, contemplated for Washington Street, will be discussed at the meeting.

Yours very truly,

J. A. Hurley,

Temporary Secretary.

Commissioner Brennan moved that the invitation be accepted and that as many of the Commissioners as can attend the hearing.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Howe, Mayor Breidenbach.

Commissioner Brennan moved to adjourn.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Howe, Mayor Breidenbach.

APPROVED:

F. C. BREIDENBACH,

W. J. BRENNAN,

JOHN HOWE,

The Board of Commissioners of  
The City of Newark, N. J.

W. J. EGAN,  
City Clerk.

NEWARK, N. J.

February 20, 1923.

A regular meeting of the Board of Commissioners of The City of Newark, N. J., was held on the above date in the Council Chamber, City Hall, Newark, at 11 A. M.

Present:— Commissioners Brennan, Howe, Mayor Breidenbach.

Absent: — Commissioners Gillen, Raymond.

The minutes of the meeting of February 13th, 1923, were read and approved.

The following report of the Board of Commissioners of Assessments for Local Improvements was received, read and ordered filed:

Opening of Crittenden Street from the southwesterly corner of Crittenden Street and Rowland Street southwesterly to Bloomfield Avenue.

Mr. H. F. Clark, American National Bank Building, urged the Commission to pass the ordinance permitting the erection of an apartment house in the vicinity of Watson, Elizabeth, Meeker and Johnson Avenues. He stated that Mr. Morris Sherrerd, who had objected to the erection of this apartment house, in behalf of the Weequahic Civic Association, unless the plans were drawn to conform to the zoning ordinance, was willing to withdraw his objection.

The following communication was received and read:

Department of Public Safety

Division of Buildings

Newark, N. J., February 20, 1923.

The Board of Commissioners of

The City of Newark.

Honorable Sirs:—

At a meeting of the Commission on Building Districts and Restrictions held February 15, 1923, your communication of February 13, 1923, requesting this Commission to hold a public hearing on an application to amend the Building Zone Ordinance at Elizabeth and Meeker Avenues was received.

In accordance with your request this Commission has arranged to hold a hearing on this amendment on Thursday, March 1, 1923.

Respectfully submitted,

B. B. Rankin,

Secretary Zoning Commission.

Ordered filed.

Corporation Counsel Congleton:  
You cannot pass an ordinance for final reading unless you have a recommendation and report back from the Zoning Commission. I would suggest that you appeal to the Zoning Com-

mission to have this matter expedited.

Mr. John Heimel, 269 South 11th Street, requested permission to erect a garage at the corner of 12th Street and 12th Avenue, and in the event this cannot be granted to reduce his taxes as his property cannot be used for any other purpose.

Commissioner Howe: The matter of assessment is not a matter for this Board to consider; it is a matter for the Tax Board. As for building a garage, Mr. Bigelow personally drew a sketch for you and showed you how to build it without having the door cross the sidewalk. The Zoning Commission has no authority to permit any obstruction on the sidewalks; they cannot legalize any obstruction on the sidewalk. According to your plans, when the door of your garage is open it will be on the sidewalk; you cannot be one inch on the sidewalk.

Commissioner Brennan moved that this matter be referred to the Director of Revenue and Finance.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Howe, Mayor Breidenbach.

Mr. Barney Piken, 156 Market Street, requested that the zoning restrictions on Clinton Avenue between Nairn Place and Clinton Place be removed.

Secretary Rankin of the Zoning Commission stated that at a meeting of the Commission, held last Thursday, it was decided not to vote for a change in this section at this time.

Dr. Noah Geiger, 139 West Kinney Street, urged the Board to go on record as endorsing the passage of Senate Bill No. 237 providing for the creation of a State Supervisor of Coal Distribution.

Corporation Counsel Congleton stated that at a meeting of the City Commission and City Officials, held last Tuesday, it was decided to take no action on this bill for the reason that it would tend to make it harder to get coal from the mines to the local dealers.

Mayor Breidenbach offered the following resolutions:

RESOLVED, That the sum of Thirty-five thousand three hundred fifty dollars and sixty-one cents (\$35,352.61) be and the same is hereby appropriated to the City Treasurer for semi-monthly payrolls February 1st to 16th, 1923, of the Department of Public Affairs as follows:

**NEWARK, N. J.**

**February 27, 1923.**

A regular meeting of the Board of Commissioners of the City of Newark, N. J., was held on the above date in the Council Chamber, City Hall, Newark, at 11 A. M.

**Present:—Commissioners Brennan Howe, Mayor Breidenbach.**

**Absent: — Commissioners Gillen, Raymond.**

The minutes of the meeting of February 20th, 1923, were read and approved.

The following reports of the Commissioners of Assessments for Local Improvements assessing benefits for street improvements were received, read and ordered filed:

Wilburton Place paving from Nursery Street about 273 feet southerly.

Jefferson Street opening from South Street to Thomas Street.

Park Place grading, curbing, flagging and paving from Broad Street to Saybrook Place.

Mr. J. A. Bernhard, Prudential Building, representing property owners on Clinton Avenue between Treacy and Shanley Avenues, requested that the ordinance adopted some time ago extending the business district to include this section be re-

pealed. He stated he understood that perhaps he had no legal right now to ask for the repeal of that ordinance which will affect the present property, but in order to prevent this section from becoming a business district he requested that the zoning ordinance be repealed at this time.

Commissioner Brennan moved that the matter of repealing the zoning ordinance be laid over until the five commissioners are present.

The Commission on Building Districts  
and Restrictions

The Board of Commissioners of  
The City of Newark, N. J.

Honorable Sirs:

The following petitions for changes

in the Building Zone Ordinance which have been referred by your Honorable Body to the Commission for recommendation and report have received our attention as listed below:

Oriental Street, change from residence to business. Reported unfavorably February 20th.

Elizabeth and Meeker Avenues, change from "C" to "B" area district. Communication February 20th.

Clinton Avenue between Nairn Place and Clinton Place, change from "E" 35 to "B" 85. Reported unfavorably February 27th.

High Street between Warren Street and James Street, change from residence to business. Reported favorably for change between Warren Street and Central Avenue February 27th.

The following will be considered at a meeting to be held Thursday, March 1st, at 2:30 p. m. in the Council Chamber:

Elizabeth and Meeker Avenues.  
Berkeley Avenue.

Respectfully submitted

R. B. Rankin,  
Secretary.

Ordered filed.

Department of Public Safety  
Division of Buildings

Newark, N. J. February 20, 1923.

The Board of Commissioners of

The City of Newark.

Honorable Sirs:

At a meeting of the Commission on Building Districts and Restrictions held February 15th, 1923, a petition requesting an amendment to the Building Zone Ordinance on the south side of Clinton Avenue between Nairn Place and Clinton Place, and which was referred to this Commission by your Honorable Body on February 6, 1923, was carefully considered.

This Commission desires to report that several expensive dwellings have been constructed on this portion of Clinton Avenue since the adoption of the Building Zone Ordinance and with the knowledge that the ordinance protected their investments against the encroachment of apartment houses. Furthermore, all of that section of Clinton Avenue between Van Ness Place and Leslie Street is developed uniformly with one family dwellings, and in the opinion of this Commission it would not be just and equitable to change one block in this section without changing the balance.

Your Commission on Building Districts and Restrictions, therefore, respectfully recommends to your Honorable Body that this petition be not approved.

Respectfully submitted,

Commission on Building  
Districts and Restrictions,

R. B. Rankin,  
Secretary.

Commissioner Howe moved that the recommendation be concurred in and the communication ordered filed.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Howe, Mayor Breidenbach.

Department of Public Safety  
Division of Buildings

Newark, N. J., February 26, 1923.  
The Board of Commissioners of

The City of Newark.

Honorable Sirs:

At a meeting of the Commission on Building Districts and Restrictions held February 15, 1923, a petition requesting a change in the Building Zone Ordinance so as to permit business on High Street between Warren and James Streets was considered.

The Commission desires to report that the Board of Education has no objection to the change providing garages are not permitted within two hundred feet of the High School property. Of the total frontage in the residence district between Warren Street and Central Avenue, approxi-

mately 1,498 feet, the owners of 1,025 feet have expressed a preference for the change. On the other hand the character of the block between Central Avenue and James Street is entirely residential, including thirty-five residences and St. Michael's Hospital. The petition contains but a small proportion of the frontage of this block.

The Commission on Building Districts and Restrictions most respectfully recommends, therefore, that High Street between Warren Street and Central Avenue be changed from residence to business, and that the Building Zone Ordinance be amended accordingly.

Respectfully submitted,

Commission on Building  
Districts and Restrictions,

R. B. Rankin,  
Secretary.

Commissioner Howe moved that the recommendation be concurred in and the communication ordered filed.

The Newark Museum Association  
5 Washington Street

Newark, N. J. February 23, 1923.

Board of City Commissioners,

City Hall, Newark, N. J.

Gentlemen:

Under separate cover I transmit to you the resolution passed at the annual meeting of the Newark Museum Association.

Yours truly,

J. C. Dana,  
Secretary.

WHEREAS, The City Commission, recognizing the steady growth of the Newark Museum Association, which in 12 years has acquired admirable and extensive collections of art, science and industry and has made these thousands of objects available and useful to the citizens of Newark, has seen fit to recognize the quasi-public character of the Newark Museum Association by acquiring the Marcus L. Ward property for the use of the Museum.

WHEREAS, Mr. Louis Bamberger, encouraged by this evidence of pub-

lic appreciation of the work of the Museum Association, and convinced through many years of careful observation of its activities that it has come to be an institution of importance and worthy of occupying a building at once adequate for its needs and an architectural ornament to the city, has given out of his generosity a museum building to be erected on the site acquired by the city, thus insuring to the Museum a permanent home.

BE IT RESOLVED, By the members of the Newark Museum Association that the Association present to the Board of Commissioners of the City of Newark and to Mr. Louis Bamberger its hearty thanks and sincere appreciation.

The Newark Museum Association

By J. C. Dana, Secretary.

January 30, 1923.

Commissioner Brennan moved that the communication and resolution be received and spread in full on the minutes.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Howe, Mayor Breidenbach.

Commissioner Howe offered the following ordinance which was read by the clerk:

An ordinance authorizing the issuance of \$50,000 Fire Apparatus Bonds of The City of Newark.

The Board of Commissioners of The City of Newark, Do Ordain:

1. That pursuant to the Act of the Legislature of the State of New Jersey entitled "An Act to authorize and regulate the issuance of bonds and other obligations and the incurring of indebtedness by county, city, borough, village, town, township, or any municipality governed by an improvement commission," approved March 22, 1916, (constituting Chapter 252 of the Laws of 1916), and the acts amendatory thereof and supplemental thereto, bonds of the City of Newark, to be known as "Fire Apparatus Bonds", are hereby authorized to be issued in the aggregate principal amount of \$50,000 for the purpose hereinafter stated, for which purpose it is necessary to raise said amount of money.

2. The money to be raised by the issuance of said bonds shall be applied to the purpose of paying for the purchase of fire engines, fire trucks, hose carts or other vehicles for use in the Fire Department of the City of Newark (no part of the cost of which properties has been or is to be specially assessed against property specially benefited).

3. The following matters are hereby determined and declared pursuant to the requirements of said Chapter 252 of the Laws of 1916, as amended:

(a) The probable period of usefulness of each of the improvements and properties for which bonds are hereby authorized to be issued, computed in the manner prescribed by Section 4 of said Chapter 252 of the Laws of 1916, as amended, is ten years. Said improvements and properties are all of the class described in Subdivision (P) of Subsection (2) of said Section 4, and none of them has yet been completed or acquired.

(b) The average assessed valuation of the taxable real property (including improvements) of the City of Newark, computed upon the next preceding three valuations thereof in the manner provided in Section 12 of said Chapter 252 of the Laws of 1916, as amended, is \$442,894,700.

(c) The net debt of said City, computed in the manner provided in said Section 12, is \$20,232,145.97.

(d) The statement required by said Section 12 (showing, said net debt, etc.) has been made and filed with the City Clerk as required by said Act.

4. This ordinance shall take effect in the manner provided by law.

The ordinance having been read once, Commissioner Howe moved that it be ordered to a second reading.

The roll being called, the motion was declared adopted by the following votes:

**Yeas: — Commissioners Brennan, Howe, Mayor Breidenbach.**

The clerk then read the ordinance by sections.

Section 1 declared open to amendment.

Section 2 declared open to amendment.

Section 3 declared open to amendment.

Section 4 declared open to amendment.

The ordinance was declared open to amendments in all its parts.

The ordinance having been read a second time, Commissioner Howe moved that it be ordered to a third reading.

The roll being called, the motion was declared adopted by the following votes:

**Yeas: — Commissioners Brennan, Howe, Mayor Breidenbach.**

Commissioner Howe moved that the ordinance be taken up on third reading and final passage on March 6th, 1923.

The roll being called, the motion was declared adopted by the following votes:

**Yeas: — Commissioners Brennan, Howe, Mayor Breidenbach.**

Commissioner Howe offered the following ordinance which was read by the clerk:

An ordinance authorizing the issuance of \$700,000 Public Improvement Bonds.

The Board of Commissioners of The City of Newark Do Ordain:

1. An ordinance appropriating \$1,000,000 for school purposes and providing for the issuance of bonds to meet said appropriation:

WHEREAS, The Board of Education of The City of Newark in the County of Essex, has, by resolution adopted May 25, 1922, decided that it is necessary to raise money for the purposes hereinafter stated, and has prepared and delivered to each member of the Board of School Estimate of The City of Newark a statement of the amount of money estimated to be necessary for said purposes (which purposes consist entirely of the enlarging and reconstruction of school houses within said City and do not include ordinary current repairing or furnishing of the character of current expenses); and,

WHEREAS, the Board of School Estimate has duly considered said statement so made by the Board of Education and has, by resolution adopted June 7, 1922, fixed and determined the total amount necessary for said purposes to be the sum of one million dollars (\$1,000,000), and has made two certificates of said amount, one of which certificates has been delivered to the Board of Education and the other to the Board of Commissioners of The City of Newark, said purposes and the several amounts proposed to be expended for the several purposes, respectively, being as follows, viz.:

(a) An addition to the Hawkins Street School, to consist of ten class-rooms, stock-rooms, toilets on each floor, a two-unit kindergarten, two gymnasiums, an auditorium, a shop, a kitchen, an open window room, medical room, principal's office, teachers' rooms, etc. ....\$235,000.

(b) An addition to the Webster School, to consist of twenty-four class-rooms, a kitchen, a shop, an open window room, etc..... 235,000.

(c) An addition to the Milford School, to consist of sixteen class-rooms, stockroom, toilets on each floor, a three-unit kindergarten, an open window room, a medical room, a kitchen, teachers' rooms, a gymnasium, an auditorium, etc..... 255,000.

(d) An addition to the Monteith School, to consist of six class-rooms, an auditorium, a shop, a kitchen, a gymnasium, an open window room, etc., and the present auditorium divided into six class-rooms, ..... 195,000.

(e) An addition to the John Catlin School, to contain six classrooms, medical room, a principal's office, teachers' rooms, printing shop, etc. .... 80,000.

Total.....\$1,000,000.

NOW, THEREFORE, the Board of Commissioners of The City of Newark do ordain:

Section 1. That pursuant to the Act of the Legislature of the State of New Jersey, entitled: "An Act to establish a thorough and efficient system of free public schools and to provide for the maintenance, support and management thereof," approved October 19, 1903, and the acts amendatory thereof and supplemental thereto, the said sum of one million dollars (\$1,000,000.), fixed and determined to be necessary as aforesaid, is hereby appropriated to the Board of Education of The City of Newark, in the County of Essex, for the purposes set forth in the preamble of this ordinance.

Section 2. For the purpose of raising the amount hereby appropriated there shall be issued bonds of The City of Newark, to be known and designated as "School Bonds," and to be dated April 1, 1923, in the aggregate principal amount of one million dollars (\$1,000,000), pursuant to Section 76 of the act aforesaid. The proceeds of said bonds shall be used for any or all of the purposes aforesaid. It is hereby determined that all of

the purposes for which money is hereby appropriated are of the classes described in Clauses (b) or (c) of subdivision C of subsection (3) of Section 76 of the act aforesaid, as amended, for which bonds maturing within a period of twenty years may be issued. The said bonds shall be one thousand in number, numbered from 1 to 1,000, inclusive, and shall be of the denomination of \$1,000 each. They shall be dated April 1, 1923, shall bear interest from their date at the rate of four and one-half per centum ( $4\frac{1}{2}\%$ ) per annum, payable semi-annually on the first days of April and October in each year, until maturity, and shall mature in order as numbered (beginning with Bond No. 1) and in twenty annual instalments or series, payable on the first day of April in each year as follows, viz.: \$50,000 of bonds in each of the years 1924 to 1943, inclusive. The said bonds shall be coupon bonds, registerable at the option of the holder as to principal alone or as to both principal and interest. They shall be signed by the Mayor and countersigned by the Director of the Department of Revenue and Finance of The City of Newark and the corporate seal of said City shall be affixed thereto or impressed thereon, and attested by the City Clerk; and the coupons to be attached to said bonds shall bear the facsimile signature of the Director of the Department of Revenue and Finance. The said bonds shall be issued in substantially such form as the Board of Commissioners may by resolution adopt. The principal and interest of said bonds shall be payable in gold coin of the United

States of America of or equal to the standard of weight and fineness existing on April 1, 1923, at The National State Bank of The City of Newark.

Section 3. This ordinance shall take effect in the manner provided by law.

# MINUTES OF MEETINGS

OF THE

## Board of Commissioners

---

*March, 1923*

---

NEWARK, N. J.

March 6, 1923.

over for one week owing to the absence of Commissioners Gillen and Raymond.

A regular meeting of the Board of Commissioners of the City of Newark, N. J., was held on the above date in the Council Chamber, City Hall, Newark, at 11 A. M.

Present:— Commissioners Brennan, Howe, Mayor Breidenbach.

Absent: — Commissioners Gillen, Raymond.

The minutes of the meeting of February 27th, 1923, were read and approved.

Mr. J. A. Bernhard, Prudential Building, requested that the matter of repealing the zoning ordinance referring to Clinton Avenue between Treacy and Shanley Avenues be laid

Commissioner Brennan moved that the request of Mr. Bernhard be granted.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Howe, Mayor Breidenbach.

Mr. W. L. Stearns, 36 Park Place, objected to the erection of nine buildings by the DuPont Company on Poinier Street at a point between Avenues B and C which encroach upon the thoroughfare. He said he had an opportunity to negotiate the sale of property owned by E. H. McConnell & Son on Poinier Street and Avenue C, but that the outlet of the property

as collected because of the company's buildings, which were erected during the war on property purchased from the Crawley-Clark Paint Company. He further stated that he had the assurance of Chief Engineer Van Duyne and other city officials that Poinier Street is a public thoroughfare. I have been to Wilmington, Del., to see the DuPont agent there to file a request for the removal of the buildings, but was told to return and tell the Newark government that the commissioners had a lot to learn. I would like to know why the taxes on the McCormick property, which have accrued since 1913 until they amount to \$10,000, have not been collected.

Commissioner Howe informed - Mr. Stearns that the property had been listed in a tax sale last year, but had been temporarily removed with the understanding that the taxes would be paid when a representative of the owners declared that the listing would injure negotiations then under way for a sale.

Corporation Counsel Congleton: Mr. Stearns took this matter up with me. It is true that the various city departments certified to him that Poinier Street is a public street, the records showing that this is a public street which has never been assessed for taxing purposes. The matter has been taken up by Commissioner Raymond's department for the purpose of verifying these facts, and I have no doubt that when these facts have been verified that the DuPont people will be notified very promptly as to

what they must do in regard to the removal of these buildings.

Commissioner Brennan moved that "An ordinance to provide for the opening and widening of Ogden Street on the easterly side thereof from Bridge Street northerly about 495 feet to an angle in said easterly side by the addition thereto of a strip 11.64 feet in width" be laid over for two weeks.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Howe, Mayor Breidenbach.

Commissioner Howe moved that "An ordinance authorizing the issuance of \$50,000 Fire Apparatus Bonds of The City of Newark" be taken up for third and final reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Howe, Mayor Breidenbach.

The clerk then read the ordinance as follows:

An ordinance authorizing the issuance of \$50,000 Fire Apparatus Bonds of The City of Newark.

The Board of Commissioners of The City of Newark, Do Ordain:

1. That pursuant to the Act of the

Legislature of the State of New Jersey entitled 'An Act to authorize and regulate the issuance of bonds and other obligations and the incurring of indebtedness by county, city, borough, village, town, township, or any municipality governed by an improvement commission," approved March 22, 1916, (constituting Chapter 252 of the Laws of 1916), and the acts amendatory thereof and supplemental thereto, bonds of the City of Newark, to be known as "Fire Apparatus Bonds," are hereby authorized to be issued in the aggregate principal amount of \$50,000 for the purpose hereinafter stated, for which purpose it is necessary to raise said amount of money.

2. The money to be raised by the issuance of said bonds shall be applied to the purpose of paying for the purchase of fire engines, fire trucks, hose carts or other vehicles for use in the Fire Department of the City of Newark (no part of the cost of which properties has been or is to be specially assessed against property specially benefited).

3. The following matters are hereby determined and declared pursuant to the requirements of said Chapter 252 of the Laws of 1916, as amended:

(a) The probable period of usefulness of each of the improvements and properties for which bonds are hereby authorized to be issued, computed in the manner prescribed by Section 4 of said Chapter 252 of the Laws of 1916, as amended, is ten years. Said improvements and properties are all of the class described

in Subdivision (P) of Subsection (2) of said Section 4, and none of them has yet been completed or acquired.

(b) The average assessed valuation of the taxable real property (including improvements) of the City of Newark, computed upon the next preceding three valuations thereof in the manner provided in Section 12 of said Chapter 252 of the Laws of 1916, as amended, is \$442,894.700.

(c) The net debt of said City, computed in the manner provided in said Section 12, is \$20,232,145.97.

(d) The statement required by said Section 12 (showing said net debt, etc.) has been made and filed with the City Clerk as required by said Act.

4. This ordinance shall take effect in the manner provided by law.

The ordinance having been read three times was then declared to be upon its third and final passage.

The roll being called, the ordinance was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Howe, Mayor Breidenbach.

Commissioner Howe moved that "An ordinance authorizing the issuance of \$700,000 Public Improvement Bonds" be taken up for third and final reading.

(c) The net debt of said City, computed in the manner provided in said Section 12, is \$20,232,145.97.

(d) The statement required by

said Section 12 (showing said net debt, etc.) has been made and filed with the City Clerk as required by said Act.

4. This ordinance shall take effect in the manner provided by law.

The ordinance having been read three times was then declared to be upon its third and final passage.

The roll being called, the ordinance was declared adopted by the following votes:

**Yeas: — Commissioners Brennan, Howe, Mayor Breidenbach.**

Commissioner Howe moved that "An ordinance appropriating \$1,000,000 for school purposes and providing for the issuance of bonds to meet said appropriation" be taken up for third and final reading.

The roll being called, the motion was declared adopted by the following votes:

**Yeas: — Commissioners Brennan, Howe, Mayor Breidenbach.**

The clerk then read the ordinance as follows:

An ordinance appropriating \$1,000,000 for school purposes and providing for the issuance of bonds to meet said appropriation.

WHEREAS, The Board of Education of The City of Newark in the

County of Essex, has, by resolution adopted May 25, 1922, decided that it is necessary to raise money for the purposes hereinafter stated, and has prepared and delivered to each member of the Board of School Estimate of The City of Newark a statement of the amount of money estimated to be necessary for said purposes (which purposes consist entirely of the enlarging and reconstruction of school houses within said City and do not include ordinary current repairing or furnishing of the character of current expenses); and,

WHEREAS, The Board of School Estimate has duly considered said statement so made by the Board of Education and has, by resolution adopted June 7, 1922, fixed and determined the total amount necessary for said purposes to be the sum of one million dollars (\$1,000,000), and has made two certificates of said amount, one of which certificates has been delivered to the Board of Education and the other to the Board of Commissioners of The City of Newark, said purposes and the several amounts proposed to be expended for the several purposes, respectively being as follows, viz.:

- (a) An addition to the Hawkins Street School, to consist of ten classroom units, stock-rooms, toilets on each floor, a two-unit kindergarten, two gymnasiums, an auditorium, a shop, a kitchen, an

open window room,  
 medical room, principal's office, teachers' rooms, etc. ....\$235,000.

(b) An addition to the Webster School, to consist of twenty-four class-rooms, a kitchen, a shop, an open window room, etc..... 235,000.

(c) An addition to the Milford School, to consist of sixteen class-rooms, stockroom, toilets on each floor, a three-unit kindergarten, an open window room, a medical room, a kitchen, teachers' rooms, a gymnasium, an auditorium, etc..... 255,000.

(d) An addition to the Monteith School, to consist of six class-rooms, an auditorium, a shop, a kitchen, a gymnasium, an open window room, etc., and the present auditorium divided into six class-rooms ..... 195,000.

(e) An addition to the John Catlin School to contain six class-rooms, medical room, a principal's office, teachers' rooms, printing shop, etc..... 80,000.

Total.....\$1,000,000.

NOW, THEREFORE, The Board of Commissioners of The City of Newark do ordain:

Section 1. That pursuant to the Act of the Legislature of the State of New Jersey, entitled: "An Act to establish a thorough and efficient system of free public schools and to provide for the maintenance, support and management thereof", approved October 19, 1903, and the acts amendatory thereof and supplemental thereto, the said sum of one million dollars (\$1,000,000), fixed and determined to be necessary as aforesaid, is hereby appropriated to the Board of Education of The City of Newark, in the County of Essex, for the purposes set forth in the preamble of this ordinance.

Section 2. For the purpose of raising the amount hereby appropriated there shall be issued bonds of The City of Newark, to be known and designated as "School Bonds," and to be dated April 1, 1923, in the aggregate principal amount of one million dollars (\$1,000,000), pursuant to Section 76 of the act aforesaid. The proceeds of said bonds shall be used for any or all of the purposes aforesaid. It is hereby determined that all of the purposes for which money is hereby appropriated are of the classes described in Clauses (b) or (c) of subdivision C of subsection (3) of Section 76 of the act aforesaid, as amended, for which bonds maturing within a period of twenty years may be issued. The said bonds shall be one thousand in number, numbered

from 1924, inclusive, and shall be of the denomination of \$1,000 each. They shall be dated April 1, 1923, shall bear interest from their date at the rate of four and one-half per centum (4½%) per annum, payable semi-annually on the first days of April and October in each year, until maturity, and shall mature in order as numbered (beginning with Bond No. 1) and in twenty annual installments or series, payable on the first day of April in each year as follows, viz.: \$50,000 of bonds in each of the years 1924 to 1943, inclusive. The said bonds shall be coupon bonds,, registerable at the option of the holder as to principal alone or as to both principal and interest. They shall be signed by the Mayor and countersigned by the Director of the Department of Revenue and Finance of The City of Newark and the corporate seal of said City shall be affixed thereto or impressed thereon, and attested by the City Clerk; and the coupons to be attached to said bonds shall bear the facsimile signature of the Director of the Department of Revenue and Finance. The said bonds shall be issued in substantially such form as the Board of Commissioners may by resolution adopt. The principal and interest of said bonds shall be payable in gold coin of the United States of America of or equal to the standard of weight and fineness existing on April 1, 1923, at The National State Bank of the City of Newark.

Section 3. This ordinance shall take effect in the manner provided by law.

The ordinance having been read three times was then declared to be upon its third and final passage.

The roll being called, the ordinance was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Howe, Mayor Breidenbach.

Commissioner Howe offered the following resolution:

A resolution fixing the form and terms providing for the sale of \$2,400,000 bonds of The City of Newark, to be issued pursuant to ordinances heretofore adopted.

Be it resolved by the Board of Commissioners of the City of Newark, New Jersey, as follows:

Section 1. The \$700,000 Public Improvement Bonds of the City of Newark, the issuance of which was authorized by an ordinance entitled "An Ordinance authorizing the issuance of \$700,000 Public Improvement Bonds," adopted by the Board of Commissioners of the City of Newark, on March 6, 1923, shall be seven hundred in number, numbered from 1 to 700, inclusive, in the order of their maturity, of the denomination of \$1,000 each, and shall mature and be payable in annual installments as follows, viz.: twenty-three bonds on April 1st in each of the years 1924 to 1943, inclusive, twenty-six bonds on April 1st in each of the years 1944 to 1951, inclusive, and thirty-two bonds on April 1, 1952.

Section 2. The \$650,000 Passaic Valley Sewer Bonds of the City of Newark, the issuance of which was authorized by an ordinance entitled "An Ordinance authorizing the issuance of \$650,000 Passaic Valley Sewer Bonds of the City of Newark", adopted by the Board of Commissioners of the City of Newark, on March 6, 1923, shall be six hundred and fifty in number, numbered from 1 to 650, inclusive, in the order of their maturity, of the denomination of \$1,000 each, and shall mature and be payable in annual installments as follows, viz.: fourteen bonds on April 1st in each of the years 1924 to 1945, inclusive, and nineteen bonds on April 1st in each of the years 1946 to 1963, inclusive.

Section 3. The \$50,000 Fire Apparatus Bonds of the City of Newark, the issuance of which was authorized by an ordinance entitled "An Ordinance authorizing the issuance of \$50,000 Fire Apparatus Bonds of the City of Newark," adopted by the Board of Commissioners of the City of Newark on March 6, 1923, shall be fifty in number, numbered from 1 to 50, inclusive, in the order of their maturity, of the denomination of \$1,000 each, and shall mature and be payable in annual installments as follows, viz.: ten bonds on April 1st in each of the years 1924 to 1928, inclusive.

Section 4. The said Public Improvement Bonds, Passaic Valley Sewer Bonds and Fire Apparatus Bonds shall be dated April 1, 1923, shall bear interest from their date at

the rate of four and one-half per centum ( $4\frac{1}{2}\%$ ) per annum, payable semi-annually on April 1st and October 1st in each year, and shall be coupon bonds, registerable at the option of the holder as to principal alone or as to both principal and interest. They shall be signed by the Mayor, countersigned by the Director of the Department of Revenue and Finance and the seal of the City of Newark shall be thereto affixed and attested by the City Clerk. The coupons to be attached to said bonds shall bear the facsimile signature of the Director of the Department of Revenue and Finance. Both principal and interest of the bonds shall be payable at The National State Bank of the City of Newark in gold coin of the United States of America of the standard of weight and fineness existing on the date of said bonds.

Section 5. The said bonds shall be issued in substantially the following form:

No.	No.
UNITED STATES OF AMERICA

.....BOND	

The City of Newark, a municipal corporation in the County of Essex and State of New Jersey, for value received hereby promises to pay to the bearer, or, if this bond be registered,

to the registered holder hereof, the sum of

ONE THOUSAND DOLLARS .  
(\$1,000)

on the 1st day of April 19, , with interest thereon from the date hereof at the rate of four and one-half per centum ( $4\frac{1}{2}\%$ ) per annum, payable semi-annually on April 1st and October 1st in each year, upon the presentation and surrender of the annexed coupons therefor as they severally become due, or, if this bond be converted into a fully registered bond, to the registered holder hereof. Both principal and interest of this bond are payable in gold coin of the United States of America of or equal to the present standard of weight and fineness at The National State Bank of the City of Newark.

This bond may be registered as to principal by the holder in his name on the books of the Comptroller of said City, and such registration noted hereon, after which no valid transfer hereof shall be made except on said books until after registered transfer to bearer. Such registration shall not affect the negotiability of the coupons, which shall continue to be transferable by delivery. At the request of the holder this bond will be converted into a fully registered bond and the coupons hereto annexed detached and cancelled, and thereafter both principal and interest will be payable only to the registered holder hereof.

This bond is one of an issue of

bonds of like tenor, except as to maturity, issued under and pursuant to Chapter 252 of the Laws of 1916 of New Jersey, and the acts amendatory thereof and supplemental thereto, and an ordinance duly adopted by the Board of Commissioners of the City of Newark on March 6, 1923.

It is hereby certified and recited that all conditions, acts and things required by the Constitution or statutes of the State of New Jersey to exist, be performed or happen precedent to or in the issuance of this bond, exist, have been performed and have happened, and that this bond, together with all other indebtedness of said City, is within every debt and other limit prescribed by the Constitution or statutes of said State, and the faith and credit of said City are hereby pledged irrevocably to the punctual payment of the principal and interest of this bond in accordance with its terms.

IN WITNESS WHEREOF, the City of Newark, has caused this bond to be signed by its Mayor and countersigned by its Director of the Department of Revenue and Finance, and its corporate seal to be hereunto affixed and attested by the City Clerk, and the annexed coupons to bear the facsimile signature of said Director, and this bond to be dated April 1, 1923.

Section 6. The \$1,000,000 School Bonds, the issuance of which was au-  
thorized by an ordinance entitled "An  
Ordinance appropriating \$1,000,000  
for school purposes and providing for  
the issuance of bonds to meet said  
appropriation," adopted by the Board  
of Commissioners of the City of

Newark on March 6, 1923, shall be issued in substantially the form prescribed above, except that the following paragraph of said form shall be stricken out:

"This bond is one of an issue of bonds of like tenor, except as to maturity, issued under and pursuant to Chapter 252 of the Laws of 1916 of New Jersey, and the acts amendatory thereof and supplemental thereto, and an ordinance duly adopted by the Board of Commissioners of the City of Newark on March 6, 1923."

and there shall be substituted in lieu thereof the following paragraph:

"This bond is one of an issue of bonds of like tenor, except as to maturity, issued under and pursuant to an Act of the Legislature of the State of New Jersey, entitled "An Act to establish a thorough and efficient system of free public schools, and to provide for the maintenance, support and management thereof", approved October 19, 1903, and the acts amendatory thereof and supplemental thereto, and an ordinance duly adopted by the Board of Commissioners of the City of Newark on March 6, 1923."

Section 7. The bonds shall be sold at public sale upon sealed proposals at eleven o'clock A. M., on Monday, April 2, 1923, at the office of the Director of the Department of Revenue

and Finance in the City Hall, after notice of such sale published in the manner required by law. The Director of the Department of Revenue and Finance is hereby authorized and directed to cause such notice to be published and to receive such proposals, and the power of the Board of Commissioners to award the bonds and reject bids therefor is hereby delegated to him.

Section 8. The notice of sale of the bonds shall be in substantially the following form:

#### NOTICE OF SALE

CITY OF NEWARK, N. J.

\$2,400,000 4½ % Bonds.

Sealed proposals will be received by the undersigned at his office in the City Hall, Newark, New Jersey, until Monday, April 2, 1923, at 11 o'clock A. M., when they will be publicly opened, for the purchase, at not less than par and accrued interest, of bonds of the City of Newark, of the following authorized issue, viz.:

1. \$700,000 Public Improvement Bonds, maturing \$23,000 of bonds on April 1st in each of the years 1924 to 1943, inclusive, \$26,000 of bonds on April 1st in each of the years 1944 to 1951, inclusive, and \$32,000 of bonds on April 1, 1952.

2. \$650,000 Passaic Valley Sewer Bonds, maturing, \$14,000

of bonds on April 1st in each of the years 1924 to 1945, inclusive, and \$19,000 of bonds on April 1st in each of the years 1946 to 1963, inclusive.

3. \$1,000,000 School Bonds, maturing, \$50,000 of bonds on April 1st in each of the years 1924 to 1943, inclusive.

4. \$50,000 Fire Apparatus Bonds, maturing, \$10,000 of bonds on April 1st in each of the years 1924 to 1928, inclusive.

All of the bonds will be of the denomination of \$1,000. will be dated April 1, 1923, will bear interest from their date at the rate of four and one-half percentum ( $4\frac{1}{2}\%$ ) per annum, payable semi-annually on April 1st and October 1st, and will be coupon bonds, registerable at the option of the holder as to principal only or as to both principal and interest. Principal and interest will be payable in gold coin of the United States of present standard of weight and fineness at The National State Bank of the City of Newark.

The several amounts necessary to be raised by the sale of said four bond issues (exclusive of the amount of any interest accrued on the bonds), respectively, are the maximum authorized amounts of said issues, respectively, as stated above and no more bonds of any issue will be sold than will produce the amount necessary to be raised by the sale of such issue (exclusive of accrued interest) and an additional sum of less than

\$1,000 for such issue. If less than the maximum authorized amount of any issue is sold, the unsold bonds of that issue will be those last maturing. The bonds of each issue, will unless all bids therefor are rejected, be sold to the bidder or bidders complying with the terms of sale and offering to pay not less than the amount necessary to be raised by the sale of such issue (exclusive of accrued interest) and to take therefor the least amount of bonds of such issue, commencing with the first maturity, and if two or more bidders offer to take the same amount of bonds of the same issue, then the bonds of that issue will be sold to the bidder or bidders offering to pay therefor the highest additional price (such additional price being less than \$1,000). In addition to the price bid, the purchaser must pay accrued interest from the date of the bonds to the date of delivery. The right is reserved to reject any or all bids.

Any bidder may condition his bid on the award to him of two or more said issues, but in that case if there is a more favorable bidder for any of the issues for which he bids, his bid will be rejected.

Proposals should be addressed to the Director of the Department of Revenue and Finance, City Hall, Newark, New Jersey, and enclosed in a sealed envelope marked on the outside "Proposal for Bonds" and must be accompanied by a certified check for two per centum (2%) of the face amount of the bonds bid for, drawn upon an incorporated bank or trust company to the order of the "Director

of the Department of Revenue and Finance of the City of Newark", to secure the City against any loss resulting from a failure of the bidder to comply with the terms of his bid. Checks of unsuccessful bidders will be returned upon the award of the bonds.

The successful bidders will be furnished with the opinion of Messrs. Reed, Dougherty & Hoyt, of New York City, that the bonds are valid and binding obligations of the City of Newark.

By order of the Board of Commissioners of the City of Newark.

Dated, March , 1923.

.....  
Director of the Department of Revenue and Finance of the City of Newark.

Section 9. The Director of the Department of Revenue and Finance is hereby authorized to cause said bonds to be prepared and to obtain the opinion of Messrs. Reed, Dougherty & Hoyt, attorneys, of New York City, as to the validity of the bonds, to be furnished to the purchaser or purchasers thereof, and the Mayor, Director of the Department of Revenue and Finance and the City Clerk are hereby authorized to execute said bonds and the Director of the Department of Revenue and Finance is hereby authorized to deliver said bonds to the purchaser or purchasers thereof upon the receipt of the purchase price.

The roll being called, the resolution was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Howe, Mayor Breidenbach.

The following communication was received and read:

Department of Public Safety  
Division of Buildings,

Newark, N. J., March 5, 1923.

The Board of Commissioners of  
The City of Newark.

Honorable Sirs:

In accordance with your request the Commission on Building Districts and Restrictions held a public hearing on March 1, 1923, to consider an application for a change in the Building Zone Ordinance at Elizabeth and Meeker Avenue.

No one appeared at the hearing in opposition to the proposed amendment and word was received from Mr. Morris R. Sherrerd that the Weequahic Improvement Association had no objection to the change taking place north of Meeker Avenue.

The Commission on Building Districts and Restrictions respectfully recommends that the petition requesting that the west side of Elizabeth Avenue between Meeker and Watson Avenues be changed from a "C" area district to a "B" area district is approved, and in order to further safeguard this section this Commission further recommends that the east side of Elizabeth Avenue between Meeker and Watson Avenues be changed from industrial to a business.

Respectfully submitted,

Commission on Building Districts  
and Restrictions,

R. B. Rankin,  
Secretary.

Commissioner Howe moved that the recommendation be concurred in and that the portion recommending that the east side of Elizabeth Avenue between Meeker and Watson Avenue be changed from industrial to a business section be referred to the Corporation Counsel to prepare the necessary ordinance.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Howe, Mayor Breidenbach.

Commissioner Brennan moved that the title of "An ordinance extending the "B" Area District as shown on the Area District Map so as to include the area bounded on the north by Watson Avenue, on the east by Elizabeth Avenue, on the south by Meeker Avenue and on the west by Johnson Avenue" be taken for its third reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Howe, Mayor Breidenbach.

The clerk then read the title of the ordinance as follows:

An ordinance extending the "B" Area District as shown on the Area District Map so as to include the area bounded on the north by Watson Avenue, on the east by Elizabeth Avenue, on the south by Meeker Avenue and on the west by Johnson Avenue.

The ordinance having been read three times was declared to be upon its third and final passage.

The roll being called the ordinance was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Howe, Mayor Breidenbach.

The following communication was received and read:

Department of Public Safety  
Division of Buildings,

Newark, N. J., March 5, 1923.  
The Board of Commissioners of

The City of Newark.  
Honorable Sirs:

At a meeting of the Commission on Building Districts and Restrictions held March 1, 1923, the following petition was considered:

A petition to change the residence district on Berkeley Avenue between North 6th and North 7th Streets to a business district, and which was referred to this Commission by your Honorable Body on February 20th, 1923.

The Commission on Building Districts and Restrictions desires to report that the petition is justified, as there are already several stores on that block. Inspection shows also that there are stores on both west corners of Berkeley Avenue and North 7th Street.

This Commission most respectfully recommends, therefore, that the petition be granted, but that instead of extending the business district on Berkeley Avenue west to North 7th Street that it be extended one hundred

feet further so as to include all four corners of that intersection.

Respectfully submitted,

Commission on Building Districts  
and Restrictions

R. B. Rankin,  
Secretary.

Commissioner Howe moved that the recommendation be concurred in and that the communication be referred to the Law Department for the purpose of preparing an ordinance to carry out the recommendation of the Zoning Commission.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Howe, Mayor Breidenbach.

City Treasurer for February, 1923.

Comptroller for February, 1923.

Elizabeth S. Lewis, Clerk Family Court, for February, 1923.

A communication from Adjutant John Mulligan, Veterans of Foreign Wars of the United States, suggesting that the examination for the position of Director of the Division of Public Welfare should be open only to the residents of the State and that home talent be developed for this and similar positions among the competent

New Jersey residents, was received, read and on motion ordered referred to the Director of Public Affairs.

Commissioner Brennan offered the following ordinance which was read by the clerk:

An ordinance to amend an ordinance entitled: "An ordinance regulating and restricting the location of trades and industries and the location of buildings designed for specified uses, and regulating and limiting the height and bulk of buildings hereafter erected, and regulating and determining the area of yards, courts and other open spaces surrounding buildings, and establishing the boundaries of districts for the said purposes and providing penalties for the violation of its provisions", adopted December 31, 1919.

The Board of Commissioners of The City of Newark, Do Ordain:

Section 1. That an ordinance entitled: "An ordinance regulating and restricting the location of trades and industries and the location of buildings designed for specified uses, and regulating and limiting the height and bulk of buildings hereafter erected, and regulating and determining the area of yards, courts and other open spaces surrounding buildings, and establishing the boundaries of districts for the said purposes and providing penalties for the violation of its provisions", adopted December 31, 1919, be amended by extending the Business District so as to include the area bounded as follows:

BEGINNING at the intersection of High and Warren Street; thence easterly along Warren Street for a distance of 100 feet; thence northerly along a line 100 feet east of and parallel to High Street to a point 100 feet south of Central Avenue; thence westerly along a line 100 feet south of and parallel to Central Avenue to a point 100 feet west of High Street; thence southerly along a line 100 feet west of and parallel to High Street to its intersection with New Street; thence westerly along New Street to its intersection with Summit Street; thence southerly along Summit Street to its intersection with Summit Place; thence easterly along Summit Place to its intersection with High Street; thence southerly along High Street to the place of BEGINNING. and that the Use District Map which is a part of said ordinance be and the same is hereby amended so as to include within the Business District the area above described.

Section 2. All ordinances inconsistent herewith are hereby repealed.

Section 3. This ordinance shall take effect immediately.

The ordinance having been read once, Commissioner Brennan moved that it be ordered to a second reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Howe, Mayor Breidenbach.

The clerk then read the ordinance by sections.

Title declared open to amendment.

Section 1 declared open to amendment.

Section 2 declared open to amendment.

Section 3 declared open to amendment.

The ordinance was declared open to amendment in all its parts.

The ordinance having been read a second time, Commissioner Brennan moved that it be ordered to a third reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Howe, Mayor Breidenbach.

Commissioner Brennan moved that the ordinance be taken up on third reading and final passage on March 13th.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Howe, Mayor Breidenbach.

Commissioner Brennan moved that the ordinance be referred to the Zon-

ing Commission for recommendation and report.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Howe, Mayor Breidenbach.

Mayor Breidenbach: I would recommend that the Commissioners meet in my office each Tuesday morning at 10 o'clock and go over the resolutions before we come to the meetings.

Commissioner Howe moved that the Commissioners be requested to meet in the Mayor's office each Tuesday morning at 10 o'clock for the purpose of going over the resolutions.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Howe, Mayor Breidenbach.

Mayor Breidenbach: I would like to say a word in regard to the Pennsylvania Railroad and the tube station. I understand that a number of trains coming from Philadelphia and the West do not make any stop at Newark. You are compelled to go to the Manhattan Transfer, get on another train and then come back to Newark. I believe that Newark, being the largest city in the State of New Jersey, should take steps to see that the trains make a stop in the City of

Newark. It has been brought to my attention that Jersey City is receiving better service than Newark on the tubes and that Newark is being eliminated by the Pennsylvania as an express stop for trains plying between New York and South Jersey or Western points. In a great many cases the traveler who desires to go to Trenton, Philadelphia or other points by express must get the train at the Manhattan Transfer. I cannot see any reason why a person can not get on or off the trains at the Market Street station. The service on the tubes could be greatly improved. While three or four trains are being sent into Summit Avenue Station in Jersey City and then turned back there is only one comes through to Newark.

Commissioner Howe moved that the matter be referred to Director Raymond and the Law Department as I think we can safely leave it in their hands.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Howe, Mayor Breidenbach.

Commissioner Brennan offered the following resolutions:

RESOLVED, That the annexed release from the City of Newark to S. Smith Coal Company be and the same is hereby approved, and the Director of the Department of Streets and

Public Improvements and the City Clerk of the City of Newark are hereby authorized and directed to execute said release on behalf of the City on the adoption of this resolution; said release to be delivered to said S. Smith Coal Company on payment by them of the sum therein mentioned.

Commissioner Howe moved to ad-  
journ.

The roll being called, the motion  
was declared adopted by the follow-  
ing votes:

Yeas: — Commissioners Brennan,  
Howe, Mayor Breidenbach.

APPROVED:

F. C. BREIDENBACH,  
W. J. BRENNAN,  
JOHN HOWE,

The Board of Commissioners of  
The City of Newark, N. J.

W. J. EGAN,  
City Clerk.

NEWARK, N. J.

March 13, 1923.

A regular meeting of the Board of Commissioners of the City of Newark, N. J., was held on the above date in the Council Chamber, City Hall, Newark, at 11 A. M.

Present:—Commissioners Brennan, Gillen, Howe, Mayor Breidenbach.

Absent:—Commissioner Raymond.

The minutes of the meeting of March 6th, 1923, were read and approved.

The following reports of the Commissioners of Assessments for Local Improvements assessing benefits for street improvements were received and ordered filed.

Cedar Avenue grading, curbing and flagging from Mountain View Avenue to the East Orange Line.

Ridgewood Avenue opening from Watson Avenue about 100 feet north-erly to a property line.

Vermont Avenue grading, curbing and flagging from about 135 feet south of Laurel Place to Grove Terrace.

City Clerk Egan: Mr. Mayor, I have been delegated this morning by a number of citizens, who are present, known as the Centre Market Merchants' Association, to make a presen-

tation to Commissioner Gillen. I therefore have the pleasure of presenting to you, Commissioner Gillen, on behalf of the Centre Market Merchants' Association, this beautiful set of silverware, expressing in their behalf the hope that you, Mrs. Gillen and the little Gillens to come will thoroughly enjoy everything in the way of foodstuffs that will be served on this silverware.

I have also been requested by this same group of gentlemen to present to your Executive Secretary, Max L. Stegman, this little token of appreciation on their part (a silver cigarette case) for the wonderful service rendered by him and the unusual courtesies extended to them through him during your absence.

Commissioner Gillen: I wish to express my sincere appreciation for this generous gift which was unlooked for, but for which I feel deeply grateful. I know the spirit in which it is given and I trust that I may always retain the same friendship that prompted the giving of this gift.

Mr. Myron W. Morse: As a life-long member of the City of Newark, I have observed much of the life and doings of the members of our city government, and prominently among our officials I have noticed many acts of Commissioner Charles P. Gillen. I noticed that when there was a food shortage he made it possible for us to purchase food at moderate price at a nearby church building, school house or fire house, and when a coal famine seemed imminent he found a way to bring coal to our city and to

have it fairly distributed. Then when work became scarce he opened a place where employer and workman could meet. And again when husbands were needed he came to the rescue, and I wish to present to Commissioner Gillen a silk American flag and to say to you Commissioner that as a citizen it gives me much pleasure to give this beautiful emblem, and as the reverend gentleman a few days ago announced that you and Mrs. Gillen are one I trust that you will share this tribute with your good wife.

Commissioner Gillen: I appreciate this gift very highly. It is a sacred emblem and I will always keep it on my desk at the office where I will always have occasion to gaze upon it.

Mr. William H. Smith, 790 Broad Street, representing Mr. West, appeared before the Board relative to the repeal of the zoning ordinance passed last December referring to Clinton Avenue between Treacy and Shanley Avenues. He stated although Mr. J. A. Bernhard, who represents a number of property owners who are anxious to have this ordinance repealed, is not present he would like to have this question settled with as little delay as possible.

Corporation Counsel Congleton: Mr. Mayor, I have, at your request, considered this matter very carefully. Assuming that you introduce an ordinance to repeal the previous ordinance which places this territory in a business district, it is my opinion that this repealer would not in any way affect Mr. West. Before Mr. West

bought this property this Board of Commissioners passed an ordinance placing the property in the business zone. I think Mr. West is in a position where his right cannot be affected by act this Board may take with respect to the repeal of this ordinance. The question is whether you want to put the rest of the property back into a residential district.

Mayor Breidenbach: Are there any citizens who wish to be heard on the Crittenden Street opening?

Mr. Joseph Marinelli, 95 Garside Street; Samuel H. Parson, 95 Stone Street, representing the Estate of Henrietta Parson; John Plunkett, 191 Broad Street; Jacob Lowits, 14 Gouverneur Street; Miss May Marinelli, 47 Park Avenue, and Mrs. Teodora Nicholas, 10 Crittenden Street, appeared before the Board and objected to the Crittenden Street opening on the ground that the entire cost of this improvement should be assessed upon the city.

The following communications were received and read:

To the Hon. Thomas L. Raymond,

Director of the Department of Streets and Public Improvements, and the Board of Commissioners of the City of Newark:

Objection is hereby made on behalf of the Paterson, Newark and New York Railroad Company, The Newark & Hudson Railroad Company; The Erie Land and Improvement Com-

pany, and The Erie Railroad Company against the making of an assessment or assessments against any of their respective properties for alleged benefits accruing to said properties by reason of the opening of Crittenden Street from the southwesterly corner of Crittenden Street and Rowland Street southwesterly to Bloomfield Avenue for the following reasons:

1. The said assessment is invalid and illegal because there is no actual benefit to said property for railroad uses.

2. The said assessment is invalid because said property is too remote from said improvements to be benefited thereby.

Parker, Emery & Van Riper,

Attorneys of The Paterson, Newark and New York Railroad Co.,  
The Newark and Hudson R. R. Co.,  
The Erie Land & Improvement Co.,  
The Erie R. R. Co.

Ordered filed.

Atlas Investment Company,  
41 Bloomfield Avenue,

Newark, N. J., March 13th, 1923.

To the Honorable

Board of Commissioners  
of The City of Newark, N. J.

Gentlemen:—

We have been advised by represen-

tatives of the Commissioners of Assessments for Local Improvements that they have assessed property No. 51 Bloomfield Avenue, corner Crittenden Street, at 33-1/3% of the valuation they placed on same, namely, \$5,000.00 making the assessment \$1,666.00. We beg to appeal for a reconsideration of this assessment which we deem excessive and in our estimation the value of this property has not been enhanced to this extent.

Even with this improvement made, we had an offer of \$4,500.00 for the sale of same which we refused as we intend to use it for our own purpose. May we therefore ask your Honorable Body for a reconsideration of this assessment as we feel that 25% would be ample and in keeping with property values in that vicinity.

Thanking you in advance for this courtesy, we are,

Yours very truly,

Atlas Investment Company,

Louis Maier,  
President.

Ordered filed.

Assessment Commissioner August Soffel: The lines were established and announcement made that a public hearing would be held on the Crittenden Street opening. No citizens appeared before the Assessment Commission to protest against this improvement. The commissioners in their judgment feel that the proper-

ty value has been increased to the amount for which the property owners have been assessed. I might say that in this particular assessment the city is to pay two-thirds of the assessment and one-third will be assessed on the property immediately benefited. We feel that the people in this area have been very liberally treated.

Commissioner Howe: We have considered these objections and we feel they are not warranted. I therefore move the confirmation of the assessment.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Mayor Breidenbach.

The following communication was received and read:

#### Division of Buildings

Newark, N. J. March 13, 1923.

The Board of Commissioners of

The City of Newark.

Honorable Sirs:

The Commission on Building Districts and Restrictions recommends the adoption of the enclosed ordinance amending the zoning regulations on High Street between Warren

Street and Central Avenue.

Very truly yours,

R. B. Rankin,  
Secretary Zoning Commission.

Ordered filed.

Commissioner Brennan moved that the title of "An ordinance to amend an ordinance entitled, 'An ordinance regulating and restricting the location of trades and industries and the location of buildings designed for specified uses, and regulating and limiting the height and bulk of buildings hereafter erected, and regulating and determining the area of yards, courts and other open spaces surrounding buildings, and establishing the boundaries of districts for the said purposes and providing penalties for the violation of its provisions'", adopted December 31, 1919, (extending business district on High Street between Warren Street and Central Avenue) be taken for its third reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Mayor Breidenbach.

The clerk then read the title of the ordinance as follows:

John Howe,  
Charles P. Gillen,  
F. C. Breidenbach,

The roll being called, the resolution, was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Mayor Breidenbach.

RESOLVED, That it is the intention of the Board of Commissioners of the City of Newark, N. J., under and by virtue of the provisions of an act entitled "An Act Concerning Municipalities" approved March 27, 1917 (P. L. 1917-319) and the supplements thereto, and amendments thereof, to order and cause the resurfacing of Broad Street from Clay Street to Harvey Street with asphalt pavement

on the old concrete foundation properly repaired, with the necessary new curbing or resetting of curb, together with all other appurtenances incidental to the repaving of said street including the laying of concrete sidewalks at street intersections and elsewhere wherever needed, and the laying or relaying of a sidewalk or sidewalks or such portion or portions of sidewalks as may be disturbed or may become necessary or expedient, or the grade of which may be affected on account of the laying of the pavement or the setting or resetting of the curb, in accordance with the plans, specifications and profiles dated March 5th, 1923 and now on file in the office of the Department of Streets and Public Improvements. The City Asphalt Plant to be authorized to bid on said work.

In order to avoid the necessity of

excavating and tearing up the improved portion of said street after the making of said improvement, the owners of any and all lands on the line of said improvement, are hereby ordered and directed to make the necessary connections with the sewer, gas and water mains to the curb lines in said street for each lot fronting upon said street within thirty (30) days after the passage of this ordinance. Upon failure of any such owner to make or cause said connections to be made the same will be made by the Department of Streets and Public Improvements in such case the costs and expenses of making said connections will be assessed upon the lands benefited. Each 25 feet of frontage upon said street for the purpose of this improvement shall be considered a lot.

That said improvement shall be undertaken as a local improvement and the cost thereof shall be assessed against the property benefited by said improvement, in proportion to the benefits received, under and by virtue of the provisions of the act above referred to.

That the sum of \$71,500.00 is hereby appropriated to pay the cost of said improvement, and for the purpose of meeting said appropriation and temporarily financing said improvement, temporary bonds or notes shall be issued from time to time in an amount not to exceed \$71,500.00 under and by virtue of the provisions of an act entitled "An Act to authorize and regulate the issuance of bonds and other obligations and the incurr-

ing of indebtedness by county, city, borough, village, town, township, or any municipality governed by an improvement commission" approved March 22, 1916 (P. L. 1916-525) and the supplements thereto and amendments thereof, which bonds or notes shall bear interest at a rate not to exceed six per centum per annum. All other matters in respect to such temporary bonds or notes shall be determined by the Director of the Department of Revenue and Finance who is hereby authorized to execute and issue said bonds or notes.

An the Director of the Department of Streets and Public Improvements is hereby directed to give public notice in an authorized daily newspaper, printed and published in the City of Newark, of the intention of the Board of Commissioners to order and cause such improvement to be made, and that all persons whose lands may be affected by such improvement, or who may be interested therein will be given an opportunity to be heard concerning the same at a meeting of said Board, to be held in its meeting room, City Hall, April 3rd, 1923, at 11 o'clock A. M., at which time and place ordinance for the making of such improvement will be considered.

The following petition was received and read:

To the Board of Commissioners  
of the City of Newark.

The petition of Wigdor Klein of the  
City of Newark, County of Essex and  
State of New Jersey, respectfully  
shows:

First: That he is the owner in fee  
simple of those certain tracts or parcels  
of land and premises hereinafter  
particularly described, situate, lying  
and being in the City of Newark,  
County of Essex and State of New  
Jersey.

First tract: BEGINNING at the  
intersection of the Northerly side of  
Avon Avenue with the Easterly side  
of Broome Street; thence along said  
Avon Avenue South seventy-five de-  
grees fifteen minutes East twenty-  
nine feet to land of Mary S. Zabris-  
kie; thence along the same North  
twenty-four degrees seven minutes  
East sixty-two feet; thence along the  
same North sixty-five degrees fifty-  
three minutes West four feet seven  
and one-quarter inches; thence along  
same North nineteen degrees forty-  
two minutes East twenty-one feet  
two and one-quarter inches; thence  
along the same North sixty-five de-  
grees fifty-three minutes West twen-  
ty-two feet five inches to the Easter-  
ly side of Broome Street; thence along  
the same South twenty-four degrees  
seven minutes West eighty-seven feet  
ten inches to the place of BEGIN-  
NING.

Second Tract: BEGINNING on the  
Northerly side of Avon Avenue at a

point therein distant twenty-nine feet  
from the Easterly side of Broome  
Street; thence along said Avenue  
South seventy-five degrees and fifteen  
minutes East twenty-five feet more or  
less to the middle of the party wall;  
thence North fourteen degrees and  
forty-five minutes East through mid-  
dle of said wall seventy feet; thence  
North twenty-four degrees seven  
minutes East thirty feet; thence  
North sixty-five degrees fifty-three  
minutes West forty-one feet and  
eleven inches to said Easterly side of  
Broome Street; thence along the same  
South twenty-four degrees seven min-  
utes west twenty feet to land of  
Fannie Chedister; thence along the  
same South sixty-five degrees fifty-  
three minutes East twenty-two feet  
five inches; thence along same South  
nineteen degrees forty-two minutes  
West twenty-one feet two and one-  
quarter inches; thence along same  
South sixty-five degrees fifty-three  
minutes East four feet seven and one-  
quarter inches; thence along the same  
South twenty-four degrees seven min-  
utes West sixty-two feet to the  
Northerly side of Avon Avenue and  
the place of BEGINNING.

Second: That title to part of the  
said land and premises was conveyed  
by the Mayor and Common Council  
of the City of Newark to Gerhard  
Mennen by deed recorded in Book Y  
22 of Deeds for Essex County, at  
page 249, and by him conveyed to  
Fannie Chedister, by deed recorded in  
Book R 24 of Deeds for Essex Coun-  
ty, at page 416, who conveyed it to  
Mary S. Zabriskie by deed recorded in

E 27 page 264, who conveyed it to Fannie Chedister by deed recorded in Book E 28 page 50, and who conveyed it to Mary S. Zabriskie by deed recorded in Book E 28 page 86, who in turn conveyed it to Henry Glorieux by deed recorded in Book U 28, page 5, and by Fannie Chedister and husband conveyed to Henry Glorieux by deed recorded in Book U 28 page 7, and by his heirs conveyed to the Fidelity Trust Company as Trustee for Rachel S. Glorieux, by deed recorded in Book M 58 page 422, and said Fidelity Trust Company and others conveyed said premises to Wigdor Klein by deed recorded in Book G 62 of Deeds for Essex County on pages 390-393.

Third. Your petitioner further shows that when the lands and premises above described were originally sold by the Mayor and Common Council of the City of Newark to the said Gerhard Mennen, they were sold and made subject to the following conditions:

First. That no stable, barn, carriage or out-house shall be built or erected thereon within less than sixty feet of the street or front line of the said property.

Second. That no factory, manufacturing establishment shall be built or erected thereon, or any business of that kind carried on upon the said premises.

Third: That no building built or to be erected thereon shall be used for the purpose of a liquor store or saloon.

Fourth. That every dwelling to be built or to be erected thereon shall be located so that the front line thereof shall be at least six feet from the front or street line of the said property, and such dwelling shall be erected at a cost of not less than Two Thousand Dollars.

On breach of these conditions, or either of them, the estate granted shall cease and determine, and the party of the first part, their successors and assigns shall have the right to enter thereon and take full possession thereof, and to use, hold and occupy the said property as of their former estate.

Fourth. Your petitioner further shows that he has been unable to sell the aforesaid lands and premises because of the conditions imposed in the deeds of conveyance from the Mayor and Common Council of the City of Newark above mentioned.

Your petitioner therefore prays that the said conditions may be removed as conditions, and that the restrictions contained in the said conditions remain upon the said premises as covenants to run with the lands and binding upon your petitioner, his successors, heirs and assigns.

And your petitioner will ever pray,  
etc.

Wigdor Klein,  
Petitioner.

Witness:  
Eugene Geiser.

Ordered filed.

Commissioner Howe offered the following resolution:

WHEREAS, A petition has been presented to the Board of Commissioners of the City of Newark by Wigdor Klein, setting forth that he is the owner of certain lands and premises in the City of Newark, County of Essex and State of New Jersey, described as follows:

First Tract: BEGINNING at the intersection of the Northerly side of Avon Avenue with the Easterly side of Broome Street; thence along said Avon Avenue South seventy-five degrees fifteen minutes East twenty-nine feet to land of Mary S. Zabriskie; thence along the same North twenty-four degrees seven minutes East sixty-two feet; thence along the same North sixty-five degrees fifty-three minutes West four feet seven and one-quarter inches; **thence along same North nineteen degrees forty-two minutes East twenty-one feet two and one-quarter inches; thence along same North sixty-five degrees fifty-three minutes West twenty-two feet five inches to the Easterly side of Broome Street; thence along the same South twenty-four degrees seven minutes West eighty-seven feet ten inches to the place of BEGINNING.**

Second Tract: BEGINNING on the Northerly side of Avon Avenue at a point therein distant twenty-nine feet from the Easterly side of Broome Street; thence along said Avenue South seventy-five degrees

and fifteen minutes East twenty-five feet more or less to the middle of the party wall; thence North fourteen degrees and forty-five minutes East through middle of said wall seventy feet; thence North twenty-four degrees seven minutes East thirty feet; thence North twenty-four degrees seven minutes East thirty feet; thence North sixty-five degrees fifty-three minutes West forty-one feet and eleven inches to said Easterly side of Broome Street; thence along the same South twenty-four degrees seven minutes West twenty feet to land of Fannie Chedister; thence along the same South sixty-five degrees fifty-three minutes East twenty-two feet five inches; thence along same South nineteen degrees forty-two minutes West twenty-one feet two and one-quarter inches; thence along same South sixty-five degrees fifty-three minutes East four feet seven and one-quarter inches; thence along the same South twenty-four degrees seven minutes West sixty-two feet to the Northerly side of Avon Avenue and the place of BEGINNING.

That the title to the said land and premises is derived directly from the Mayor and Common Council of the City of Newark, and was conveyed to Gerhard Mennen by deed recorded in Book Y 22 of Deeds of Essex County, at page 249, and by him conveyed to Fannie Chedister, by deed recorded in Book R 24 of Deeds for Essex County at page 416, who conveyed it to Mary S. Zabriskie by deed recorded in Book E 27 page 264, who conveyed it to Fannie Chedister by deed recorded in Book E 28 page 50, and who

conveyed it to Mary S. Zabriskie by deed recorded in Book E 28 page 86, who in turn conveyed it to Henry Glorieux by deed recorded in Book U 28 page 5, and by Fannie Chedister and husband conveyed to Henry Glorieux by deed recorded in Book U 28 page 7, and by his heirs conveyed to the Fidelity Trust Company as Trustee for Rachel S. Glorieux, by deed recorded in Book M 58 page 422, and said Fidelity Trust Company and others conveyed above premises to Wigdor Klein, said petitioner, which deed is dated June 10, 1919, and recorded in the Essex County Register's office in Book G 62 of Deeds for said County, pages 390, etc.

And that when the lands and premises above described were conveyed to Gerhard Mennen, the deed thereto was made subject to the following conditions:

First. That no stable, barn, carriage or out-house shall be built or erected thereon within less than sixty feet of the street or front line of the said property.

Second. That no factory, manufacturing establishment shall be built or erected thereon, or any business of that kind carried on upon the said premises.

Third. That no building built or to be erected thereon shall be used for the purpose of a liquor store or saloon.

Fourth. That every building to be

built or to be erected thereon shall be located so that the front line thereof shall be at least six feet from the front or street line of said property and such dwelling shall be erected at a cost of not less than Two Thousand Dollars.

On breach of these conditions, or either of them, the estate hereby granted shall cease and determine, and the party of the first part, their successors and assigns shall have the right to enter thereon and take full possession thereof, and to use, hold and occupy the said property as of their former estate.

The said conditions as above stated have greatly hampered and do greatly hamper said petitioner in the enjoyment of said lands, and are an obstacle in the way of selling or mortgaging the same, in consideration of which said petitioner did request The City of Newark to release said lands and premises from the right of entry for condition broken created in the Mayor and Common Council by virtue of the conditions set forth in said deed to Gerhard Mennen.

Now, Therefore, Be It Resolved, That the proper officers of the City of Newark be authorized and directed to execute in the name of The City of Newark, a release to said Wigdor Klein, the owner of the premises above described, and the petitioner mentioned in said petition, which said release shall be drawn so as to release the said lands and premises from the the right of entry for condition broken

created in The City of Newark by said deed from it to said Gerhard Mennen, by which, on breach of the conditions therein contained, the title to the said lands and premises granted by said deed was to cease and terminate, and the said the Mayor and Common Council of the City of Newark, its successors and assigns, was to have the right to enter thereon, and take full possession thereof, and to use, hold and occupy the said property as of their former estate.

Provided, however, that said release shall be approved by a member of the Law Department of the City of Newark, and shall be drawn in such a manner as to change the conditions placed upon said land by said deed to said Gerhard Mennen from the form of conditions, which provide for a forfeiture of the estate, in case of a breach thereof to the form of covenants to run with the land, and to be binding upon the owners thereof, their successors, heirs and assigns, so that the owners of said land and premises shall not be released from the obligation to keep and observe all of the restrictions which were attached to said lands and premises by deed to said Gerhard Mennen.

Mr. W. L. Stearns, 36 Park Place, stated he appeared before the City Commission on the 6th of the month with regard to the encroachment of the DuPont buildings on Poinier Street and wanted to know if the city had done anything to compel the removal of these buildings.

Corporation Counsel Congleton stated the matter had been referred to Commissioner Raymond's department and they are taking it up.

Mayor Breidenbach: I wish to introduce an ordinance providing for a standard of time for the City of Newark for the year 1923.

Mayor Breidenbach offered the following ordinance which was read by the clerk:

An ordinance providing for a stand-

ard of time in The City of Newark for the year 1923.

WHEREAS, The Board of Commissioners of The City of Newark believe that a majority of those who labor in the diversified industrial occupations of this City are in favor of an hour's daylight saving, and that it is beneficial for mental improvement and physical recreation;

THEREFORE, The Board of Commissioners of The City of Newark Do Ordain as follows:

Section 1. That at 2 o'clock A. M., on the last Sunday in April in the year 1923, the standard time throughout the City of Newark shall be advanced one hour in all of the departments of the municipality over which the Board of Commissioners have jurisdiction, except that where time is fixed by any statute of this State, in which case the time shall be the standard time as fixed by such statute and at 2 o'clock A. M., on the last Sunday in September in the year 1923 such time shall be retarded one hour.

Section 2. All ordinances and parts of ordinances inconsistent herewith be and the same are hereby repealed,

Section 3. This ordinance shall take effect immediately.

Commissioner Brennan moved that the ordinance be taken up on second reading one week from today.

# MINUTES OF MEETINGS

OF THE

## Board of Commissioners

---

*April, 1923*

---

NEWARK, N. J.

April 3, 1923.

A regular meeting of the Board of Commissioners of the City of Newark, N. J., was held on the above date in the Council Chamber, City Hall, Newark, at 11 A. M.

Present:—Commissioners Brennan, Gillen, Howe, Mayor Breidenbach.

Absent:—Commissioner Raymond.

The minutes of the meeting of March 27th, 1923, were read and approved.

Mayor Breidenbach: Are there any citizens desiring to be heard on the ordinance for the resurfacing of North Broad Street from Clay Street to Harvey Street?

Mr. Harry Campton, 254 Broad Street; Mr. Leonard Kalisch, 118 Broad Street; Rev. Robert W. Peach, 271 Parker Street; Mr. C. Birdsall, 243 Broad Street; Mrs. Frances L. Jones, 189 Broad Street; Mr. Timothy O'Leary, 262 Broad Street; Dr. E. L. Burns, 269 Broad Street, and Mrs. A. T. Westlake, 179 Broad Street, appeared before the Board in reference to the North Broad Street resurfacing and stated that since this is strictly a general improvement and not a local improvement the cost of resurfacing the street should be borne largely by the city.

The following petition was received and read:

Newark, N. J., March 29, 1923.  
Hon. Board of Commissioners,

City of Newark, N. J.  
Gentlemen:

We, the undersigned, owners of property fronting on Broad Street between Clay and Harvey Streets, having been informed of the intention of the Board of Commissioners to resurface with asphalt pavement as per advertisement in local papers published March 14, 1923, beg leave to state our views thereon as follows:

While we do not dispute the necessity of making permanent repairs of this character we would strongly oppose the undertaking of this work as a local improvement and the assessing of the cost thereof on the abutting property as solely benefited thereby. Our properties are not particularly benefited, the real beneficiaries are the innumerable automobiles, jitney busses and auto trucks passing through it at all hours of the day and night. Broad Street in this vicinity has long lost its local character and is now a principal outlet from the center of the city to the North.

It would therefore be entirely unfair to levy a local assessment and we feel strongly that the cost of this repair should be borne by the City, so we therefore petition your Honorable Board to make the assessment on this improvement general and not local.

We recommend said improvement as a benefit to the public at large.

Signed by 117 property owners.

Commissioner Gillen moved that the petition be received and referred to the Assessment Commission.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Mayor Breidenbach.

Commissioner Gillen offered the following resolutions:

RESOLVED, That the report of the Commissioners of Assessments for Local Improvements for the City of Newark for benefits conferred by the opening of Ridgewood Avenue from Watson Avenue about 100 feet north-erly to a property line, which said report is hereto annexed, be and the same is hereby in all things adopted, ratified and confirmed; and

BE IT FURTHER RESOLVED, That the City Clerk be and he is hereby authorized and directed to file a duplicate of said report in the office of the Comptroller of the said City of Newark for collection.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe Mayor Breidenbach.

Commissioner Gillen offered the following ordinance which was read by the clerk:

An ordinance to provide for the resurfacing of Broad Street from Clay Street to Harvey Street with asphalt pavement on the old concrete foundation.

The Board of Commissioners of The City of Newark, Do Ordain:

Section 1. That Broad Street from Clay Street to Harvey Street shall be resurfaced with asphalt pavement on

the old concrete foundation. The City Asphalt Plant to be authorized to bid on said work, with the necessary new curbing or resetting of curb, together with all other appurtenances incidental to the repaving of said street including the laying of concrete sidewalks at street intersections and elsewhere wherever needed, and the laying or relaying of a sidewalk or sidewalks or such portion or portions of sidewalks as may be disturbed or may become necessary or expedient, or the grade of which may be affected on account of the laying of the pavement or the setting or resetting of the curb, under and by virtue of the provisions of an act entitled "An Act Concerning Municipalities" approved March 27, 1917 (P. L. 1917-319) and the supplements thereto and amendments thereof, in accordance with the plans, specifications and profiles dated March 5, 1923, and now on file in the office of the Department of Streets and Public Improvements.

In order to avoid the necessity of excavating and tearing up the improved portion of said street after the making of said improvement, the owners of any and all lands on the line of said improvement, are hereby ordered and directed to make the necessary connections with the sewer, gas and water mains to the curb lines in said street for each lot fronting upon said street within thirty (30) days after the passage of this ordinance. Upon failure of any such owner to make or cause said connections to be made the same will be made by the Department of Streets and Public Improvements in which case the costs

and expenses of making said connections will be assessed upon the lands benefited. Each 25 feet of frontage upon said street for the purposes of this improvement shall be considered a lot .

Section 2. That said improvement shall be undertaken as a local improvement and the cost thereof shall be assessed against the property benefited by said improvement, in proportion to the benefits received, under and by virtue of the provisions of the act above referred to.

Section 3. That the sum of \$71,500.00 is hereby appropriated to pay the cost of said improvement, and for the purpose of meeting said appropriation and temporarily financing said improvement, temporary bonds or notes shall be issued from time to time in an amount not to exceed \$71,500.00 under and by virtue of the provisions of an act entitled "An Act to authorize and regulate the issuance of bonds and other obligations and the incurring of indebtedness by county, city, borough, village, town, township, or any municipality governed by an improvement commission" approved March 22, 1916, (P. L. 1916-525) and the supplements thereto and amendments thereof, which bonds or notes shall bear interest at a rate of not to exceed six per centum per annum. All other matters in respect to such temporary bonds or notes shall be determined by the Director of the Department of Revenue and Finance who is hereby authorized to execute and issue said bonds or notes.

Section 4. That this ordinance shall take effect immediately and all ordinances or parts of ordinances inconsistent with the provisions of this ordinance be and the same are hereby repealed.

The ordinance having been read once, Commissioner Gillen moved that it be ordered to a second reading.

F. C. BREIDENBACH,  
CHARLES P. GILLEN,  
JOHN HOWE,  
W. J. BRENNAN,

The Board of Commissioners  
of the City of Newark, N. J.

Yeas: — Commissioners Brennan, W. J. EGAN,  
Gillen, Howe, Mayor Breidenbach. City Clerk.

NEWARK, N. J.,

April 10, 1923.

A regular meeting of the Board of Commissioners of the City of Newark, N. J., was held on the above date in the Council Chamber, City Hall, Newark, at 11 A. M.

Present:—Commissioners Brennan, Gillen, Howe, Raymond, Mayor Breidenbach.

The minutes of the meeting of April 3rd, 1923, were read and approved.

Mr. Frederick Keer, President of the Broad Street Association presented a petition and traffic report of the association and requested that the Commission give the matter their consideration at as early date as they possibly can consistent with the nature of the report.

The following petition was received and read:

To the Board of City Commissioners,  
City of Newark.

Gentlemen:—

The Broad Street Association, Incorporated, of Newark, New Jersey, desires to present for your consideration, the following facts:

(1) This Association is composed of many of the merchants doing business on Broad Street between Orange

Street and Hill Street, in the City of Newark, which is, confessedly, the heart of the retail business of the city, and is unsurpassed in the State.

(2) For generations Broad Street has been the pride of the City of Newark, and property owners, merchants, and all citizens have united in improving, beautifying, and endeavoring to make the same more attractive and enhance its importance.

(3) The growth of business and all property values has been enormous and until of late has been steadily progressing.

(4) For sometime past, however, congestion of traffic upon Broad Street has been steadily increasing, with the result that there is now presented a condition, menacing to the safety of our citizens, and seriously interfering with the full development of business in the district centering around this thoroughfare.

(5) This condition threatens the future usefulness of Broad Street to the people of Newark, both in regards to the free flow of vehicular and pedestrian traffic and its utility as a business center.

(6) The situation is of such grave moment that this Association has through one of its Committee made a thorough investigation of the causes of congestion, with a view to the adoption of measures of relief, for the benefit not only of the interests which the Association represents, but of all the people of the city.

(7) The recommendations of this Committee have been considered by the Association, and its report has been formally approved and adopted by a vote of the Association's members.

(8) A copy of this report and recommendations are transmitted herewith for your consideration. Some thirteen different measures for improvement of traffic movements are suggested therein.

(9) We respectfully urge upon your honorable body, that it cause to be made a thorough investigation of the various suggestions made in this report, with a view, should they meet with your approval, to their adoption at the earliest possible moment.

(10) We call your particular attention to the recommendations concerning the routing of jitney buses. We are convinced that the plan proposed will maintain for the benefit of the people, all the advantages that now accrue to them from bus operation and will at the same time relieve traffic upon Broad Street to the extent of one-half of the bus movements, and that it affords an opportunity to secure a large measure of immediate relief.

(11) The Association suggests also,—that insofar as the action of the State Board of Public Utility Commissioners is necessary to effect changes in bus routing, which your Commission may approve, that you take steps to secure the co-operation

of the Board, both in your investigation of the subject and in the correction of conditions, which it is generally admitted, are working great harm to the interests of the city.

(12) The Association feels sure that your interest in the improvement of traffic conditions on Broad Street is no less than its own, and in behalf of its members, we beg to assure you of its willingness to give you every possible assistance, both in your investigation and in the enforcement of such measures, as will restore Broad Street to its full use and benefit to all of the people of Newark.

Signed by Frederick Keer, President, and other officers of the Association.

Mr. George F. Seymour, 20 Clinton Street, representing the bus owners of Newark, requested that he be notified when the report is adopted so that the bus owners can be present at the meeting and go over the matter insofar as it relates to the buses and the condition of the bus service in this city.

Commissioner Gillen moved that the report be referred to Directors Raymond and Brennan for study and consideration.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Raymond, Mayor Breidenbach.

The Mutual Benefit Life Insurance  
Company

Newark, N. J., April 9, 1923.

To the Honorable The Mayor and  
Commissioners of the City of  
Newark, New Jersey.

Dear Sirs:

After very many years of service as a commissioner of the Sinking Fund of the City of Newark, New Jersey, I am constrained at this time to tender my resignation, to take effect so soon as my successor may be appointed.

I cannot let this occasion pass without expressing the satisfaction I have had in the absolute fidelity with which the City Government has always observed the Sinking Fund provisions required for our City debt.

With assurances of my continued regard and esteem, I am

Very truly yours,

Fredk. Frelinghuysen.

Mayor Breidenbach offered the following resolution:

WHEREAS, Frederick Frelinghuysen has tendered his resignation as a member of the Sinking Fund Commission of the City of Newark, after serving the City, without compensation in said position, for more than 30 years, during most of which time

he has also acted as treasurer of said Fund; and

WHEREAS, it is deemed fitting upon his voluntary retirement from office public acknowledgement of his long and faithful service should be made;

THEREFORE, BE IT RESOLVED, By the Board of Commissioners of The City of Newark that in accepting the resignation of Frederick Frelinghuysen as a Sinking Fund Commissioner, it records its appreciation of the high character, great ability and diligent attention which has distinguished his service, extending over a period of more than 30 years, in the care, custody and disbursement of the sinking funds provided for the payment at maturity of the obligations of the City; and the Board extends to him on his voluntary retirement grateful acknowledgement of his aid and co-operation during many years in the maintenance of the credit and honor of the City of Newark; and

BE IT FURTHER RESOLVED, That the City Clerk be and he is hereby directed to transmit to Mr. Frelinghuysen a copy of this resolution.

F. C. Breidenbach,  
Charles P. Gillen,  
John Howe,  
W. J. Brennan,  
Thomas L. Raymond,

The roll being called, the resolution was declared adopted by the following votes:

Ironbound Trust Company

Newark, N. J., April 10, 1923.

The following communications were received and read:

Honorable Frederick C. Breidenbach,  
Mayor, Newark, New Jersey.

Ironbound Trust Company,

Dear Mr. Mayor:

Newark, N. J., April 10th, 1923.  
Honorable Frederick C. Breidenbach,  
Mayor, Newark, New Jersey.

I hereby tender my resignation as a member of the Board of Trustees of the Free Public Library.

Dear Mr. Mayor:

I hereby tender my resignation as a member of the Board of Education of the City of Newark. I do this with regret and only for reasons known to you.

I regret exceedingly to sever my connection as a member of this board for it has been a real pleasure to serve as a Library Trustee. I consider the Newark Public Library as one of the best, if not the best, in the country, and am proud of the manner in which it has been run by the Librarian, Assistant Librarian and Staff.

I want to thank you for the confidence you placed in me when you appointed me, and also for the unselfish loyalty and backing you have always given as President and Member of the Board. It has been a real pleasure to serve the city in this capacity.

Assuring you again of my high personal regards, believe me,

Very sincerely yours,

J. H. Bacheller.

With the kindest of personal regards, believe me,

Commissioner Gillen moved that the resignation of Mr. Bacheller be accepted.

Very sincerely yours,

J. H. Bacheller.

The roll being called, the motion was declared adopted by the following votes:

Mayor Breidenbach: I might say to the Commissioners that I have accepted the resignation of Mr. Bacheller as a member of the Board of Education with very must regret.

**Yeas: — Commissioners Brennan, Gillen, Howe, Raymond, Mayor Breidenbach.**

City of Newark, New Jersey  
Department of Public Affairs

April 10, 1923.

Subject: Appointment of J. Henry Bacheller to Sinking Fund Commission.

The Board of Commissioners of  
The City of Newark,

Addressed.

Gentlemen:

By virtue of the power and authority vested in me under an act of the legislature of this State entitled, "An Act Concerning Sinking Funds and Sinking Fund Commissions", approved March 29, 1917, and the acts amendatory thereof and supplemental thereto, I am, by and with the consent of your body, appointing J. Henry Bacheller, a resident taxpayer on real estate, a member of the Sinking Fund Commission of The City of Newark, to fill the unexpired term of Frederick Frelinghuysen, who has resigned as a Sinking Fund Commissioner. Mr. Frelinghuysen's term of office would have expired on January 1, 1925.

Respectfully,

F. C. Breidenbach,  
Mayor.

Ordered filed.

Commissioner Gillen offered the following resolution:

WHEREAS, Frederick C. Breidenbach, Mayor of The City of Newark, by and with the consent of this governing body, has this day appointed J. Henry Bacheller, a member of the Sinking Fund Commission of The City of Newark for the unexpired term of Frederick Frelinghuysen, who has resigned from said Commission;

THEREFORE, BE IT RESOLVED, By the Board of Commissioners of The City of Newark that the action of said Frederick C. Breidenbach, Mayor of The City of Newark, in appointing J. Henry Bacheller, a member of the Sinking Fund Commission of The City of Newark to fill the unexpired term of Frederick Frelinghuysen, be and the same is hereby ratified and confirmed, and our consent to said appointment is hereby given; and

BE IT FURTHER RESOLVED, That said J. Henry Bacheller give a bond, with corporate security, in the sum of \$5,000 for the faithful performance of said office.

Charles P. Gillen,  
John Howe,  
W. J. Brennan,  
Thomas L. Raymond,  
F. C. Breidenbach,

The roll being called, the resolution was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Raymond, Mayor Breidenbach.

Mr. C. H. Vanderhoof, 235 Broad Street, and Rev. R. W. Peach, 271 Parker Street, stated they are very strongly in favor of making the cost of the North Broad Street resurfacing a general assessment instead of a local assessment.

The following petition was received and read:

Newark, N. J., March 29, 1923.

Hon. Board of Commissioners  
City of Newark, N. J.

Gentlemen:

We, the undersigned, owners of property fronting on Broad Street between Clay and Harvey Streets, having been informed of the intention of the Board of Commissioners to resurface with asphalt pavement as per advertisement in local papers published March 14, 1923, beg leave to state our views thereon as follows:

While we do not dispute the necessity of making permanent repairs of this character we would strongly oppose the undertaking of this work as a local improvement and the assessing of the cost thereof on the abutting property as solely benefited thereby. Our properties are not particularly benefited, the real beneficiaries are the innumerable automobiles, jitney buses and auto trucks passing through it at all hours of the day and night. Broad Street in this vicinity has long lost its local character and is now a principal outlet from the center of the city to the North.

It would therefore be entirely unfair to levy a local assessment and we feel strongly that the cost of this repair should be borne by the City, so we therefore petition your Honorable Board to make the assessment on this improvement general and not local.

We recommend said improvement as a benefit to the public at large.

Signed by 117 property owners.

Ordered filed.

Commissioner Raymond: I do not think I can consider the question of having the assessment for the resurfacing of North Broad Street classed as a general proposition for the city at large. We feel it is only fair to put you in the same class where we have put others on through streets where you are not entirely responsible for the wear and tear, and so I think that a small assessment of not more than 10% on each side of the street would be fair in this case.

Commissioner Gillen moved that notwithstanding the protest the resurfacing of North Broad Street be declared a public necessity and that the ordinance be passed on third reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Raymond, Mayor Breidenbach.

Commissioner Raymond moved that the title of "An ordinance to provide for the resurfacing of Broad Street from Clay Street to Harvey Street with asphalt pavement on the old concrete foundation" be taken for its third reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Raymond, Mayor Breidenbach.

The clerk then read the title of the ordinance as follows:

An ordinance to provide for the resurfacing of Broad Street from Clay Street to Harvey Street with asphalt pavement on the old concrete foundation.

The ordinance having been read three times was then declared to be upon its third and final passage.

The roll being called the ordinance was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Raymond, Mayor Breidenbach.

Commissioner Brennan moved that the title of "An ordinance providing for a standard of time in The City of Newark for the year 1923" be taken for its third reading.

The roll being called, the motion

was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Raymond, Mayor Breidenbach.

The clerk then read the title of the ordinance as follows:

An ordinance providing for a standard of time in The City of Newark for the year 1923.

The ordinance having been read three times was then declared to be upon its third and final passage.

The roll being called, the ordinance was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Raymond Mayor Breidenbach.

Commissioner Raymond moved that "An ordinance to provide for the opening and widening of Ogden Street on the easterly side thereof from Bridge Street northerly about 495 feet to an angle in said easterly side by the addition thereto of a strip 11.64 feet in width" be laid over for one week from today.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Raymond, Mayor Breidenbach.

Commissioner Howe offered the following ordinance which was read by the clerk:

An ordinance to authorize two branch libraries in The City of Newark and providing for the financing thereof.

The Board of Commissioners of The City of Newark, Do Ordain:

Section 1. That the Trustees of the Free Public Library of The City of Newark be and they are hereby authorized to erect two branch libraries and for that purpose acquire, either by purchase or condemnation, the necessary lands therefor.

Section 2. That the total cost of the purchase of said lands and the erection of buildings thereon shall not exceed the sum of one hundred thousand dollars (\$100,000).

Section 3. Pursuant to the provisions of Section 13, of Chapter 252 of the Laws of 1916, as amended, there shall be issued temporary improvement bonds of The City of Newark in an aggregate principal amount not exceeding one hundred thousand dollars (\$100,000), bearing interest at a rate not exceeding six per centum (6%) per annum, payable semi-annually, for the purpose of acquiring the necessary lands and the erection of buildings thereon to be used as branch libraries, including the original furnishings, in order to make said buildings suitable for said purposes. All other matters in respect of said Temporary Improvement Bonds shall be

determined by the Director of the Department of Revenue and Finance, subject to the provisions of this ordinance and of Chapter 252 of the Laws of 1916, as amended, and the Director of the Department of Revenue and Finance is hereby authorized to issue said Temporary Improvement Bonds at such time or times and in such amounts as he may deem advisable. The Mayor, Director of the Department of Revenue and Finance, City Auditor and City Clerk are hereby authorized and directed to execute said bonds, or so many thereof as the Director of the Department of Revenue and Finance shall deem it advisable to issue.

Section 4. The sum of one hundred thousand dollars (\$100,000), to be raised by the issuance of said Temporary Improvement Bonds, is hereby appropriated for the purposes for which said bonds are hereby authorized to be issued.

Section 5. This ordinance shall take effect immediately.

The ordinance having been read once, Commissioner Howe moved that it be ordered to a second reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Raymond, Mayor Breidenbach.

The clerk then read the ordinance by sections.

F. C. Breidenbach,

The roll being called, the resolution was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Raymond, Mayor Breidenbach.

RESOLVED, That it is the intention of the Board of Commissioners of the City of Newark, N. J., under and by virtue of the provisions of an act entitled "An Act Concerning Municipalities" approved March 27, 1917 (P. L. 1917-319) and the supplements thereto and amendments thereof, to order and cause the paving of Speedway Avenue from South Orange Avenue to the Newark-Irvington Line

with asphalt pavements (1½" top-1½" binder) on a six (6) inch Portland Cement Concrete Foundation, with the necessary new curbing or re-setting of curb, together with all other appurtenances incidental to the paving of said street including the laying of concrete sidewalks at street intersections and elsewhere wherever needed, and the laying or relaying of sidewalk or sidewalks or such portion or portions of sidewalks as may be disturbed or may become necessary or expedient, or the grade of which may be affected on account of the laying of the pavement or the setting or resetting of the curb, in accordance with the plans, specifications and profiles dated April 6th, 1923, and now on file in the office of the Department of Streets and Public Improvements. The City Asphalt Plant to be authorized to bid on said work.

In order to avoid the necessity of excavating and tearing up the improved portion of said street after the making of said improvements, the owners of any and all lands on the line of said improvement, are hereby ordered and directed to make the necessary connections with the sewer, gas and water mains to the curb lines in said street for each lot fronting upon said streets, within thirty (30) days after the passage of an ordinance providing for said improvement. Upon failure of any such owner to make or cause said connection to be made the same will be made by the Department of Streets and Public Improvements in which case the costs and expenses of making said connec-

tions will be assessed upon the lands benefited. Each 25 feet of frontage upon said street for the purposes of this improvement shall be considered a lot.

That said improvement shall be undertaken as a local improvement and the cost thereof shall be assessed against the property benefited by said improvement in proportion to the benefits received, under and by virtue of the provisions of the act above referred to.

That in order to temporarily finance said improvement the sum of \$28,270.00 is hereby appropriated and temporary bonds or notes shall be issued from time to time to meet the cost thereof, under and by virtue of the provisions of an act entitled "An Act to authorize and regulate the issuance of bonds and other obligations and the incurring of indebtedness by county, city, borough, village, town, township, or any municipality governed by an improvement commission" approved March 22, 1916 (P. L. 1916-525) and the supplements thereto and amendments thereof, which bonds or notes shall bear interest at a rate not to exceed six per centum per annum. All other matters in respect to such temporary bonds or notes shall be determined by the Director of the Department of Revenue and Finance who is hereby authorized to execute and issue said bonds or notes.

And the Director of the Department of Streets and Public Improvements

is hereby directed to give public notice in an authorized daily newspaper, printed and published in the City of Newark, of the intention of the Board of Commissioners to order and cause such improvements to be made, and that all persons whose lands may be affected by such improvements or who may be interested therein will be given an opportunity to be heard concerning the same at a meeting of said Board, to be held in its meeting room, City Hall, on May 1st, 1923, at 11 o'clock A. M. at which time and place ordinances for the making of said improvement will be considered.

The roll being called, the resolution was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Raymond, Mayor Breidenbach.

RESOLVED, That it is the intention of the Board of Commissioners of the City of Newark, under and by virtue of the provisions of an Act entitled "An Act Concerning Municipalities" approved March 27th, 1917 (P. L. 1917-319) and the supplements thereto and amendments thereof.

1. To cause the paving with asphalt pavement (1½" top-1½" binder) on a six (6) inch concrete foundation, of Chancellor Avenue from Elizabeth Avenue to the Newark-Irvington Line, together with all other appurtenances incidental to the paving of said Avenue, as a local improvement and the cost thereof to be assessed against the property benefited by said improvement in proportion to the benefits received.

2. That said improvement shall be made by the County of Essex, in accordance with an agreement between the County of Essex and The City of Newark, setting forth the work to be undertaken, the plans and specifications therefor and the proportion of the cost thereof to be borne by each,

now on file in the office of the Director of the Department of Streets and Public Improvements of the City of Newark, which contract provides:

1. That the County of Essex in accordance with specifications attached to said contract, shall cause Chancellor Avenue from Elizabeth Avenue to the Newark-Irvington Line, within the City of Newark, to be paved with asphalt pavement (1½" top-1½" binder) on a six (6) inch concrete foundation;

2. That the City of Newark shall pay the County of Essex four-ninths (4/9ths) of the cost of said improvement, which cost shall include advertising, engineering services in inspection of the work, during the progress of the improvement, and that such payments shall be made when and as often as an estimate, certified by the County Engineer, showing the completion of a definite portion of the work shall be passed and approved for payment by the Board of Chosen Freeholders of the County of Essex and certified to the City of Newark.

3. That upon the passage of an ordinance providing for said improvement, the Director of the Department of Streets and Public Improvements and the City Clerk are hereby authorized and directed to execute a contract with the County of Essex on behalf of the City of Newark, containing the provisions above set forth.

4. In order to avoid the necessity of excavating and tearing up the

improved portion of said street, after the making of said improvement, the owners of any and all lands on the line of said improvement are hereby ordered and directed to make the necessary connections with the sewer, gas and water mains to the curb lines in said street for each lot fronting upon said streets within thirty (30) days after the passage of this ordinance. Upon failure of any such owner to make or cause said connections to be made the same will be made by the Department of Streets and Public Improvements in which case the costs and expenses of making said connections will be assessed upon the lands benefited. Each 25 feet of frontage upon said street for the purposes of this improvement shall be considered a lot.

5. That in order to temporarily finance said improvement the sum of \$65,000.00 is hereby appropriated and temporary bonds or notes shall be issued from time to time to meet the cost thereof, under and by virtue of the provisions of an act entitled "An Act to authorize and regulate the issuance of bonds and other obligations and the incurring of indebtedness by county, city, borough, village, town, township, or any municipality governed by an improvement commission" approved March 22, 1916 (P. L. 1916-525) and the supplements thereto and amendments thereof, which bonds or notes shall bear interest at a rate not to exceed six per centum per annum. All other matters in respect to such temporary bonds or notes shall be determined by the Director of the Department of Revenue

and Finance who is hereby authorized to execute and issue said bonds or notes.

6. And the Director of the Department of Streets and Public Improvements is hereby directed to give public notice in an authorized daily newspaper, printed and published in the City of Newark, of the intention of the Board of Commissioners to cause said improvement to be made by entering into contract with the County of Essex, which contract shall contain the provisions as above set forth, and that all persons whose lands may be affected by such improvement or who may be interested therein will be given an opportunity to be heard concerning the same at a meeting of said Board, to be held at its meeting room, City Hall, on Tuesday, May 1st, 1923, at 11 o'clock A. M. at which time and place ordinance for the making of such improvement and authorizing the making and execution of a contract with the County of Essex for doing the work and for the apportionment of the cost thereof, will be considered.

THOMAS L. RAYMOND,

The Board of Commissioners of  
The City of Newark, N. J.

W. J. EGAN,  
City Clerk.

NEWARK, N. J.

April 17, 1923.

A regular meeting of the Board of Commissioners of The City of Newark, N. J., was held on the above date in the Council Chamber, City Hall, Newark, at 11 A. M.

Present:—Commissioners Brennan, Gileen, Howe, Mayor Breidenbach.

Absent:—Commissioner Raymond.

The minutes of the meeting of April 10th, 1923, were read and approved.

Commissioner Brennan moved that the ordaining clause of "An ordinance to provide for the opening and widening of Ogden Street on the easterly side thereof from Bridge Street northerly about 495 feet to an angle in said easterly side by the addition thereto of a strip 11.64 feet in width" be stricken out.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Mayor Breidenbach.

Mr. C. H. Vanderhoof, 235 Broad Street, presented the following petition which was read by the clerk:

Newark, N. J., January 19th, 1923.

Hon. Board of Commissioners,

Newark, N. J.

Greetings:—

We, the property owners coming within the assessed zone of the proposed opening and widening of Ogden Street, as per advertisement in Newark Evening News under date of December 13th, 1923, do petition your Honorable Body to make the assessment on this improvement general instead of local.

We recommend said improvement as a benefit for the public in general.

Signed by 59 property owners.

Commissioner Gillen moved that the petition be received and referred to Director Raymond.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Mayor Breidenbach.

Dr. Charles F. Underwood, 54 No. 11th Street, objected to the construction of an 8 inch pipe sewer in Underwood Street unless the property owners requesting it pay for the work.

Engineer Rankin informed Dr. Underwood that the construction of this sewer was requested by the owners of one side of the street, and that it is a general thing for the city to

construct a sewer when a large percentage of the property owners want the work done.

Commissioner Gillen moved that an ordinance to provide for the construction of an eight inch sewer in Underwood Street between Stuyvesant Avenue and Sandford Avenue be laid over for one week.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Mayor Breidenbach.

Commissioner Howe moved that the title of "An ordinance to authorize two branch libraries in The City of Newark and providing for the financing thereof" be taken for its third reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Mayor Breidenbach.

The clerk then read the title of the ordinance as follows:

An ordinance to authorize two branch libraries in The City of Newark and providing for the financing thereof.

The ordinance having been read three times was then declared to be upon its third and final passage.

The roll being called, the ordinance was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Mayor Breidenbach.

Commissioner Gillen offered the following resolutions:

This appointment is made in conformity with Civil Service Commission rules and regulations.

The roll being called, the resolution was declared adopted by the following votes:

**Yeas: — Commissioners Brennan, Gillen, Howe, Mayor Breidenbach.**

Mr. Herbert Boggs, 790 Broad Street, presented the following petition which was read by the clerk:

The Board of Commissioners of

The City of Newark.

The undersigned Edward F. Byrne respectfully protests against the passage of the resolution abolishing the office of the Executive Clerk in the office of the City Clerk of the City of Newark now filled by him and his consequent removal from the Civil Service of said City, for the reason that it is in effect an invasion of the Civil Service Act of the State and a removal of the undersigned from office without charges preferred and an opportunity afforded him to be heard in his own defense.

Statements appeared in the newspapers in effect charging him with sending through the mails anonymous typewritten statements containing serious charges against his immediate superior the City Clerk, amounting to a criminal libel if untrue. Immediately thereafter without investigation as to the needs of the City Clerk's of-

fice ,without any reason appearing that the office of Executive Clerk is no longer necessary, without any public suggestion or request by the City Clerk, this resolution is introduced. The only conclusion that can be drawn is that the office is to be abolished not for reasons of economy or efficiency, but to remove the undersigned as punishment for these alleged acts thus arbitrarily depriving him of his right of defense given him by the Civil Service Act. The undersigned denies specifically that he wrote the statements, that he mailed the same or any of them, that he took any part whatever in the preparation or the same or had any knowledge whatsoever thereof. He respectfully insists upon his right to have charges preferred and an opportunity to be heard, if he is supposed to be guilty of any offense.

Edward F. Byrne.

Mr. Boggs: I represent Mr. Edward F. Byrne and I would like to say a word in his behalf before this resolution is passed. I simply want to ask your body to receive this petition and have it spread on the minutes. It is very strange that after four or five years since this office has been created, reclassified by the Civil Service Commission and occupied for three or four years that you now find it necessary to abolish this office in the interest of efficiency and economy.

Commissioner Howe moved that the petition be received and filed.

The roll being called, the motion

was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Mayor Breidenbach.

Mayor Breidenbach offered the following resolutions:

RESOLVED, By the Board of Commissioners of The City of Newark that the position of Executive Clerk in the City Clerk's office is unnecessary to the efficient and economical administration of the services of the City, and the said position is hereby abolished; and

BE IT FURTHER RESOLVED, That the services of Edward F. Byrne, Executive Clerk in the City Clerk's Office, be and the same are hereby dispensed with, dating from April 18, 1923.

F. C. Breidenbach,  
W. J. Brennan,  
John Howe,  
Charles P. Gillen,

Mayor Breidenbach: I have been delegated to say a few words to one of our colleagues since he has taken unto himself a wife. Personally, I want to congratulate him for taking this step. I think he looks much better and appears to be much happier

and healthier since he became a married man. On behalf of your colleagues, Mr. Brady, Mr. Congleton and Mr. Egan I want to say that they desire to present you with a small token that you can long remember, and so, Commissioner Gillen, I wish to present you with a beautiful set of glassware. I hope you and Mrs. Gillen will use this set to good advantage and that you will both be happy.

Commissioner Gillen: I appreciate this perhaps a good deal more than I can explain to you. It did not require this evidence to assure me of your friendship because I have already had your assurance that I retain your friendship. I thank you for Mrs. Gillen and myself and I reciprocate the good wishes that you have expressed to me. I hope that the other single members of the Commission will follow my footsteps and that they will be married men before this Commission expires.

April 12th, 1923, and now on file in the office of the Department of Streets and Public Improvements.

That said improvement shall be made as a local improvement and the cost thereof shall be assessed against the property benefited by said improvement, in proportion to the benefits received, under and by virtue of the provisions of the act above referred to.

That in order to temporarily finance said improvement the sum of \$4,900.00 is hereby appropriated, and temporary bonds or notes shall be issued from time to time to meet the cost thereof, under and by virtue of the provisions of an act entitled "An Act to authorize and regulate the issuance of bonds and other obligations and the incurring of indebtedness by county, city, borough, village, town, township, or any municipality governed by an improvement commission" approved March 22, 1916, (P. L. 1916-525) and the supplements thereto amendments thereof, which bonds or notes shall bear interest at a rate not to exceed six per centum per annum. All other matters in respect to such temporary bonds or notes shall be determined by the Director of the Department of Revenue and Finance, who is hereby authorized to execute and issue said bonds or notes.

And the Director of the Department of Streets and Public Improvements is hereby directed to give public notice in an authorized daily newspaper, printed and published in the City of Newark of the intention of the Board

of Commissioners to order and cause such improvements to be made, and that all persons whose lands may be affected by such improvements or who may be interested therein will be given an opportunity to be heard concerning the same at a meeting of said Board, to be held in its meeting room, City Hall, on May 8th, 1923, at 11 o'clock A. M., at which time and place ordinances for the making of such improvements will be considered.

**NEWARK, N. J.**

·April 24, 1923.

A regular meeting of the Board of Commissioners of the City of Newark, N. J., was held on the above date in the Council Chamber, City Hall, Newark, at 11 A. M.

**Present:**—Commissioners Brennan, Gillen, Howe, Raymond, Mayor Breidenbach.

The minutes of the meeting of April 17th, 1923, were read and approved.

The following report of the Commissioners of Assessments for Local Improvements assessing benefits for the following street improvements was read and ordered filed:

**Construction of a system of sewers to be known as designated as "Roanoke Avenue Sewers and Branches."**

Commissioner Raymond offered the following ordinance which was read by the clerk:

An ordinance to provide for the construction of an eight (8) inch pipe sewer in Underwood Street between Stuyvesant Avenue and Sandford Avenue.

The Board of Commissioners of The City of Newark, Do Ordain:

**Section 1.** That an eight (8) inch pipe sewer, to be used for house sewage only, shall be constructed in

Underwood Street between Stuyvesant Avenue and Sandford Avenue. This sewer to be constructed with house connections to the curb lines, together with all the appurtenances necessary to complete the same, in accordance with the plans, specifications and profiles dated March 21, 1923, and now on file in the office of the Department of Streets and Public Improvements, under and by virtue of the provisions of an act entitled "An Act Concerning Municipalities" approved March 27, 1917, (P. L. 1917-319) and the supplements thereto and amendments thereof.

**Section 2.** That said improvement shall be undertaken as a local improvement and the cost thereof shall be assessed against the property benefited by said improvement, in proportion to the benefits received, under and by virtue of the provisions of the act above referred to.

**Section. 3.** That the sum of \$3,000.00 is hereby appropriated to pay the cost of said improvement, and for the purpose of meeting said appropriation and temporarily financing said improvement, temporary bonds or notes shall be issued from time to time in an amount not to exceed \$3,000.00 under and by virtue of the provisions of an act entitled "An act to authorize and regulate the issuance of bonds and other obligations and the incurring of indebtedness by county, city, borough, village, town, township, or any municipality governed by an improvement commission", approved March 22, 1916, (P. L. 1916-525) and the supplements thereto and amend-

ments thereof, which bonds or notes shall bear interest at a rate not to exceed six per centum per annum. All other matters in respect to such temporary bonds or notes shall be determined by the Director of the Department of Revenue and Finance who is hereby authorized to execute and issue said bonds or notes.

Section 4. That this ordinance shall take effect immediately and all ordinances or parts of ordinances inconsistent with the provisions of this ordinance be and the same are hereby repealed.

The ordinance having been read once, Commissioner Raymond moved that it be ordered to a second reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Raymond, Mayor Breidenbach.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Raymond, Mayor Breidenbach.

Commissioner Raymond moved that the ordinance be taken up on third and final passage on May 1st.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Raymond, Mayor Breidenbach.

Mr. Morris Kreisberg, 585 Hunterdon Street, and Mrs. Fillipone, 687 Hunterdon Street, objected to the paving of Berkeley Avenue between 3rd and 4th Streets on the ground that there are no houses on this block and therefore they have no use for the paving.

Commissioner Raymond moved that "An ordinance to provide for the grading, curbing, flagging and paving of Berkeley Avenue from Third Street

to Bloomfield Avenue with asphalt pavement (1½" top-1½" binder) on a six (6) inch concrete foundation" be referred back to the Department of Streets and Public Improvements for reconsideration.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Raymond, Mayor Breidenbach.

Mr. Frank R. Abrams, 2001 Morris Avenue, New York City, representing Underwood & Underwood, requested the full co-operation of the City Commission in reference to taking motion pictures of the entire city of Newark without any cost to the city.

Commissioner Brennan moved that the City Commission co-operate insofar as it possibly can with Underwood & Underwood in reference to taking motion pictures of the City of Newark without any cost to the city, it being understood that the taking of these pictures shall not in any way interfere with the conduct of the city's business.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Raymond, Mayor Breidenbach.

The following petition was received and read:

To the Board of Commissioners of  
The City of Newark.

The undersigned, E. I. Du Pont de Nemours Company respectfully petitions your Honorable Body to cause Poinier street to be vacated from the East side of Avenue B Easterly to the Waverly and Passaic Railroad.

We are advised that this Street was opened by the City of Newark about the year 1872 but the Street has never been used and for many years past many of the buildings of our plant have been erected on the land located in the street as opened by Ordinance and these buildings are of very great importance to us in the operation of our plant.

E. H. McCormick & Sons, Inc., who owns the land to the East of our plant bordering on said Street, has also caused buildings to be built upon the same, and they very recently caused one of these buildings to be torn down, but at the present the bed of the street East of our plant is entirely fenced in by E. H. McCormick & Sons, Inc., or its successors in title.

Poinier Street between the main line of the Pennsylvania Railroad and the point in question is not an important street as there is no overhead crossing at the Pennsylvania tracks, and to the East the street does not cross the Waverly and Passaic Branch and probably will never be continued in that direction.

The distance from the Pennsylvania

tracks to the Waverly and Passaic track is but three blocks and the only portion of the street opened on the ground is between Avenue A and Avenue B, and we are advised that the buildings in this block probably encroach upon the Street.

That portion of the street which we desire vacated is a dead end street as Avenue C apparently has not been opened, and the buildings of E. H. McCormick & Sons, Inc., are erected in the bed of this Street. We would also say that the Waverly & Passaic Railroad encroaches on this street as opened.

The only person east of us owning any property on said Street is E. H. McCormick & Sons, Inc., or its successors in title and they have ample means of entering and leaving their premises through Vanderpool Street, which street has been used by them for this purpose for many years.

In the event that your Board should meet with our request we would be willing to pay the City such sum as your Board may deem the reasonable value of the land lying within said street.

Yours very truly,

E. I. du Pont de Nemours Co.

By Wm. P. Hurley,  
Its Attorney,  
784 Broad, Street  
Newark, N. J.

Ordered referred to Director Raymond.

Commissioner Gillen offered the following ordinance which was read by the clerk:

An ordinance authorizing the issuance of not exceeding \$300,000 of temporary improvement bonds of The City of Newark for the erection of market buildings and the acquisition of a site therefor and appropriating the sum of \$300,000 for said purposes.

The Board of Commissioners of The City of Newark, Do Ordain:

Section 1. Pursuant to the provisions of Section 13 of Chapter 252 of the Laws of 1916 of the State of New Jersey, as amended, there shall be issued temporary improvement bonds of The City of Newark in an aggregate principal amount not exceeding \$300,000, bearing interest at a rate not exceeding six per cent. (6%) per annum, payable semi-annually, for the purpose of temporarily financing the acquisition of lands in the City of Newark for market purposes and the erection on said lands of market buildings, including the original furnishings, equipment, machinery or apparatus required in order to make such buildings suitable for market purposes, the acquisition of which lands and the making of which improvements were authorized by an ordinance entitled: "An ordinance to authorize the acquirement of lands to be used for market buildings and market facilities and for the erection thereon of buildings to be used as a

public market and a parking station," adopted by the Board of Commissioners of The City of Newark on March 31, 1921. All other matters in respect of said temporary improvement bonds shall be determined by the Director of the Department of Revenue and Finance, subject to the provisions of this ordinance and of Chapter 252 of the Laws of 1916, as amended, and the Director of the Department of Revenue and Finance is hereby authorized to issue said temporary improvement bonds at such time or times and in such amounts as he may deem advisable. The Mayor, Director of the Department of Revenue and Finance, City Auditor and City Clerk are hereby authorized and directed to execute said bonds or so many thereof as the Director of the Department of Revenue and Finance shall deem it advisable to issue.

Section 2. The sum of \$300,000 to be raised by the issuance of said temporary improvement bonds is hereby appropriated for the purposes for which said bonds are hereby authorized to be issued. The temporary improvement bonds authorized by this ordinance are authorized in addition to and not in substitution for the temporary improvement bonds authorized by an ordinance entitled: "An ordinance authorizing the issuance of not exceeding \$2,362,864.65 of temporary improvement bonds of The City of Newark for the erection of market buildings and the acquisition of a site therefor, and appropriating the sum of \$2,362,864.65 for said purposes," adopted by the Board of Commissioners of the City of Newark on March

31, 1921, an ordinance entitled: "An ordinance authorizing the issuance of not exceeding \$300,000 of temporary improvement bonds of The City of Newark for the erection of market buildings and the acquisition of a site therefor, and appropriating the sum of \$300,000 for said purposes", adopted July 11, 1922, and an ordinance entitled: "An ordinance authorizing the issuance of not exceeding \$800,000 of Temporary Improvement Bonds of The City of Newark for the erection of market buildings and the acquisition of a site therefor and appropriating the sum of \$800,000 for said purposes", adopted December 19, 1922; and the appropriation made by this ordinance is made in addition to and not in substitution for the appropriation made by said ordinances adopted March 31, 1921, July 11, 1922, and December 19, 1922, respectively.

Section 3. This ordinance shall take effect immediately.

The ordinance having been read once, Commissioner Gillen moved that it be ordered to a second reading.

Commissioner Raymond offered the following ordinance which was read by the clerk:

An ordinance to provide for the grading, curbing, flagging and paving of Leslie Street from Shaw Avenue

to Lyons Avenue with asphalt pavement (1½" top-1½" binder) in a six (6) inch concrete foundation.

The Board of Commissioners of The City of Newark, Do Ordain:

Section 1. That Leslie Street from Shaw Avenue to Lyons Avenue shall be graded, curbed, flagged and paved with asphalt pavement (1½" top-1½" binder) on a six (6) inch concrete foundation, with the necessary new curbing or resetting of curb, together with all other appurtenances incidental to the paving of said street including the laying of concrete sidewalks at street intersections and elsewhere wherever needed, and the laying or relaying of a sidewalk or sidewalks or such portion or portions of sidewalks as may be disturbed or may become necessary or expedient, or the grade of which may be affected on account of the laying of the pavement or the setting or resetting of the curb, under and by virtue of the provisions of an act entitled "An Act Concerning Municipalities" approved March 27, 1917, (P. L. 1917-319) and the supplements thereto and amendments thereof, in accordance with the plans, specifications and profiles dated February 3rd, 1923, and now on file in the office of the Department of Streets and Public Improvements. The City Asphalt Plant to be authorized to bid on said work.

In order to avoid the necessity of excavating and tearing up the improved portion of said street after the making of said improvement, the owners of any and all lands on the line of

said improvement, are hereby ordered and directed to make the necessary connections with the sewer, gas and water mains to the curb lines in said street for each lot fronting upon said street within thirty (30) days after the passage of this ordinance. Upon failure of any such owner to make or cause said connections to be made the same will be made by the Department of Streets and Public Improvements in which case the costs and expenses of making said connections will be assessed upon the lands benefited. Each 25 feet of frontage upon said street for the purposes of this improvement shall be considered a lot.

Section 2. That said improvement shall be undertaken as a local improvement and the cost thereof shall be assessed against the property benefited by said improvement, in proportion to the benefits received, under and by virtue of the provisions of the act above referred to.

Section 3. That the sum of \$13,900.00 is hereby appropriated to pay the cost of said improvement, and for the purpose of meeting said appropriation and temporarily financing said improvement, temporary bonds or notes shall be issued from time to time in an amount not to exceed \$13,900.00 under and by virtue of the provisions of an act entitled "An Act to authorize and regulate the issuance of bonds and other obligations and the incurring of indebtedness by county, city, borough, village, town, township, or any municipality governed by and improvement commission" approved March 22, 1916 (P. L. 1916-

525) and the supplements thereto and amendments thereof, which bonds or notes shall bear interest at a rate of not to exceed six percentum per annum. All other matters in respect to such temporary bonds or notes shall be determined by the Director of the Department of Revenue and Finance who is hereby authorized to execute and issue said bonds or notes.

Section 4. That this ordinance shall take effect immediately and all ordinances or parts of ordinances inconsistent with the provisions of this ordinance be and the same are hereby repealed.

# MINUTES OF MEETINGS

OF THE

## Board of Commissioners

---

*May, 1923*

---

NEWARK, N. J.

May 1st, 1923.

A regular meeting of the Board of Commissioners of the City of Newark, N. J., was held on the above date in the Council Chamber, City Hall, Newark, at 11 A. M.

Present:—Commissioners Brennan, Gillen, Howe, Mayor Breidenbach.

Absent:—Commissioner Raymond.

The minutes of the meeting of April 24th, 1923, were read and approved.

Dr. William G. Hanrahan presented the following resolution, adopted at a meeting of the Federation of Improvement Associations held on April 30th, 1923, which was read by the clerk:

WHEREAS, A most dastardly, scurrilous and anonymous attacks have

been made through the United States mails, upon the splendid reputation, the home and fireside of our fellow citizen and friend William J. Egan, without justification, upon the man who bountifully and as a true patriot gave to our National cause during the Great World War, of his substance, intelligence and energy, even to the point when sickness and death invaded his home and sanctuary, then dividing his fine attributes between his loved ones and Country, to help make our just cause supreme, that has given a "new birth to freedom" to mankind throughout the world; therefore be it

RESOLVED, We, the members of the Federation of Improvement Associations, assembled in our City Hall, condemn the low methods employed in the underhanded anonymous attacks made upon our fellow citizen and friend William J. Egan, as we respect

nd commend him for his splendid loyal work for our City, State and Country, and issue these resolutions in the name of American fair play and for the benefit of those who are not fortunate enough to know the real type of manhood possessed by William J. Egan.

That a copy of these resolutions be forwarded to Mr. Egan and family, read before the City Commsision and spread upon our minutes.

Commissioner Gillen moved that the resolution be received and spread in full on the minutes.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, home, Mayor Breidenbach.

A communication from Dr. William G. Hanrahan relative to traffic conditions in the City of Newark was received and read.

Dr. Hanrahan: I would like to have another suggestion incorporated in the communication, as follows: A speedway for vehicular traffic should be built above the subway in canal bed and made part of the State Highway System and in control of the State Highway Commission with the City of Newark maintaining complete control of the canal bed.

Commissioner Gillen moved that the communication be referred to Direc-

tors Brennan and Raymond and that the verbal suggestion be included in the written communication.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Mayor Breidenbach.

Commissioner Brennan offered the following ordinance which was read by the clerk:

An ordinance to provide for the paving of Speedway Avenue from South Orange Avenue to the Newark-Irvington Line with asphalt pavement (1½" top-1½" binder) on a six (6) inch Portland cement concrete foundation.

The Board of Commissioners of The City of Newark, Do Ordain:

Section 1. That Speedway Avenue from South Orange Avenue to the Newark-Irvington Line shall be paved with asphalt pavement (1½" top-1½" binder) on a six (6) inch Portland cement concrete foundation, with the necessary new curbing or resetting of curb, together with all other appurtenances incidental to the paving of said street including the laying of concrete sidewalks at street intersections and elsewhere wherever needed, and the laying or relaying of a sidewalk or sidewalks or such portions or portions of sidewalks as may be disturbed or may become necessary or expedient, or the grade of which may

be affected on account of the laying of the pavement or the setting or re-setting of the curb, under and by virtue of the provisions of an act entitled "An Act Concerning Municipalities" approved March 27, 1917, (P. L. 1917-319) and the supplements thereto and amendments thereof, in accordance with the plans, specifications and profiles dated April 6, 1923, and now on file in the office of the Department of Streets and Public Improvements. The City Asphalt Plant to be authorized to bid on said work.

In order to avoid the necessity of excavating and tearing up the improved portion of said street after the making of said improvement, the owners of any and all lands on the line of said improvement, are hereby ordered and directed to make the necessary connections with the sewer, gas and water mains to the curb lines in said street for each lot fronting upon said street within thirty (30) days after the passage of the ordinance. Upon failure of any such owner to make or cause said connections to be made the same will be made by the Department of Streets and Public Improvements in which case the costs and expenses of making said connections will be assessed upon the lands benefited. Each 25 feet of frontage upon said street for the purposes of this improvement shall be considered a lot.

Section 2. That said improvement shall be undertaken as a local improvement and the cost thereof shall be assessed against the property ben-

efited by said improvement, in proportion to the benefits received, under and by virtue of the provisions of the act above referred to.

Section 3. That the sum of \$28,270.00 is hereby appropriated to pay the cost of said improvement, and for the purpose of meeting said appropriation and temporarily financing said improvement, temporary bonds or notes shall be issued from time to time in an amount not to exceed \$28,270.00 under and by virtue of the provisions of an act entitled "An Act to authorize and regulate the issuance of bonds and other obligations and the incurring of indebtedness by county, city, borough, village, town, township, or any municipality governed by an improvement commission" approved March 22, 1916 (P. L. 1916-525) and the supplements thereto and amendments thereof, which bonds or notes shall bear interest at a rate of not to exceed six per centum per annum. All other matters in respect to such temporary bonds or notes shall be determined by the Director of the Department of Revenue and Finance who is hereby authorized to execute and issue said bonds or notes.

Section 4. That this ordinance shall take effect immediately and all ordinances or parts of ordinances inconsistent with the provisions of this ordinance be and the same are hereby repealed.

The ordinance having been read once, Commissioner Brennan moved that it be ordered to a second reading.

The roll being called, the motion was declared adopted by the following votes:

Commissioner Brennan moved that the ordinance be taken up on third reading and final passage on May 8th.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Mayor Breidenbach.

Commissioner Brennan offered the following ordinance which was read by the clerk:

An ordinance providing for the paving with asphalt pavement (1½" top-1½" binder) on a six (6) inch concrete foundation of Chancellor Avenue from Elizabeth Avenue to the Newark-Irvington Line, within the City of Newark, as a local improvement, and authorizing the making and execution of a contract with the County of Essex for the doing of the work and for the apportionment of the cost thereof.

WHEREAS, It is the desire of the City of Newark to unite with the County of Essex in the improvement of Chancellor Avenue, from Elizabeth Avenue to the Newark-Irvington Line, within the City of Newark, by paving the same with asphalt pavement (1½" top-1½" binder) on a six (6) inch concrete foundation, as a local improvement, the cost thereof to be assessed against the property benefited by said improvement in proportion to the benefits received.

AND WHEREAS, a proposed agreement between the County of Essex and The City of Newark has been prepared, setting forth the work to be undertaken, the plans and speci-

fications therefor and the proportion of the cost thereof to be borne by each;

NOW, THEREFORE, The Board of Commissioners of The City of Newark, Do Ordain:

Section 1. That Chancellor Avenue from Elizabeth Avenue to the Newark-Irvington Line, in the City of Newark, shall be paved with asphalt pavement (1½" top-1½" binder) on a six (6) inch concrete foundation, together with all other appurtenances incidental to the paving of said avenue, as a local improvement, and the cost thereof to be assessed against the property benefited by said improvement in proportion to the benefits received.

Section 2. That said improvement shall be made by the County of Essex, in accordance with an agreement between the County of Essex and The City of Newark, setting forth the work to be undertaken, the plans and specifications therefor and the proportion of the cost thereof to be borne by each, now on file in the office of the Director of the Department of Streets and Public Improvements, which contract provides:

1. That the County of Essex in accordance with specifications attached to said contract, shall cause Chancellor Avenue from Elizabeth Avenue to the Newark-Irvington Line to be paved with asphalt pavement (1½" top-1½" binder) on a six (6) inch concrete foundation.

2. That the City of Newark shall pay to the County of Essex four-ninths (4/9ths) of the cost of said improvement, which cost shall include advertising, engineering services and inspection of the work during the progress of the improvement and that such payments shall be made when and as often as an estimate, certified by the County Engineer, showing the completion of a definite portion of the work, shall be passed and approved for payment by the Board of Chosen Freeholders of the County of Essex and certified to The City of Newark.

Section 3. That upon the passage of this ordinance the Director of the Department of Streets and Public Improvements and the City Clerk be and are hereby authorized and directed to execute a contract with the County of Essex on behalf of The City of Newark, containing the provisions of this ordinance.

Section 4. In order to avoid the necessity of excavating and tearing up the improved portion of said street, after the making of said improvement, the owners of any and all lands on the line of said improvement, are hereby ordered and directed to make the necessary connections with the sewer, gas and water mains to the curb lines in said street for each lot fronting upon said street within thirty (30) days after the passage of this ordinance. Upon failure of any such owner to make or cause said connections to be made the same will be made by the Department of Streets and Public Improvements in which case the costs and expenses of mak-

said connections will be assessed upon the lands benefited. Each 25 feet of frontage upon said street for the purposes of this improvement shall be considered a lot.

Section 5. That in order to temporarily finance said improvement, the sum of \$65,000.00 is hereby appropriated and temporary bonds or notes shall be issued from time to time to meet the cost thereof, under and by virtue of the provisions of an act entitled "An Act to authorize and regulate the issuance of bonds and other obligations and the incurring of indebtedness by county, city, borough, village, town, township, or any municipality governed by an improvement commission" approved March 22, 1916, (P. L. 1916-525) and the supplements thereto and amendments thereof, which bonds or notes shall bear interest at a rate not to exceed six per centum per annum. All other matters in respect to such temporary bonds or notes shall be determined by the Director of the Department of Revenue and Finance who is hereby authorized to execute and issue said bonds or notes.

WHEREAS, The Mayor and Common Council of the City of Newark under the provisions of an act entitled "An Act concerning the settlement and collection of arrearages of unpaid taxes, assessments and water rates or water rents in cities of this State, and imposing and levying a tax, assessment and lien in lieu and instead of such arrearages, and to enforce the payment thereof, and to provide for the sale of lands subjected to future taxation and assessment" approved March 30, 1886, and the supplements thereto and the amendments thereof, sold to George E. Campbell, as the highest bidder, all its right, title and interest in land in the City of Newark, being designated as lot No. 27 on block 943 on the official assessment maps of the City of

Newark, and did, on or about the twenty-fifth day of October, 1895, execute and deliver to the said George E. Campbell for the consideration of six hundred and eight dollars and sixty-five cents (\$608.65), a bargain and sale deed purporting to convey said lot to said George E. Campbell, which said conveyance is recorded in Book I 29 of deeds of Essex County, on pages 470, etc., and

WHEREAS, By certain mesne conveyances, the title to said premises has become vested in Vito Salvatore and Donata Salvatore, his wife, of the City of Newark ;and

WHEREAS, It appears that the description of said lot contained in said deed is erroneous with respect to certain courses, distances and bearings and it is, therefore, necessary that a corrective deed should be executed on behalf of the City of Newark to said Vito Salvatore and Donata Salvatore, his wife, in order to properly describe the lands heretofore purchased by the said George E. Campbell from the City of Newark;

THEREFORE, BE IT RESOLVED, That the Mayor of the City of Newark and the City Clerk thereof, be and they are hereby authorized and directed to execute and deliver to said Vito Salvatore and Donata Salvatore, his wife, a proper deed from The City of Newark correcting the errors and mistakes contained in the deed under date of October 25th, 1895, above referred to; said deed to contain the following corrective description of

said lot No. 27 on block 943, as shown on the official assessment maps of the City of Newark, namely:

BEGINNING at a point in the southerly line of New York Avenue where the same is intersected by the westerly line of lands conveyed by the Mayor and Common Council of the City of Newark by Joseph Maier by deed dated June 10, 1896, and recorded in Essex County Register's Office in Book Z 29 of deeds for said County on pages 223, etc.; thence along the last mentioned lands in a southerly direction and parallel with the westerly line of Jefferson Street 25 feet to the rear line of lots fronting on Warwick Street; thence along the rear line of lots fronting on Warwick Street in a westerly direction to the easterly line of lands conveyed by the Mayor and Common Council of the City of Newark to George E. Campbell by deed dated October 25, 1895, and recorded in said Register's Office in Book I 29 of deeds for said County pages 470, etc., as the third tract described in said last mentioned deed; thence along the lands so conveyed to George E. Campbell as the third tract in said deed in a northerly direction 95 feet to said southerly line of New York Avenue at the point or place of Beginning.

Said corrective deed to be approved as to form by the Law Department of the City of Newark.

That Pennington Street from Broad Street to Mulberry Street shall be resurfaced with one (1) inch asphalt wearing surface by means of the "Burner Method" with the necessary new curbing or resetting of curb, together with all other appurtenances incidental to the paving of said street including the laying of concrete sidewalks at street intersections and elsewhere wherever needed, and the laying or relaying of a sidewalk or sidewalks or such portion or portions of sidewalks as may be disturbed or may become neces-

sary or expedient, or the grade of which may be affected on account of the laying of the pavement or the setting or resetting of the curb, under and by virtue of the provisions of an act entitled "An Act Concerning Municipalities" approved March 27, 1917, (P. L. 1917-319) and the supplements thereto and amendments thereof, in accordance with the plans, specifications and profiles dated March 28, 1923, and now on file in the office of the Department of Streets and Public Improvements. The City Asphalt Plant to be authorized to bid on said work.

In order to avoid the necessity of excavating and tearing up the improved portion of said street, after the making of said improvement, the owners of any and all lands on the line of said improvement, are hereby ordered and directed to make the necessary connections with the sewer, gas and water mains to the curb lines in said street for each lot fronting upon said street within thirty (30) days after the passage of this ordinance. Upon failure of any such owner to make or cause said connections to be made the same will be made by the Department of Streets and Public Improvements in which case the costs and expenses of making said connections will be assessed upon the lands benefited. Each 25 feet of frontage upon said street for the purposes of this improvement shall be considered a lot.

Section 2. That said improvement shall be undertaken as a local improvement and the cost thereof shall

be assessed against the property benefited by said improvement, in proportion to the benefits received, under and by virtue of the provisions of the act above referred to.

Section 3. That the sum of \$3,700.00 is hereby appropriated to pay the cost of said improvement, and for the purpose of meeting said appropriation and temporarily financing said improvement, temporary bonds or notes shall be issued from time to time in an amount not to exceed \$3,700.00 under and by virtue of the provisions of an act entitled "An Act to authorize and regulate the issuance of bonds and other obligations and the incurring of indebtedness by county, city, borough, village, town, township, or any municipality governed by an improvement commission" approved March 22, 1916 (P. L. 1916-525) and the supplements thereto and amendments thereof, which bonds or notes shall bear interest at a rate of not to exceed six per centum per annum. All other matters in respect to such temporary bonds or notes shall be determined by the Director of the Department of Revenue and Finance who is hereby authorized to execute and issue said bonds or notes.

Section 4. That this ordinance shall take effect immediately and all ordinances or parts of ordinances inconsistent with the provisions of this ordinance be and the same are hereby repealed.

Mr. A. W. Conklin, 313 Summer Avenue, presented the following petition which was read by the clerk:

May 8th, 1923.

To the Honorable,

The Board of Commissioners of the City of Newark, N. J.

Gentlemen:—

The taxpayers of Summer Avenue wish to present for your serious consideration, their most earnest request, that they shall not be assessed for the total amount of the cost of resurfacing the pavement, amounting to \$26,400.

They feel that as nearly all of the serious damage done to the street is caused by the heavy trucks and the jitney buses, that a way should be found, to require them to bear their share of the expense.

They wish to renew their protest, which was made last August against the heavy trucks that are allowed to run on their residence street. When enormous fifteen ton trucks with solid hard tires run through the street, they do more damage in one trip than 100 automobiles making a large annual expense, for the City for repairs. Every house is shaken and ceilings crack and fall, and many people have had large bills for repairs.

We are convinced that the effect upon the new pavement will be most serious, and that only traffic should be allowed, that the street is in condition to bear.

Respectfully yours,

A. W. Conklin and six  
other property owners.

Ordered filed.

Mr. Charles L. Whitfield, 384 Summer Avenue, urged the necessity of the City Commission doing something to relieve the property owners of the great annoyance and inconvenience caused by heavy trucks and trailers passing through Summer Avenue.

Commissioner Raymond: The paving of the street will obviate the shaking of the houses to a large degree. I think I can safely say that the assessment will be small on your street for the reason that it is being used as a general thoroughfare, and I will recommend to the Assessment Commission that the assessment be a small one. The majority assessment will be borne by the city at large as is the case in all thoroughfare streets.

Commissioner Raymond offered the following ordinance which was read by the clerk:

An ordinance to provide for the resurfacing of Summer Avenue from Bloomfield Avenue to Chester Avenue with one (1) inch asphalt wearing surface by means of the "Burner Method".

The Board of Commissioners of The City of Newark, Do Ordain:

Section 1. That Summer Avenue from Bloomfield Avenue to Chester Avenue shall be resurfaced with one (1) inch asphalt wearing surface by means of the "Burner Method", with the necessary new curbing or resetting of curb, together with all other appurtenances incidental to the paving of said street, including the laying of concrete sidewalks at street intersections and elsewhere wherever needed, and the laying or relaying of a sidewalk or sidewalks or such portion or portions of sidewalks as may be disturbed or may become necessary or expedient, or the grade of which may be affected on account of the laying of the pavement or the setting or resetting of the curb, under and by virtue of the provisions of an act entitled "An Act Concerning Municipalities" approved March 27, 1917, (P. L. 1917-319) and the supplements thereto and amendments thereof, in accordance with the plans, specifications and profiles dated March 28th, 1923, and now on file in the office of the Department of Streets and Public Improvements. The City Asphalt Plant to be authorized to bid on said work.

In order to avoid the necessity of excavating and tearing up the improved portion of said street after the making of said improvement, the owners of any and all lands on the line of said improvement, are hereby ordered and directed to make the necessary connections with the sewer, gas and water mains to the curb lines in said

street for each lot fronting upon said street within thirty (30) days after the passage of this ordinance. Upon failure of any such owner to make or cause said connections to be made the same will be made by the Department of Streets and Public Improvements in which case the costs and expenses of making said connections will be assessed upon the lands benefited. Each 25 feet of frontage upon said street for the purposes of this improvement shall be considered a lot.

Section 2. That said improvement shall be undertaken as a local improvement and the cost thereof shall be assessed against the property benefited by said improvement, in proportion to the benefits received, under and by virtue of the provisions of the act above referred to.

Section 3. That the sum of \$26,400.00 is hereby appropriated to pay the cost of said improvement, and for the purpose of meeting said appropriation and temporarily financing said improvement, temporary bonds or notes shall be issued from time to time in an amount not to exceed \$26,400.00 under and by virtue of the provisions of an act entitled "An Act to authorize and regulate the issuance of bonds and other obligations and the incurring of indebtedness by county, city, borough, village, town, township, or any municipality governed by an improvement commission" approved March 22, 1916 (P. L. 1916-525) and the supplements thereto and amendments thereof, which bonds or notes shall bear interest at a rate of not to exceed six per centum per

annum All other matters in respect to such temporary bonds or notes shall be determined by the Director of the Department of Revenue and Finance who is hereby authorized to execute and issue said bonds or notes.

Section 4. That this ordinance shall take effect immediately and all other ordinances or parts of ordinances inconsistent with the provisions of this ordinance, be and the same are hereby repealed.

The ordinance having been read once, Commissioner Raymond moved that it be ordered to a second reading.

The roll being called, the motion was declared adopted by the following votes:

L. 1917-319) and the supplements thereto and amendments thereof, in accordance with the plans, specifications and profiles dated March 28th, 1923, and now on file in the office of the Department of Streets and Public Improvements. The City Asphalt Plant to be authorized to bid on said work.

In order to avoid the necessity of excavating and tearing up the improved portion of said street after the making of said improvement, the owners of any and all lands on the line of said improvement, are hereby ordered and directed to make the necessary connections with the sewer, gas and water mains to the curb lines in said street for each lot fronting upon said street within thirty (30) days after the passage of this ordinance. Upon failure of such owner to

make or cause said connections to be made the same will be made by the Department of Streets and Public Improvements in which case the costs and expenses of making said connections will be assessed upon the lands benefited. Each 25 feet of frontage upon said street for the purposes of this improvement shall be considered a lot.

Section 2. That said improvement shall be undertaken as a local improvement and the cost thereof shall be assessed against the property benefited by said improvement in proportion to benefits received, under and by virtue of the provisions of the act above referred to.

Section 3. That the sum of \$3,700.00 is hereby appropriated to pay the cost of said improvement, and for the purpose of meeting said appropriation and temporarily financing said improvement, temporary bonds or notes shall be issued from time to time in an amount not to exceed \$3,700.00 under and by virtue of the provisions of an act entitled "An Act to authorize and regulate the issuance of bonds and other obligations and the incurring of indebtedness by county, city, borough, village, town, township, or any municipality governed by an improvement commission" approved March 22, 1916 (P. L. 1916-525) and the supplements thereto and amendments thereof, which bonds or notes shall bear interest at a rate of not to exceed six per centum per annum. All other matters in respect to such temporary bonds or notes shall be determined by

the Director of the Department of Revenue and Finance who is hereby authorized to execute and issue said bonds or notes.

**Section 4.** That this ordinance shall take effect immediately and all ordinances or parts of ordinances inconsistent with the provisions of this ordinance, be and the same are hereby repealed.

The roll being called, the motion was declared adopted by the following votes:

**Yeas: — Commissioners Brennan, Gillen, Howe, Raymond, Mayor Breidenbach.**

Commissioner Raymond: The City of Newark is vitally interested in the disposition of the Morris Canal bed, and as it will more or less fall on my department to take the initiative in whatever course the city may take, I think we are all of one mind in the matter in so far as using this bed for high speed transportation is concerned. I am sure that the officials of Belleville and the other municipalities through which the canal runs feel the same about this as we do. I think we should do everything in our power to have the canal bed made adaptable for high speed transportation. The claims of the City should be presented to the Commission that has been appointed by the Governor, and these claims should be presented as speedily

as possible. I therefore ask authority of this Commission to represent it in presenting the claims of this city along the general lines that I have outlined.

Commissioner Howe moved that the authority be granted.

1. To cause the paving of South 20th Street from Fourteenth Avenue to Sixteenth Avenue with asphaltic concrete pavement on a six (6) inch concrete foundation, with the necessary new curbing or resetting of curb, together with all other appurtenances incidental to the paving of said street, including the laying of concrete sidewalks at street intersections and elsewhere wherever needed, and the laying or relaying of a sidewalk or

sidewalks or such portion or portions of sidewalks as may be disturbed or may become necessary or expedient, or the grade of which may be affected on account of the laying of the pavement or the setting or resetting of the curb.

Said improvement to be made as a local improvement and the cost thereof to be assessed against the property benefited by said improvement in proportion to the benefits received.

In order to avoid the necessity of excavating and tearing up the proposed improved portion of said street, after the making of said improvement, the owners of any and all lands on the line of said proposed improvement are hereby ordered and directed to make the necessary connections with the sewer, gas and water mains to the curb line in said street for each lot fronting upon said street within thirty days after the passage of an ordinance providing for said improvement. Upon failure of any such owner to make or cause said connections to be made, the same will be made by the Department of Streets and Public Improvements, in which case the costs and expenses of making said connections will be assessed upon the lands benefited. Each 25 feet frontage upon said street for the purposes of this improvement shall be considered a lot.

2. That said improvement shall be made by the City of Newark, in accordance with an agreement between the City of Newark and the Town of Irvington, setting forth the

work to be undertaken, the plans and specifications therefor and the proportion of the cost thereof to be borne by each, now on file in the office of the Director of the Department of Streets and Public Improvements of the City of Newark, which contract provides:

1. That the City of Newark, in accordance with the standard specifications of the said The City of Newark, shall cause South 20th Street from Fourteenth Avenue to Sixteenth Avenue to be paved with asphaltic concrete on a six (6) inch concrete foundation.

2. That the City of Irvington shall pay to the City of Newark fifty (50) per cent of the cost of said improvement, which cost shall include advertising, engineering services and inspection of the work, during the progress of the improvement, and that such payments shall be made when and as often as an estimate certified by the Chief Engineer, showing the completion of a definite portion of the work, shall be passed and approved for payment by the Board of Commissioners of the City of Newark and certified to the Town of Irvington, and approved for payment by the Board of Commissioners of the Town of Irvington.

3. That in order to temporarily finance said improvement, the sum of Twenty-two thousand (\$22,000) dollars is hereby appropriated and temporary bonds or notes shall be issued from time to time to meet the cost thereof, under and by virtue of the

provisions of an act entitled "An Act to authorize and regulate the issuance of bonds and other obligations and the incurring of indebtedness by county, city, borough, village, town, township, or any municipality governed by an improvement commission" approved March 22, 1916 (P. L. 1916-525) and the supplements thereto and amendments thereof, which bonds or notes shall bear interest at a rate not to exceed six per centum per annum. All other matters in respect to such temporary bonds or notes shall be determined by the Director of the Department of Revenue and Finance, who is hereby authorized to execute and issue said bonds or notes.

4. And the Director of the Department of Streets and Public Improvements is hereby directed to give notice in an authorized daily newspaper, printed and published in the City of Newark, of the intention of the Board of Commissioners to cause said improvement to be made and to enter into a contract with the Town of Irvington which contract shall contain the provisions as above set forth, and that all persons whose lands may be affected by such improvement, or who may be interested therein will be given an opportunity to be heard concerning the same at a meeting of said Board, to be held in its meeting room, City Hall, on Tuesday, the twenty-ninth day of May, 1923, at 11 o'clock A. M., at which time and place the ordinance for the making of such improvement and authorizing the making and execution of a contract with the Town of Irvington for the doing of the work for the apportion-

ment of the cost thereof, will be considered.

The Board of Commissioners  
of the City of Newark, N. J.

APPROVED:

W. J. EGAN,  
City Clerk.

NEWARK, N. J.

May 15th, 1923.

A regular meeting of the Board of Commissioners of the City of Newark, N. J., was held on the above date in the Council Chamber, City Hall, Newark, at 11 A. M.

Present:—Commssioners Brennan, Gillen, Howe, Raymond, Mayor Breidenbach.

The minutes of the meeting of May 8th, 1923, were read and approved.

Mayor Breidenbach opened the meeting of the City Commission with a short talk. He said the Boys' Week celebration was a fine thing for Newark. He then turned the meeting over to the Junior Mayor, Milton Machette.

Mayor Machette thanked the City Commission and the Rotary Club for the opportunity to serve in the city government. He said he thought the opportunity a great thing.

The Junior City Commission which temporarily took over the reigns of municipal government consisted of the following:

Mayor, Milton Machette; Director of Streets and Public Improvements, Louis Pollinger; Director of Public Safety, Albert W. Brey; Director of Revenue and Finance, Jack Karetnick; Director of Parks and Public Property, Meyer Horn; Corporation Coun-

sel, Oscar Cederholm; City Clerk, Benjamin Karetnick.

Mr. Henry Hebler and Mr. Edmund J. Reid, representing the Essex Trades Council, and Mr. Louis Levy, Treasurer of the Anti-Tuberculosis Association, urged the Commission to provide more comfort stations in the public parks throughout the city of Newark. They suggested that no more comfort stations be built underground.

Commissioner Raymond moved that the matter be referred to him and Director Gillen for consideration.

John Howe,  
Thomas L. Raymond,  
W. J. Brennan,

The roll being called, the resolution was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Raymond, Mayor Breidenbach.

Mr. Anthony Minisi, 196 Market Street, stated the 312th Infantry Association, the members of which were largely recruited from the City of Newark, have started a drive to raise money for the purchase of a memorial home at 396 Bergen Street in honor of the 409 men who made the supreme sacrifice. He stated they

have collected a fund of about \$8,000, of which \$5,000 has been applied to the purchase of the memorial home. He requested that the Mayor issue a proclamation asking the people of Newark to support the 312th Infantry Association in this drive.

Commissioner Raymond moved that the Commission go on record as giving its hearty endorsement to this movement and express its willingness in any way to assist and co-operate, and that the Mayor be requested to issue a statement which will encourage the public to help and give all possible aid to this undertaking.

Commissioner Gillen: The 312th Infantry was recruited almost exclusively, originally, of Newarkers and it is therefore safe to say that it was one of Newark's own regiments. No military outfit rendered more valiant service and it made a great many sacrifices. I believe this Commission should endorse this plan for a memorial home for the survivors to honor the memory of the 409 boys who won't return, and that we should do everything in our power to encourage the citizens of Newark to support this movement. So far as I am personally concerned, I will support it to the fullest extent. I will support it financially and morally. I heartily endorse and second the motion made by Commissioner Raymond.

The roll being called, the motion was declared adopted by the following votes:

Yeas — Commissioners Brennan, Gillen, Howe, Raymond, Mayor Breidenbach. **APPROVED.**

Commissioner Brennan moved to adjourn.

The roll being called, the motion was declared adopted by the following votes:

NEWARK, N. J.

May 22, 1923.

A regular meeting of the Board of Commissioners of the City of Newark, N. J., was held on the above date in the Council Chamber, City Hall, Newark, at 11 A. M.

Present:—Commissioners Brennan, Gillen, Howe, Raymond, Mayor Breidenbach.

The minutes of the meeting of May 15th, 1923, were read and approved.

The following communication was received and read:

Department of Public Safety

Division of Buildings

Newark, N. J., May 12, 1923.

The Board of Commissioners of

The City of Newark.

Honorable Sirs:

At a meeting of the Commission on Building Districts and Restrictions held May 3, 1923, a petition was considered requesting that Clinton Avenue between Treacy and Shanley Avenues be changed from a Business district to a Residence district.

The Commission desires to report that this section of Clinton Avenue was changed to a Business district on

December 5, 1922, after due consideration, at which time it was felt that the change was a logical one. As it now stands, the Business district on Clinton Avenue stops on the north side at the new building of the B'Nai Abram Congregation, and on the south side at the Sacred Heart Parochial School, and these buildings provide an ideal buffer between the Business and Residence portions of the Avenue.

The Commission respectfully recommends that the amendment to the Building Zone Ordinance as adopted December 5, 1922, be not rescinded, and that the Business district on Clinton Avenue remain as at present.

Respectfully submitted,

Commission on Building Districts  
and Restrictions.

R. B. Rankin,

Secretary.

Mr. Harry Steiner, 9 Clinton Street, stated that the majority of the property owners on Clinton Avenue between Treacy and Shanley Avenues are in favor of having this district changed from a business district to a residence district, and recommend that an amendment to the Building Zone Ordinance adopted on December 5, 1922, be adopted covering this change.

Commissioner Gillen moved that the communication and request of Mr.

Steiner be taken up in conference next Tuesday morning.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Raymond, Mayor Breidenbach.

Mr. Michael B. Paterson, 90 Lenox Avenue, representing the Vailsburg Improvement and Welfare Association, protested against an assessment being levied on the property owners for the opening of Varsity Road, Oakland Terrace, Richelieu Place, Richelieu Terrace and Ellery Avenue for the reason that they feel the cost should be borne by the people who are developing these tracts. If they want streets opened, he said, they should open them at their own expense and not expect the citizens of Newark to pay for the development of tracts.

Commissioner Raymond moved that an ordinance to provide for the opening of Varsity Road, Oakland Terrace, Richelieu Place, Richelieu Terrace and Ellery Avenue be laid over for two weeks.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Raymond, Mayor Breidenbach.

Commissioner Raymond moved that the title of "An Ordinance to provide

for the vacation of Fleetwood Place from Ellery Avenue westerly about 50 feet to its terminus, and for the vacation of Cumberland Street from Netherwood Place to Fleetwood Place, excepting such parts of Cumberland Street as lie within the limits of Mt. Vernon Avenue, Ellery Avenue and Mountain View Avenue," be taken for its third reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Raymond, Mayor Breidenbach.

The clerk then read the title of the ordinance as follows:

An ordinance to provide for the vacation of Fleetwood Place from Ellery Avenue westerly about 50 feet to its terminus, and for the vacation of Cumberland Street from Netherwood Place to Fleetwood Place, excepting such parts of Cumberland Street as lie within the limits of Mt. Vernon Avenue, Ellery Avenue and Mountain View Avenue.

The ordinance having been read three times was then declared to be upon its third and final passage.

The roll being called, the ordinance was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Raymond, Mayor Breidenbach.

Commissioner Raymond moved that the title of "An ordinance to provide for the vacation of a triangular part of street at the north-easterly corner of Dickerson Street and Duryee Street" be taken for its third reading.

Thomas L. Raymond,  
Charles P. Gillen,  
W. J. Brennan,  
F. C. Breidenbach,  
John Howe,

The roll being called, the resolution  
was declared adopted by the follow-  
ing votes:

Yeas: — Commissioners Brennan,  
Gillen, Howe, Raymond, Mayor  
Briedenbach.

RESOLVED, That the Director of  
the Department of Streets and Public  
Improvements be and he is hereby di-  
rected to advertise for sealed pro-  
posals for furnishing and delivering  
one (1) or more tapping sleeves and  
valves and one (1) portable air com-  
pressor.

Bids to be received at the office of  
said Director between the hours of  
10:00 and 10:15 A. M. on such date

The roll being called, the resolution  
was declared adopted by the follow-  
ing votes:

Yeas: — Commissioners Brennan,  
Gillen, Howe, Raymond, Mayor  
Breidenbach.

RESOLVED, That it is the inten-  
tion of the Board of Commissioners of  
the City of Newark, N. J., under and  
by virtue of the provisions of an act  
entitled "An Act Concerning Muni-  
cipalities" approved March 27, 1917 (P.  
L. 1917—319) and the supplements  
thereto and amendments thereof to  
order and cause the

Grading, curbing, flagging and paving of Commerce Street (as recently opened and widened) from Broad Street to Market Street with oblong granite block pavement on a six (6) inch concrete foundation;

Grading, curbing, flagging and paving of Nye Avenue from Osborne Terrace to Clinton Place with asphalt pavement (1-1/2" binder—1-1/2" top) on a six (6) inch concrete foundation. The City Asphalt Plant to be authorized to bid on said work.

With the necessary new curbing or resetting of curb, together with all other appurtenances incidental to the paving of said streets including the laying of concrete sidewalks at street intersections and elsewhere wherever needed, and the laying or relaying of a sidewalk or sidewalks or such portion or portions of sidewalks as may be disturbed, or may become necessary or expedient, or the grade of which may be affected on account of the laying of the pavement or the setting or resetting of the curb, in accordance with the plans, specifications and profiles dated May 18th, 1923, and now on file in the office of the Department of Streets and Public Improvements.

In order to avoid the necessity of excavating and tearing up the proposed improved portions of said streets after the making of said improvement, the owners of any and all lands on the line of said proposed improvements are hereby ordered and directed to make the necessary connections with the sewer, gas and wa-

ter mains to the curb lines in said street for each lot fronting upon said streets within thirty days after the passage of an ordinance providing for said improvements. Upon failure of any such owner to make or cause said connections to be made, the same will be made by the Department of Streets and Public Improvements, in which case the costs and expenses of making said connections will be assessed upon the lands benefitted. Each 25 feet of frontage upon said street for the purposes of this improvement shall be considered a lot.

That said improvements shall be undertaken as local improvements and the cost thereof shall be assessed against the property benefitted by said improvements, in proportion to the benefits received, under and by virtue of the provisions of the act above referred to.

That in order to temporarily finance said improvements the following sums are hereby appropriated, viz:

For Commerce Street grading, curbing, flagging and paving \$131,300.00. For Nye Avenue grading, curbing, flagging and paving \$38,800.00. and temporary bonds or notes shall be issued from time to time to meet the cost thereof, under and by virtue of the provisions of an act entitled "An Act to authorize and regulate the issuance of bonds and other obligations and the incurring of indebtedness by county, city, borough, village, town, township, or any municipality governed by an improvement commission" approved March 22, 1916 (P. L. 1916-

525) and the supplements thereto and amendments thereof, which bonds or notes shall bear interest at a rate not to exceed six per centum per annum. All other matters in respect to such temporary bonds or notes shall be determined by the Director of the Department of Revenue and Finance who is hereby authorized to execute and issue said bonds or notes.

And the Director of the Department of Streets and Public Improvements is hereby directed to give public notice in an authorized daily newspaper, printed and published in the City of Newark, of the intention of the Board of Commissioners to order and cause such improvements to be made, and that all persons whose lands may be effected by such improvements or who may be interested therein will be given an opportunity to be heard concerning the same at a meeting of said Board, to be held in its meeting room, City Hall, on June 12th, 1923, at 11 o'clock A. M. at which time and place ordinances for the making of such improvements will be considered.

Thomas L. Raymond,  
Charles P. Gillen,  
W. J. Brennan,  
F. C. Breidenbach,  
John Howe,

The roll being called, the resolution was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Raymond, Mayor Breidenbach.

WHEREAS, application by petition has been made to this Board for the vacation of part of Ridgewood Avenue between Hawthorne Avenue and Peddie Street; part of Belmont Avenue between Hawthorne Avenue and Peddie Street; part of Johnson Avenue between Hawthorne Avenue and Peddie Street and part of Hillside Avenue between Hawthorne Avenue and Peddie Street;

AND WHEREAS, in the judgment of The Board of Commissioners the public interests will be better served by granting said application;

THEREFORE BE IT RESOLVED, by the Board of Commissioners of The City of Newark that it is the intention of said Board, by virtue of the provisions of Section 1, sub-division (b), of Article XXII, of an act of the Legislature of the State of New Jersey, entitled "An Act Concerning Municipalities" approved March 27, 1917, and the acts amendatory thereof and supplementary thereto, to vacate such parts of Ridgewood Avenue between Hawthorne Avenue and Peddie Street as lie outside of the limits of Ridgewood Avenue as presently laid out 60 feet in width in a straight continuation of the lines of Ridgewood Avenue lying north of Peddie Street and the westerly line of Ridgewood Avenue as presently laid out being parallel to and distant 210 feet measured easterly at right angles to the easterly line of Badger Avenue as the latter is laid out on the Commissioners Map of Clinton Township annexed to the City of Newark by Act of the Legislature ap-

The following communication was received and read:

Price, Waterhouse & Company,  
  
56 Pine Street,

New York, May 18, 1923.

Mr. W. J. Egan,

City Clerk of The City of Newark,

City Hall, Newark, N. J.

Dear Sir:—

We take pleasure in enclosing herewith five signed copies of our report on the audit of the accounts of The City of Newark for the year 1922.

As required by law, we are sending a certified copy of this report to the Commissioner of Municipal Accounts at Trenton.

Registered Municipal Accountant.

Commissioner Howe moved that the report be received and filed and that it be published in accordance with law.

The roll being called, the motion was declared adopted by the following votes:

**Yeas: — Commissioners Brennan, Gillen, Howe, Raymond, Mayor Breidenbach.**

Commissioner Raymond offered the following ordinance which was read by the clerk:

An ordinance to provide for the vacation of parts of Ridgewood Avenue, Belmont Avenue, Johnson Avenue and Hillside Avenue, lying between Hawthorne Avenue and Peddie Street.

The Board of Commissioners of the City of Newark, Do Ordain:

Section 1. That the following described parts of Ridgewood Avenue, Belmont Avenue, Johnson Avenue and Hillside Avenue shall be vacated as public streets or highways:

Such parts of Ridgewood Avenue between Hawthorne Avenue and Peddie Street as lie outside of the limits of Ridgewood Avenue as presently laid out 60 feet in width in a straight continuation of the lines of Ridgewood Avenue lying north of Peddie Street and the westerly line of Ridgewood Avenue as presently laid out being parallel to and distant 210 feet measured easterly at right angles to the easterly line of Badger Avenue as the latter is laid out on the Commissioners Map of Clinton Township annexed to the City of Newark by Act of the Legislature approved March, 1869.

Such parts of Belmont Avenue between Hawthorne Avenue and Peddie Street as lie outside of the limits of Belmont Avenue as presently laid out 80 feet in width in a straight continuation of the lines of Belmont Avenue lying north of Peddie Street and the westerly line of Belmont Avenue as presently laid out being parallel to and distant 540 feet measured easterly at right angles to the easterly line of Badger Avenue as the latter is laid out on the Commissioners Map of Clinton Township annexed to the City of Newark by act of the Legislature approved March 1869.

Such parts of Johnson Avenue between Hawthorne Avenue and Peddie Street as lie outside of the limits of Johnson Avenue as presently laid out 60 feet in width, the westerly line of said present street being as shown on a dedication map filed in the office of the Chief Engineer of the Division of Surveys, on page 14, of Private Maps,

showing proposed streets approved under Chapter 242, State Laws of 1922.

Such parts of Hillside Avenue between Hawthorne Avenue and Peddie Street as lie outside of the limits of Hillside Avenue as presently laid out and as shown on a dedication map filed in the office of the Chief Engineer of the Division of Surveys on page 14 of Private Maps showing proposed streets approved under Chapter 242, State Laws of 1912 the width of said Hillside Avenue as presently laid out being 80 feet at Peddie Street and approximately 97 feet at Hawthorne Avenue.

Under and by virtue of the provisions of Section 1, sub-division (b), of Article XXII, of an act of the Legislature of the State of New Jersey, entitled "An Act Concerning Municipalities" approved March 27, 1917, and the acts amandatory thereof and supplementary thereto.

Section 2. That this ordinance shall take effect immediately and all ordinances or parts of ordinances inconsistent with the provisions of this ordinance, be and the same is hereby repealed.

The ordinance having been read once, Commissioner Raymond moved that it be ordered to a second reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Raymond, Mayor Breidenbach.

The clerk then read the ordinance by sections:

Title declared open to amendment.

Section 1 declared open to amendment.

Section 2 declared open to amendment.

The ordinance was declared open to amendment in all its parts.

The ordinance having been read a second time, Commissioner Raymond moved that it be ordered to a third reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Raymond, Mayor Breidenbach.

Commissioner Raymond moved that the ordinance be taken up on third reading on June 12th.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Raymond, Mayor Breidenbach.

A communication dated May 16th,

Commissioner Gillen offered the following resolution:

WHEREAS, The City of Newark, as successor of The Mayor and Common Council of the City of Newark, has a certain interest in lands in the City of Newark, by virtue of a final

decree in the Court of Chancery of New Jersey, entered on November 3, 1917, in a cause therein pending, wherein Frederick F. Guild and others, executors, etc., were complainants, and The Mayor and Common Council of the City of Newark, and others, were defendants, and also under certain deeds made to said The Mayor and Common Council of the City of Newark by parties defendant to said suit, which said lands are hereinafter set forth; and

WHEREAS, said lands are not suitable or convenient or needed for public use by said City;

THEREFORE, BE IT RESOLVED By the Board of Commissioners of the City of Newark that by virtue of the authority of—

Article 18, Chapter 152 of the Laws of 1917, of the State of New Jersey,

said interest of The City of Newark in said lands be sold, at public sale, to the highest bidder, after public advertisement given in a newspaper circulating in the municipality, at least once a week, for two weeks, prior to such sale; and,

BE IT FURTHER RESOLVED: That the Director of the Department of Parks and Public Property be and he is hereby authorized and directed to offer said interest of said City in said lands for sale, to the highest bidder, and to report said sale and the terms thereof to this Board for confirmation. Said lands are situate in

the City of Newark, Essex County, New Jersey, and are more particularly described as follows:

The Board of Commissioners of  
The City of Newark, New Jersey.

W. J. EGAN,  
City Clerk.

NEWARK, N. J., May 29, 1923

A regular meeting of the Board of Commissioners of the City of Newark, N. J., was held on the above date in the Council Chamber, City Hall, Newark, at 11 A. M.

Present:—Commissioners Brennan, Gillen, Howe, Raymond, Mayor Breidenbach.

The minutes of the meeting of May 22nd, 1923, were read and approved.

Mr. George F. Canniff, 24 William Street, and Mr. Henry Klee, 315 Chancellor Avenue, called attention to the fact that there seems to be no effort being made on the part of the contractors to improve the condition of Chancellor Avenue, and as this street is in a deplorable condition they urged the City Commission to take immediate steps to have the street paved.

Engineer Costello stated there was quite a delay in the execution of the contract between the city and the county, and that the city experienced some trouble with the sewer contractor. The sewer contractor fell down on the work and the city was compelled to have the bonding company act in the matter. The steam shovel is on the way and everything will be in readiness to start work on Chancellor Avenue Thursday morning.

Mr. Harry Steiner, 9 Clinton Street, again urged the City Commission to change the district on Clinton Avenue between Treacy and Shanley Ave-

nues from a business district to a residence district.

The following communication was read:

Department of Public Safety

Division of Buildings

Newark, N. J., May 12, 1923.

The Board of Commissioners of  
The City of Newark.

Honorable Sirs:

At a meeting of the Commission on Building Districts and Restrictions held May 3, 1923, a petition was considered requesting that Clinton Avenue between Treacy and Shanley Avenues be changed from a Business district to a Residence district.

The Commission desires to report that this section of Clinton Avenue was changed to a Business district on December 5, 1922, after due consideration, at which time it was felt that the change was a logical one. As it now stands, the Business district on Clinton Avenue stops on the north side at the new building of the B'Nai Congregation, and on the south side at the Sacred Heart Parochial School, and these buildings provide an ideal buffer between the Business and Residence portions of the Avenue.

The Commission respectfully recommends that the amendment to the Building Zone Ordinance as adopted

December 5, 1922, be not rescinded, and that the Business district on Clinton Avenue remain as at present.

Respectfully submitted,  
  
Commission on Building Districts  
  
and Restrictions.

R. B. Rankin, Secretary.

Commissioner Brennan moved that the report of the Zoning Commission be received and the recommendation concurred in.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen., Howe, Raymond, Mayor Breidenbach.

Mr. Anthony Minisi, 196 Market Street, thanked the Mayor and City Commission in behalf of the 312th Infantry Association for the statement that was issued regarding the drive launched by the association to raise a fund of \$50,000 to build a memorial home in honor of the 409 men who made the supreme sacrifice. He stated Director Gillen suggested that it would be well for each Commissioner to assign a man from each department to solicit contributions for the memorial home.

Mayor Breidenbach stated the Commission has agreed to assign a man from each department to take care of the collections.

The following communication was received and read:

The Board of Commissioners of  
Assessments for Local Improvements.

Newark, N. J., May 22nd, 1923.

To the Honorable

Board of Commissioners of

The City of Newark.

In re— Roanoke Avenue Sewers and  
Branches.

Gentlemen:

In the above mentioned matter referred back to us for reconsideration by your Honorable Body, we would say that practically the same group of property owners listed in the communication from the City Clerk appeared before us at our hearing. Their consensus of opinion seems to be that the entire cost should be borne by the City of Newark and the Board took that into consideration before making their report. According to our best judgment, it is our opinion that the area drained by this storm water sewer system is benefited to the extent of about 23% of its cost and the balance of the total amount of the costs and expenses being the sum of \$101,321.52 or about 77% will be paid by the City of Newark. After again going over this whole matter we can find no reason to make any change, hence we are returning the report to you herewith.

ours very truly,  
August Soffel,  
W. Dimond,  
Bernard K. Judge,

Commissioners of Assessments

For Local Improvements.

Ordered filed.

Commissioner Raymond offered the following ordinance which was read by the clerk:

An ordinance to provide for the paving of South 20th Street from Fourteenth Avenue to Sixteenth Avenue with asphaltic concrete pavement on a six (6) inch concrete foundation, and authorizing the making and execution of a contract with the Town of Irvington for the payment by said Town of a portion of the cost.

The Board of Commissioners of The City of Newark, Do Ordain: Section 1: That South 20th Street from Fourteenth Avenue to Sixteenth Avenue shall be paved with asphaltic concrete pavement on a six (6) inch concrete foundation, with the necessary new curbing or resetting of curb, together with all other appurtenances incidental to the paving of the street, including the laying of concrete sidewalks at street intersections and elsewhere wherever needed and the laying or relaying of a sidewalk or sidewalks or such portion or portions of sidewalks as may be disturbed or may become necessary or expedient, or the grade of which may be affected on account of the laying of the pavement

or the setting or resetting of the curb, under and by virtue of the provisions of an act entitled "An Act Concerning Municipalities" approved March 27, 1917 (P. L. 1917—319) and the supplements thereto and amendments thereof.

Said improvement to be made as a local improvement and the cost thereof to be assessed against the property benefitted by said improvement in proportion to the benefits received.

In order to avoid the necessity of excavating and tearing up the improved portion of said street, after the making of said improvement, the owners of any and all lands on the line of said improvement are hereby ordered and directed to make the necessary connections with the sewer, gas and water mains to the curb lines in said street for each lot fronting upon said street within thirty days after the passage of this ordinance. Upon failure of any such owner to make or cause said connections to be made, the same will be made by the Department of Streets and Public Improvements, in which case the costs and expenses of making said connections will be assessed against the lands benefitted. Each 25 feet of frontage upon said street for the purposes of this improvement shall be considered a lot.

Section 2: That said improvement shall be made by the City of Newark, in accordance with an agreement between the Town of Irvington and the City of Newark, setting forth the work to be undertaken, the plans and

specifications therefor, and that fifty (50) per cent of the cost shall be borne by the City of Newark and fifty (50) per cent of the cost, (which cost shall include advertising, inspection of the work and engineering), shall be paid to The City of Newark by the Town of Irvington, when and as often as an estimate, certified by the Chief Engineer, showing the completion of a definite portion of the work, shall be passed and approved for payment by the Board of Commissioners of the City of Newark and certified to the Town of Irvington.

Section 3: That in order to temporarily finance said improvement, the sum of twenty-two thousand (\$22,000) dollars is hereby appropriated and temporary bonds or notes shall be issued from time to time to meet the cost thereof, under and by virtue of the provisions of an act entitled, "An Act to authorize and regulate the issuance of bonds and other obligations and the incurring of indebtedness by county, city, borough, village, town, township, or any municipality governed by an improvement commission" approved March 22, 1916 (P. L. 1916—525) and the supplements thereto and amendments thereof, which bonds or notes shall bear interest at the rate not to exceed six per centum per annum. All other matters in respect to such temporary bonds or notes shall be determined by the Director of the Department of Revenue and Finance, who is hereby authorized to execute and issue said bonds or notes.

Section 4 That upon the passage of this ordinance the Director of the Department of Streets and Public Improvements and the City Clerk be and are hereby authorized and directed to execute a contract with the Town of Irvington on behalf of the City of Newark, containing the provisions of this ordinance.

Section 5: That this ordinance shall take effect immediately and all ordinances or parts of ordinances inconsistent with the provisions of this ordinance be and the same are hereby repealed.

The ordinance having been read once, Commissioner Raymond moved that it be ordered to a second reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen., Howe, Raymond, Mayor Breidenbach.

The clerk then read the ordinance by sections.

Title declared open to amendment.

Section 1 declared open to amendment.

Section 2 declared open to amendment.

Section 3 declared opened to amendment.

Section 4 declared open to amendment.

Section 5 declared open to amendment.

The ordinance was declared open to amendment in all its parts.

The ordinance having been read a second time, Commissioner Raymond moved that it be ordered to a third reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen., Howe, Raymond, Mayor Breidenbach.

Commissioner Raymond moved that the ordinance be taken up on third reading and final passage on June 5th.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen., Howe, Raymond, Mayor Breidenbach.

Commissioner Raymond moved that the title of "An ordinance to provide for the vacation of Laible Street from an alley 175 feet east of Alexander Street westerly to its terminus" be taken for its third reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen., Howe, Raymond, Mayor Breidenbach.

The clerk then read the title of the ordinance as follows:

An ordinance to provide for the vacation of Laible Street from an alley 175 feet east of Alexander Street westerly to its terminus.

Yeas: — Commissioners Brennan, Gillen, Howe, Raymond, Mayor Breidenbach.

WHEREAS, in accordance with the provisions of Chapter 115 of the State Laws of 1919, an estimate was

submitted to the Board of Commissioners of the City of Newark by the Engineer in Charge of the Bureau of Sewers showing the probable cost of constructing a sewer in Chapel Street from the terminus of the present sewer south of Albert Avenue for a distance of about 250 feet southerly for the use of abutting property only, to be \$700.00, said probable cost being based on the best information obtainable as to the probable cost of such sewer;

AND WHEREAS, the Board of Commissioners signified its intention by a resolution to construct such a sewer in Chapel Street from the terminus of the present sewer south of Albert Avenue for a distance of about 250 feet southerly at a meeting of said Board held on May 1st, 1923;

AND WHEREAS, a copy of such resolution together with a notice stating that objections to the making of said improvements would be heard by the Director of the Department of Streets and Public Improvements on May 14th, 1923, at 10 o'clock A. M., was mailed or caused to be mailed by the said Engineer to the last known address of the last owner of record, as shown by the tax maps of such city, of the property abutting on the portion of the street or highway through which such sewer is proposed to be constructed.

AND WHEREAS, a copy of such resolution and notice was posted conspicuously in the City Hall at least five days prior to the introduction of this resolution, setting forth the final

decision of said Board to cause the construction of said sewer;

AND WHEREAS, at least two weeks have elapsed since the passage of the first resolution to which this resolution refers;

THEREFORE BE IT RESOLVED, that this Board hereby signifies its final decision to construct such a sewer in Chapel Street from the terminus of the present sewer south of Albert Avenue for a distance of about 250 feet southerly and the construction of such sewer to be done by day labor under the direct supervision of the Department of Streets and Public Improvements.

City Treasurer for May, 1923.

Comptroller for May, 1923.

Elizabeth S. Lewis, Clerk, Family Court, for May, 1923.

Commissioner Brennan: I would like to have the sanction of the Commission to authorize me to offer a reward of \$1,000. for information leading to the arrest of Adam Dresch, a former member of the Police Department, who is now under indictment for murder and has succeeded in evading arrest for the past three weeks. I feel that in making this request it may assist in obtaining information as to the whereabouts of this dangerous fugitive, and at some time or other make it possible for officers of the law to apprehend him. This fugitive is thoroughly familiar with police work and is a very dangerous person. I have had men from headquarters ever since his escape scouring this country and Canada in an endeavor to run him down. While many valuable leads were received, which were only slightly authentic, they have not so far proven effective when the investigators arrived on the scene. I am making this request that I be permitted to offer such a reward in the hope that it will serve as an incentive for some individual to give information that will assist in bringing about his apprehension.

Commissioner Gillen moved that the request be complied with.

The roll being called, the motion was declared adopted by the following votes:

NEWARK, N. J.

June 12, 1923.

A regular meeting of the Board of Commissioners of the City of Newark, N. J., was held on the above date in the Council Chamber, City Hall, Newark, at 11 A.M.

Present:—Commissioners Brennan, Gillen, Howe, Mayor Breidenbach.

Absent:—Commissioner Raymond.

The minutes of the meeting of June 5th, 1923, were read and approved.

Mr. Myron W. Morse, flag custodian, invited the City Commissioners to attend the exercises to be held in the Council Chamber Thursday morning, June 14th, at 11 o'clock, to commemorate the 147th anniversary of the birth of our flag.

Mayor Breidenbach: The City Commissioners just held a conference and I suggested to them that the city employees attend the exercises on Thursday morning at 11 o'clock and sing the Star Spangled Banner.

Commissioner Gillen moved that the invitation be accepted and that the Commissioners be requested to attend the exercises at 11 o'clock Thursday morning, June 14th.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Mayor Breidenbach.

Mayor Breidenbach offered the following resolutions:

RESOLVED, that inasmuch as the Director of the Department of Public Affairs recommends the change in classification of Mary F. Fox from Clerk-Stenographer, Grade A-5, to Clerk, Grade A-6A, \$2460-2700 per annum, be and the same is hereby approved.

F. C. Breidenbach,  
John Howe,  
W. J. Brennan,  
Charles P. Gillen

The roll being called, the resolution was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Mayor Breidenbach.

RESOLVED, that the salary of Mary F. Fox, Clerk in the Department of Public Affairs, be and the same is hereby fixed at \$2460 per annum, effective June 1, 1923.

F. C. Breidenbach,  
John Howe,  
W. J. Brennan,  
Charles P. Gillen

The roll being called, the resolution was declared adopted by the following votes:

Yeas — Commissioners Brennan, Gillen, Howe, Mayor Breidenbach.

Mr. Michael B. Paterson, 90 Lenox Avenue, representing the Vailsburg Improvement and Welfare Association protested against an assessment being levied on the property owners for the opening of Varsity Road, Oakland Terrace, Richelieu Place, Richelieu Terrace and Ellery Avenue for the reason that they feel the cost should be borne by the people who are developing these tracts.

Commissioner Brennan moved that an ordinance to provide for the opening of Varsity Road, Oakland Terrace, Richelieu Place, Richelieu Terrace and Ellery Avenue be laid over for one week.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Mayor Breidenbach.

Commissioner Brennan offered the following ordinance which was read by the clerk:

An ordinance to provide for the grading, curbing, flagging and paving of Nye Avenue from Osborne Terrace to Clinton Place with asphalt pavement (1-1/2" top—1-1/2" binder) on a six (6) inch concrete foundation.

The Board of Commissioners of The City of Newark, Do Ordain:

Section 1. That Nye Avenue from Osborne Terrace to Clinton Place shall be graded, curbed, flagged and paved with asphalt pavement (1-1/2" top—1-1/2" binder) on a six (6) inch concrete foundation, the City Asphalt Plant to be authorized to bid on said work, with the necessary new curbing or resetting of curb, together with all other appurtenances incidental to the paving of said street including the laying of concrete sidewalks at street intersections and elsewhere wherever needed, and the laying or relaying of a sidewalk or sidewalks or such portion or portions of sidewalks as may be disturbed or may become necessary or expedient, or the grade of which may be affected on account of the laying of the pavement or the setting or resetting of the curb, under and by virtue of the provisions of an act entitled "An Act Concerning Municipalities" approved March 27, 1917, (P. L. 1917-319) and the supplements thereto and amendments thereof, in accordance with the plans, specifications and profiles dated May 18, 1923, and now on file in the office of the Department of Streets and Public Improvements.

In order to avoid the necessity of excavating and tearing up the improved portion of said street after the making of said improvement, the owners of any and all lands on the line of said improvement, are hereby ordered and directed to make the necessary connections with the sewer, gas and water mains to the curb lines in said street for each lot fronting upon said street within thirty (30) days

after the passage of this ordinance. Upon failure of any such owner to make or cause said connections to be made the same will be made by the Department of Streets and Public Improvements in which case the costs and expenses of making said connections will be assessed upon the lands benefitted. Each 25 feet of frontage upon said street for the purposes of this improvement shall be considered a lot.

Section 2. That said improvement shall be undertaken as a local improvement and the cost thereof shall be assessed against the property benefitted by said improvement, in proportion to the benefits received, under and by virtue of the provisions of the act above referred to.

Section 3. That the sum of \$38,800.00 is hereby appropriated to pay the cost of said improvement, and for the purpose of meeting said appropriation and temporary financing said improvement, temporary bonds or notes shall be issued from time to time in an amount not to exceed \$38,800.00 under and by virtue of the provisions of an act entitled "An Act to authorize and regulate the issuance of bonds and other obligations and the incurring of indebtedness by county, city, borough, village, town, township, or any municipality governed by an improvement commission" approved March 22, 1916, (P. L. 1916-525) and the supplements thereto and amendments thereof, which bonds or notes shall bear interest at a rate of not to exceed six per centum per annum.

All other matters in respect to such temporary bonds or notes shall be determined by the Director of the Department of Revenue and Finance who is hereby authorized to execute and issue said bonds or notes.

Section 4. That this ordinance shall take effect immediately and all ordinances or parts of ordinances inconsistent with the provisions of this ordinance be and the same are hereby repealed.

The ordinance having been read once, Commissioner Brennan moved that it be ordered to a second reading.

The roll being called, the motion was declared adopted by the following votes:

JOHN HOWE,

W. J. BRENNAN,

The Board of Commissioners  
of the City of Newark, N. J.

W. J. EGAN,  
City Clerk.

NEWARK, N. J.

June 19, 1923.

A regular meeting of the Board of Commissioners of the City of Newark, N. J., was held on the above date in the Council Chamber, City Hall, Newark, at 11 A. M.

Present:—Commissioners Brennan, Gillen, Howe, Raymond, Mayor Breidenbach.

The minutes of the meeting of June 12th, 1923, were read and approved.

The report of the Commissioners of Assessments for Local Improvements, awarding damages for the opening and widening of Commerce Street from Broad Street to Market Street on the northerly side thereof, was read and ordered filed.

Dr. William G. Hanrahan, 36-A Fulton Street, stated he attended a meeting of the Chamber of Commerce as a representative of the Federation of Improvement Associations, at which the question of disposing of the Morris Canal bed was discussed, and that most of the delegates thought it would be a good thing for the State to continue in control of the canal bed. He suggested that the City Commission communicate with the Commission appointed by the Governor to show that Newark is taking an active interest in this matter.

Mayor Breidenbach: This Commission has authorized Director Ray-

mond to send a letter to the Commission setting forth the city's position in the canal bed.

Mr. R. A. Osborne, 772 Broad Street, requested that the hearing scheduled for July 10th on the Commerce Street widening be postponed to some other day as he will be on his vacation at this time and will not be able to attend.

Mayor Breidenbach: The matter of widening Commerce Street has been advertised for July 10th and I do not see how we can change the date now.

Mrs. Mary Kazor, 642 Ferry Street; Mrs. Sarah Sohl, 62 Waydell Street; Mrs. Johanna Karp, 54 Waydell Street; F. Irwin, 9-11 Foundry Street; Margaret Meehan, 31 Foundry Street; Ellen Shine, 23 Foundry Street; Rachel Cohen, 74 Waydell Street; Mrs. P. Kelly, 10 Foundry Street; Mrs. C. Sommer, 61 Waydell Street; Mrs. Mary Kosma, 17 Foundry Street; Mrs. H. Posciel, 18 Foundry Street; Johanna Browarski, 8 Waydell Street; Albert Newscheler, 54 Hawkins Street; Pietro Martonana, 637 Ferry Street; John Siankiewicz, 66 Waydell Street; Mrs. John Kraly, 59 Waydell Street, and G. Matko, 20 Foundry Street, objected to an assessment for the construction of the Roanoke Avenue sewers for the reason that they will not derive any benefit from this sewer.

Commissioner Raymond moved that the report of the Commissioners of Assessments for Local Improvements relative to the construction of the

Roanoke Avenue sewers and branches be laid over for one week.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Raymond, Mayor Breidenbach.

Mr. W. J. Alexander, 165 Oakland Terrace, representing the Vailsburg Improvement and Welfare Association, protested against an assessment being levied on the property owners for the opening of Varsity Road, Oakland Terrace, Richelieu Place, Richelieu Terrace and Ellery Avenue, stating the association objects to this work being done by the city.

Commissioner Raymond moved that the ordaining clause of an ordinance providing for the opening of Varsity Road, Oakland Terrace, Richelieu Place, Richelieu Terrace and Ellery Avenue be stricken out.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Raymond, Mayor Breidenbach.

Commissioner Raymond moved that the title of "An ordinance to provide for the grading, curbing, flagging and paving of Nye Avenue from Osborne Terrace to Clinton Place with asphalt pavement (1-1/2" top—1-1/2" binder) on a six (6) inch concrete foundation," be taken for its third reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Raymond, Mayor Breidenbach.

The clerk then read the title of the ordinance as follows:

An ordinance to provide for the grading, curbing, flagging and paving of Nye Avenue from Osborne Terrace to Clinton Place with asphalt pavement (1-1/2" top—1-1/2" binder) on a six (6) inch concrete foundation.

The ordinance having been read three times was then declared to be upon its third and final passage.

The roll being called the ordinance was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Raymond, Mayor Breidenbach.

Commissioner Raymond moved that the title of "An ordinance to provide for the construction of Montrose Park Sewers" be taken for its third reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Raymond, Mayor Breidenbach.

The clerk then read the title of the ordinance as follows:

An ordinance to provide for the construction of Montrose Park Sewers.

The ordinance having been read three times was then declared to be upon its third and final passage.

The roll being called, the ordinance was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Raymond, Mayor Breidenbach.

The following communication was received and read:

Department of Parks and  
Public Property

Newark, N. J., June 19, 1923.

SUBJECT: SALE OF HAYES'  
ESTATE PROPERTY.

The Board of Commissioners of

The City of Newark,

Addressed.

Gentlemen:

In pursuance of a resolution of this Board, I advertised for sale on Thursday, June 14, 1923, the property described on the annexed sheets.

The highest bid received for Tracts 1, 2, 3, 4 and 5 was that of Mayer Krasner, in the sum of \$74,000; for tracts 7 and 8, that of Cortus Psychos, in the sum of \$8000 and \$1940, respectively; for tract 6, that of Samuel Sigler, in the sum of \$5860; and for tract 9 that of J. Lichtman in the sum of \$450.

I accordingly struck off said properties to the respective bidders, in accordance with said bids, such sums being the highest and best prices which I could obtain for said lands.

Yours very truly,

Charles P. Gillen,  
Director of Parks  
and Public Property.

City Clerk.

NEWARK, N. J.

June 26, 1923.

A regular meeting of the Board of Commissioners of the City of Newark, N. J., was held on the above date in the Council Chamber, City Hall, Newark, at 11 A. M.

Present:—Commissioners Brennan, Gillen, Howe, Mayor Breidenbach.

Absent:—Commissioner Raymond.

The minutes of the meeting of June 19th, 1923, were read and approved.

Mr. R. C. Jenkinson and Mr. J. H. Bachellor, representing the Executive Committee of the Newark Museum Association, requested an additional appropriation of \$10,000 to carry on the work of the association for the balance of the year. Mr. Jenkinson stated that when the budget was adopted he asked for an appropriation of \$25,000 to run the museum for the year but only received \$15,000 with the promise that the museum could have the balance of the money later on should it be needed. He also stated that since Mr. Bamberger made the gift to the city of a building the work has increased tremendously and the gifts to the association have also increased, so that the money is needed at this time to continue the work and do it well.

Commissioner Gillen moved that the request be taken up in conference next Tuesday morning.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Mayor Breidenbach.

The delegation which appeared last week again appeared to protest against an assessment for the construction of the Roanoke Avenue sewers for the reason that they will not derive any benefit from these sewers.

Mayor Breidenbach: Your objections have already been noted on the minutes.

June 7th, 1923.

General Lansing H. Beach,  
Chief Engineer, War Department,  
Washington, D. C.

Dear General:—

Confirming interview between you and General Taylor with Messrs, Cos-

tello and Sherrerd from this Department regarding allotment of appropriation for dredging in Newark Bay, I beg to advise you that the City of Newark, in addition to the guarantees heretofore made on behalf of the City in connection with this work, will furnish disposal area on the City's property at Port Newark Terminal west of the Newark and Elizabeth branch of the New Jersey Central for such material as you may find it advisable to deposit there.

Please advise if you desire a resolution from the City Commission confirming the above and if so what form the same should take to meet the requirements of the legislation governing One (1) Office Table 10"x36" \_\_\_\_\_

Very truly yours,

Thomas L. Raymond,  
Director.

RESOLVED: That all bids received by the Department of Streets and Public Improvements on May 31st, 1923, for furnishing and erecting for said Department of Galvanized Wire Fence, be and the same hereby are rejected, it being deemed for the best interest of the City to re-advertise for such sealed proposals on the basis of amended specifications.

AND BE IT FURTHER RESOLVED, That the Director of the Department of Streets and Public Improvements be and he is hereby authorized and directed to re-advertise for sealed proposals for the furnishing and erecting of said Galvanized Wire Fence.

Bids to be received at the office of said Director between the hours of 10:00 and 10:15 A. M. (daylight saving time) on such date as he shall in said advertisement designate.

W. J. Brennan,  
F. C. Briedenbach,  
John Howe,  
Charles P. Gillen,  
Thomas L. Raymond,

The roll being called, the resolution was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Mayor Breidenbach.

RESOLVED: That Chester A. Burn, whose name has been certified by the Civil Service Commission as eligible, be and he hereby is appointed to the position of Highway Construction Engineer in the Division of Works, at a compensation of \$4000.00 per annum, effective July 15th.

John Howe,

W. J. Brennan,  
F. C. Breidenbach,  
John Howe,

The roll being called, the resolution was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Mayor Breidenbach.

RESOLVED: That the following bonds be and the same are hereby approved as to sufficiency and the City Clerk hereby is directed to file the same with the Department of Streets and Public Improvements which will in turn file the same with the proper City officer:

William A. Jones & Son, furnishing and delivering lumber. (Contract bond.)

John Howe,  
Charles P. Gillen,  
F. C. Breidenbach,  
W. J. Brennan,

The roll being called, the resolution was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Mayor Breidenbach.

The following reports of City Officers were received and ordered filed:

Auditor of Accounts for May, 1923.

A communication dated June 25th from The Osborne Realty Company, relative to public hearing on the assessment for the widening of Commerce Street was received and read and on motion ordered filed.

A communication dated June 20th, from Arthur F. Egner, relative to an additional appropriation of \$10,000 to the Newark Museum Association was received and read.

Commissioner Gillen moved that the communication be referred to the conference next Tuesday morning.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Mayor Breidenbach.

A communication dated June 9th, 1923 from John F. Hylan, Mayor of New York City, relative to the valuation to be placed by the Interstate Commerce Commission on the railroads of the United States, was received and read.

Commissioner Gillen moved that the communication be referred to the Law Department to take up with the spe-

cial counsel who have been engaged to fight the trolley rate case for the municipalities in New Jersey.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Mayor Breidenbach.

RESOLVED: That the Report of the Commissioners of Assessments for Local Improvements of the City of Newark for benefits conferred by the construction of a system of sewers to be known and designated as "Roanoke Avenue Sewers and Branches," which said report is hereto annexed, be and the same is hereby in all things adopted, ratified and confirmed; and,

BE IT FURTHER RESOLVED, That the City Clerk be and he is hereby authorized and directed to file a duplicate of said Report in the Office of the Comptroller of the said City of Newark for collection.

John Howe,  
Charles P. Gillen,  
F. C. Breidenbach,  
W. J. Brennan,

The roll being called, the resolution was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Mayor Breidenbach.

Mayor Breidenbach: I would like to say a few words to the Commis-

sioners in regard to the express train service. I feel that the people of Newark and the people of the surrounding municipalities are not getting adequate express service on the Hudson-Manhattan Line. I am referring to trains running from 33rd Street, New York to Newark. Under the present arrangement passengers boarding trains at 33rd Street are compelled to get off at Summit Avenue, Jersey City, and get on another train to come to Newark. Newark being the largest City in the State, I think we are entitled to express service. On the other hand there are very few express trains coming from the opposite direction that stop at Market Street. Most of these express trains stop at the Manhattan Transfer, and passengers desiring to return are compelled to come back on another train.

Commissioner Gillen moved that the matter be referred to the Law Department to take up with the State Board of Public Utilities and the Interstate Commerce Commission.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Mayor Breidenbach.

Mrs. Paul Flynn, 72 Steuben Street, East Orange, stated she has been annoyed and blackmailed for the past ten years by neighbors; that she was being followed wherever she went and wanted to know if something couldn't be done to stop this practice.

Mayor Breidenbach: I would suggest that you take this matter up with Corporation Counsel Congleton who will advise you how to proceed.

Mrs. Anna Marino, 31 Nuttman Street, stated the Department of Labor stopped her from making doll dresses at home. As home work is a means of earning a livelihood she wanted to know if the City Commission couldn't do something to have her continue this work.

Commissioner Gillen moved that the matter be referred to the Mayor for investigation.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Mayor Breidenbach.

Dr. George A. Prochazka, representing the Central Dyestuff & Chemical Company, protested against an assessment of \$4300. on vacant land owned by his company in connection with the construction of the Roanoke Avenue Sewers. The very nature of our business compels us to erect one-story buildings, and if the land becomes too valuable it simply means that we will have to move out of Newark. I think the interests of Newark would be better conserved if we can invest our money productively for the expansion of our plant.

Commissioner Gillen moved that not with standing this objection the ac-

tion heretofore taken in confirming the report of the Commissioners of Assessments for Local Improvements for benefits conferred by the construction of a system of sewers to be known and designated as Roanoke Avenue Sewers and Branches be ratified and confirmed.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Mayor Breidenbach.

Commissioner Howe moved to adjourn.

The roll being called, the motion was declared adopted by the following votes:

Yeas. — Commissioners Brennan, Gillen, Howe, Mayor Breidenbach.

# MINUTES OF MEETINGS

OF THE

## Board of Commissioners

---

*July, 1923*

---

NEWARK, N. J.

July 3, 1923.

A regular meeting of the Board of Commissioners of the City of Newark, N. J., was held on the above date in the Council Chamber, City Hall, Newark, at 11 A. M.

Present:—Commissioners Brennan, Gillen, Howe, Mayor Breidenbach.

Absent:—Commissioner Raymond.

The minutes of the meeting of June 26th, 1923, were read and approved.

Mrs. M. W. Rowell, 98 Glenwood Avenue, East Orange, N. J., stated the S. P. C. A. would like to have an opportunity to bid on the contract for the maintenance of the dog pound.

Mrs. Rowell submitted the following amendments to the city ordinance on behalf of the S. P. C. A.:

1—That in order to prevent cruelty in handling animals, the pound shall be under the supervision of the New Jersey S. P. C. A.

2—That Section 3 of the ordinance shall be amended to read: If said dog or bitch shall not be redeemed within forty-eight hours after being impounded, the keeper of the public pound, under the Department of Parks and Public Property, or his legal agent, shall be authorized to kill it in a humane manner, so that it shall no longer run at large.

3—That the pound be located within walking distance of a city car line, as we have received many complaints of the inaccessibility of the present

ound from people who wished to go there to see if their pets had been taken.

Commissioner Brennan moved that the matter be referred to Director Gillen and the Law Department.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Mayor Breidenbach.

Mr. F. Van Duyne, 790 Broad Street, representing the Congregation of Thores Ennes, requested permission to use the property on Grant Street for cemetery purposes. He stated the entire block is being used for cemetery purposes, and with the exception of a church on the corner there is nothing on the entire block. He also stated that this proposition was considered before by the City Commission and the only reason the Congregation did not go through with it was because they were unable to negotiate for the purchase of the property at that time.

Commissioner Gillen moved that the matter be referred to the Mayor.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Mayor Breidenbach.

Mayor Breidenbach offered the following resolutions:

Charles P. Gillen,

The roll being called, the resolution was declared adopted by the following votes:

Yeas: — Commissioners Brennan,  
Gillen, Howe, Mayor Breidenbach.

Miss Mary A. Thumith stated the State Department of Labor just finished a survey on home work in the State of New Jersey. Since this survey has been made it has been found

that a large percentage of home work comes into New Jersey from New York City and Philadelphia because the manufacturers and contractors of these cities know that we have not enough inspectors to properly supervise this work, and because they can have the work done here in homes far cheaper than they can in their own factories. The Department of Labor suggests that licenses be issued for all home work and that the homes must be of a certain standard before the licenses are granted. No articles of food, no dolls, dolls' clothing and no article of children's or infants' wearing apparel shall be manufactured, altered, repaired or finished in whole or in part for a factory, either directly or through the instrumentality of one or more contractors or third persons in a tenement house, in any portion of an apartment, any part of which is used for living purposes. The Board of Health should inspect the homes and O. K. the sanitary conditions before licenses are granted. The Department of Labor welcomes the co-operation of the City Commission and the Board of Health in seeing that home conditions are sanitary before granting licenses for home work. Miss Thumith called attention to the law of 1917, Chapter 229, which imposes a penalty of \$50.00 for the first offense and \$100.00 for each succeeding offense for violation of any of its provisions.

Mayor Breidenbach: I might say that I will call a conference some day next week, to which I will invite Dr. Craster, Miss Thumith and other rep-

resentatives, to see what can be done in regard to home work.

Commissioner Gillen moved that the matter be referred to the Mayor.

The roll being called, the motion was declared adopted by the following votes:

NEWARK, N. J.

July 10, 1923.

A regular meeting of the Board of Commissioners of the City of Newark, N. J., was held on the above date in the Council Chamber, City Hall, Newark, at 11 A. M.

Present:—Commissioners Brennan, Gillen, Howe, Mayor Breidenbach.

Absent:—Commissioner Raymond.

The minutes of the meeting of July 3rd, 1923, were read and approved.

Mr. F. Van Duyne, 790 Broad Street, and Mr. H. E. Wein, 79 Jefferson Street, representing the Congregation of Thores Ennes, requested permission to use the property on Grain Street for cemetery purposes. Mr. Van Duyne stated the application to use this property for cemetery purposes was withdrawn last year not because the Commissioners refused to approve it, but because the purchaser at that time refused to go ahead with the contract of sale.

Commissioner Gillen moved that this matter be laid over until next Tuesday morning at 11 o'clock for the purpose of giving objectors, if any, a chance to be heard.

W. J. Brennan,

The roll being called the resolution was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Mayor Breidenbach.

In the Matter of the Report of the Commissioners of Assessments for Local Improvements of the City of Newark, awarding damages sustained by the opening and widening of Commerce Street from Broad Street to Market Street on the northerly side thereof.

The Mayor: I will hear the people who want to object to the report first.

Mr. Joseph Kahrs, representing the McCabe Boiler Works. We are not quite ready to give our reason this morning why we are not satisfied with the award made by the Commissioners. We think more expert testimony should be brought in.

The Mayor: How would Thursday morning do?

Mr. Kahrs: If it can go over to some day next week and be disposed of at that time, it would suit our convenience very well.

Mr. Spaulding Frazer: I am appearing for the Estate of Lehman. The property is directly in back of the Broad Street frontage. We wish to be heard on the question of the value of that property. We feel the award of the City Commission is altogether insufficient, considering the small, almost useless tract which is left after the City takes its part.

Mr. Congleton: You say you want to offer testimony?

Mr. Frazer: We wish to offer testimony on the value.

Mr. Charles T. Titsworth, 761 Broad Street. I appear on behalf of the Osborne Realty Company. We desire to protest against the award made the Osborne Realty Company in that it is totally insufficient. We would like to offer testimony and make argument in the matter.

Mr. Robert E. Richter, 19-25 Commercial Street, corner of Commerce. I wish to, at this time, make protest on this award that has been granted to me. I have lost my tenants, and actual damages figure out over \$78,000. I have been awarded only \$29,375, and I know the buildings themselves, as they have been figured by

the City's contractor actually run upwards of \$36,500, without any other losses or damages to my business or otherwise.

Mr. Congleton: Do you desire to offer any proof or testimony, or are you content to rest upon the statements you are making now?

Mr. Richter: I have a detailed list of the different losses.

Mr. Congleton: Did you file that with the commissioners?

Mr. Richter: They have this detailed list. I have the duplicate list.

Mr. Congleton: Are you satisfied to have us take the copy you filed with the assessment commissioners? Is there anything further you desire to offer?

Mr. Richter: Not at this time.

Mr. Congleton: This may be the only time. Is there more you want to offer?

Mr. Richter: There is nothing I want to offer.

Mr. C. N. Williams, appearing for the Estate of Mary Burns. The property is on Commerce Street, 201 to 203. As I understand, you have awarded \$2500 for 16 feet of land and the building. We think that is not sufficient. We think we ought to have \$3500. She has lost a tenant paying \$100 a month and it would

cost a great deal more to restore the building than you have awarded to her, and if it is necessary, we would like to produce some testimony.

Mr. Congleton: If you want to you will be given an opportunity.

Mr. Williams: Are you going to adjourn this matter?

Mr. Congleton: Not a general adjournment. Those that are going to offer testimony we will give that opportunity at any time.

Mr. Williams: Will you adjourn our matter?

Mr. Congleton: You will be given an opportunity to be heard. We don't know what day will be fixed until we find out how many there are.

Mr. Frazer: Mr. Schickhaus counsel is not here so I desire to enter his objection for him. I wish to protest against the assessment or award made to him for his property and ask leave to offer testimony as to the value.

The Mayor: Is there anyone else?

Mr. Anson A. Carter: I am representing myself and Sarah E. Carter, of 7 Commerce Street—that is our interest in the property, there are two parties. I simply want to make a protest. We are not satisfied with the award and we would like to present testimony if opportunity offers.

The Mayor. All right

Mr. John Sturm, Market Street. I come to protest against the award the Commissioners made. I have an attorney but he is not here. He is Mr. Edward R. McGlinn.

Mr. Congleton: He desires to offer testimony?

Mr. Sturm: Yes, sir.

Mr. Fred J. Hartman, of the Fielder Corporation, representing George and Robert Reibold, 205 Commerce Street. We wish to offer testimony. We are not prepared or inclined to offer any extensive testimony in this matter excepting we don't believe the assessment commission has given full and due consideration to the poor economic value of the land left after this improvement goes through.

Mr. Congleton: Would you like to be heard, Mr. Hartmann?

Mr. Hartmann: I would like to be heard at a later date. I just want to open the award.

Commissioner Gillen: I offer the following resolution:

RESOLVED, that the Report of the Commissioners of Assessments for Local Improvements of the City of Newark awarding damages sustained by the opening and widening of Commerce Street from Broad Street to Market Street on the northerly side thereof, which said report is hereto

annexed, be and the same is hereby in all things adopted, ratified and confirmed, except as to the following objects:

McCabe Boiler Works, Inc., Nos. 179 to 197 Commerce Street.

Estate of Lester Lehman, deceased, No. 5 Commerce Street.

Osborne Realty Company, Nos. 1 to 3 Commerce Street.

Robert E. Richter, Nos. 175 to 177 Commerce Street.

Estate of John H. Eastwood, deceased, rear No. 1-3 Commerce St.

Estate of Mary Catharine Burns, deceased, Nos. 201 to 203 Commerce Street.

Edward Schickhaus, Emma L. Schickhaus and Annie R. Miller, No. 9 Commerce Street.

Sarah E. Carter and Estate of Bernard Strauss, deceased, No. 7 Commerce Street.

John Sturm, Jr., No. 397 Commerce Street.

George H. Reiboldt and Robert H. Reiboldt, No. 205 Commerce Street. and be it further resolved that the City Clerk be and he is hereby authorized and directed to file a duplicate of said report, with the above exceptions, in the office of the Comptroller of said City of Newark.

John Howe,  
Charles P. Gillen,  
F. C. Breidenbach,  
W. J. Brennan,

The roll being called the resolution was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Mayor Breidenbach.

Mr. Ralph E. Lum: I appear for the Estate of John Eastman, rear 1 to 3 Commerce Street.

Commissioner Gillen: I move that Thursday morning at ten o'clock Daylight Saving Time, be fixed for the hearing of the protests on the awards of the Commissioners of Assessment.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Mayor Breidenbach.

Commissioner Gillen moved that "An ordinance to provide for the grading, curbing, flagging and paving of Commerce Street (as recently opened and widened) from Broad Street to Market Street with oblong granite block pavement on a six (6) inch concrete foundation" be laid over for one week.

The roll being called, the motion was declared adopted by the following votes:

Yeas — Commissioners Brennan, Gillen, Howe, Mayor Breidenbach.

Commissioner Brennan offered the following resolution:

RESOLVED, that the sum of Twenty-nine thousand seven hundred sixteen dollars and forty-seven cents (\$29,716.47) be and the same hereby is appropriated to the persons named, as per certified list attached, being the gross amount of bills contracted and chargeable to the Department of Streets and Public Improvements as follows:

City Treasurer, weekly pay-rolls ending July 4th,  
1923, \$29,716.47

Thomas L. Raymond,  
W. J. Brennan,

Yeas: — Commissioners Brennan, Gillen, Howe, Mayor Breidenbach.

Commissioner Gillen offered the following ordinance which was read by the clerk:

An ordinance granting permission to The J. R. Watkins Company to construct, operate and maintain a single track siding at grade across Hillside Avenue from a point in the westerly

line of Hillside Avenue distant about 25 feet north of the northerly line of West Peddie Street to a point in the easterly line of Hillside Avenue distant about 50 feet north of the northerly line of West Peddie Street.

The Board of Commissioners of The City of Newark, Do Ordain:

Section 1. That permission be and the same is hereby granted to The J. R. Watkins Company to construct, operate and maintain a single track siding at grade across Hillside Avenue from a point in the westerly line of Hillside Avenue distant about 25 feet northerly from the northerly line of West Peddie Street to a point in the easterly line of Hillside Avenue, distant about 50 feet northerly from the northerly line of West Peddie Street, for the purpose of making connections for freight purposes.

Section 2. That such permission be and the same is hereby given upon the condition and provision that the said single track siding shall be removed within ninety (90) days after the receipt by the said The J. R. Watkins Company, or its successors, of notice from the City of Newark, ordering the discontinuance of said single track siding; and upon the further condition and provision that the said single track siding shall be changed in grade to correspond to any changes that may be made in the grade of Hillside Avenue and that the roadway and sidewalks where the said single track siding crosses said Hill-

side Avenue shall be maintained in a manner convenient for public travel thereover.

Section 3. That such permission be and the same is hereby granted under the further condition that the said The J. R. Watkins Company shall repave the portion of the roadway between the outside lines of the ties of said single track siding and shall rebuild the sewer basins on both sides of Hillside Avenue at or near the said siding or any other subsurface work that may be necessary in a manner satisfactory to the Director of the Department of Streets and Public Improvements.

Section 4. That the said The J. R. Watkins Company shall indemnify and save harmless the said City of Newark, its officers, agents and servants from any and all claim or claims whatsoever for damage to any person, firm or corporation arising from or in any way connected with the granting of said privilege or by reason of the location, maintenance or existence of said single track siding at grade.

Section 5. That such permission be and the same is granted upon the further condition that the said The J. R. Watkins Company shall file with the Clerk of the City of Newark its written acceptance of the provisions of this ordinance within thirty (30) days of the date on which it takes effect and shall pay on demand to the City of Newark the amount of the cost and expense to the City of all official publications of this ordinance.

Section 6. That this ordinance shall take effect immediately and all ordinances or parts of ordinances inconsistent with the provisions of this ordinance shall be and the same are hereby repealed.

The ordinance having been read once, Commissioner Gillen moved that it be ordered to a second reading.

The roll being called, the resolution was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Mayor Breidenbach.

Commissioner Gillen offered the following ordinance, which was read by the Clerk:

An ordinance to authorize the acquirement of lands on the easterly side of Camden Street between Bank and Cabinet Streets, in the City of Newark, New Jersey, for Hospital purposes, and providing for the financing thereof.

The Board of Commissioners of the City of Newark, Do Ordain:

1. That the plots of ground on the easterly side of Camden Street, between Bank and Cabinet Streets, in the City of Newark, New Jersey, hereinafter described, shall be acquired by The City of Newark, either

by purchase or condemnation, for hospital purposes, said land being more particularly described as follows:

FIRST TRACT: BEGINNING on the easterly side of Camden Street at a point distant 50 feet northerly from the corner of the same and West Bank Street; thence running easterly and parallel with West Bank Street 100 feet; thence northerly and parallel with Camden Street 25 feet; thence westerly and parallel with the first described line 100 feet to Camden Street; and thence running southerly along the same 25 feet to the place of BEGINNING.

SECOND TRACT: BEGINNING in the easterly line of Camden Street at a point therein distant 25 feet northerly from the northeasterly corner of the same and Bank Street; thence running northerly along the easterly line of Camden Street 25 feet; thence easterly at right angles to Camden Street 100 feet; thence southerly parallel with the first course 25 feet; thence westerly at right angles to Camden Street 100 feet to the easterly line of Camden Street and the place of BEGINNING.

2. That the total cost of the purchase of said lands shall not exceed the sum of \$16,000;

3. Pursuant to the provisions of Section 13 of Chapter 252 of the Laws of 1916, as amended, there shall be issued temporary bonds of The City of Newark in an aggregate principal amount not exceeding \$16,000, bear-

ing interest at a rate not exceeding six per centum per annum, payable semi-annually, for the purpose of temporarily financing the cost of said purchase. All other matters in respect to said temporary bonds shall be determined by the Director of the Department of Revenue and Finance, subject to the provisions of this ordinance and Chapter 252 of the Laws of 1916, as amended, and the Director of the Department of Revenue and Finance is hereby authorized to issue said temporary bonds at such time or times and in such amounts as he may deem advisable. The Mayor, Director of the Department of Revenue and Finance, City Clerk and City Auditor are hereby authorized and directed to execute said bonds or so many thereof as the Director of the Department of Revenue and Finance shall deem it advisable to issue.

4. The sum of \$16,000. to be raised by the issuance of said temporary bonds is hereby appropriated for the purposes for which said bonds are hereby authorized to be issued.

The ordinance having been read once, Commissioner Gillen moved that it be ordered to a second reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Mayor Breidenbach.

The clerk then read the ordinance by sections:

Title declared open to amendment.

Section 1 declared open to amendment.

Section 2 declared open to amendment.

Section 3 declared open to amendment.

Section 4 declared open to amendment.

The ordinance was declared open to amendment in all its parts.

The ordinance having been read a second time, Commissioner Gillen moved that it be ordered to a third reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Mayor Breidenbach.

Commissioner Gillen moved that the ordinance be taken up on third reading on July 17th.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Mayor Breidenbach.

Commissioner Brennan offered the following ordinance which was read by the clerk:

AN ORDINANCE to amend an ordinance entitled: "An ordinance regulating the location of trades and industries and the location of buildings designed for specified uses, and regulating and limiting the height and bulk of buildings hereafter erected, and regulating and determining the area of yards, courts and other open spaces surrounding buildings and establishing the boundaries of districts for the said purposes and providing penalties for the violation of its provisions," adopted December 31, 1919.

The Board of Commissioners of the City of Newark, Do Ordain:

1. That Article 3, Section 11, Paragraph C of "An Ordinance regulating and restricting the location of trades and industries and the location of buildings designed for specified uses, and regulating and limiting the height and bulk of buildings hereafter erected, and regulating and determining the area of yards, courts and other open spaces surrounding buildings, and establishing the boundaries of districts for the said purposes and providing penalties for the violation of its provisions," adopted December 31, 1919, be and the same is hereby amended to read as follows:

"C". Except as otherwise provided in this article, every room in every residence building in which persons live, sleep, work or congregate shall have at least one window or ventilating skylight of at least 10 square feet in area between stop beads, opening directly either upon a street or upon

a rear yard, side yard, outer court or inner court located upon the same lot and conforming to the requirements prescribed by this article as to its minimum area and least dimensions. Courts, yards and other open spaces, if provided in addition to those required by this article, need not be of the area and dimensions herein prescribed. The provisions of this article shall not be deemed to apply to courts or shafts for bathrooms, toilet compartments, hallways or stairways.

2. That Article 3, section 11, of said ordinance be and the same is hereby amended by adding at the end thereof a new paragraph, to be known as "D", which shall read as follows:

"D". Except as otherwise provided in this article or any other law or ordinance, every room in every business or industrial building hereafter erected, shall have windows or ventilating skylights opening directly upon a street or upon a rear yard, side yard or court located upon the same lot and conforming to the requirements of this article as to area and dimensions, or some approved system of positive ventilation, approved by the Superintendent of Buildings, which shall provide a sufficiency of fresh and uncontaminated air."

3. That the last paragraph of Article 3, Section 12, entitled "Building Area," of said ordinance be amended so as to read as follows:

"Building Area. No building shall occupy more than ninety per cent. of

the area of an interior lot. This limitation shall apply at the sill level of the second story windows, but not more than twenty feet above the curb level. A building on a corner lot may occupy the entire lot. Any building, however, erected or used for a purpose which does not require light or ventilation from the outside shall be exempt from the regulations prescribed in this subdivision.

Business and commercial buildings may occupy ninety per cent. of any lot. This limitation shall apply at the sill level of the second story windows, but not more than twenty feet above curb level in any case."

4. That the paragraph of Article 3, Section 13, entitled "Building Area," of said ordinance be amended so as to read as follows:

"Building Area. No building shall occupy more than seventy per cent. of the area of the lot, if an interior lot, nor more than ninety per cent. of a corner lot. This limitation shall apply at the curb level in the case of a building located in a residence district as designated on the use district map and at the sill level of the second story windows, but not more than twenty feet above the curb level in the case of a building located in a district other than a residence district as designated on the use district map.

Business and commercial buildings may occupy ninety per cent. of any lot. This limitation shall apply at the sill

level of the second story windows, but not more than twenty feet above curb level in any case."

5. That the paragraph of Article 3, Section 14, entitled "Building Area", of said ordinance be amended so as to read as follows:

"Building Area. No building shall occupy more than sixty per cent. of the area of the lot in an interior lot, nor more than seventy per cent. of a corner lot. This limitation shall apply at the curb level in the case of a building located in a residence district as designated on the use district map, and at the sill level of the second story windows, but not more than twenty feet above the curb level in the case of a building located in a district other than a residence district as designated on the use district map.

Business and commercial buildings may occupy ninety per cent. of any lot. This limitation shall apply at the sill level of the second story windows, but not more than twenty feet above curb level in any case."

6. That the paragraph of Article 3, Section 15, entitled "Building Area," of said ordinance be amended so as to read as follows:

"Building Area. No building shall occupy more than sixty per cent. of the area of the lot, in an interior lot, nor more than seventy per cent. if a corner lot. This limitation shall apply at the curb level in the case of a building located in a residence district

as designated on the use district map, and at the sill level of the second story windows, but not more than twenty feet above the curb level in the case of a building located in a district other than a residence district as designated on the use district map.

Business and commercial buildings may occupy ninety per cent. of any lot. This limitation shall apply at the sill level of the second story windows, but not more than twenty feet above curb level in any case."

7. All ordinances and parts of ordinances inconsistent with this ordinance be and the same are hereby repealed.

8. This ordinance shall take effect immediately.

The ordinance having been read once, Commissioner Brennan moved that it be taken up on second reading on July 17th.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Mayor Breidenbach.

Commissioner Howe offered the following resolution:

The Board of Commissioners  
of the City of Newark, N. J.

Honorable Sirs:—

In accordance with the petition of property owners on Mt. Prospect Avenue between Heller Parkway and Grafton Avenue, the Commission on Building Districts and Restrictions respectfully recommends that your Honorable Body amend the Building Zone Ordinance so that both sides of Mt. Prospect Avenue between the above mentioned streets be changed from a business district to a residence district.

Respectfully submitted,

R. B. Rankin,

Secretary.

Commissioner Gillen moved that the recommendation be concurred in and

that the Law Department be directed to prepare an ordinance embodying the recommendation.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Mayor Breidenbach.

The following communication was received and read:

BOARD OF EDUCATION,

City Hall,

Newark, New Jersey.

July 3, 1923.

Board of Commissioners

of the City of Newark, N. J.

Gentlemen:—

At the organization meeting of the Board of Education of 1923-1924 held on Monday, July 2, 1923, the following resolution was adopted:

“RESOLVED, That Frederick W. Ball, President and T. L. R. Crooks, Vice President, be and they are hereby appointed as members of the Board of School Estimate, and that the Secretary be directed to notify the Board of Commissioners of the City of Newark of this action of the Board.”

Yours truly,

R. D. Argue,

Secretary.

Ordered filed.

A communication dated July 2, 1923 from Humphreys & Summer, Paterson, N. J., stating that the Acquackanonk Water Company objects and protests against the City of Newark entering into any agreement with the City of Passaic to furnish water to that municipality, was received and read and on motion ordered referred to Director Raymond.

A communication dated July 2nd, 1923 from Humphreys & Summer, Paterson, N. J., stating that the Passaic Water Company objects and protests against the City of Newark entering into any agreement with the City of Paterson to furnish water to that municipality was received and read and on motion ordered referred to Director Raymond.

A communication dated July 2, 1923, from David M. Tunstead, 15 Mitchell Place, East Orange, N. J., relative to the opening of Warren Street through to Broad Street was received and read and on motion ordered referred to Director Raymond.

A petition signed by twenty-two property owners on Central Avenue objecting to the erection of open sheds at 394 and 396 Central Avenue for automobile parking by G. E. Gerhardt was received and read, and on motion ordered referred to the Law Department for report.

Mayor Breidenbach: I would like to say to the Commissioners that I held a conference in my office yester-

day morning with State and City Officials on the sweat shop conditions existing in the City of Newark, and after listening to the various men I am satisfied that the conditions in Newark are pretty bad. The sweat shops should be prevented from employing child labor. Dr. Craster has assured me that he will co-operate with the State Department of Labor in eliminating the employment of children for home work. I want the Commissioners to know what has been done and I would like to have them back me up in my attempt to eliminate the sweat shops in the City of Newark. The Department of Labor only has 18 inspectors all over the State of New Jersey and is therefore unable to properly supervise home work conditions. The local Board of Health is busily engaged on other work and it is almost impossible for Health Inspectors to supervise this work properly. I therefore may find it necessary to call on the Police Department to co-operate with the Board of Health in eliminating sweat shops where child labor is employed.

Commissioner Brennan assured the Mayor that he will be glad to co-operate with the State Department of Labor and the Board of Health in eliminating sweat shops where child Labor is employed.

Commissioner Gillen moved that the Commission endorse the action taken by the Mayor in attempting to eliminate sweat shops where child labor is employed.

The roll being called, the motion  
was declared adopted by the follow-  
ing votes:

Yeas: — Commissioners Brennan,  
Gillen, Howe, Mayor Breidenbach.  
Commissioner Howe moved to ad-  
journ.

The roll being called, the motion  
was declared adopted by the follow-  
ing votes:

NEWARK, N. J.

July 17, 1923.

A regular meeting of the Board of Commissioners of the City of Newark, N. J., was held on the above date in the Council Chamber, City Hall, Newark, at 11 A. M.

Present:—Commissioners Brennan, Gillen, Howe, Raymond, Mayor Breidenbach.

The minutes of the meeting of July 10th, 1923, were read and approved.

Mr. William Cavanaugh, representing the Vailsburg Improvement Association, presented the following petition which was read by the clerk:

Vailsburg Improvement Association

Newark, N. J., July 17, 1923.

Board of City Commissioners,

City of Newark, N. J.

Honorable Sirs:

At a meeting of the Vailsburg Improvement Association, held Monday evening July 16, 1923, the following resolution was unanimously adopted:

WHEREAS, a permit has been granted the Adas Israel Cemetery Corporation to conduct a new cemetery on what is known as the Maybaum Tract, located in the Thirteenth Ward, north of South Orange Avenue and East of Munn Avenue; and

WHEREAS, no application in writing has been filed for this privilege, as provided under the Compiled Statutes, 1910, page 380; and

WHEREAS, this section was zoned for residential purposes only, and known as D-35, which became effective January 3, 1920, which was prior to granting of permit;

THEREFORE BE IT RESOLVED, that the Vailsburg Improvement Association strenuously objects to a new cemetery being located on this tract, and hereby demands the rescinding of this permit which was illegally granted.

Furthermore, we urge your Honorable Commission to enforce the Zoning Ordinance in reference to this particular tract of land.

Signed by 41 residents.

Ordered referred to the Law Department.

An affidavit, signed by Emma Froelich, stating that she had never received proper notification as to the application for permit for cemetery property known as the Maybaum Tract in the Vailsburg section, was read and on motion ordered referred to the Law Department.

Mr William Cavanaugh, representing the Vailsburg Improvement Association, objected to the use of property on Grain Street between 20th Street and South Grove Street for cemetery purposes, stating the Association ob-

jects to any more property in the Vailsburg section being used for cemetery purposes and suggesting that the Congregation of Thoras Emmes should go outside of the city limits where conditions are more favorable for cemetery purposes.

Congressman Frederick R. Lehlbach, representing the Congregation of Thoras Emmes: I am in sympathy with the general proposition laid down by Mr. Cavanaugh, representing the Vailsburg Improvement Association, and with the general policy that no new territory in the City of Newark shall be set aside for cemetery purposes, but this proposition does not come within the intention and meaning of that policy. This is a cemetery tract in a block that is exclusively and entirely devoted to cemetery purposes at the present time. This property is not available for substantial improvement for any other purpose by reason of the fact that it is only a small strip of land located in the cemetery and cannot obviously be advantageously used for any other purpose than a cemetery.

Corporation Counsel Congleton: I think the zoning ordinance applies. I think you ought to amend your zoning ordinance if you want to grant this permit and make it another district.

Commissioner Raymond moved that the City Council be requested to prepare an ordinance amending the zoning law in this one particular case.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Raymond, Mayor Breidenbach.

Commissioner Brennan moved that an ordinance regulating and limiting the building area of residence, business and commercial buildings be laid over for one week.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Raymond, Mayor Breidenbach.

Commissioner Raymond moved that the title of "An ordinance granting permission to The J. R. Watkins Company to construct, operate and maintain a single track siding at grade across Hillside Avenue from a point in the westerly line of Hillside Avenue distant about 25 feet north of the northerly line of West Peddie Street to a point in the easterly line of Hillside Avenue distant about 50 feet north of the northerly line of West Peddie Street," be taken for its third reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Raymond, Mayor Breidenbach.

The clerk then read the title of the ordinance as follows:

An ordinance granting permission to The J. R. Watkins Company to construct, operate and maintain a single track siding at grade across Hillside Avenue from a point in the westerly line of Hillside Avenue distant about 25 feet north of the northerly line of West Peddie Street to a point in the easterly line of Hillside Avenue distant about 50 feet north of the northerly line of West Peddie Street.

The ordinance having been read three times was then declared to be upon its third and final passage.

The roll being called, the ordinance was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Raymond, Mayor Breidenbach.

Commissioner Gillen moved that the title of "An ordinance to authorize the acquirement of lands on the easterly side of Camden Street between Bank and Cabinet Streets, in the City of Newark, New Jersey, for hospital purposes, and providing for the financing thereof," be taken for its third reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Raymond, Mayor Breidenbach.

The clerk then read the title of the ordinance as follows:

An ordinance to authorize the acquirement of lands on the easterly side of Camden Street between Bank and Cabinet Streets, in the City of Newark, New Jersey, for hospital purposes, and providing for the financing thereof.

The ordinance having been read three times was then declared to be upon its third and final passage.

The roll being called, the ordinance was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Raymond, Mayor Breidenbach.

Mayor Breidenbach offered the following resolution:

RESOLVED, that the sum of Thirty-five thousand nine hundred eighty-one dollars and ninety-two cents (\$35,981.92) be and the same is hereby appropriated to the City Treasurer for semi-monthly payrolls July 1st to 15th, 1923, of the Department of Public Affairs as follows:

A communication dated July 23rd from Frank C. Borden, Jr., Mayor of Bradley Beach, N. J., extending an invitation to the members of the Commission to be present at the Bathing Suit Parade and Pageant on Saturday, July 28th, was received and read and on motion referred to Mayor Breidenbach.

A communication dated July 23rd, from the Radio World, 1493 Broadway, New York City, urging municipally owned and operated radio broadcasting station, was received and read and on motion ordered referred to Mayor Breidenbach.

The following communication was received and read:

Town of Kearny,

Hudson County, New Jersey.

July 23, 1923.

Broad of City Commissioners,

Newark, N. J.

Gentlemen:—

The Mayor and Common Council of the Town of Kearny had a conference with the members of the North Jersey District Water Supply Commission, at which the advisability of joining with the City of Newark in the Wanaque project was discussed, and it seems to be consensus of opin-

ion of our Council that this Town should become a partner with the City of Newark in this water project and I expect on Wednesday evening of this week a resolution will be introduced and passed by the Common Council authorizing the making of an application for participation.

At this conference, I took up with Commissioner Raymond the subject of the contract now existing between your City and the Manufacturers' Service Co. for a supply of the water to be used in our Town of Kearny and I explained that the performance of this contract would work irreparable damage and injury to this Town and felt that the great City of Newark should lean toward a sister municipality in a water crisis such as now confronts us, and I asked Commissioner Raymond if the City of Newark would make a contract with the Town of Kearny to furnish us an adequate supply of water for use in our industrial section at \$70.00 per million gallons to be delivered at the West bank of the Passaic at a point to be chosen by the unanimous consent of your Engineer and ours, and he was of the opinion that Newark would be ready and willing to make such a contract with us.

I am, therefore, bringing this matter to your attention and now ask you, in behalf of the Town of Kearny to make such a contract as outlined and to advise us in relation to the same as speedily as possible. In fact, I consider this matter of such great importance to the Town

of Kearny that I shall attend your meeting that I may hear your views upon this most important subject.

Yours very truly,

A. B. Archbold,

Mayor.

Mayor A. B. Archbold and Mr. A. B. Haefstrom of the Town of Kearny stated that they were accompanied by the members of the Common Council of the Town of Kearny to urge the City Commission to enter into a contract with them to furnish an adequate supply of water for use in their industrial section at \$70.00 per million gallons.

Commissioner Raymond: I feel that my fellow Commissioners will agree with me that the City of Newark would prefer to sell water to the Town of Kearny than to a private corporation. It seems to me that we are in a position to enter into an agreement with the Town of Kearny to supply the water to them. I would therefore suggest that the matter be referred to me so that I can take it up with the Town of Kearny and arrive at some agreement with them.

Commissioner Howe moved that the matter be referred to Director Raymond.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan,

Gillen, Howe, Raymond, Mayor Breidenbach.

Mr. Edwin J. C. Joerg, 738 Broad Street, presented the following petition which was read by the Clerk:

July 20, 1923.

To The Board of Commissioners  
of the City of Newark.

Sirs:

We, the undersigned, being freeholders and residents of the City of Newark, residing in the 12th Ward thereof, desire at this time to petition your Honorable Board to abate the nuisance caused by the disagreeable odors which are being emitted from the plant of the Standard Tal- low Co., Blanchard Street, and from what is known as the "Piggery," situated within the vicinity of Waydell Street.

The smell and odors which are being emitted from these plants, both day and night, are most injurious to our health and property, and contrary to the ordinances of the City of Newark and of the Laws of the State of New Jersey, which regulate such nuisances.

We, accordingly, petition your Honorable Board to protect our health and property rights, by taking such action as may be necessary and proper toward abating this condition.

(Signed by 192 property owners  
and residents).

Commissioner Gillen moved that the petition be referred to the Mayor and Director Raymond.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Raymond, Mayor Breidenbach.

Commissioner Brennan offered the following ordinance which was read by the Clerk:

An ordinance to amend Section 272, of Chapter XIV of the Revised Ordinances of the City of Newark, approved October 4th, 1913.

The Board of Commissioners of the City of Newark, Do Ordain:

1. That Section 272 of Chapter XIV of the Revised Ordinances of the City of Newark (Revision of 1913) approved October 4th, 1913, be, and the same is hereby amended to read as follows:

2. No frame or wood structure shall be built hereafter in the City of Newark, within the fire limits, as the said limits now are or from time to time may hereafter be established, except as provided for in Section 273 of said Revised Ordinances, and also excepting one and two-family dwellings, as provided in this section.

3. Fire limits of the City of Newark are hereby established so as to

include all the area of said city contained within its boundaries.

4. Frame buildings may be erected in any Residence District, within the fire limits, provided no such building shall be used or designed to be used in whole or in part as a business or public building, and further provided, no such building shall be more than two and one-half stories high, or cover a ground area of more than 2500 square feet, and shall not be built within three feet of any interior lot line, or within three feet of any other structure.

The ordinance having been read once, Commissioner Brennan moved that it be ordered to a second reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Raymond, Mayor Breidenbach.

The clerk then read the ordinance by sections.

Title declared open to amendment.

F. C. Breidenbach,  
Charles P. Gillen,

The roll being called, the resolution was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Raymond, Mayor Breidenbach.

Mayor Breidenbach: I might say to the Commissioners that I have sent out invitations to the mayors of the nearby municipalities to attend a conference to be held in this Council Chamber at 10:30 A. M. Thursday morning to discuss the intended trolley strike which is about to take place on August 1st. I think it would be well for the City Commissioners to meet the mayors. Mr. McCarter, who represents the Public Service Corporation, and Mr. Wepner, who represents the Trolley Union, have been invited to this conference. This is not a question of the City Commission taking definite action or siding in with either side of the controversy, but it is merely for the purpose of discussing ways and means of taking care of the people in the event the strike is called. Business will be badly crippled if the trolleys are stopped, and for this reason I have invited the mayors of the nearby municipalities to attend the conference for the purpose of devising ways and means of providing transportation for our people.

Commissioner Brennan: I am sorry it will be impossible for me to attend the conference Thursday morning as I will be busy on that day listening to police trials. I feel, however, that the Commission should commend the Mayor for calling the

conference and for attempting to provide transportation for the people in the event the strike is called. I therefore move that this Commission endorse the action taken by the Mayor, and that as many of the Commissioners as can attend the conference.

Commissioner Raymond: In seconding that motion, I would like to say that it will be impossible for me to attend this conference as I will be in Elizabeth Thursday morning regarding a very important water situation. I will arrange to have Mr. Crawford attend this conference to look after the city's interests. We have done everything we possibly can to meet the emergency should it arise.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Raymond, Mayor Breidenbach.

Commissioner Gillen moved that we take a recess until 2 o'clock this afternoon for the purpose of giving the Commissioners an opportunity to inspect the properties in connection with the award of damages sustained by the opening and widening of Commerce Street.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Raymond, Mayor Breidenbach.

NEWARK, N. J.

July 24th, 1923.

The meeting of the Board of Commissioners reconvened in the Commissioners' Chamber, City Hall, Newark, N. J., at 2 P. M.

Present:—Commissioners Brennan, Gillen, Howe, Mayor Breidenbach.

Absent:—Commissioner Raymond.

Mayor Breidenbach: I might say that the City Commissioners—Directors Brennan, Gillen, Howe and myself—went down to look over the Commerce Street property. We have considered the testimony given here at the hearings, and after inspecting the property we feel that we are ready to take action this afternoon.

Commissioner Howe offered the following resolution:

WHEREAS, the Commissioners of Assessments for Local Improvements of the City of Newark have heretofore certified and filed with this Board their assessment report awarding damages sustained by the opening and widening of Commerce Street from Broad Street to Market Street on the northerly side thereof, which report is accompanied by map showing the lands and real estate taken and damaged by said improvement and for which damages have been assessed; and

WHEREAS, the City Clerk pursuant to the direction of this Board did

give at least two weeks previous notice by publishing in the Newark Evening News, a printed and circulated newspaper in the City of Newark, County of Essex and State of New Jersey, on the twenty-second day of June, Nineteen hundred and twenty-three; twenty-ninth day of June, Nineteen hundred and twenty-three; sixth day of July, Nineteen hundred and twenty-three, and also mailed a copy of said notice to such owner or owners named in said report, directed to their last known post office addresses, that the map and report of the Commissioners have been completed and filed in his office, and that this Board would meet in the board room chambers of the Commissioners, (second floor rear) City Hall, Newark, New Jersey, on Tuesday, the tenth day of July, Nineteen hundred and twenty-three at eleven o'clock A. M. to hear all persons interested in said damage awards; and

WHEREAS, this Board did meet at the time and place specified in said notice to hear all persons interested in said damage awards; and

WHEREAS, after persons appeared objecting to the confirmation of said report and map, this Board adopted and confirmed said report, excepting as to such objectors, and then on said tenth day of July, Nineteen hundred and twenty-three commenced to hear any and all objections, arguments, proofs and evidence presented against said damage awards and continued the further hearing of any and all objections, arguments, proofs and evidence presented against said dam-

age awards on the twelfth day of July, Nineteen hundred and twenty-three; seventeenth day of July, Nineteen hundred and twenty-three; eighteenth day of July, Nineteen hundred and twenty-three and twentieth day of July, Nineteen hundred and twenty-three; and

WHEREAS, this Board having duly considered any and all objections, arguments, proofs and evidence presented against said awards, and all other arguments, proofs and evidence in reference to said awards presented to it, and also said report and map, notwithstanding the objec-

tions, arguments, proofs and evidence presented by the objectors against the confirmation of said damage awards, is of the opinion that the said report of the Commissioners of Assessments for Local Improvements of the City of Newark and map accompanying the same should be adopted, ratified and confirmed without alterations;

NEWARK, N. J.

July 31, 1923.

A regular meeting of the Board of Commissioners of the City of Newark, N. J., was held on the above date in the Commissioners' Chamber, City Hall, Newark, at 11 A. M.

Present:—Commissioners Brennan, Gillen, Howe, Mayor Breidenbach.

Absent:—Commissioner Raymond.

The minutes of the meeting of July 24th, 1923, were read and approved.

The following communications were received and read:

Department of Public Safety

Division of Buildings

Newark, N. J., July 28, 1923.

The Board of Commissioners of

The City of Newark, N. J.

Honorable Sirs:

The Commission on Building Districts and Restrictions has considered the petition requesting that Mt. Prospect Avenue between Heller Parkway and Grafton Avenue be changed from a business district to a residence district, and reports that the contemplated change would be a benefit to the neighborhood. This Commission respectfully recommends, therefore,

that the Building Zone Ordinance be amended in accordance with the petition.

Respectfully submitted,

R. B. Rankin,

Secretary Commission on Building

Districts and Restrictions.

Commissioner Brennan moved that the recommendation be concurred in.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Mayor Breidenbach.

Department of Public Safety

Division of Buildings

Newark, N. J., July 28, 1923.

The Board of Commissioners of

The City of Newark.

Honorable Sirs:

The Commission on Building Districts and Restrictions has considered an amendment to the Building Zone Ordinance changing the block bounded by Grove Street, Grain Street, South 20th Street and the City Line to a business district. This Commission respectfully recommends the adoption of the amendment owing to the fact that

practically the entire block is now used for purposes not permitted in residence districts.

Respectfully submitted,

R. B. Rankin,

Secretary Commission on Building  
Districts and Restrictions.

Commissioner Brennan moved that the recommendation be concurred in.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Mayor Breidenbach.

Commissioner Brennan moved that the title of An ordinance to amend an ordinance entitled: "An ordinance regulating and restricting the location of trades and industries and the location of buildings designed for specified uses, and regulating and limiting the height and bulk of buildings hereafter erected, and regulating and determining the area of yards, courts and other open spaces surrounding buildings, and establishing the boundaries of districts for the said purposes and providing penalties for the violation of its provisions," adopted December 31, 1919, be taken for its third reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Mayor Breidenbach.

The clerk then read the title of the ordinance as follows:

An ordinance to amend an ordinance entitled: "An ordinance regulating and restricting the location of trades and industries and the location of buildings designed for specified uses, and regulating and limiting the height and bulk of buildings hereafter erected, and regulating and determining the area of yards, courts and other open spaces surrounding buildings, and establishing the boundaries of districts for the said purposes and providing penalties for the violation of its provisions," adopted December 31, 1919.

The ordinance having been read three times was then declared to be upon its third and final passage.

The roll being called, the ordinance was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Mayor Breidenbach.

The following communication was received and read:

Department of Health

Newark, N. J., July 14, 1923.

Hon. Fred C. Breidenbach,

Mayor, City Hall.

Dear Mr. Mayor

I have learned since writing you on July 3rd concerning the application of the Congregation Thoras Emes to establish a Jewish cemetery at So. 20th and Grain Streets that this block is zoned as residential by the Newark city zoning ordinance.

Although as a health proposition there may be no direct menace to health, zoning is always aimed at preservation of health, safety and welfare of the public. This will naturally modify the opinion we gave you concerning the approval of this land to one of disapproval.

Very truly yours,

Charles V. Craster,

Health Officer.

Ordered filed.

Commissioner Brennan moved that An ordinance to amend an ordinance entitled: "An ordinance regulating and restricting the location of trades and industries and the location of buildings designed for specified uses, and regulating and limiting the height and bulk of buildings hereafter erected, and regulating and determining the area of yards, courts and other open spaces surrounding buildings and establishing the boundaries of districts for the said purposes and providing penalties for the violation of its provisions," adopted December 31, 1919, be laid over for one week from today.

John Howe,  
Thomas L. Raymond,  
Charles P. Gillen,  
F. C. Breidenbach,  
W. J. Brennan,

We, the undersigned, property owners on Read Street, located in the 12th Ward of the City of Newark, do hereby very respectfully petition your Honorable Board to place the above named street in the "Residential Section."

The roll being called, the resolution was declared adopted by the following votes:

(Signed by 23 property owners.)

Yeas: — Commissioners Brennan, Gillen, Howe, Mayor Breidenbach.

Commissioner Gillen moved that the petition be referred to the Zoning Commission for recommendation and report.

The following communication was received and read:

Newark, N. J., July, 1923.

The roll being called, the motion was declared adopted by the following votes:

To The Honorable City

Commissioners of the

Yeas: — Commissioners Brennan, Gillen, Howe, Mayor Breidenbach.

City of Newark, N. J.

Gentlemen:—

The following reports of City Officers were received and ordered filed:

Overseer of the Poor for May, 1923.

Overseer of the Poor for June, 1923.

Commissioner Gillen offered the following ordinance, which was read by the clerk:

An ordinance to authorize the acquirement of lands on the westerly side of Bergen Street between Bank and Cabinet Streets, in the City of Newark, New Jersey, for Hospital purposes, and providing for the financing thereof.

The Board of Commissioners of the City of Newark, Do Ordain:

1. That the plot of ground on the westerly side of Bergen Street, between Bank and Cabinet Streets, in the City of Newark, New Jersey, hereinafter described, shall be acquired by The City of Newark, either by purchase or condemnation, for hospital purposes, said land being more particularly described as follows:

BEGINNING on the westerly side of Bergen Street at a point 50 feet northerly from the corner of the same and West Bank Street; from thence running along Bergen Street north 27° 30' east 25 feet; thence north 62° 30' west 100 feet; thence south 27° 30' west 25 feet; and and thence south 60° 30' east 100 feet to the place of BEGINNING.

Being lot 290 on a map of the Thomas V. Johnson Property made October, 1852.

2. That the total cost of the purchase of said lands shall not exceed the sum of \$8,250.

3. Pursuant to the provisions of Section 13 of Chapter 252 of the Laws of 1916, as amended, there shall be issued temporary bonds of The City of Newark in an aggregate principal amount not exceeding \$8250, bearing interest at a rate not exceeding six per centum per annum, payable semi-annually, for the purpose of temporarily financing the cost of said purchase. All other matters in respect of said temporary bonds shall be determined by the Director of the Department of Revenue and Finance, subject to the provisions of this ordinance and Chapter 252 of the Laws of 1916, as amended, and the Director of the Department of Revenue and Finance, is hereby authorized to issue said temporary bonds at such time or times and in such amounts as he may deem advisable. The Mayor, Director of the Department of Revenue and Finance, City Clerk and City Auditor are hereby authorized and directed to execute said bonds or so many thereof as the Director of the Department of Revenue and Finance shall deem it advisable to issue.

4. The sum of \$8250 to be raised by the issuance of said temporary bonds is hereby appropriated for the purposes for which said bonds are hereby authorized to be issued.

The ordinance having been read once, Commissioner Gillen moved that it be ordered to a second reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Mayor Breidenbach.

The clerk then read the ordinance by sections:

Title declared open to amendment.

Section 1 declared open to amendment.

Section 2 declared open to amendment.

Section 3 declared open to amendment.

Section 4 declared open to amendment.

The ordinance was declared open to amendment in all its parts.

The ordinance having been read a second time, Commissioner Gillen moved that it be ordered to a third reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Mayor Breidenbach.

Commissioner Gillen moved that the ordinance be taken up on third reading on August 7th.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Mayor Breidenbach.

Mayor Breidenbach: I would like to say a few words in regard to the trolley strike which takes place tomorrow. At a conference of the Mayors of the State of New Jersey, held in my office last Thursday morning, a resolution suggesting that arbitration be resorted to as a means of preventing the strike was adopted and presented to Mr. McCarter, President of the Public Service Corporation. We did not, however, get very far with the resolution and so yesterday I made another effort to try and prevent the strike. It seems the question of the strike hinges in part on the method of selecting a board of arbitration which will be entirely satisfactory to the Public Service Corporation and the Trolleyman's Union. At the conference held in my office Mr. McCarter insisted on Mr. Harry V. Osborne, President of the Public Utilities Commission, serving as a member of the Board of Arbitration, while Mr. Wepner, representing the Trolleyman's Union, opposed the naming of Mr. Osborne. I finally succeeded in having Mr. Wepner consent to have Mr. Osborne serve as a member of the Arbitration Board, then I immediately got in touch with Mr. O'Toole of the Public Service Corporation and asked him to request Mr. McCarter to attend a conference in my office yesterday afternoon in a

last effort to reach some agreement that would prevent this serious strike. I am sorry to say that I have not yet heard from the Public Service Corporation, and it is therefore my firm belief that the strike will be called tomorrow morning. I want to say to the public that the City Commissioners and the Mayors throughout the State did everything in their power to prevent this trolley strike. The City Commission at no time attempted to favor either side in the strike controversy.

Mr. Myron W. Morse stated he is satisfied the majority of the citizens appreciate the good work done by the City Commissioners in attempting to prevent the trolley strike, and he felt sure the matter is in good hands.

# MINUTES OF MEETINGS

OF THE

## Board of Commissioners

---

*August, 1923*

---

NEWARK, N. J.

August 3, 1923.

A special meeting of the Board of Commissioners of the City of Newark, N. J., was held on the above date in the Commissioners' Chamber, City Hall, Newark, at 11 A. M.

Present:—Commissioners Brennan, Gillen, Howe, Raymond, Mayor Breidenbach.

Mayor Breidenbach stated the object of the special meeting was to take appropriate action upon the death of our honored President, Warren G. Harding.

Commissioner Raymond: I move that fitting resolutions be prepared and spread upon the minutes of this

Commission setting forth the grief of this Commission and of the entire City, upon the great loss in the death of President Harding. It comes as a terrible shock to the people of the Nation and to each individual. I know that I felt the sense of being adrift this morning when I first read the news in the papers, and I think that is the general feeling in this country today. Called so suddenly in the height of his activities, when he was revealing day by day the beauty of his soul and character to his countrymen, going amongst them and meeting them face to face with such popularity, that death should come to him seems tragic in the highest degree. In our resolution we should attempt to express not only our own sense of loss but the feeling of loss to the people of this City in the death of our President.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Raymond, Mayor Breidenbach.

Commissioner Brennan moved to adjourn.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Raymond, Mayor Breidenbach.

APPROVED:

F. C. BREIDENBACH,  
THOMAS L. RAYMOND,  
W. J. BRENNAN,  
CHARLES P. GILLEN,  
JOHN HOWE,

The Board of Commissioners of  
The City of Newark, N. J.

City Clerk.

NEWARK, N. J.

August 7, 1923.

A regular meeting of the Board of Commissioners of the City of Newark, N. J., was held on the above date in the Commissioners' Chamber, City Hall, Newark, at 11 A. M.

Present:—Commissioners Brennan, Howe, Raymond, Mayor Breidenbach.

Absent:—Commissioner Gillen.

The minutes of the regular meeting of July 31st and of the special meeting of August 3rd, 1923, were read and approved.

A communication from the International Association of Municipal Electricians, inviting the Mayor or an authorized representative to attend the 28th Annual Convention of the International Association of Municipal Electricians at Reading, Pa., September 24-29, 1923, was read and ordered filed.

A communication from the North Jersey District Water Supply Commission relative to a hearing fixed for Thursday, September 6th, 1923, on the application of the Town of Kearny to negotiate for an interest in the development of the Wanaque Water Shed, was received, read and on motion ordered referred to Director Raymond.

The following communication was received and read:

Department of Public Safety

Division of Buildings

Newark, N. J., August 7, 1923.

Board of Commissioners of

The City of Newark.

Honorable Sirs:

At a meeting of the Commission on Building Districts and Restrictions held August 2nd, 1923, it was decided to recommend to your Honorable Body the following amendments to the Building Zone Ordinance:

1. That the north side of Warren

Street beginning at a point 100 feet east of High Street and extending to a point 100 feet west of Arch Street be changed from a residence district to a business district. The south side of Warren Street from High Street to Broad Street is industrial as also is the north side with the exception of the small district just noted. The contemplated change will provide a business district between the Warren Street industrial district and the Orleans Street residence district.

2. That the east side of South 12th Street between Twelfth and 13th Avenues fronting Fairmount Cemetery be changed from a "B" Area District to an "A" Area District. This will permit a long established business which is cramped for space to cover more of its lot area than at present permitted without injury to adjoining properties.

3. That Mt. Prospect Avenue from Heller Parkway and Grafton Avenue be changed from a "C" Area District to a "B" Area District. This block was recently changed from a business district to a residence district and the proposed change will permit apartment houses with the maximum number of families.

Trusting that these recommendations will meet with the approval of your Honorable Body, we are, Sirs,

Respectfully yours,

Commission on Building Districts,

and Restrictions,

R. B. Rankin, Secretary.

Commissioner Howe moved that the recommendation be concurred in and the communication referred to the Law Department with instructions to prepare the necessary ordinance covering the changes.

The roll being called, the motion was declared adopted by the following votes:

F. C. Breidenbach,  
Thomas L. Raymond,

The roll being called, the resolution was declared adopted by the following votes:

Yeas. — Commissioners Brennan, Howe, Raymond, Mayor Breidenbach.

WHEREAS, The Newark Museum Association and the Newark Free Public Library have combined to gather and open to the public, in November, 1923, an exhibition of China and the Chinese; and

WHEREAS, this attempt to create an informed good will towards four hundred million of our fellow men, one quarter of the human family, and toward their culture, their problems and their relation to western peoples, we believe will win the cordial approval of the people of our city, state and country;

THEREFORE BE IT RESOLVED, that this City Commission endorse this exhibition, and thank heartily the many friends in China and in this country who are contributing to it, and extend to it their best wishes for its success and express their pleasure over the fact that museum and other institutions in more than a score of other cities have asked that it may later be shown in their several localities.

F. C. Breidenbach,  
W. J. Brennan,  
John Howe,  
Thomas L. Raymond,

The roll being called, the resolution was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Howe, Raymond, Mayor Breidenbach.

Commissioner Raymond offered the following ordinance which was read by the clerk:

An ordinance to provide for the vacation of South Street as the same is shown on map annexed to Will of Peter L. Coeyman probated July 23, 1868, at the Essex County Surrogate's Office, from Coeyman Street about 455 feet southerly to its terminus.

The Board of Commissioners of The City of Newark, Do Ordain:

Yeas: — Commissioners Brennan, Howe, Raymond, Mayor Breidenbach.

Commissioner Howe offered the following resolution:

WHEREAS, at a meeting of the Board of Commissioners of the City of Newark held on April 11, 1922, a resolution was adopted granting a permit to Adas Israel for permission to conduct a cemetery upon the grounds in said resolution described; and

WHEREAS, it now appears that said resolution was not accompanied by application in writing, and that at the time of the adoption of said resolution no application was on file with the City as required by statute;

THEREFORE BE IT RESOLVED, by the Board of Commissioners of the City of Newark that said consent be and the same is hereby revoked.

John Howe,  
F. C. Breidenbach,  
W. J. Brennan,  
Thomas L. Raymond,

Commissioner Howe moved that this matter be laid over for one week to give the people interested an opportunity to be heard.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Howe, Raymond, Mayor Breidenbach.

WHEREAS, the Congregation Thoras Emes, a Corporation of New Jersey, has applied to the Board of Commissioners of the City of Newark, for permission to conduct a cemetery at the ground described as follows:

BEGINNING at the northwesterly corner of South 20th Street and Grain Street, thence running (1) along the northerly line of Grain Street, North 54 degrees 55 minutes west 180 ft. and 40/100 of a foot; thence (2) north 35 degrees 5 minutes east 98 feet and 74/100 of a foot; thence (3) south 54 degrees 55 minutes east 136 feet and 33/100 of a foot; thence (4) south 35 degrees 14 minutes west 21 feet and 24/100 of a foot; thence (5) south 61 degrees 10 minutes east 35 feet and 50/100 of a foot to the westerly line of South 20th Street; thence (6) along the same south 28 degrees 50 minutes west 81 feet and 84/100 of a foot to the point and place of BEGINNING.

BE IT RESOLVED, That the Board of Commissioners of the City of Newark does hereby give its consent to use of said premises as a cemetery conducted by the Congregation Thoras Emes, upon the condition that said Congregation Thoras Emes pay The City of Newark, the sum

of Sixteen Hundred Dollars (\$1600.) in lieu of taxes which the City will lose by reason of using said lands for cemetery purposes and thus taking the same out of tax ratables of the City.

Mr. P. Van Duyne, 738 Broad Street, requested that the Grain Street cemetery proposition be laid over for one week in order to give the Congregation Thoras Emes an opportunity to negotiate for the purchase of a tract of land.

Commissioner Howe: It is a well established principle of law that when property is acquired for cemetery purposes it automatically takes that property out of the tax ratables. The Commission this morning, in discussing this matter, suggested that the city should be reimbursed for all properties taken over for cemetery purposes, in which case we lose taxes for all time to come. The assessment on this property amounts to about \$80.00 a year, and it has been suggested that the Congregation pay the sum of \$1600. in lieu of the taxes the City will lose for all time to come.

I move that the matter be laid over for one week.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Howe, Raymond, Mayor Breidenbach.

Mayor Breidenbach offered the following resolution:

RESOLVED, that the contract between the City of Newark and Oscar Nielson, trading as The "Ratin" Laboratory, dated July 20, 1923, for the extermination of vermin at the Centre Market in the City of Newark, in the amount of \$210., a copy of which contract is hereto attached, be and the same is hereby approved, and the Director of the Department of Parks and Public Property and the City Clerk of the City are hereby authorized and directed to execute the said contract on behalf of the City on the approval of this resolution.

W. J. Brennan,  
John Howe,  
F. C. Breidenbach,

The roll being called, the resolution was declared adopted by the following votes:

Yeas: -- Commissioners Brennan, Howe, Raymond, Mayor Breidenbach.

Respectfully submitted,

Acting City Treasurer.

Ordered filed.

• Mr. H. M. Belfatto, 194 Market Street, stated a resolution was recently passed by the City Commission awarding a contract to his client for the building of Engine House No. 7; that the bid of his client, accompanied by a certified check, was accepted by the City and his client is now ready to proceed with the work in accordance with the plans and specifications.

Corporation Counsel Congleton: There was no award of a contract and this Commission has not passed a resolution. When this matter was brought up Commissioners Gillen and Brennan had a conference with me, and it was then discovered that there were certain items which should have been omitted from the specifications that were included. Commissioner Gillen therefore rejected the bid and readvertised for new proposals. If Mr. Belfatto's client will waive the items contained in the report sent to him by Commissioner Gillen the city will enter into an agreement for the building of Engine House No. 7.

Mr. F. E. Sherwood, 199-a North 11th Street, extended an invitation to the City Commissioners to attend general memorial exercises in honor of President Harding at the **Peddle Memorial Church** on Friday, August 10th, at 10:30 A. M.

Commissioner Howe moved that the invitation be accepted and that as many of the Commissioners as can attend the memorial services.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Howe, Raymond, Mayor Breidenbach.

Commissioner Raymond moved that we, in deference and with the intention of carrying out the spirit of the President's proclamation declaring next Friday a day of mourning and prayer, that we close the offices in the City Hall so far as they can be closed without violating any legal requirements of official business which may have to be transacted on that day.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Howe, Raymond, Mayor Breidenbach.

Commissioner Howe moved to adjourn.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Howe, Raymond, Mayor Breidenbach.

APPROVED:

F. C. BREIDENBACH,  
THOMAS L. RAYMOND,  
W. J. BRENNAN,  
JOHN HOWE,

The Board of Commissioners of

, The City of Newark, N. J.

W. J. EGAN,  
City Clerk.

NEWARK, N. J.

August 14, 1923.

A regular meeting of the Board of Commissioners of the City of Newark, N. J., was held on the above date in the Commissioners' Chamber, City Hall, Newark, at 11 A. M.

Present:--Commissioners Brennan, Gillen, Howe, Mayor Breidenbach.

Absent:--Commissioner Raymond.

The minutes of the meeting of August 7th, 1923, were read and approved.

Mayor Martens of East Orange and Angelo Fioreto, 227 Hunterdon Street, requested that the permit granted to the Adas Israel Cemetery Corporation on April 11, 1922, for the use of the Maybaum tract for cemetery purposes be revoked on the ground that the resolution granting this permission was illegally adopted.

Mr. Samuel Hollander, representing the Adas Israel Cemetery Corporation, requested that action be deferred until some time in September as the officials of the Corporation are now on their vacations and he is not in a position to get the facts from them so as to enable him to present the case in its proper light before the City Commission.

Commissioner Gillen moved that further consideration of the resolution be laid over until September 18th.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Mayor Breidenbach.

Congressman Frederick R. Lehlbach, representing the Congregation Thoras Emes, stated that since he appeared before the City Commission relative to the Grain Street tract being used for cemetery purposes he was informed that a condition had been inserted in the resolution whereby the Congregation would be obliged to pay the city the sum of \$1600. in lieu of taxes for the privilege of using this property for cemetery purposes. The Congregation is largely composed of people who are in abject poverty. They are paying a \$1,000. cash deposit for this property and they have arranged to pay the balance in ten years. It is a financial impossibility for them to raise the sum of \$1600. to pay the city, and if this condition is imposed the permit will be valueless to this Congregation. I therefore earnestly request that this condition be eliminated from the resolution and that the Congregation be permitted to use the tract of six lots without being compelled to pay the city the sum of \$1600.

Commissioner Howe: We are not asking the Congregation to pay taxes for all time. We have figured the taxes on this property at \$80.00 a year and the sum of \$1600. was based on 20 years at the rate of \$80.00 a year. I do not want to work

any hardship on this Congregation, but it has been suggested that in view of the fact that this property will be taken out of the taxable class the city is at least entitled to be reimbursed to the extent of, \$1600. My attention has been called to the fact that the city received \$6,000. for Evergreen Avenue property and another case where the city received \$2,000. for property used for cemetery purposes in lieu of taxes. Since this is a matter for the Mayor to handle I move that it be referred to him with the request that he use his own good judgment in arriving at a decision.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Mayor Breidenbach.

Commissioner Brennan offered the following ordinance which was read by the clerk:

An ordinance to provide for the opening of Ellery Avenue fifty (50) feet in width from its northerly terminus 100 feet south of Ivy Place northerly to the southerly terminus of Richelieu Place.

The Board of Commissioners of The City of Newark, Do Ordain:

Section 1. That Ellery Avenue shall be opened as a public street or highway, fifty (50) feet in width, from its northerly terminus 100 feet south of Ivy Street northerly to the

southerly terminus of Richelieu Place, as follows:

Part No. 1. From the southerly line of Ivy Street southerly to the present northerly terminus of Ellery Avenue. Beginning at a point in the southerly line of Ivy Street distant westerly 595 feet from the southwesterly corner of Ivy Street and Sandford Avenue; thence southerly at right angles to Ivy Street 100.03 feet to the present northerly terminus of Ellery Avenue. The above described line being the easterly line of a street to be 50 feet in width.

Part No. 2. From the northerly line of Ivy Street northerly to the southerly terminus of Richelieu Place. Beginning at a point in the northerly line of Ivy Street distant westerly 594.96 feet from the northwesterly corner of Ivy Street and Sandford Avenue; thence north 28° 54' east at right angles to Ivy Street 67.66 feet; thence north 24° 01' east 829.78 feet; thence north 33° 45' east 48.21 feet; thence north 40° 33' east 5.38 feet to the southerly terminus of Richelieu Place. The above described line being the easterly line of a street to be 50 feet in width.

All as shown on a map on file in the office of the Chief Engineer, Division of Surveys, Department of Streets and Public Improvements, known and designated as No. 1223-O, Part 2. and dated April 9, 1923, and under and by virtue of the provisions of an act entitled "An act concerning municipalities" approved March 27, 1917,

(P L 1917 319) and the supplements thereto and amendments thereof.

Section 2. That said improvement shall be undertaken as a local improvement and the cost thereof shall be assessed against the property benefitted by said improvement, in proportion to the benefits received, under and by virtue of the provisions of the act above referred to.

Section 3. That the sum of \$9,000.00 is hereby appropriated to pay the cost of said improvement, and for the purpose of meeting said appropriation and temporarily financing said improvement, temporary bonds or notes shall be issued from time to time in an amount not to exceed \$9,000.00, under and by virtue of the provisions of an act entitled "An Act to authorize and regulate the issuance of bonds and other obligations and the incurring of indebtedness by county, city, borough, village, town, township, or any municipality governed by an improvement commission," approved March 22, 1916, (P. L. 1916-525) and the supplements thereto and amendments thereof, which bonds or notes shall bear interest at a rate not to exceed six per centum per annum. All other matters in respect to such temporary bonds or notes shall be determined by the Director of the Department of Revenue and Finance who is hereby authorized to execute and issue said bonds or notes.

Section 4. That this ordinance shall take effect immediately and all ordinances or parts of ordinances in-

consistent with the provisions of this ordinance be and the same are hereby repealed.

The ordinance having been read once, Commissioner Brennan moved it be ordered to a second reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Mayor Breidenbach.

The clerk then read the ordinance by sections.

Title declared open to amendment.

Section 1 declared open to amendment.

Section 2 declared open to amendment.

Section 3 declared open to amendment.

Section 4 declared open to amendment.

The ordinance was declared open to amendment in all its parts.

The ordinance having been read a second time, Commissioner Brennan moved that it be ordered to a third reading.

F. C. Breidenbach,  
W. J. Brennan,

The roll being called, the resolution was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Mayor Breidenbach.

Commissioner Brennan offered the following resolution:

WHEREAS, at a meeting of The Board of Commissioners of The City of Newark held on September 30, 1920, a resolution classifying the salaries or wages to be paid the officers and employees filling offices, positions and employments in the classified Civil Service of the City was adopted; and

WHEREAS, The Board of Commissioners of The City of Newark has endeavored to comply with the regulations adopted as a part of said classification but have been seriously hampered in said endeavor by the action of the Civil Service Commission; and

WHEREAS, the members of this Board feel deeply the obligations placed upon them and not have the same usurped by a State Board, which is not directly responsible to the citizens of the City;

THEREFORE BE IT RESOLVED, by the Board of Commissioners of The City of Newark that that part of the resolution adopted by this Board on September 30, 1920, which reads as follows:

“RESOLVED that the regulations proposed in the said report governing procedure in the administration of the classification plan be and the same are hereby adopted;”

be and the same is hereby rescinded.

John Howe,  
Charles P. Gillen,  
F. C. Breidenbach,  
W. J. Brennan,

The roll being called, the resolution was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Mayor Breidenbach.

Mayor Breidenbach: I was elected by the people of the City of Newark and I am responsible to the taxpayers of the City of Newark and not to the Civil Service Commission. I feel that I should be in a position whereby I can say "yes" or "no" to any of the employees under my jurisdiction, so far as salary increases are concerned. As long as I am responsible to the taxpayers of Newark and not to the gentlemen who are appointed by the Governor, I am going to assume the responsibility when men come to me for salary increases and I want to be able to give them a "yes" or "no" answer and stand pat on my word. Therefore I am going to vote for this resolution.

Commissioner Brennan: I feel that we have not been able to accomplish very much with the Civil Service Commissioner in this district, nor even with the Civil Service Commission, regarding salary increases for city employees. When standardization was adopted it was agreed that men in the employ of the city who are entitled to receive consideration would be given such consideration without any objection on the part of the Civil Service Commission. In a number of

cases the entire payroll of a department has been held up by the Civil Service Commission on account of salary increases, and in numerous instances the City Commission was obliged to rescind resolutions granting salary increases simply because it did not suit the local Commissioner. I feel as you do, Mr. Mayor, that I have sufficient intelligence and sufficient backbone to tell any of my employees that they are not entitled to increases when they are not worthy, but where I find that an employee is worthy I should have the right to use my own judgment, without asking the State Body or the local Civil Service Commissioner who are not responsible to any citizen in the great city of Newark.

The roll being called, the resolution was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Mayor Breidenbach.

A communication from Frank Agolia, tendering his resignation as Constable of the 15th Ward, was read and ordered filed.

Mayor Breidenbach offered the following resolution:

RESOLVED, by the Board of Commissioners of The City of Newark that the following changes affecting the employees of the Newark City Hospital, Department of Public Affairs, be and the same are hereby approved:

City Clerk.

## NEWARK, N. J.

August 21, 1923.

A regular meeting of the Board of Commissioners of the City of Newark, N. J., was held on the above date in the Commissioners' Chamber, City Hall, Newark, at 11 A. M.

Present:—Commissioners Brennan, Gillen, Howe, Raymond, Mayor Breidenbach.

The minutes of the meeting of August 14th, 1923, were read and approved.

Mr. P. J. Purcell, 33 Fairmount Avenue, made a complaint against the Civil Service Commission for being discourteous to citizens when applying for information regarding civil service examinations. Mr. Purcell favored an increase in salary for the firemen and urged that this matter be submitted to the people on referendum at the next coming election.

Mayor Breidenbach: This Commission has no jurisdiction over the Civil Service Commission, and the matter that you complain of should be taken up with the Governor of the State who appoints the Civil Service Commissioners.

Mr. George F. Seymour, Jr., 20 Clinton Street: I appear this morning at the request of the New Jersey Auto Bus Association. This association is operating the buses in this County of Essex and I think its members are deserving of a great

deal of credit for the service which they have given during the strike period. While there has been some criticism, it should be remembered that the buses were suddenly called upon to meet an emergency and that the number of passengers carried doubled overnight. There are 400 buses in the City of Newark which are owned by about 350 individuals. Credit for the bus system is due the city officials who have been farsighted enough to make possible a mobile means of transportation for the transportation of the people. During this strike we have found it necessary to go to a great expense in calling upon from 100 to 125 out-of-town buses to give us a helping hand in carrying the people to and from their places of business. Some of these out-of-town bus owners insisted on charging from 10c to 25c for fare, and in order for the local bus owners to keep the fare down to 5c it has been found necessary for them to dig down in their pockets to pay all out-of-town bus owners a sum of money that would enable them to meet their operating expenses. The jitney men have been living a hand to mouth existence because of their not knowing how long they would be given the privilege of operating. Every year the jitney men had to go before the legislature to fight bills introduced with the purpose of driving them out of business and the continued fight made it almost impossible for a man to invest money in the business. Because of this, modern buses could not be placed in operation because the amount necessary to invest was too great to run the chance of loss by a

stopping of service The bus transportation system is now on trial. The bus business as it is now constituted is composed of individual owners. This is a business that goes on from month to month without any stability. We have no desire to injure the Public Service and are not coming here with our thumbs down. We realize the buses cannot immediately handle the entire transportation problem, but we feel that transportation on rubber is the coming transportation and that the buses will sooner or later supersede the old method. The Public Service has fallen down in its transportation work not because of the jitneys but in spite of them. With the trolleys off the streets the safety isles could be removed and the space now used by the car tracks could be used for parking purposes if the commission so desired or if kept clear would enable the passage of six lines of machines at one time on the streets. Our request is that if the City of Newark will grant the existing lines in the City of Newark a 15-year franchise for the operation of the buses we will immediately form a corporation and will then be able to give better service in more modern buses; that in addition to that if the city will waive the 5 per cent tax required by the Kates act we will pay the city \$300,000. a year as an operating fee. In the event the 15-year franchise is granted the jitney men will agree to maintain a five-cent fare.

Commissioner Raymond: This simply illustrates the difficulties of the problem which is before us, and

which is a very serious one. We have now before us a proposition which I think could be well taken into consideration in conjunction with the proposition presented by the Public Service Corporation. There are certain phases of the problem that are utterly impossible, but there are phases, to my mind, that might be worked out. It seems to me that this is a matter that vitally affects the public—the people of Newark and the people of the State—rather than the Public Service officials or employees of the Public Service Corporation or bus men, and we must first consider the rights of the general public whose trustees we are. The matter is a very complicated one and I shall be glad to have you refer it to me for study. I must ask Mr. Seymour, the City Commission and the general public to give me some time for the reflection of all these suggestions.

Commissioner Howe moved that an ordinance entitled: "An ordinance regulating and restricting the location of trades and industries and the location of trades designed for specified uses, and regulating and limiting the height and bulk of buildings hereafter erected, and regulating and determining the area of yards, courts and other open spaces surrounding buildings and establishing the boundaries of districts for the said purposes and providing penalties for the violation of its provisions," adopted December 31, 1919, be laid over for two weeks.

The roll being called, the motion was declared adopted by the following votes:

Yeas. — Commissioners Brennan, Gillen, Howe, Raymond, Mayor Breidenbach.

Commissioner Raymond moved that the title of "An ordinance to provide for the opening of Ellery Avenue fifty (50) feet in width from its northerly terminus 100 feet south of Ivy Street northerly to the southerly terminus of Richelieu Place" be taken for its third reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Raymond, Mayor Breidenbach.

The clerk then read the title of the ordinance as follows:

An ordinance to provide for the opening of Ellery Avenue fifty (50) feet in width from its northerly terminus 100 feet south of Ivy Street northerly to the southerly terminus of Richelieu Place.

The ordinance having been read three times was then declared to be upon its third and final passage.

The roll being called, the ordinance was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Raymond, Mayor Breidenbach.

Commissioner Gillen offered the following resolutions:

WHEREAS, the Board of Commissioners have heretofore passed an ordinance for the acquirement of property on the easterly side of Camden Street in the City of Newark owned by Albert C. Pedrick, and appropriating for that purpose the sum of eight thousand dollars.

THEREFORE BE IT RESOLVED, by the Board of Commissioners of the City of Newark that the sum of eight thousand dollars be and the same is hereby appropriated to said Albert C. Pedrick to be paid upon the filing with the Acting Auditor of Accounts of a warranty deed, approved as to form by the Corporation Counsel, conveying property in the City of Newark, described as follows:

BEGINNING at a point in the easterly line of Camden Street 50 feet northerly from the northerly line of Bank Street; thence south 68 degrees 8 minutes east 100 feet; thence parallel with Camden Street north 21 degrees 52 minutes east 25 feet; thence parallel with the first course north 88 degrees 8 minutes west 100 feet to the said line of Camden Street; thence along the same south 21 degrees 52 minutes west 25 feet to BEGINNING.

Charles P. Gillen,

The roll being called, the resolution was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Raymond, Mayor Breidenbach.

RESOLVED: That it is the intention of the Board of Commissioners of the City of Newark, N. J., under and by virtue of the provisions of an Act entitled "An Act concerning Municipalities" approved March 27, 1917 (P. L. 1917-319) and the supplements thereto and amendments thereof, to order and cause the paving of Abington Avenue West from Third Street to North 6th Street with asphalt pavement (1½" binder—1½" top) on a six (6) inch concrete foundation, with the necessary new curbing or

resetting of curb, together with all other appurtenances incidental to the paving of said street including the laying of concrete sidewalks at street intersections and elsewhere wherever needed, and the laying or relaying of a sidewalk or sidewalks or such portion or portions of sidewalks as may be disturbed, or may become necessary or expedient, or the grade of which may be affected on account of the laying of the pavement or the setting or resetting of the curb, in accordance with the plans, specifications and profiles dated August 20th, 1923, and now on file in the office of the Department of Streets and Public Improvements. The City Asphalt Plant to be authorized to bid on said work.

In order to avoid the necessity of excavating and tearing up the proposed improved portion of said street, after the making of said improvement, the owner of any and all lands on the line of said proposed improvement are hereby ordered and directed to make the necessary connections with the sewer, gas and water mains to the curb line in said street for each lot fronting upon said street within thirty days after the passage of an ordinance providing for said improvement. Upon failure of any such owner to make or cause said improvements to be made, the same will be made by the Department of Streets and Public Improvements, in which case the costs and expenses of making said connections will be assessed upon the lands benefited. Each 25 feet of frontage upon said street for the purposes of this improvement shall be

considered a lot.

That said improvement shall be undertaken as a local improvement and the cost thereof shall be assessed against the property benefited by said improvement, in proportion to the benefits received, under and by virtue of the provisions of the act above referred to.

That the sum of \$13,000.00 is hereby appropriated to pay the cost of said improvement, and for the purpose of meeting said appropriation and temporarily financing said improvement, temporary bonds or notes shall be issued from time to time in an amount not to exceed \$13,000.00, under and by virtue of the provisions of an act entitled "An Act to authorize and regulate the issuance of bonds and other obligations and the incurring of indebtedness by county, city, borough, village, town, township, or any municipality governed by an improvement commission" approved March 22, 1916 (P. L. 1916—525) and the supplements thereto and amendments thereof, which bonds or notes shall bear interest at a rate not to exceed six per centum per annum. All other matters in respect to such temporary bonds or notes shall be determined by the Director of the Department of Revenue and Finance who is hereby authorized to execute and issue said bonds or notes.

AND The Director of the Department of Streets and Public Improvements is hereby directed to give public notice in an authorized daily newspaper, printed and published in

the City of Newark, of the intention of the Board of Commissioners to order and cause such improvement to be made, and that all persons whose lands may be affected by such improvement or who may be interested therein will be given an opportunity to be heard concerning the same at a meeting of said Board, to be held in its meeting room, City Hall, on September 11, 1923, at 11 o'clock A. M. at which time and place ordinance for the making of such improvement will be considered.

W. J. EGAN,

City Clerk.

NEWARK, N. J.

August 28, 1923.

A regular meeting of the Board of Commissioners of the City of Newark, N. J., was held on the above date in the Commissioners' Chamber, City Hall, Newark, at 11 A. M.

Present:—None.

The City Clerk called the meeting to order, and there being no quorum present the meeting was adjourned until 2 o'clock this afternoon.

APPROVED:

W. J. EGAN,

City Clerk.

NEWARK, N. J.

August 28, 1923.

An adjourned meeting of the Board of Commissioners of the City of Newark, N. J., was held on the above date in the Commissioners' Chamber, City Hall, Newark, at 2 P. M.

Present:—Commissioners Brennan, Gillen, Howe, Mayor Breidenbach.

The minutes of the meeting of August 21st, 1923, were read and approved.

Mr. C. Birdsall, 243 Broad Street, favored the plan of the Public Service Corporation in charging a 7c fare with one cent for transfer, and urged the City Commission to use its influence before the Public Utilities Commission in having the plan adopted.

Mr. John J. Hayes, 222 Market Street, stated that some of the jitneys in operation are a public nuisance while some of them are a credit to the city. The trolley men are unable to get along on their present wages and I think the City Commission should do everything in its power to see that these men get a square deal. I feel satisfied that this Commission is well qualified to handle this difficult situation and the people of Newark, I am sure, are satisfied to leave the solution of this problem entirely in your hands.

Mayor Breidenbach: We are going right back to the hearing being held by the Public Utilities Commission to

discuss some ways and means of settling this trolley strike. I am very glad you gentlemen expressed your views on this transportation question, and I can assure you that the Commissioners will be glad to consider your suggestions.

Commissioner Howe offered the following ordinance which was read by the clerk:

An ordinance appropriating \$1,100,000. for school purposes and providing for the issuance of bonds to meet said appropriation.

WHEREAS, the Board of Education of The City of Newark, in the County of Essex, has, by resolution adopted on the 9th day of May, 1923, decided that it is necessary to raise money for the purposes hereinafter stated and has prepared and delivered to each member of the Board of School Estimate of The City of Newark a statement of the amount of money estimated to be necessary for said purposes (which purposes consist entirely of the acquisition of land for school purposes and the constructing, enlarging and reconstructing of schoolhouses within said City and do not include ordinary current repairing or furnishing of the character of current expenses); and

WHEREAS, the Board of School Estimate has duly considered such statement so made by the Board of Education and has, by resolution adopted on the 29th day of May, 1923, fixed and determined the total amount necessary for said purposes to be the sum of \$1,100,000, and had made two

NOW, THEREFORE,

The Board of Commissioners of The City of Newark do ordain as follows:

Section 1. Pursuant to the Act of the Legislature of the State of New Jersey entitled "An Act to establish a thorough and efficient system of free public schools, and to provide for the maintenance, support and management thereof," approved October 19, 1903, and the acts amendatory thereof and supplemental thereto, the said sum of \$1,100,000, fixed and determined to be necessary as aforesaid, is hereby appropriated to the Board of Education of The City of Newark

in the County of Essex, for the purposes set forth in the preamble of this ordinance.

Section 2. Pursuant to the provisions of said act it is hereby determined that the school houses described in the preamble of this ordinance are or are to be of the respective classes stated in said preamble and that the average of the different periods assigned by Section 76 of said Act to the several purposes for which bonds are authorized to be issued by this ordinance, taking into consideration the amount of bonds to be issued on account of the several purposes, is a period of thirty-six years, beginning October 1, 1923.

Section 3. For the purpose of raising the amount hereby appropriated, there shall be issued bonds of The City of Newark to be known and designated as "School Bonds" in the aggregate principal amount of \$1,100,000, pursuant to Section 76 of the act aforesaid. The proceeds of said bonds shall be used for the several purposes described in the preamble of this ordinance, in the respective amounts therein stated. The said bonds shall be one thousand one hundred in number, numbered from 1 to 1,100 inclusive, and of the denomination of \$1,000. each. They shall be dated October 1, 1923, shall bear interest from their date at the rate of four and one-half per centum (4½%) per annum, payable semi-annually on April 1st and October 1st in each year until maturity and shall mature in annual installments or series, payable on October 1st in each year as follows; viz.: 24 bonds in each of the

years 1925 to 1937, inclusive, thirty-two bonds in 1938 and thirty-six bonds in each of the years 1939 to 1959, inclusive.

Section 4. The said bonds shall be coupon bonds, registerable at the option of the holder as to principal alone or as to both principal and interest. They shall be signed by the Mayor and countersigned by the Director of the Department of Revenue and Finance of The City of Newark, and the corporate seal of said City shall be affixed thereto or impressed thereon, and attested by the City Clerk; and the coupons to be attached to said bonds shall bear the fac-simile signature of the Director of the Department of Revenue and Finance. The said bonds shall be issued in substantially such form as the Board of Commissioners may by resolution adopt. The principal and interest of said bonds shall be payable in gold coin of the United States of America of or equal to the standard of weight and fineness existing on October 1, 1923, at The National State Bank of The City of Newark.

Section 5. This ordinance shall take effect in the manner provided by law.

The ordinance having been read once, Commissioner Howe moved that it be ordered to a second reading.

The roll being called, the resolution was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Mayor Breidenbach.

Commissioner Brennan offered the following resolution:

WHEREAS, in accordance with the law and by the authority of this Board, the Director of Public Safety has publicly solicited, received and opened proposals for furnishing the Fire Division of said Department with one or more Triple Combination Pumping Engines, Hose and Chemical Cars; and

WHEREAS, the proposal of the Ahrens-Fox Fire Engine Company at the price of \$13,500.00 each is being recommended as the most acceptable in the interests of the city; therefore be it

RESOLVED, that the proposal of the Ahrens-Fox Fire Engine Company be and the same is hereby accepted, the Law Department directed to prepare the proper contract covering the purchase of four (4) such Triple Combination Pumping Engines, Hose and Chemical Cars, and the Director of Public Safety and the City Clerk authorized and empowered to execute the contract for the City of Newark upon the adoption of this resolution.

The roll being called, the resolution was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Mayor Breidenbach.

Commissioner Brennan submitted the following ordinance as a matter of information:

An ordinance to provide for the paving of Commerce Street from Mulberry Street to Railroad Place with oblong granite block pavement on a six (6) inch concrete foundation.

Commissioner Brennan moved that the foregoing be made a matter of record in the minutes.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Mayor Breidenbach.

Commissioner Brennan offered the following resolution:

RESOLVED, that it is the intention of the Board of Commissioners of the City of Newark, N. J., under and by virtue of the provisions of an act entitled "An Act Concerning Municipalities" approved March 27, 1917 (P. L. 1917-319) and the supplements thereto and amendments thereof to order and cause the

Paving of Commerce Street from Mulberry Street to Railroad Place with oblong granite block pavement on a six (6) inch concrete foundation; with the necessary new curbing or resetting of curb, together with all other appurtenances incidental to the paving of said street including the laying of concrete sidewalks at street intersections and elsewhere wherever needed, and the laying or relaying of a sidewalk or sidewalks or such portion or portions of sidewalks as may be disturbed, or may become necessary or expedient, or the grade of which may be affected on account of the laying of the pavement or the setting or resetting of the curb, in accordance with the plans, specifications and profiles dated May 18th, 1923, and now on file in the office of the Department of Streets and Public Improvements.

In order to avoid the necessity of excavating and tearing up the proposed improved portions of said streets after the making of said improvement, the owners of any and all lands on the line of said proposed improvements, are hereby ordered and directed to make the necessary connections with the sewer, gas and water mains to the curb lines in said street for each lot fronting upon said streets within thirty days after the passage of an ordinance providing for said improvements. Upon failure of any such owner to make or cause such connections to be made, the same will be made by the Department of Streets and Public Improvements, in which case the costs and expenses of making said connections will be assessed upon the lands benefited. Each

25 feet of frontage upon said street for the purposes of this improvement shall be considered a lot.

That said improvements shall be undertaken as local improvements and the cost thereof shall be assessed against the property benefited by said improvements, in proportion to the benefits received, under and by virtue of the provisions of the act above referred to.

That in order to temporarily finance said improvement the sum of \$45,500.00 is hereby appropriated and temporary bonds or notes shall be issued from time to time to meet the cost thereof, under and by virtue of the provisions of an act entitled "An Act to authorize and regulate the issuance of bonds and other obligations and the incurring of indebtedness by county, city, borough, village, town, township or any municipality governed by an improvement commission" approved March 22, 1916 (P. L. 1916-525) and the supplements thereto and amendments thereof, which bonds or notes shall bear interest at a rate not to exceed six per centum per annum. All other matters in respect to such temporary bonds or notes shall be determined by the Director of the Department of Revenue and Finance who is hereby authorized to execute and issue said bonds or notes.

And the Director of the Department of Streets and Public Improvements is hereby directed to give public notice in an authorized daily newspaper, printed and published in the City of Newark, of the intention of the Board of Commissioners to order and cause

such improvement to be made, and that all persons whose lands may be affected by such improvements or who may be interested therein will be given an opportunity to be heard concerning the same at a meeting of said Board, to be held in its meeting room, City Hall, on September 11, 1923, at 11 o'clock A. M., at which time and place the ordinance for the making of such improvement will be considered.

John Howe,

The roll being called the resolution was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Mayor Breidenbach.

The following communication was received and read:

Michael J. Tansey  
Counsellor-at-Law

Newark, N. J., August 24, 1923.

Honorable, The Board of

Commissioners of The City of  
Newark,

City Hall, City.

Gentlemen:

I am counsel for Daniel J. Lynch and have been informed that a reso-

lution was introduced in your Board meeting on Tuesday last, providing for the temporary appointment of James Whelan to the position of Sergeant-at-Arms of the Second District Court of Newark, on the ground that Daniel J. Lynch, the present incumbent, was unable through illness to perform the duties of the office, and the resolution was laid over for one week in order to get further information on the facts.

The pertinent facts bearing on the case are: Mr. Lynch has acted as Sergeant-at-Arms of that Court for upward of thirty years. Serving during the times when the pay was a dollar per day, and 3 days a week, and the total income averaged from all sources \$60. per month. What faithful service he has rendered at all times is well within the knowledge of some of your Board members, as well as every practicing lawyer in Newark and Essex County at large.

In the fall of 1922, he was suddenly stricken with illness, originating with a hurt incurred while on duty serving Writs and thereafter for several months during 1922 and 1923, was confined to his bed, wavering sometimes between life and death. All the while, however, he was taking care of his duties at the Court through a substitute, Otto Lange, who was a constable, regularly appointed by this Board, and who attended court at all sessions and performed the usual work of Sergeant-at-Arms in all particulars during Mr. Lynch's incapacity. This must have been satisfactory to the Judge of the Court, as he always certified the payroll and Mr. Lynch

collected the fees and salary applying to the office, all during his illness, and paid Lange for services rendered.

On the first of August of this year, Mr. Lynch had sufficiently recovered his health to again assume his duties and thereupon attended Court, on Wednesday, August 1, and reported for regular duty. He was notified then and there by the clerk, that the Judge would not permit any more Writs to be given to him for service, and on the same day a Notice was served upon him, signed by Louis R. Freund, as Judge, suspending him from his position as said Sergeant-at-Arms, for the reason therein stated as "Failure of performance of Duty September 6, 1922, to date," and stating further that unless he (said Lynch) should furnish within 10 days, an answer in writing, he should then be removed. Answer was, in due time interposed for Mr. Lynch, to the effect that he had not in any particular, failed in such performance, but on the contrary thereof had at all times fully performed his said duties; that during an illness which lasted for several months during 1923, he supplied a substitute satisfactory to said Court, and took necessary measures to recover his health, which is now restored, and that on August 1, 1923, he reported for duty and was then notified of his suspension, and that he is entirely able and willing to perform his duties and requested a hearing on the suspension. He caused this answer to be served first on the Civil Service Board at City Hall and was referred by them to Judge Freund and served said answer on the Court

through the Clerk and personally on Judge Freund, and he has been notified that a hearing will be held by Judge Freund on the answer on Tuesday, August 28, 1923, at 11 A. M., at the Second District Court Room, City Hall.

The attention of this Board is called to the peculiar circumstances that the Judge of the Court first makes the allegation of Mr. Lynch's failure of performance of duty, warranting suspension, and then tries the accusation as Judge.

Mr. Lynch is now the incumbent of the Office; his health is restored to normal; he has never neglected or failed in performing his duties even in his illness, and is now ready to continue personally, without any substitutes. There is therefore no necessity for the appointment of Mr. Whalen, or his being placed on the City payroll, and the case can be expeditiously heard by the Judge, and by the Civil Service Commission, on appeal, and finally by the Supreme Court if such action becomes advisable, and Mr. Lynch can either serve during the time or furnish a man to act for him if the Court prefers.

This, I think fully informs the Board of the facts, and I enter Mr. Lynch's protest hereby against the appointing of any one to act in his place as Sergeant-at-Arms of the Second District Court, during the pendency of the aforesaid proceedings.

Respectfully submitted,

Michael J. Tansey.

Mr. Tansey. I desire to state for the information of the Commissioners that Judge Freund held a hearing on this matter this morning, and he reserved decision on the question of notifying Mr. Lynch until he had the testimony written up. I would therefore suggest that pending the action of Judge Freund the matter be laid over for one week.

Commissioner Brennan moved that the matter be laid over for one week pending the decision of Judge Freund.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Mayor Breidenbach.

A communication from the Atlantic Deeper Waterways Association, dated August 27th, relative to the sixteenth annual convention of that association to be held at Norfolk, Va., November 13th to 16th, was received and read and on motion ordered referred to Director Raymond.

A communication dated August 25th, from the Chamber of Commerce, relative to their endorsement of the plan of the Public Service Railway Company, for the settlement of the transportation problem, was received and read and on motion referred to Director Raymond.

Communications from A. J. Van Brunt, Director Safety Education, Public Service Railway Company; Leonard A. Duncan, 810 Broad Street;

and Burnett, Sorg, Murray & Duncan, 810 Broad Street, expressing their approval of the plan of the Public Service Railway Company for the operation of street cars were received, read and on motion ordered filed.

Commissioner Howe offered the following resolution:

WHEREAS, Judge Louis R. Freund of The Second District Court of the City of Newark has received the resignation of Lucy E. Brady, Clerk-Typist in the Second District Court of The City of Newark, and

WHEREAS, said Judge Louis R. Freund has requested the temporary appointment of Mary Brady to the position of Clerk-Typist of The Second District Court of The City of Newark;

THEREFORE BE IT RESOLVED, By the Board of Commissioners of the City of Newark that Mary Brady be and she hereby is temporarily appointed to the position of Clerk-Typist in the Second District Court of The City of Newark, at a salary of Nine Hundred and Sixty Dollars (\$960.) per annum, for a period of sixty days; effective August 1st, 1923.

**MINUTES OF MEETINGS**  
*OF THE*  
**Board of Commissioners**

**NEWARK, N. J.**

September 4, 1923.

A regular meeting of the Board of Commissioners of the City of Newark, N. J., was held on the above date in the Commissioners's Chamber, City Hall, Newark, at 11 A. M.

**Present:**—Commissioners Brennan, Gillen, Raymond, Mayor Breidenbach.

**Absent:**—Commissioner Howe.

The minutes of meeting of August 28th were read and approved.

**Mayor Breidenbach:** Is there any citizen desiring to be heard by the Board?

**Mr. George F. Seymour,** representing the New Jersey Bus Owners' As-

sociation:—I have here for filing, petitions for franchises for the existing bus lines in Newark. The Board will remember a week ago today I was here and requested that franchises be granted. I have now prepared the petitions and an ordinance and would like to file them with the Board.

If you will bear with me a little while, I would like to say a few words in connection with this petition. On August 1st the cars running in Newark stopped operating and at that time the bus service was built up to a place where it had a capacity of 200,000 persons a day. Almost overnight we had to increase the capacity to carry from four to five hundred thousand a day. Since that time bus men have had to pay out of their own pockets a great amount of money to procure buses in order to give service. Since that time we have on several occasions asked for permits. We have

been promised a week ago permits for 200 buses for Tuesday morning and on Tuesday morning we were told they were not ready and we would get them on Friday and again we were told not until Tuesday. The result is that we are today in the same condition as we were on August 1st, in that we have not been able to bring into the City buses that would enable us to handle the people returning from their vacation and to carry the school children of Newark, and there are no trolleys. It has been rumored throughout the City, the Public Service will not operate cars unless they can buy the buses. That suggestion was made and we reported back to the bus owners and they unanimously decided not to sell to the Public Service at any price. They are willing and ready to sell to the City of Newark if Newark wants to operate a bus system. Last year we carried 76 million people and 281 million since we have been operating at 5c fare, and although the Public Service transportation and traffic experts say it cannot be done we have been doing it, and since operating we have saved the people five millions of dollars and in addition have paid \$550,000. for the privilege of doing business. Mr. Mayor, we are in this position. We do not want to hurt the trolley company if they want to operate, but we say to you with all sincerity that we command, that if the people of Newark must be carried on buses we are willing and ready to do it at 5c. If the people were compelled to pay a 7c bus fare they would lose \$1,560,000. a year, and we submit in making this proposition to you we are not making it from the

standpoint of the buses but from the standpoint of the people, and we say to you, Mr. Mayor and gentlemen of the Commission, the people of the City of Newark do not want to pay a subsidy of \$1,560,000. a year for obsolete trolley cars. You have right within your own city the best bus business in the United States. We admit we have not been able to handle the transportation problem as well as we would have liked to, because we have been unable to get the equipment here from other cities without some assurance that they would be able to operate longer than a day or a week, and if you gentlemen will give us the legal right to serve you, we will place in this city a modern bus service which will run into millions of dollars without a dollar's investment by the public. We will put our own money in it and within six months we will give the best transportation system that the city has ever had, at a 5c fare. If you gentlemen had not had buses the last four weeks business would have been paralyzed.

Commissioner Raymond: Mr. Seymour, you had 400 buses before the strike and we brought in 130 which you are operating on temporary permits. I told you last Tuesday that if the strike was not settled by Friday, I would issue 200 long time permits, so that it would be safe for you to invest more money in jitneys. Those 200 permits are ready. However, Mr. Congleton advises me these permits under the Kates Law must be issued for buses which we already have and that each permit must be issued upon a policy of insurance approved by my department and filed

with the Comptroller's Office. We are perfectly ready to issue those permits, or any other permits that may be needed. I told your men that here and I think I told you. I told your men we would go along with them.

Mr. Seymour: On Friday morning I went to the man in charge of your Department and he told me the permits would not be ready until Tuesday, although I had given him a list of names permits were to be issued to.

Commissioner Raymond: What are these petitions, Mr. Seymour?

Mr. Seymour: These are petitions for bus franchises for 15 years at a 5c fare.

Commissioner Raymond: For what cars?

Mr. Seymour: They are franchises for every line in the City, and are to be issued to line corporations.

Commissioner Raymond: I told you the other day the City cannot issue 15 year permits for anything but a standard form of car which we will have to agree upon and it must be a low swung car with seats running cross-wise, properly lighted and sufficiently ventilated, which will give the people satisfactory service and such other specifications as may be agreed upon as necessary, and then we will go into 15 year franchises with you. The ultimatum which I made on Tuesday last at the hearing before the

Utilities Commission was that we could not properly proceed on any settlement of this strike except upon a basis of a 5c fare. That ultimatum was concurred in by the five Commissioners. They supported me in it and we have reaffirmed that this morning and at all other times, that the basis of settlement would have to be a 5c fare and any other settlement would have to be expressed by popular referendum.

Commissioner Raymond moved that the petitions presented by Mr. Seymour be received and referred to him.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Raymond, Mayor Breidenbach.

Mr. Michael J. Tansey, appeared on behalf of Daniel J. Lynch, Sergeant-at-Arms, Second District Court, and stated that the Court had not yet acted upon the case and requested that it be laid over for another week.

Commissioner Gillen stated he understood the matter was now before the Civil Service Commission and moved that it be laid over until that body had disposed of it.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Raymond, Mayor Breidenbach.

NOW, THEREFORE,

The Board of Commissioners of The City of Newark do ordain as follows:

Section 1. Pursuant to the Act of the Legislature of the State of New Jersey, entitled "An Act to establish a thorough and efficient system of

free public schools, and to provide for the maintenance, support and management thereof," approved October 19, 1903, and the acts amendatory thereof and supplemental thereto, the said sum of \$1,100,000, fixed and determined to be necessary as aforesaid, is hereby appropriated to the Board of Education of The City of Newark in the County of Essex, for the purposes set forth in the preamble of this ordinance.

Section 2. Pursuant to the provisions of said act it is hereby determined that the school houses described in the preamble of this ordinance are or are to be of the respective classes stated in said preamble and that the average of the different periods assigned by Section 76 of said Act to the several purposes for which bonds are authorized to be issued by this ordinance, taking into consideration the amount of bonds to be issued on account of the several purposes, is a period of thirty-six years, beginning October 1, 1923.

Section 3. For the purpose of raising the amount hereby appropriated, there shall be issued bonds of The City of Newark to be known and designated as "School Bonds" in the aggregate principal amount of \$1,100,000, pursuant to Section 76 of the act aforesaid. The proceeds of said bonds shall be used for the several purposes described in the preamble of this ordinance, in the respective amounts therein stated. The said bonds shall be one thousand one hundred in number, numbered from 1 to 1,100 inclusive, and of the denomination of \$1,000 each. They shall be

dated October 1, 1923, shall bear interest from their date at the rate of four and one-half per centum (4½%) per annum, payable semi-annually on April 1st and October 1st, in each year until maturity and shall mature in annual installments or series, payable on October 1st in each year as follows, viz.: 24 bonds in each of the years 1925 to 1937, inclusive, thirty-two bonds in 1938 and thirty-six bonds in each of the years 1939 to 1959, inclusive.

Section 4. The said bonds shall be coupon bonds, registerable at the option of the holder as to principal alone or as to both principal and interest. They shall be signed by the Mayor and countersigned by the Director of the Department of Revenue and Finance of The City of Newark, and the corporate seal of said City shall be affixed thereto or impressed thereon, and attested by the City Clerk; and the coupons to be attached to said bonds shall bear the fac-simile signature of the Director of the Department of Revenue and Finance. The said bonds shall be issued in substantially such form as the Board of Commissioners may by resolution adopt. The principal and interest of said bonds shall be payable in gold coin of the United States of America of or equal to the standard of weight and fineness existing on October 1, 1923, at The National State Bank of The City of Newark.

Section 5. This ordinance shall take effect in the manner provided by law.

The ordinance having been read

three times was then declared to be upon its third and final passage.

The roll being called, the ordinance was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Raymond, Mayor Breidenbach.

Commissioner Gillen moved that "An ordinance authorizing the issuance of \$1,000,000 Passaic Valley Sewer Bonds of the City of Newark, New Jersey," be taken up for third and final reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Raymond, Mayor Breidenbach.

The clerk then read the ordinance as follows:

An ordinance authorizing the issuance of \$1,000,000 Passaic Valley Sewer Bonds of The City of Newark, New Jersey.

The Board of Commissioners of The City of Newark do ordain as follows:

Section 1. Pursuant to Chapter 252 of the Laws of 1916 of New Jersey, and the acts amendatory thereof and supplemental thereto, negotiable bonds of The City of Newark to be known as "Passaic Valley Sewer Bonds" and to be dated October 1, 1923, are hereby authorized to be issued in the aggregate principal

amount of \$1,000,000 for the purposes hereinafter stated, for which purposes it is necessary to raise said sum of money.

Section 2. The money to be raised by the issuance of said bonds shall be applied to the purpose of making the payment designated and required to be made by The City of Newark to the Passaic Valley Sewerage Commissioners by the terms of the joint contract entered into by and between the Passaic Valley Sewerage Commissioners, The City of Newark, and other municipalities, which payments are for the purpose of defraying the cost and expense of the construction of an intercepting sewer or sewers, plant and works, and appurtenances, under the provisions of the Act of the Legislature of the State of New Jersey entitled "An Act to provide for the purification of the waters of the Passaic River within the Passaic Valley sewerage district, prohibiting the discharge of sewage or other polluting matter into said portion of said river after a fixed date, and authorizing municipalities lying in whole or in part within the Passaic Valley sewerage district, from the territory of which sewage or other polluting matter is or may be discharged into said portion of said river, to enter into contracts with each other and with the Passaic Valley Sewerage Commissioners for the intercepting and disposal of such sewage and other polluting matter, and to provide the necessary funds therefor," approved March 18, 1907, as amended.

Section 3. The following matters

are hereby determined and declared pursuant to the requirements of said Chapter 252 of the Laws of 1916, as amended:

(a) No part of the cost of said improvement has been or is to be specially assessed against property specially benefited.

(b) The probable period of usefulness of the improvement for which said bonds are to be issued, computed in the manner prescribed by Section 4 of said Chapter 252 of the Laws of 1916, as amended (said improvement being of the class described in Clause A of Sub-section 2 of said Section 4, and being not yet completed), is forty years beginning upon the date of said bonds.

(c) The average assessed valuation of the taxable real property (including improvements) of the City of Newark, computed upon the next preceding three valuations thereof in the manner provided in Section 12 of said Chapter 252 of the Laws of 1916, as amended, is \$442,894,700.00.

(d) The net debt of said City, computed in the manner provided in said Section 12, is \$22,553,753.85.

(e) The statement required by said Section 12 (showing said net debt, etc.) has been made and filed with the City Clerk as required by said Act.

BE IT RESOLVED, By the Board of Commissioners of The City of Newark, New Jersey, as follows:

Section 1. The \$1,000,000 Passaic Valley Sewer Bonds of The City of Newark, the issuance of which was authorized by an ordinance entitled "An ordinance authorizing the issuance of \$1,000,000 Passaic Valley Sewer Bonds of The City of Newark, New Jersey," adopted by the Board of Commissioners of The City of Newark on September 4, 1923 shall be one thousand in number, numbered from 1 to 1,000, inclusive, of the denomination of \$1,000 each, and shall mature and be payable in annual installments, as follows: twenty bonds on October 1st in each of the years of 1924 to 1943, inclusive, and thirty bonds on October 1st in each of the years 1944 to 1963, inclusive.

Section 2. The \$500,000 Water Bonds of The City of Newark, the issuance of which was authorized by an ordinance entitled "An ordinance authorizing the issuance of \$500,000 Water Bonds of The City of Newark," adopted by the Board of Commissioners of The City of Newark on September 4, 1923, shall be five hundred in number, numbered from 1 to 500, inclusive, of the denomination of \$1,000 each, and shall mature and be payable in annual installments, as follows: ten bonds on October 1st in each of the years 1924 to 1943, inclusive, and fifteen bonds on October 1st in each of the years 1944 to 1963, inclusive.

Section 3. The \$500,000 Port Newark Improvement Bonds of The City of Newark, the issuance of which was authorized by an ordinance entitled "An ordinance authorizing the issuance of \$500,000 Port Newark Improvement Bonds of The City of Newark," adopted by the Board of Commissioners of The City of Newark on September 4, 1923, shall be five hundred in number, numbered from 1 to 500, inclusive, of the denomination of \$1,000 each, and shall mature and be payable in annual installments, as follows: ten bonds on October 1st in each of the years 1924 to 1943, inclusive, and fifteen bonds on October 1st in each of the years 1944 to 1963, inclusive.

Section 4. The \$100,000 Public Building Bonds of The City of Newark, the issuance of which was authorized by an ordinance entitled "An ordinance authorizing the issuance of \$100,000 Public Building Bonds of The City of Newark, New Jersey," adopted by the Board of Commissioners of The City of Newark on September 4, 1923, shall be one hundred in number, numbered from 1 to 100, inclusive, of the denomination of \$1,000 each, and shall mature and be payable in annual installments, as follows: two bonds on October 1st in each of the years 1924 to 1943, inclusive, and three bonds on October 1st in each of the years 1944 to 1963, inclusive.

Section 5. The \$100,000 Street Cleaning Apparatus Bonds of The City of Newark, the issuance of which was authorized by an ordinance en-

titled 'An ordinance authorizing the issuance of \$100,000 Street Cleaning Apparatus Bonds of The City of Newark,' adopted by the Board of Commissioners of The City of Newark on September 4, 1923, shall be one hundred in number, numbered from 1 to 100, inclusive, of the denomination of \$1,000 each, and shall mature and be payable in annual installments, as follows: twenty bonds on October 1st in each of the years 1924 to 1928, inclusive.

Section 6. The said Passaic Valley Sewer Bonds, Water Bonds, Port Newark Improvement Bonds, Public Building Bonds and Street Cleaning Apparatus Bonds shall be dated October 1, 1923, shall bear interest from their date at the rate of four and one-half per centum ( $4\frac{1}{2}\%$ ) per annum, payable semi-annually on April 1st and October 1st in each year, and shall be coupon bonds, registerable at the option of the holder as to principal alone or as to both principal and interest. They shall be signed by the Mayor, countersigned by the Director of the Department of Revenue and Finance and the seal of the City of Newark shall be thereto affixed and attested by the City Clerk. The coupons to be attached to said bonds shall bear the facsimile signature of the Director of the Department of Revenue and Finance. Both principal and interest of the bonds shall be payable at the National State Bank in The City of Newark in gold coin of the United States of America of the standard of weight and fineness existing on the date of said bonds.

Section 7. The said bonds shall be

issued in substantially the following form:

No. United States of America No.

State of New Jersey

The City of Newark.

\$1,000. .... Bond. \$1,000.

The City of Newark, a municipal corporation in the County of Essex and State of New Jersey, for value received hereby promises to pay to the bearer, or, if this bond be registered, to the registered holder thereof, the sum of

One Thousand Dollars (\$1,000.)

on the 1st day of October, 19 , with interest thereon from the date hereof at the rate of four and one-half per centum ( $4\frac{1}{2}\%$ ) per annum, payable semi-annually on April 1st and October 1st in each year, upon the presentation and surrender of the annexed coupons therefor as they severally become due, or, if this bond be converted into a fully registered bond, to the registered holder hereof. Both principal and interest of this bond are payable in gold coin of the United States of America of or equal to the present standard of weight and fineness at The National State Bank of The City of Newark.

This bond may be registered as to principal by the holder in his name on the books of the Comptroller of said City, and such registration noted hereon, after which no valid transfer hereof shall be made except on said

books until after registered transfer to bearer. Such registration shall not affect the negotiability of the coupons, which shall continue to be transferable by delivery. At the request of the holder of this bond it will be converted into a fully registered bond and the coupons hereto annexed detached and cancelled, and thereafter both principal and interest will be payable only to the registered holder hereof.

This bond is one of an issue of bonds of like tenor, except as to maturity, issued under and pursuant to Chapter 252 of the Laws of 1916 of New Jersey, and the acts amendatory thereof and supplemental thereto, and an ordinance duly adopted by the Board of Commissioners of The City of Newark on September 4, 1923.

It is hereby certified and recited that all conditions, acts and things required by the Constitution or statutes of the State of New Jersey to exist, be performed or happen precedent to or in the issuance of this bond, exist, have been performed and have happened, and that this bond, together with all other indebtedness of said City, is within every debt and other limit prescribed by the Constitution or statutes of said State, and the faith and credit of said City are hereby pledged irrevocably to the punctual payment of the principal and interest of this bond in accordance with its terms.

IN WITNESS WHEREOF, The City of Newark, has caused this bond to be signed by its Mayor and countersigned by its Director of the De-

partment of Revenue and Finance, and its corporate seal to be hereunto affixed and attested by the City Clerk, and the annexed coupons to bear the facsimile signature of said Director, and this bond to be dated October 1, 1923.

Section 6. The \$1,100,000 School Bonds of The City of Newark, the issuance of which was authorized by an ordinance entitled "An ordinance appropriating \$1,100,000. for school purposes and providing for the issuance of bonds to meet said appropriation," adopted by the Board of Commissioners of The City of Newark on September 4, 1923, shall be issued in substantially the form prescribed above, except that the following paragraph of said form shall be stricken out:

"This bond is one of an issue of bonds of like tenor, except as to maturity, issued under and pursuant to an Act of the Legislature of the

State of New Jersey, entitled "An Act to establish a thorough and efficient system of free public schools, and to provide for the maintenance, support and management thereof", approved October 19, 1903, and the acts amendatory thereof and supplemental thereto, and an ordinance duly adopted by the Board of Commissioners of The City of Newark on September 4, 1923."

Section 9. The bonds shall be sold at public sale upon sealed proposals at 11 o'clock A. M., on Monday, October 1, 1923, at the office of the Director of the Department of Revenue and Finance of the City of Newark, in the City Hall, after notice of such

sale published in the manner required by law. The Director of the Department of Revenue and Finance is hereby authorized and directed to cause such notice to be published and to receive such proposals and the power of the Board of Commissioners to award the bonds and reject bids therefor is hereby delegated to him.

Section 10. The notice of sale of the bonds shall be in substantially the following form:

Notice of Sale

The City of Newark, N. J.

\$3,300,000 4½% Bonds.

Sealed proposals will be received by the undersigned at his office in the City Hall, Newark, New Jersey, until Monday, October 1, 1923, at 11 o'clock A. M., when they will be publicly opened, for the purchase, at not less than par and accrued interest, of bonds of the City of Newark, of the following authorized issues, viz.:

1. \$1,000,000 Passaic Valley Sewer Bonds, maturing, \$20,000 of bonds on October 1st in each of the years 1924 to 1943, inclusive, and \$30,000 of bonds on October 1st in each of the years 1944 to 1963, inclusive.

2. \$500,000 Water Bonds, maturing, \$10,000 of bonds on October 1st in each of the years 1923 to 1943, inclusive, and \$15,000 of bonds on October 1st in each of the years 1944 to 1963, inclusive.

3. \$500,000 Port Newark Improve-

ment Bonds, maturing, \$10,000 of bonds on October 1st in each of the years 1924 to 1943, inclusive, and \$15,000 of bonds on October 1st in each of the years 1944 to 1963, inclusive.

4. \$100,000 Public Building Bonds, maturing, \$2,000 of bonds on October 1st in each of the years 1924 to 1943, inclusive, and \$3,000 of bonds on October 1st in each of the years 1944 to 1963, inclusive.

5. \$100,000 Street Cleaning Apparatus Bonds, maturing, \$20,000 of bonds on October 1st in each of the years 1924 to 1928, inclusive.

6. \$1,100,000 School Bonds, maturing, \$24,000 of bonds on October 1st in each of the years 1925 to 1937, inclusive, \$32,000 of bonds on October 1, 1938, and \$36,000 of bonds on October 1st in each of the years 1939 to 1959, inclusive.

All of the bonds will be of the denomination of \$1,000, will be dated October 1, 1923, will bear interest from their date at the rate of four and one-half per centum (4½%) per annum, payable semi-annually on April 1st and October 1st, and will be coupon bonds, registerable at the option of the holder as to principal only or as to both principal and interest. Principal and interest will be payable in gold coin of the United States of the present standard of weight and fineness at the National State Bank of the City of Newark.

The several amounts necessary to be raised by the sale of said six bond

issues (exclusive of the amount of any interest accrued on the bonds), respectively, are the maximum authorized amounts of said issues, respectively, as stated above; and no more bonds of any issue will be sold than will produce the amount necessary to be raised by the sale of such issue (exclusive of accrued interest) and an additional sum of less than \$1,000 for such issue. If less than the maximum authorized amount of any issue is sold, the unsold bonds of that issue will be those last maturing. The bonds of each issue will, unless all bids therefor are rejected, be sold to the bidder or bidders complying with the terms of sale and offering to pay not less than the amount necessary to be raised by the sale of such issue (exclusive of accrued interest) and to take therefor the least amount of bonds of such issue, commencing with the first maturity, and if two or more bidders offer to take the same amount of bonds of the same issue, then the bonds of that issue will be sold to the bidder or bidders offering to pay therefor the highest additional price (such additional price being less than \$1,000). In addition to the price bid, the purchaser must pay accrued interest from the date of the bonds to the date of delivery. The right is reserved to reject any or all bids.

Any bidder may condition his bid on the award to him of two or more of said issues, but in that case if there is a more favorable bidder for any one of the issues for which he bids, his bid will be rejected.

Proposals should be addressed to

the Director of the Department of Revenue and Finance, City Hall, Newark, New Jersey, and enclosed in a sealed envelope marked on the outside "Proposal for Bonds" and must be accompanied by a certified check for two per centum (2%) of the face amount of the bonds bid for, drawn upon an incorporated bank or trust company to the order of the "Director of the Department of Revenue and Finance of The City of Newark," to secure the City against any loss resulting from a failure of the bidder to comply with the terms of his bid. Checks of unsuccessful bidders will be returned upon the award of the bonds.

The successful bidder or bidders will be furnished with the opinion of Messrs. Reed, Dougherty & Hoyt, of New York City, that the bonds are valid and binding obligations of the City of Newark.

By order of the Board of Commissioners of The City of Newark.

Dated September 4, 1923.

---

Director of the Department of  
Revenue and Finance of  
The City of Newark.

Section 9. The Director of the Department of Revenue and Finance is hereby authorized to cause said bonds to be prepared and to obtain the opinion of Messrs. Reed, Dougherty & Hoyt, attorneys, of New York City, as to the validity of the bonds, to be furnished to the purchaser or

purchasers thereof, and the Mayor, Director of the Department of Revenue and Finance and the City Clerk are hereby authorized to execute said bonds and the Director of the Department of Revenue and Finance is hereby authorized to deliver said bonds to the purchaser or purchasers thereof upon the receipt of the purchase price.

## NEWARK, N. J.

September 11, 1923.

A regular meeting of the Board of Commissioners of the City of Newark, N. J., was held on the above date, in the Commissioners' Chamber, City Hall, Newark, at 11 A. M.

Present: — Commissioners Gillen, Howe, Mayor Breidenbach.

Absent:—Commissioners Brennan, Raymond.

The minutes of meeting September 4th were read and approved.

Mr. Albert Mersfelder, 786 Broad Street, representing Mrs. Sophie Breunig, appeared and stated his client had sought permission from the Zoning Commission to erect five additional garages on Chadwick Avenue, but that they have been informed that the zoning ordinance prohibits the erection of additional garages in that section, because of it being in the residential section and stated their contention was that this section was fast becoming a business area and felt it should be changed to meet the expanding business conditions in that neighborhood.

Mayor Breidenbach stated that the proper procedure in this case would be to have a petition presented, signed by the property owners asking for this change.

Mayor Breidenbach: Are there any citizens desiring to be heard on the Vailsburg Sewer Assessment?

Mr William Smith I am representing the people who were parties to the litigation over the last report. I have written objections which I wish to submit and wish to have an opportunity to present my case in full before this body or some other committee. This litigation involves seventy-five or one hundred thousand dollars worth of property. I also represent the Vailsburg Improvement Association in Newark and have a resolution which they have passed in which they ask that this Board reduce the assessments against property to \$12.50 from \$25.00. This assessment was \$30.00 a lot where the property fronted on the drain and \$25.00 where it did not front on the drain. After the case was decided in Court and it came back here, this Commission passed a resolution referring the matter back to the assessment commissioners and in that resolution this Commission says that it should be referred back to the Assessment Commissioners with directions to make a more equitable assessment against the properties not fronting on said improvement. The Assessment Commissioners have made exactly the same report, excepting they have recognized one objection and have eliminated some property around Sanford Avenue which did not drain into the drain. On one or two properties they have reduced the assessment where they only drain partly into this drain. It does seem that the assessment commissioners have not obeyed the instructions of this Commission when it was referred back to them. I don't suppose the Board will dispose of the entire question now.

Commissioner Howe I offer this resolution:

WHEREAS, the resolution of the Board of Commissioners of the City of Newark passed July 17, 1919, adopting and confirming the report of the Commissioners of Assessments for Local Improvements of said City, dated April 2, 1919, which report was accompanied by a map showing the lands and real estate benefitted, assessing benefits for the construction of the Vailsburg Drainage System, was, by rule entered in the minutes of the New Jersey Supreme Court by Chief Justice Wm. S. Gummere in the case of Breakenridge & Tichenor, Inc., et. al., prosecutors, vs. The City of Newark, et al., defendants, set aside so far as the assessments against the prosecutors and those made parties in the proceedings and their properties were concerned; and

WHEREAS, this Commission, by resolution, adopted on March 28, 1922, concurred in the recommendation of a committee of this Board that the said report as to the properties referred to in the rule of the New Jersey Supreme Court entered on April 4, 1921, and in the orders of the Essex County Court of Common Pleas with respect to other properties affected by said improvement, be referred back to said Commissioners of Assessments for Local Improvements with direction to make a more equitable assessment against the properties not fronting on said improvement; and

WHEREAS, said Commissioners of Assessments for Local Improvements

have certified to this Board a revised and corrected report of their assessments for benefits for the Vailsburg Drainage System as to the properties of the objectors in the above mentioned Court proceedings; and

WHEREAS at least two weeks previous notice has been given by the City Clerk in the manner provided by law that such report may be considered by this Board at its meeting, on Tuesday, September 11, 1923, at eleven o'clock, A. M., and

WHEREAS the attorney for said objectors has appeared at such meeting, and objected that the assessments certified by said revised and corrected report of the said Commissioners of Assessments for Local Improvements for the Vailsburg Drainage System were no more equitable against properties not fronting on said improvement than the previous report of said Commissioners of Assessments for Local Improvements set aside in the above mentioned legal proceedings;

THEREFORE BE IT RESOLVED that the matter of said revised and corrected report of assessments for benefits for the Vailsburg Drainage System be and the same is hereby referred to Thomas L. Raymond and John Howe as a committee of this Board for such revision or correction as to them may seem to be advisable for recommendation to this Board before its taking final action upon the same; the report of said Committee thereon to be made to this Board on Tuesday, October 9, 1923, to which date the further hearing in this matter is hereby adjourned.

F. C. Breidenbach,  
Charles P. Gillen,  
John Howe,

Mr. Andrew R. Fitzsimmons, 1001  
South Orange Avenue: Will that in-  
clude also the objectors before the  
Common Pleas Court?

Mr. Wolber: Yes, it is embraced in  
the resolution just read.

Mr. Congleton: We ought to have  
noted the appearances here this morn-  
ing. Mr. Smith appears for Breaken-  
ridge & Tichenor and the Vailsburg  
Improvement Association. Mr. Fitz-  
simmons appears for the Property  
Owners Association.

Mr. Wolber: They represent  
property covered by orders in the  
Common Pleas Court.

Mr. Congleton: Any other parties  
not represented by Mr. Smith or Mr.  
Fitzsimmons?

Mr. Bender: I appear for William  
H. Ryan, Executor of the Estate of  
Thomas Fitzpatrick, owner of 104-118  
Munn Avenue. We are not included  
in the litigation, although we filed ob-  
jections to the original assessment  
with the Assessment Commissioners.  
We now would like to inquire whether  
this re-assessment covers all.

Mr. Wolber: Only those who were  
covered by the rule of the Supreme  
Court and the rule of the Essex Coun-  
ty Court of Common Pleas.

Mr. Gus Werner, 192 Brookfield

Avenue: I am representing the Union  
Security Company. As you gentlemen  
all know the surface water on that  
Union Security Manor ground drains  
into the Irvington open sewer, the  
open ditch.

Mr. Congleton: That is a matter  
you will take up with the commission  
when you come to it. You will have  
another opportunity before the com-  
mittee to whom it has been referred  
to state what objections you have.

Mr. Julius E. Dornig, 320 Stuyves-  
ant Avenue: I wish to enter an ob-  
jection.

Mrs. Emma Froelich, 102 North  
Munn Ave.: I wish to enter an ob-  
jection.

Mayor Breidenbach: If there is no  
other citizen to be heard the clerk  
will call the roll on the resolution.

The roll being called, the resolution  
was declared adopted by the follow-  
ing votes:

Yeas: Commissioners Gillen, Howe,  
Mayor Breidenbach.

Mr. William A. Smith presented the  
following resolution on behalf of the  
Vailsburg Improvement Association:

RESOLVED, That the Vailsburg  
Improvement Association believes that  
the proposed new assessment of \$25.00  
a lot 25'x100' to be levied for bene-  
fits accruing from the Vailsburg drain  
against property not fronting on that  
drain is excessive and that said new

assessment should not exceed \$12 50 a lot;

FURTHER RESOLVED, that a copy of this resolution be presented by our attorney, William A. Smith, to the Newark City Commission at its meeting on September 11, 1923;

FURTHER RESOLVED, That our attorney, William A. Smith is hereby authorized to agree upon a new assessment provided a reduction satisfactory to him is made in the assessment against properties not fronting on the drain but within the drainage area.

Received and filed.

Commissioner Gillen offered the following ordinance which was read by the clerk:

An ordinance to amend an ordinance entitled: "An ordinance regulating and restricting the location of trades and industries and the location of buildings designed for specified uses, and regulating and limiting the height and bulk of buildings hereafter erected, and regulating and determining the area of yards, courts and other open spaces surrounding buildings, and establishing the boundaries of districts for the said purposes and providing penalties for the violation of its provisions," adopted December 31, 1919.

The Board of Commissioners of the City of Newark, Do Ordain:

Section 1. That an ordinance en-

titled. "An ordinance regulating and restricting the location of trades and industries and the location of buildings designed for specified uses and regulating and limiting the height and bulk of buildings hereafter erected, and regulating and determining the area of yards, courts and other open spaces surrounding buildings, and establishing the boundaries of districts for the said purposes and providing penalties for the violation of its provisions," adopted December 31, 1919, is hereby amended in the following manner:

By extending the Business District from the North side of Warren Street, at a point 100 feet east of High Street to a point 100 feet west of Arch Street;

and that the Use District Map which accompanies said Ordinance to which this ordinance is an amendment be and the same is hereby changed so as to include within said Business District the area above described.

Section 2. That the Ordinance above mentioned is hereby further amended by including in the "A" Area District the east side of South Twelfth Street between Twelfth and Thirteenth Avenues;

Section 3. That the ordinance above mentioned is hereby further amended by including in the "B" Area District Mt. Prospect Avenue between Heller Parkway and Grafton Avenue; and that the Use District Map which accompanies said Ordinance to which this ordinance is an

amendment be and the same is hereby changed so as to include within said respective Area Districts the respective lines above mentioned and described.

Section 4. All Ordinances and parts of Ordinances inconsistent herewith be and the same are hereby repealed.

Section 5. This ordinance shall take effect immediately.

The ordinance having been read once, Commissioner Gillen moved that it be ordered to a second reading.

The roll being called, the motion was declared adopted by the following votes:

An ordinance to provide for the paving of Abington Avenue West from Third Street to North 6th Street with asphalt pavement (1½" top—1½" binder) on a six (6) inch concrete foundation.

The Board of Commissioners of the City of Newark, do ordain:

Section 1. That Abington Avenue West from Third Street to North 6th Street shall be paved with asphalt pavement (1½" top—1½" binder) on a six (6) inch concrete foundation, with the necessary new curbing or resetting of curb, together with all other appurtenances incidental to the paving of said street including the laying of concrete sidewalks at street intersections and elsewhere wherever needed, and the laying or relaying of a sidewalk or sidewalks or such portion or portions of sidewalks as may be disturbed or may become necessary or expedient, or the grade of which may be affected on account of the laying of the pavement or the setting or resetting of the curb, under and by virtue of the provisions of an act entitled "An Act Concerning Municipalities" approved March 27, 1917, (P. L. 1917—319) and the supplements thereto and amendments thereof, in accordance with the plans, specifications and profiles dated August 20th, 1923, and now on file in the office of the Department of Streets and Public Improvements. The City Asphalt Plant to be authorized to bid on said work.

In order to avoid the necessity of excavating and tearing up the improved portion of said street after the making of said improvement, the owners of any and all lands on the line of said improvement, are hereby ordered and directed to make the necessary connections with the sewer, gas and water mains to the curb lines in said street for each lot fronting upon said street within thirty (30) days after the passage of this ordinance.

Upon failure of any such owner to make or cause said connections to be made the same will be made by the Department of Streets and Public Improvements in which case the costs and expenses of making said connections will be assessed upon the lands benefited. Each 25 feet of frontage upon said street for the purposes of this improvement shall be considered a lot.

Section 2. The said improvement shall be undertaken as a local improvement and the cost thereof shall be assessed against the property benefited by said improvement, in proportion to the benefits received, under and by virtue of the provisions of the act above referred to.

Section 3. That the sum of \$13,000.00 is hereby appropriated to pay the cost of said improvement, and for the purpose of meeting said appropriation and temporarily financing said improvement, temporary bonds or notes shall be issued from time to time in an amount not to exceed \$13,000.00 under and by virtue of the provisions of an act entitled "An Act to authorize and regulate the issuance of bonds and other obligations and the incurring of indebtedness by county, city, borough, village, town, township, or any municipality governed by an improvement commission" approved March 22, 1916 (P. L. 1916—525) and the supplements thereto and amendments thereof, which bonds or notes shall bear interest at a rate of not to exceed six per centum per annum. All other matters in respect to such temporary bonds or notes

shall be determined by the Director of the Department of Revenue and Finance who is hereby authorized to execute and issue said bonds or notes.

Section 4. That this ordinance shall take effect immediately and all ordinances or parts of ordinances inconsistent with the provisions of this ordinance, be and the same are hereby repealed.

Mayor Breidenbach: I wish to say a few words to the Commissioners in regard to the trolley strike. You all know Director Raymond and myself have had several conferences with Mayors and also with the Public Service. We had three conferences with the Public Service, Senator Wakelee and Mr. O'Toole, but we did not get very far in settling the strike or having the trolleys come back. I would like to let the public know that the Commissioners are trying their best to get the trolleys back. We have not got very much power to compel the Public Service to run the trolleys. I have called a conference for next Monday to go over the situation and see what can be done. So far as I know, Director Raymond is having a lot of extra jitneys put on. I do not know how many, but I think Mr. Crawford can tell us. I want the public to know that the Commission is very sincere in its efforts to have the trolleys resume.

**Mr. Crawford** About 235.

**Commissioner Gillen:** They are actually operating?

**Mr. Crawford:** Yes. I am having difficulty with the 5% tax. Commissioner Howe looks to me to collect it and when I bring these men in to pay they threaten to quit.

**Commissioner Gillen:** How are these buses taking care of the service at the present time?

**Mr. Crawford:** They are not taking care of it as well as I would like to see them. They are doing the business of 525 trolley cars and 400 buses which were operating before this strike. There is no use my telling you these 625 buses can do the work of 1,000 vehicles. I have reached the end of getting new buses. You cannot get these men to come here, because of the uncertainty of the strike. When they come here they have to pay \$19. to \$20. for insurance to begin with, and with the 5% tax and the State License it costs about \$175. to bring a bus here.

**Commissioner Gillen:** Do you need more buses?

**Mr. Crawford:** Yes, with 625 buses we cannot give service. We have issued consents now for 230 additional buses.

**Commissioner Gillen:** They are just temporary.

**Mr. Crawford:** Two hundred of them are. They are permits in the names of associations. There are thirteen associations and they are now ready to be presented to the Public Utility Commission today.

**Commissioner Howe:** We have had many complaints from residents of the Ironbound District. I find in the section that the Kinney car ran through—Tyler Street and Elm Road—not one bus has been sent down there.

**Mr. Crawford:** I went down there yesterday and we have put on four buses.

**Commissioner Gillen:** The main thing as I see it, is service. As City Commissioners, we are supposed in case of an emergency to provide adequate service. I believe Director Raymond is doing everything in his power, but the time has come when we will have to do something. If this strike continues and cars do not operate, I think this commission should meet and take very drastic steps to provide adequate service, because after all the citizens of Newark are entitled to and must receive transportation service, and I think it is in our power to do so. I feel we should employ every possible legal power to give that service if this strike continues. I think we are all of one mind. It is a serious situation. I believe the City will have to do something when it comes to be a matter of public necessity. There should be some means to supply the proper facilities. What power has the City to supply buses, Mr. Congleton?

Mr. Congleton It has none other than a referendum. The City cannot go into the transportation business except on a referendum vote.

Commissioner Howe moved to adjourn.

The roll being called, the motion was declared adopted by the following votes:

Yeas: Commissioners Gillen, Howe, Mayor Breidenbach.

APPROVED:

F. C. BREIDENBACH,  
CHARLES P. GILLEN,  
JOHN HOWE,

The Board of Commissioners of  
The City of Newark, N. J.

W. J. EGAN,  
City Clerk.

NEWARK, N. J.

September 14, 1923.

A Special Meeting of the Board of Commissioners of the City of Newark, New Jersey, was held on the above date in the Commissioner's Chamber, City Hall, Newark, at 11 A. M.

Present: Commissioners Brennan, Gillen, Howe, Raymond, Mayor Breidenbach.

Mayor Breidenbach: The object of this meeting is to have Director Raymond take up the matter of the jitney and trolley situation in the City of Newark.

Commissioner Raymond: As you know, and the Commissioners know, we have had several long conferences regarding the present transportation crisis, and I think we have come to several conclusions.

The main one is that there is no use in the public being fooled or in our indulging in any false hopes that trolley service will be restored through court action. There is no possibility of a resumption of service for many months.

The Public Service is prepared to appeal. They have told us that themselves—the mandamus proceedings, the quo warranto proceedings, the appointment of a temporary receiver or any other litigation. These appeals would carry on for an interminable period, and there is no use of our waiting any longer.

The Public Service will never make any settlement with the State, the city, or any governing body except according to the letter of the plan it proposes.

In the Constitution of the State of New Jersey there is nothing which gives this municipality any power to do anything to relieve the situation, and on that account we are driven to the last ditch in this fight, which is to get laws on the books which will give us power to do something, and the only place this can be done is in the Legislature, and the only person who can convene the Legislature before its regular session in January is His Excellency, the Governor.

Commissioner Raymond: I am submitting herewith a letter which sets forth the problems which are confronting us:

September 14, 1923.

Hon. George S. Silzer, Governor,  
Trenton, New Jersey.

My dear Governor:

The situation in the State resulting from the refusal of Public Service Railway Company to operate its cars in the very large zone which it has undertaken to serve, embracing as it does almost all of North Jersey, is becoming a serious menace to the welfare of the State from every point of view. It is supposed by citizens hereabouts that I, as Director of Streets and Public Improvements of the City of Newark, or that our City Commis-

sion can do something which will again place the cars on the tracks. But as a lawyer, I am sure that you will agree with me that there is nothing that I can do and there is nothing that the members of the City Commission can do short of a complete surrender to a conscienceless corporation which will bring about this result. It might be that by a servile surrender the Company, accepting to the letter its terms of a plan of settlement, the travelling public could be given means of transportation again, but no self-respecting public officials would willingly make this surrender.

Without in any way wishing to place too much responsibility upon you I cannot but feel, and the City Commission of the City of Newark agrees with me in this proposition, that only through you can a resumption of proper transportation facilities be accomplished.

The propositions which are confronting us are these:

First: I am told by the officials of Public Service that if I use the big stick and force the jitneys from the streets of Newark on which they parallel the lines of the trolley cars they will resume operation. I believe you know that if I did this, were it possible for me to do it legally and morally, the trolley service would fall short of providing the general public with transportation service by one-third the demand for that service. The trolley cars in this City could not possibly, without the auxiliary bus

service, take care of the demands of Broad Street, Market Street, Belleville Avenue, Bloomfield Avenue, Orange Street, Central Avenue, South Orange Avenue, Springfield Avenue, Clinton Avenue, Elizabeth Avenue and Frelinghuysen Avenue, and therefore, this suggestion of theirs is entirely futile.

Secondly: I am asked to re-route the jitneys if the bus owners refuse to sell their buses to Public Service. If you will examine the map of the City of Newark you will find that there is absolutely no way in which these jitney buses can be re-routed which would allow them sufficient return to operate or provide the auxiliary service which the trolley cars have been for years unable to give without this service.

Third: To provide for the demands of the travelling public in this City we would require nine hundred buses at least. We have now about 650 operating. I have issued two hundred additional permits which are pending for approval before the Utilities Commission. Let me point out, however, that each new jitney involves a capital expenditure of from \$5,000.00 to \$8,000.00 or thereabouts. and if the 200 extra jitney buses were placed upon the streets of the City it would involve an investment of some \$1,500,000.00. Under the law, the City without a referendum, is without power to install a jitney system, and the bus owners and prospective bus owners are unwilling to embark in an uncertain undertaking requiring the purchase and operation

of a million and a half dollars' worth of jitney buses under present conditions. The situation is such that the trolley cars may be back on the streets at any time, which would destroy the investment in the buses. There are certain individuals in this City who are unable to grasp this economic point, that \$1,500,000.00 cannot be raised until the investment appears to be a safe one and promises to yield a continuous income to those who make it, and if there is a possibility of the cars coming back in the streets there is no fool here who would make the investment.

Fourth: The jitney owners have refused to sell to Public Service Corporation. They have served the public faithfully and as well as they could at a five-cent fare during this emergency. It would amount to confiscation to drive them from the streets were it possible to do so. Should they be owned and operated by Public Service it would create a complete monopoly of all forms of transportation, and in the event of another strike by Public Service Corporation, for that is what this situation amounts to, we would be utterly helpless to provide any sort of service.

Fifth: The present bus service is entirely inadequate, and with winter approaching it is imperative that steps be taken at once to give the people adequate service.

These points having been disposed of, your Excellency must see that there is absolutely no solution of this problem under existing laws. I am, therefore, constrained, and I speak in

behalf of the members of the City Commission of the City of Newark as well, to urge upon you the necessity of immediately calling a special session of the Legislature to enact legislation meeting these conditions. The Legislature has never enacted laws which meet the present serious situation, and this has left the State helpless in the face of the refusal of a powerful corporation to do its duty to the public. It is not for me to presume to advise either you or the Legislature what course it might pursue, but with all deference I submit that legislation providing that if a utility corporation, holding exclusive franchises such as Public Service Corporation does and having the practical monopoly of the transportation service of two-thirds of the State at least, fail for two days to operate its cars and provide the public with the service to which it is entitled its franchises be revoked and empowering the Courts of the State to appoint a receiver, and to require such receiver to operate the cars for the benefit of the public. Moreover, under the terms of the Home Rule Act, in order for a city to engage in the bus business it is necessary to submit a complete plan, together with the cost thereof, to the people on a referendum, upon the adoption of which it becomes mandatory upon the governing body to carry it out in full. This would be entirely impracticable here and the law should be so amended that the governing body be given ample power to provide bus service as the exigencies of the case may require without referring the matter to the people on a referendum.

We are driven your Excellency, to a new situation in this State which will probably require that the State eventually take over the control and operation of trolley service. But whatever the remedy may be, there is no existing law which gives power to any utility commission, city official or yourself to remedy a situation which is rapidly injuring beyond remedy the business and social affairs of a great sovereign State, and this great sovereign State is today in the position of a beggar at the door of a great utility corporation which refuses to do its duty.

Therefore, your Excellency, I must respectfully suggest that you call a special session of the Legislature to enact legislation which shall remedy a condition which is beyond the power of any official of the State of New Jersey to otherwise remedy.

Respectfully yours,

(Signed) Thomas L. Raymond,  
Director.

Mayor Breidenbach: You have heard the reading of the communication.

Commissioner Raymond: With the exception of a possible suggestion, I would like an amendment to the Home Rule Law enacted at once, the City Commission to produce funds to such an extent as it may deem necessary under existing circumstances, relieving the necessity of putting the matter up to the people at a referendum, which I do not object to, but

which I think would be proper to do. If the referendum is adopted I understand that it is mandatory up on us then to immediately go forward and carry out the mandate of the people.

I do not want to put on too many buses, but we must have sufficient buses to take care of the traveling public, and the public require that we take care of them.

Before submitting this letter, I would like to have the approval thereof of the Board of Commissioners, and incorporate any suggestions that my colleagues desire to make.

Commissioner Howe: You have already had several conferences with the Public Service, and they have not conceded their demands in any way.

Commissioner Raymond: No. No.

Commissioner Howe: Don't you think that there is a possibility of settling with them?

Commissioner Raymond: Absolutely I see no possibility; none whatever.

Commissioner Brennan: I would like to say that the letter prepared by Commissioner Raymond, which has just been read, and the suggestions he has made relative to bus service, is the voice of the Commission, and that the Commission be authorized to send the letter to Governor Silzer.

Mayor Breidenbach: Seconded.

Commissioner Raymond: The only way that the Public Service will resume service, is through the acquisition of the jitneys.

I am told by officials of the Public Service that if I use the big stick I can force the jitneys from the streets of the City of Newark on which they parallel the lines of the trolley cars that they will resume operation.

If I did this, were it possible for me to do it legally and morally, the trolley service would fall short of providing the general public with transportation service by one-third the demand for that service. The trolley cars could not possibly without the bus service, take care of the demands of the public.

I would suggest an amendment to the Kates Act to permit the City to meet the emergency by approving the importation and operation of as many buses as are needed to properly handle the people.

I will ask Corporation Counsel Congleton to read the Kates Act.

Corporation Counsel Congleton: The last paragraph of Section 2 of Chapter 136 of the Laws of 1916 known as the Kates Act, and which section is the one which provides for the granting of permits for jitneys on our streets, providing for an insurance, etc., etc., reads as follows:

“\*\*\*\*\*Any such consent may be revoked by the governing body of the City granting the same after notice

and hearing whenever it shall appear that the person to whom such consent was granted has failed to furnish and keep in force the insurance and power of attorney therein required.\*\*\*\*\*”

Commissioner Raymond offered the following resolution:

RESOLVED: That the sum of One Hundred Thousand Dollars (\$100,000). be and the same hereby is appropriated to the persons named, as per certified list attached, being the gross amount of bills contracted and chargeable to the Department of Streets and Public Improvements as follows:

Water .....\$100,000.00

The roll being called, the resolution was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Raymond, Mayor Breidenbach.

Commissioner Gillen: Would it not be well to have the Law Department prepare objections to be introduced in case the Governor should call a special session of the Legislature incorporating the ideas of this Commission?

Commissioner Raymond: I move that this be done, and that Corporation Counsel Congleton engage as his counsel Mr. Frank H. Somer, who has been associated in this matter from the beginning.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Raymond, Mayor Breidenbach.

Commissioner Raymond: Addressing Mr. George F. Seymour, Jr., representing the New Jersey Bus Owners' Association, may I ask you a question?

As I understand it, you represent the holders of 450 bus permits operating under the Kates Law, and we have issued about 130 to 135 temporary bus permits, have we not?

Mr. Seymour: Yes.

Commissioner Raymond: Permits have been issued for jitneys for the duration of the strike, and we also have about 25 or 30 permits for six months. That would give us about 650 buses operating at present.

Mr. Seymour: Yes.

Commissioner Raymond: They are not taking care of the situation at all.

Mr. Seymour: I do not admit that.

Commissioner Raymond: It is not adequate service.

Mr. Seymour: I would admit that between 5 and 6 P. M. the service is inadequate.

Commissioner Raymond: If the buses are to take care of the public, they must take care of the rush hours.

Mr. Seymour: Yes.

Commissioner Raymond: There are 200 permits pending before the Public Utilities Commission which have been held up for an indefinite period, but as soon as they are O.K'd I will immediately issue permits for jitneys.

Mr. Seymour: The holding up of these 200 permits has been a serious menace to the service.

Commissioner Raymond: How long, Mr. Crawford, have these permits been pending before the Board of Utility Commissioners?

Mr. Crawford, Transportation Supervisor: A week ago Tuesday.

Commissioner Raymond: The object of the Public Service is to drive the jitneys from the Streets of this City. They want the jitneys to run on streets parallel with the streets on which they are now running, but not where there are trolley tracks. I will never agree to this. The situation is such that the trolleys may be back on the streets at any time, in which case it would be necessary to remove the jitneys and place an expenditure upon the City of at least \$1,500,000 which we do not care to undertake at this time. Then again it is up to us to take care of the jitney owner who has invested from \$5,000 to \$8,000 in his machine.

Mr. Seymour: The jitney men will not sell to the Public Service under any circumstances. I have had several meetings, and last week frankly questioned them. They said they would rather starve to death than to yield to Public Service, and when the men talk that way, you know they are willing to stick by the City and do all in their power to aid the traveling public, in giving them adequate service.

Another thing is the temporary permits, after a man makes an investment of \$5,000 to \$8,000 for a jitney, he is not very anxious to receive a permit for a short while and after that have his capital remain idle. That amount of money does not warrant a man's taking out a temporary permit, and unless we can give the jitney men some assurance that we will take care of them, it is not fair to them to make these investments. What they need is some protection.

Commissioner Raymond: As I understand it there are about 400 to 450 jitneys operating at present.

Mr. Seymour: There are 414 buses in operation.

Commissioner Raymond: 414 buses in operation, 135 permits issued under the strike plan and 200 permits pending from the Public Utility which will make 749 buses.

Mr. Crawford: It will take about 1,000 buses to take care of the traffic of the City.

Commissioner Raymond: What is the standard size of the buses in operation?

Mr. Crawford: 16 ft. 8 inches.

Commissioner Raymond: Is there any law in effect regulating the size of the jitneys?

Mr. Crawford: No. The Public Service objected to large buses as they would obstruct the view of the trolley, and they could not pull up to the curb as readily as the small ones.

Commissioner Raymond: Then it is up to us to obtain jitneys with a seating capacity of at least 30, with low bodies, and if they cannot pull up to the curb it will not make any difference, as the public needs service and with winter approaching it is imperative that steps be taken at once to give the public adequate service.

Commissioner Gillen: How long will it take for those 200 permits to be issued that the Utility Commissioners are holding?

Mr. Seymour: I don't know, probably about 60 days. We have buses coming from out of town every day and Monday morning we expect 11 Macks from Philadelphia, and just as soon as they reach here, we will send them to Mr. Crawford, who will give them temporary permits.

Commissioner Gillen: What I have in mind is the question of these 200 buses.

Mr. Crawford: If the Public Utility Commissioners just changed their system a little and issued permits immediately instead of waiting for two weeks it will greatly facilitate matters.

Mr. Seymour: If we were in a position to issue permits just as fast as the out of town cars came in instead of submitting them to the Utility Commissioners it will greatly remedy conditions.

Commissioner Gillen: It seems the great need of the moment is more buses.

Commissioner Raymond: I am going to issue permits just as fast as we can.

Commissioner Gillen: Then every available agency in this City should be sought for more buses, and the moment they appear on the streets with the owner and insurance policy, they should be given a permit.

Mr. Crawford: That has been my custom.

Commissioner Raymond: We want to gather in every car we can get, and we will take care of the situation so far as snow is concerned.

Commissioner Raymond: I would like the law amended so that the buses will not require a legal permission.

Commissioner Howe: Who has the power of rerouting buses?

Commissioner Raymond: I am not so sure that anybody has the right.

Mr. Seymour: I think nobody has.

Commissioner Raymond: There is no way of re-routing the buses. The Public Service is simply creating its own competition and at its own peril, and I want them to take warning that the competition instead of being diminished will be increased immensely, and they will never be able to remedy it. I will not agree to more than a 5c fare.

Commissioner Raymond: I intend to issue permits just as fast as buses are brought in, and I will do everything in my power to aid the jitneys.

Commissioner Gillen moved to adjourn.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Raymond, Mayor Breidenbach.

APPROVED:

THOMAS L. RAYMOND,  
F. C. BREIDENBACH,  
CHARLES P. GILLEN,  
JOHN HOWE,  
W. J. BRENNAN,

The Board of Commissioners of  
The City of Newark, N. J.

W. J. EGAN,  
City Clerk.

NEWARK, N. J.

September 18, 1923.

A regular meeting of the Board of Commissioners of the City of Newark, N. J., was held on the above date, in the Commissioners' Chamber, City Hall, Newark, at 11 A. M.

Present: Commissioners Brennan, Gillen, Howe, Raymond, Mayor Breidenbach.

The minutes of meeting of September 11th were read and approved.

Mayor Breidenbach: Is there any citizen desiring to be heard by the Board?

Mr. Charles Birdsall, 243 Broad Street: I would like to ask if this Commission or any other municipal body to your knowledge has offered the Public Service Railway the opportunity to restore the old rate of fare of 8c and a reduced jitney fare of 5c, or if it you are now ready to make such an offer.

Commissioner Raymond: I do not know anything about it. I never heard of such an offer.

Mr. Birdsall: I ask this question because no fair attention has been paid to the offer of the Public Service Railway to reduce the fare to 7c and increase the fare of the jitney.

Mayor Breidenbach: I know at the conference at which Commissioner Raymond, myself, Mr. Congleton, Mr.

Sommers and Public Service officials were present, we asked them to run the jitneys at 5c and they wanted 7c.

Mr. Birdsall: I am speaking of restoring the old fare of 8c instead of 7c as they propose. I think they would be glad to do it. It would be a fair arrangement all around and that is the reason I speak of it.

Commissioner Howe: If you were here at the meeting the other day, Director Raymond and Mayor Breidenbach explained their efforts to bring about some sort of a settlement of the affair, in fact, if I remember correctly they met four days in succession.

Director Raymond: There is only one thing the Public Service will do. They will do nothing except according to the letter or printed proposal they sent out. That is all they will do and nothing different.

Mr. Leslie L. Vanderbilt, 790 Broad Street: May I, on behalf of the Adas Israel Congregation ask for a postponement for week on the motion or resolution that is to come before this Board this morning rescinding the approval of the application for a cemetery on the old Maybaum property on South Orange Avenue? My reason for making this application is that I was not brought into this case until late Saturday and the situation is a very complicated one, and I would like a reasonable time in order to acquaint myself with the facts. I would not ask you for more than one week in order to get familiar with the facts in

the case and be prepared to present the side of the Congregation.

Mr. William A. Cavanaugh, representing the Vailsburg Improvement Association: Are you going to grant this application to this Lawyer to lay this matter over for one week?

Mayor Breidenbach: I think these people are entitled to a hearing.

Mr. Cavanaugh: I have been inconvenienced coming here today as well as other people who are here on this matter. They have had ample notice of this hearing and I do not think we should be inconvenienced by having this matter postponed.

Mr. Henry Dawson: I represent a number of property owners in that section who have come here at very great inconvenience. The cemetery people had plenty of notice of this hearing, and it seems to me property owners should be taken into consideration. They have known of it and had knowledge of the time, place and day, and we are here in accordance with that notice.

Mr. Charles H. Martens, 388 Main Street, East Orange: I represent property owners on the north side of this proposed cemetery. Our neighbors go to considerable time and expense to come here and we do not think it fair to ask them to come here again.

Commissioner Gillen moved that those people who are here to object to this cemetery be heard, and that

the hearing of the other side be postponed one week.

Mr. Cavanaugh: That would not be fair. You would have to have a hearing so that one side could reply to the other.

Commissioner Gillen: I move that the matter be laid over until next week.

Mr. Vanderbilt: We do not know what the exact objections are that have been raised. We know there is to be a hearing, but we have no information of facts.

Mayor Breidenbach: The clerk will call the roll on the motion to lay this matter over one week.

Yeas: Commissioner Gillen.

Nays: Commissioners Brennan, Howe, Raymond, Mayor Breidenbach.

The motion was declared lost.

Director Gillen: The only thing I know is that this Board in good faith granted a permit for this Congregation to conduct a cemetery for burial purposes. If I remember correctly at the time, permit was granted the first day the matter was brought up. According to my recollection it was laid over and opportunity given for objection. As I remember, there was no objection whatever and we granted the permit. There was no objection entered and the Commission in good faith granted the permit for this cemetery. It is in the vicinity of other

cemeteries—it is a cemetery location. I do not know whether it was wise to use this property for cemetery purposes. However, this Board granted this permit and these people have been put to expense in purchasing the property, and they invested their money in it. Now then, the question arises was the permit legally granted. That however is a matter for the Court to thrash out. I do not think it is for this Board to pass on the legality of the matter. If these people went ahead in good faith and purchased this property to develop it for cemetery purposes, and if the members of this Congregation invested their money in it, they should certainly be given a full hearing before the Board should attempt to rescind its previous action. No Board or body in the State of New Jersey has the right to take away something it has granted without a public hearing. Now Counsel appears before us and asks a postponement for one week in order that he may familiarize himself with the case. I do not see why they should not be granted a week. That is the reason I made the motion. However, the Commissioners can vote as they please.

Commissioner Raymond: I would like to be advised by the Corporation Counsel as to the status of this permit. How was it granted; was it granted according to law?

Corporation Counsel Congleton: From such investigation as I have made, I have examined the files in the City Clerk's Office, and I find no application in writing for this permit.

There was no map filed as required. That in addition to the fact that the Zoning Ordinance places this property in the residential section, makes it illegal. I judge the permit when granted was inadvertently granted and is not binding, because the provisions of the statute giving you jurisdiction had not been complied with.

Commissioner Raymond: Then, I think there is only thing to do. I do not think this Commission should wait for the Courts to set aside its erroneous acts. We have a chance to correct our irregularities so let's correct them. That would be my idea. I do not think we should let anything stand on the records in that shape.

Commissioner Raymond moved that the Board now go into the hearing on the permit granted the Adas Israel Cemetery Association.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Howe, Raymond, Mayor Breidenbach.

Nays:—Commissioner Gillen.

Mayor Breidenbach: We will first hear those opposed to the cemetery.

Mr. William A. Cavanaugh: On behalf of the Vailsburg Improvement Association, I am authorized to protest against the use of this property for cemetery purposes. Our attitude is against the use of all property in that section for cemetery purposes.

I can only repeat what I have previously stated. In the first place the application was not proceeded with in due form as called for. The Corporation Counsel says no map was filed, which makes it illegal. The question has been raised that the State Board of Health has passed on this permit. The State Board of Health looks to the City to approve or disapprove and assumes that the City has proceeded legally when it o.k.'s a cemetery permit. The principle of the Zoning Ordinance is to stop just such things. The granting of this application is in direct conflict with the Zoning Ordinance. If you are going to flagrantly violate it in this manner, rescind it entirely. Counsel says this case was proceeded with illegally. If that is the case, correct it. This is not a question of judgment, but illegal procedure. If Counsel says you acted illegally, you should correct your error, and we ask you to correct it.

Mr. Henry H. Dawson, Essex Building: I represent a number of property owners in that section and we object strenuously to the location of this cemetery in that section, and also object to the manner in which the present permit was granted. As the City Counsel stated, the statute requires that application must be made and presented to the governing body, as well as to the Board of Health, and a map showing the property filed at the same time. That has not been done. In addition to that there is a rather peculiar clause in the cemetery act. Section 181 provides that no more than three cemeteries shall be located in any city, town or township in any county of this State unless present

cemeteries are filled up so that no more lots can be obtained. The most important question is as to the necessity for this new cemetery in this location, whether it would be advisable. This is a piece of property that really needs development in connection with the housing question for the City of Newark. There are two streets in East Orange which could be properly extended and this property opened for purposes of development. The County Park Commission have arranged for the extension of one of their streets in the immediate vicinity and if this cemetery is going to be put there it is going to stop that development. In granting this permit you are taking this property right out of the tax ratables and depriving it of development. You would also deprive the residents and property owners of that section of the city a means of access from north to south.

Mr. Charles H. Martens, 388 Main Street: I represent property owners facing this property on the north side. We did not know anything of this cemetery permit being issued until May. We object to the granting of this permit because it will ruin the property in that vicinity. I understand the County Park Commission have planned to extend the Orange Boulevard through to South Orange Avenue, but will have to abandon it if this permit is granted, and we strenuously object to this cemetery being located there.

Mrs. Emma Froelich, 102 North Munn Avenue also opposed the granting of a permit for this cemetery.

Mr. Leshe L. Vanderbilt, 790 Broad Street: As I said before, I am not prepared as I would like to be, but I will endeavor to do the best I can. The situation is, this Commission has passed a resolution granting a permit to have a cemetery there, and the Congregation obtained it under two conditions. One was that permission be obtained from the local Board of Health which has been obtained, and the second was that permission be obtained from the State Board of Health and relying on this and the resolution of this Board, the Congregation purchased this property at a large price for the purpose of using it as a cemetery. It seems to me at this time this Commission cannot stop to say we would like to have this property used for park purposes if the County Park Commission wants to use it. You cannot stop to say we would like to have this property used for residential purposes after the Corporation has gone out and purchased it. On the result of your action the Congregation complied with the terms of the resolution and thereby acquired a vested right to have a cemetery on the premises in question, and the only thing that will enable this Commission to rescind their action is to say it was not passed in accordance with law. Now it is said there were certain technical legal requirements which were not complied with in this application. The cemetery law is not the clearest thing in the way of laws of this State, but the last word the Legislature said on cemeteries was the Law of 1906. In this law they said it would not be lawful to locate any new cemetery, but they could enlarge those already established with

the consent of the governing body, Board of Health, etc., in which it is proposed to enlarge. It then goes on to provide citizens are to be given thirty days in which to appeal.

Application in writing was made to the Health Officer and I have a copy of the application. It does not say to whom application should be made. This application was accompanied by a map which will be found in the files of the Health Office of this City and map has been filed with the State Board of Health, therefore, I say application has been made as required by the Statute.

Commissioner Brennan offered the following resolution:

WHEREAS, at a meeting of the Board of Commissioners of the City of Newark held on April 11, 1922, a resolution was adopted granting a permit to Adas Israel for permission to conduct a cemetery upon the grounds in said resolution described, and

WHEREAS it now appears that said resolution was not accompanied by application in writing, and that at the time of the adoption of said resolution no application was on file with the City as required by statute;

THEREFORE, BE IT RESOLVED, By the Board of Commissioners of the City of Newark that said consent be and the same is hereby revoked.

Thomas L. Raymond,  
John Howe,  
F. C. Breidenbach,  
W. J. Brennan,

The roll being called, the resolution was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Howe, Raymond, Mayor Breidenbach.

Naye:—Commissioner Gillen.

The following communication was received and read:

September 13, 1923.

The Board of Commissioners  
of the City of Newark.

Honorable Sirs:—

The enclosed amendment to the Building Zone Ordinance changing the regulations in certain sections of Warren Street, South 12th Street and Mt. Prospect Avenue, has been approved by the Commission on Building Districts and Restrictions.

Respectfully submitted,

Commission on Building  
Districts and Restrictions.

R. B. Rankin,  
Secretary.

Ordered filed.

Commissioner Biennan moved that an ordinance entitled "An ordinance to amend an ordinance entitled 'An ordinance regulating and restricting the location of trades and industries and the location of buildings designed for specified uses, and regulating and limiting the height and bulk of buildings hereafter erected, and regulating and determining the area of yards, courts and other open spaces surrounding buildings, and establishing the boundaries of districts for the said purposes and providing penalties for the violation of its provisions,' adopted December 31st, 1919," be taken for its third reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Raymond, Mayor Breidenbach.

The clerk then read the title of the ordinance as follows:

An ordinance to amend an ordinance entitled: "An ordinance regulating and restricting the location of trades and industries and the location of buildings designed for specified uses, and regulating and limiting the height and bulk of buildings hereafter erected, and regulating and determining the area of yards, courts and other open spaces surrounding buildings, and establishing the boundaries of districts for the said purposes and providing penalties for the violation of its provisions," adopted December 31, 1919."

The roll being called, the ordinance was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Raymond, Mayor Breidenbach.

Commissioner Raymond: Mr. Mayor, I wish to make special mention of a resolution which I take a great deal of pleasure in offering today, because it is the first resolution to authorize me to execute a lease for premises at Port Newark on 40 acres of land developed on the south side of the inlet channel, and from all I know about it, I believe the lease will be very advantageous to us as a business beginning for a further development in this zone. It demonstrates that we have not spent our money in vain, but that we have a most valuable proposition there which is going to give the City a revenue which will take care of the money expended in time. This is only a beginning and we owe it to the industry of the men in my department concerned with the real estate selling or the real estate work, that this has been brought about, by a great deal of work on their part. I want to make special note of it so the public can know that Port Newark is beginning to show signs of a business life. I ask a vote on the resolution.

WHEREAS, the Director of the Department of Streets and Public Improvements has negotiated a lease with Intercoastal Lumber Terminals, Inc., a corporation of the State of New Jersey, for certain lands at Port

Newark Terminal, in said lease more particularly described, for a term of twenty years, with an option in favor of said company to renew said lease for a further term of twenty years, and has reported the matter to this Board; and,

WHEREAS, it is the judgment of this Board that it is for the best interests of the City that it enter into a lease with said Intercoastal Lumber Terminals, Inc., upon the terms and conditions stated by said Director and appearing in a copy of said lease annexed hereto;

THEREFORE BE IT RESOLVED By the Board of Commissioners of the City of Newark that the Director of the Department of Streets and Public Improvements and the City Clerk be and they are hereby authorized to execute said lease on behalf of the City on the signing of this resolution.

WHEREAS, the work on the contract for the repaving of Clay Street from Broad Street to Passaic River, awarded June 27th, 1922, to J. B. Gilligan-Casey Company, was postponed during 1922 in order to allow traffic diverted from Lincoln Highway, due to collapse of Hackensack River bridge, to use Clay Street bridge;

AND WHEREAS, it has been impracticable up to the present time to start construction work on said street during 1923, due to operations of Passaic Valley Sewerage Commission at Clay Street and Ogden Street, which operations in conjunction with the repaving work would have greatly restricted the use of this street to both east and west bound traffic;

AND WHEREAS, due to said postponements on the part of the City, the contractor has been put to additional cost for labor, materials and overhead charges;

AND WHEREAS, the contractor has agreed to accept as compensation for said increased cost of the work an increase to the items of the original contract of ten per cent to the following items except item 37, which shall be increased fifteen per cent, and item two which shall be increased five per cent, to wit:

Item	Bid Price	Increased to

John Howe,  
W. J. Brennan,  
F. C. Breidenbach,  
Charles P. Gillen,  
Thomas L. Raymond,

The roll being called, the resolution was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Raymond, Mayor Breidenbach.

The following petition was received and read:

To the Honorable,

The Board of Commissioners

of the City of Newark.

Your petitioners, whose names are hereunto subscribed by this their petition, respectfully set forth and show:

1. That they comprise twenty per centum of the legal voters of The City of Newark, a municipality in the County of Essex and State of New Jersey, and that pursuant to an Act of the Legislature of the State, entitled "An Act concerning Municipalities," approved March 27, 1917, being Chapter 152 of the Laws of 1917, as amended by Chapter 163 of the Laws of 1918, and the supplements thereto and amendments thereof, they do hereby petition and request that there shall be submitted to the legal voters of said City of Newark, the question of fixing the salaries of certain officers and employes of the fire and police departments of said City, at the amounts hereinafter stated; such salaries to commence on the first day of January, 1924, and that an ordinance in conformity herewith be passed as provided by law, viz:

2. Firemen, and Fire Alarm Telegraph Operators, and Patrolmen, First Year, \$2300. each; Second Year, \$2400. each; Third Year, \$2500. each; Sergeants of Police, \$2800; Captains of the Fire Division and Lieutenants of the Police Division, \$3100. each; Battalion Chiefs of the Fire Division and Captains of the Police Division, \$3900 each; Deputy Chiefs of the Fire and Police Divisions, \$4900 each; and the Chiefs of the Fire and Police Divisions of the Department of Public Safety, \$5900, each.

City Clerk Egan: There are 1137

sheets to this petition, containing 24,154 names.

Commissioner Brennan moved that the petitions be received and filed.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Raymond, Mayor Breidenbach.

Corporation Counsel Congleton:— Mr. Mayor and Commissioners, this petition having been received more than thirty days before the next General Election, in my judgment under the Law it is mandatory upon you gentlemen forthwith to pass an ordinance fixing the salaries at the figures set forth in the petition, and a certified copy of that ordinance is then to be forwarded to the County Clerk, and the question of adoption or rejection will be placed upon the ballot and the voters will have an opportunity to express themselves.

Commissioner Brennan: How long must that ordinance be filed?

Mr. Congleton: Thirty days, so if introduced and passed today it gives the necessary time. It having been filed in time to give sufficient time to pass the ordinance, it is my opinion that it is mandatory for you to set the machinery in order. I have prepared an ordinance and I put a preamble to it reciting that fact. I want to say in justification to myself in the preparation of this ordinance that

I have only had since 10 o'clock this morning to prepare it. I have used my best judgment in the matter and have studied the statutes and I hope it complies with the statutes. I cannot assume any further responsibility than that, because I have not had enough time. If it is wrong somebody is responsible beside myself for not having given further time to go into it.

The Clerk then read the ordinance as follows:

An ordinance relating to and fixing the salary of certain officers and employes of the Divisions of Fire and Police of the Department of Public Safety of the City of Newark.

WHEREAS, there has been submitted to the Board of Commissioners of the City of Newark a petition signed by twenty per centum of the legal voters of the City of Newark requesting that there shall be submitted to the legal voters of said City at the next general election the question of fixing the salaries of certain officers and members of the Division of Fire and Police of the Department of Public Safety of the City of Newark; and,

WHEREAS, under the provisions of Chapter 152 of the Laws of 1917 and the acts amendatory thereof and supplemental thereto, it is mandatory upon the Board of Commissioners of any municipality of this State, upon receipt of such a petition, to cause such question to be submitted to the legal voters of the municipality in

which such petition is received at the next general election therein occurring more than thirty days after the receipt of such petition;

NOW, THEREFORE, THE BOARD OF COMMISSIONERS OF THE CITY OF NEWARK DO ORDAIN:

RESOLVED: By the Board of Commissioners of the City of Newark, New Jersey, that the foregoing report and declaration of costs be and the same are hereby referred to the Board of Commissioners of Assessments for Local Improvements to assess benefits pursuant to the direction and provisions of the statutes in such case made and provided.

W. J. Brennan,  
John Howe,  
F. C. Breidenbach,  
Charles P. Gillen,

The roll being called, the resolution was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Raymond, Mayor Breidenbach.

Commissioner Howe offered the following resolutions:

WHEREAS, The City of Newark on April 2, 1923, issued its short time obligations known as Temporary Loan Bonds in the aggregate amount of Two Hundred Thousand Dollars (\$200,000.00) for money expended for Market Construction, said Temporary Loan Bonds numbered A-398-406, and dated April 2, 1923, and payable October 2nd, 1923;

AND WHEREAS, the improvement for which said Two Hundred Thousand Dollars (\$200,000.00) of Temporary Loan was issued was for Market Construction, and is an improvement for which the City is authorized by Chapter 252, of the Laws of 1916 to issue bonds, and the City is without funds to pay said Two Hundred Thousand Dollars (\$200,000.00) of Temporary Loan Bonds issued therefor;

THEREFORE BE IT RESOLVED, That in pursuance of the provisions of an Act of the Legislature of the State of New Jersey, entitled "An Act to authorize and regulate the issuance of bonds and other obligations and the incurring of indebtedness by county, city, borough, village, town, township or any municipality governed by an improvement commission" approved March 22, 1916, and the amendments thereto, there shall be issued Temporary Loan Bonds in the amount of Two Hundred Thousand Dollars (\$200,000.00) for the purpose of temporarily financing the improvement aforesaid and renewing said Two Hundred Thousand Dollars (\$200,000.00) issued therefor.

FURTHER RESOLVED, That each of the Temporary Loan Bonds authorized by this resolution amounting in the aggregate to Two Hundred Thousand Dollars (\$200,000.00) shall state in general terms the purpose for which it is issued, shall be dated as of the date of its issue, shall mature not exceeding six months after its date, shall bear such rate of interest not exceeding six per centum per annum, be issued in such denominations and be executed in such manner as the Director of Revenue and Finance shall determine, and the Mayor, the Director of Revenue and Finance, the Auditor of Accounts and the City Clerk, be and they are hereby authorized to execute in the name of the City the bonds authorized by this resolution, subject to the provisions of Chapter 252, of the Laws of 1916;

FURTHER RESOLVED, That the Director of Revenue and Finance be and he is hereby authorized to sell said Temporary Loan Bonds at not less than par, either all at one time or from time to time.

The roll being called, the resolution was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Raymond, Mayor Breidenbach.

A communication dated Sept. 17th, 1923, from the New Jersey State League of Municipalities, enclosing report of the Morris Canal Sub-Committee of the League was received and read, and on motion of Commissioner Gillen ordered referred to Director Raymond.

A communication from Hugo A. Seiler, 154 North 17th Street, East Orange, requesting a change in the zoning ordinance removing restrictions on the northeast corner of Springdale Avenue and North 12th Street was received and read.

Commissioner Gillen moved that the communication be referred to the Zoning Commission for recommendation and report.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Raymond, Mayor Breidenbach.

Mr. J. T. West, representing Robert Treat Hotel: If you will remember during the trolley strike Park Place was made a one-way street, and we would like to have you consider changing it back to permit traffic in both directions. At the present time we have all the buses coming through there and it is very inconvenient to the guests of our hotel, and the noise from the buses and the automobiles is very annoying, and we would like to have you take it up and reroute them.

Commissioner Gillen: I think it is creating a great deal of inconvenience.

Commissioner Brennan: It may to the business people on Park Place, but it has been a great relief to traffic on Broad Street. It has minimized to a great extent accidents which were of daily occurrence at Rector and Park Place.

Commissioner Gillen: I think the time has come when the sidewalk along the park should be taken off. It is not being used and the public necessity on Park Place is becoming so great that the street should be widened.

Commissioner Brennan: I am with you on that. I understand it is not a part of the park on the original maps. The sidewalk along the park seems to be nothing more than a resting place for a certain element of leisure that sit on the coping.

Mr. Sidney Root, representing St. Francis Hotel: I represent the St. Francis Hotel, and I would like to

combine my appeal with that of the Robert Treat Hotel, that East Park Street be opened for traffic in both directions. During the trolley strike East Park Street was also made a one-way street. It is a serious handicap to our business and we would be very grateful if we could be relieved of this inconvenience.

Commissioner Gillen moved that the matter be referred to Director Brennan with power to act.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Raymond, Mayor Breidenbach.

Commissioner Brennan moved to adjourn.

The roll being called, the motion was declared adopted by the following votes:

**MINUTES OF MEETINGS**  
*OF THE*  
**Board of Commissioners**

---

***October, 1923***

---

**NEWARK, N. J.**

**October 2, 1923.**

A regular meeting of the Board of Commissioners of the City of Newark, N. J., was held on the above date, in the Commissioners' Chamber, City Hall, Newark, at 11 A. M.

**Present:** Commissioners Brennan, Howe, Mayor Breidenbach.

**Absent:** Commissioners Gillen and Raymond.

The minutes of meeting of September 25th were read and approved.

**Mayor Breidenbach:** Is there any citizen desiring to be heard by the Board?

**Dr. Andrew G. Vogt,** 99 Lincoln

Park: I do not know whether this is the proper time, but I wish to protest against the proposed assessment for the Commerce Street opening and widening, notice of which I have received. I own property 76-78 Commerce Street; 26-28 Durand Street, 7-13 Durand Street, and my Brother-in-law who I also represent owns property 15 to 27 Durand Street, and 84 to 86 Canal Street, and my wife owns 82 Canal Street. I desire to strenuously object on behalf of myself, my wife and Brother-in-law against any assessment against our property for this so-called improvement, as we are practically cut off from this proposed improvement by the canal and it is of no possible benefit to us.

**Mr. Harry A. Augenblick,** 810 Broad Street: **Mr. Mayor and Commissioners,** I represent some 30 or

40 property owners who have received a similar notice and they have all signed a petition objecting that their property should not be subjected to an assessment for the widening of Commerce Street. They feel that this improvement is of no benefit to them. Under the Act of 1917 under which this improvement is to be made, the property peculiarly benefited is to be assessed. The only property that will be peculiarly benefited by this improvement will be the Centre Market itself. The Centre Market is going to do a big business on Commerce Street, not only in connection with the stores, etc., but also a garage and parking business above the market. The widening of Commerce Street is an improvement which will benefit the Market itself and we feel it is an improvement which should be borne by the City at large.

Assistant Corporation Counsel Wolber: This is not a hearing on the assessment for the proposed improvement. It is a hearing to give interested persons an opportunity to express themselves if they object to it, and subsequently in accordance with the Act you quote a hearing will be held by the Board of Assessment Commissioners and again by the Board of Commissioners before the assessments are finally confirmed.

Objections to the proposed assessment were also entered by Ralph W. Hyatt, representing The Prudential Insurance Company; Mr. Leon Ferti, 140 Ferry Street; Mrs. James Briscoe, 92 Bayard Street, representing H. B. Steuer owner of property on

Canal Street, and Mrs Jane Reilly, 140 Ferry Street.

The following reports of the Commissioners of Assessments for Local Improvements were received and ordered filed:

Construction of a sewer in Thomas Street from Dawson Street to Avenue D with a branch in Avenue D from Thomas Street to Tompkins Point Road;

Construction of a sewer in Andover Place and Richelieu Place from Oakland Terrace to the southern end of Richelieu Place;

Paving of Oakland Terrace from Cameron Road southerly about 926 feet.

Commissioner Brennan offered the following ordinance which was read by the Clerk:

An ordinance to provide for the opening and widening of Commerce Street from Broad Street to Market Street on the northerly side thereof.

The Board of Commissioners of the City of Newark, Do Ordain:

Section 1. That Commerce Street from Broad Street to Market Street shall be opened and widened as a public street or highway, on the northerly side thereof by the addition of the three following described strips:

No. 1. From Broad Street to Mulberry Street. Beginning at the north-

easterly corner of Broad Street and Commerce Street as now laid out; thence running northeasterly along the easterly line of Broad Street 16 feet 10 inches to the division line of property now or formerly of the Estate of William Whitty and John Eastwood; thence running easterly parallel to the northerly line of Commerce Street and distant northerly 16.65 feet measured at right angles thereto 723.77 feet to the westerly line of Mulberry Street; thence southwesterly along the westerly line of Mulberry Street 16.85 feet to the northwesterly corner of Mulberry Street and Commerce Street; thence westerly along the northerly line of Commerce Street 723.67 feet to the place of Beginning.

No. 2. From Mulberry Street to Railroad Place. Beginning at the northeasterly corner of Commerce Street and Mulberry Street; thence running northeasterly along the easterly line of Mulberry Street 16.21 feet; thence southeasterly parallel to the northerly line of Commerce Street and distant northerly 16 feet measured at right angles thereto 1343.58 feet to the westerly line of Railroad Place; thence southerly along the westerly line of Railroad Place 16.55 feet to the northerly line of Commerce Street; thence westerly along the northerly line of Commerce Street 1341.95 feet to the northeasterly corner of Commerce Street and Mulberry Street and place of Beginning, excepting that part of last described strip lying within the limits of Lawrence Street.

No. 3. From Commercial Street to Market Street. Beginning at the

northeasterly corner of Commerce Street and Commercial Street; thence running southeasterly along the northerly line of Commerce Street 391.93 feet to the northerly line of Market Street; thence southeasterly along the northerly line of Market Street 29.14 feet; thence northwesterly parallel to Commerce Street and distant 16 feet measured northeasterly at right angles thereto 416.45 feet to the easterly line of Commercial Street; thence southwesterly along the easterly line of Commercial Street 16.01 feet to the place of beginning.

All as shown on a map prepared under the direction of this Board, which map is hereto attached and made a part hereof and a copy of which map also is on file in the office of the Chief Engineer, Division of Surveys, Department of Streets and Public Improvements, known and designated as No. 1216-O, dated September 28th, 1922.

Under and by virtue of the provisions of an act entitled "An Act Concerning Municipalities" approved March 27, 1917 (P. L. 1917—319) and the supplements thereto and amendments thereof.

Section 2. That said improvement shall be undertaken as a local improvement and the cost thereof shall be assessed against the property peculiarly benefited by said improvement in proportion to the benefits received, and in no case shall any assessment for said improvement exceed in amount such peculiar benefit, under and by virtue of the provisions of the act above referred to.

Section 3 That the sum of \$485,000.00 is hereby appropriated to pay the cost of said improvement, and for the purpose of meeting said appropriation and temporarily financing said improvement, temporary bonds or notes shall be issued from time to time in an amount not to exceed \$485,000.00 under and by virtue of the provisions of an act entitled "An Act to authorize and regulate the issuance of bonds and other obligations and the incurring of indebtedness by county, city, borough, village, town, township or any municipality governed by an improvement commission" approved March 22, 1916, (P. L. 1916—525) and the supplements thereto and amendments thereof, which bonds or notes shall bear interest at a rate not exceeding six per centum per annum. All other matters in respect to such temporary bonds or notes shall be determined by the Director of Revenue and Finance, who is hereby authorized to execute and issue said bonds or notes.

Section 4. That this ordinance shall take effect immediately and all ordinances or parts of ordinances inconsistent with the provisions of this ordinance be and the same hereby are repealed.

The ordinance having been read once, Commissioner Brennan moved that it be ordered to a second reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Howe, Mayor Breidenbach.

The clerk then read the ordinance by sections:

Title declared open to amendment.

Section 1 declared open to amendment.

Section 2 declared open to amendment.

Section 3 declared open to amendment.

Section 4 declared open to amendment.

The ordinance was declared open to amendment in all its parts.

The ordinance having been read a second time, Commissioner Brennan moved that it be ordered to a third reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Howe, Mayor Breidenbach.

Commissioner Brennan moved that the ordinance be taken up on third and final reading on October 9th.

The roll being called, the motion was declared adopted by the following votes:

Yeas — Commissioners Brennan,  
Howe, Mayor Breidenbach.

Commissioner Brennan moved that an ordinance entitled: "An ordinance relating to and fixing the salary of certain officers and employes of the Division of Fire and Police of the Department of Public Safety of the City of Newark," be taken for its third and final reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan,  
Howe, Mayor Breidenbach.

The clerk then read the title of the ordinance as follows:

An ordinance relating to and fixing the salary of certain officers and employes of the Division of Fire and Police of the Department of Public Safety of the City of Newark.

The ordinance having been read three times was then declared to be upon its third and final passage.

The roll being called, the ordinance was declared adopted by the following votes:

Yeas: — Commissioners Brennan  
Howe, Mayor Breidenbach.

The following communication was received and read:

October 2, 1923.

The Board of Commissioners  
of the City of Newark.

Honorable Sirs:—

The Commission on Building Districts and Restrictions considered the enclosed ordinance regarding Fabyan Place at a meeting held September 27th. At that meeting serious opposition developed against this proposed change in the restrictions, and your Commission respectfully requests that the matter be laid over one week for further discussion and hearing.

Respectfully submitted,

COMMISSION ON BUILDING  
DISTRICTS AND RESTRICTIONS.

R. B. Rankin,  
Secretary.

Ordered filed.

Commissioner Brennan moved that an ordinance entitled: "An ordinance to amend an ordinance entitled: 'An ordinance regulating and restricting the location of trades and industries and the location of buildings designed for specified uses, and regulating and limiting the height and bulk of buildings hereafter erected, and regulating and determining the area of yards, courts and other open spaces surrounding buildings, and establishing the boundaries of districts for the said purposes and providing penalties for the violation of its provisions,'" adopted December 31, 1919, be laid over until October 9th.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Howe, Mayor Breidenbach.

Commissioner Brennan offered the following ordinance which was read by the clerk:

An ordinance granting to the Town of Belleville, in the County of Essex, the right to use and occupy as and for a public street or highway, that portion of the water pipe line right of way of the City of Newark, situated in the Town of Belleville, from the westerly line of proposed Adelaide Street where the same intersects said right of way easterly to New Street.

Whereas, William Jackson and Martha Jackson, his wife, by deed dated May 29th, 1869, which deed is recorded in the Register's Office of Essex County, in book L. 14 of Deeds, on pages 328-329, did grant to The City of Newark, a strip of land in the Town of Belleville, in the County of Essex and State of New Jersey, thirty feet in width by five hundred and ninety feet in length, for the purpose of laying and maintaining at any time or times, aqueduct water pipes, in and along the same in such manner as The City of Newark or its Engineer, Superintendent, or other authorized agent may deem proper; of passing and repassing over and along the same at all times, with animals and vehicles, loaded or otherwise and performing all other acts and operations deemed by said The City

of Newark, its Engineer, Superintendent or authorized agent, necessary or expedient to be performed in or by the hauling, laying, renewing, repairing, examining or inspecting of its aqueduct or water pipes, and at its free will and pleasure, the said The City of Newark and its servants and agents doing no unnecessary damage to said premises; provided that no building edifice shall be erected on said land by the City of Newark, and

WHEREAS, so much of said right of way as lies between the proposed street designated as Adelaide Street and New Street, as shown on "Map of Property belonging to William H. Jacobson, situated at Belleville, N. J." has been dedicated for public purposes as and for a street or highway, under the name of Holmes Street in said Town of Belleville; and

WHEREAS, the said Town of Belleville has accepted the dedication of said Holmes Street which forms a part of the pipe line right of way of The City of Newark, between said Adelaide Street and New Street, as shown on said map of property above referred to; and

WHEREAS, The Town of Belleville has requested The City of Newark to grant to said Town of Belleville the perpetual right to use and occupy for the purpose of a public street or highway, that portion of the thirty foot right of way of The City of Newark, between said Adelaide Street and New Street, as shown on the aforesaid map, subject, however, to the rights of The City of Newark under the grant

from William Jackson and Martha Jackson, hereinabove referred to;

The Board of Commissioners of The City of Newark, do ordain:

Section 1: That The City of Newark hereby gives and grants to The Town of Belleville, in the County of Essex, a municipal corporation of the State of New Jersey, the perpetual right to use and occupy for the purpose of a public street or highway that portion of the thirty foot right of way of The City of Newark, between Adelaide Street where the same intersects the said right of way, easterly to New Street, as shown on "Map of property belonging to William H. Jacobson, situated at Belleville, N. J." which map is on file in the office of the Chief Engineer of the Division of Water of the Department of Streets and Public Improvements of the City of Newark.

Section 2: That said Street or highway use of said right of way shall not interfere with the proper and safe use, operation and enjoyment of said right of way by The City of Newark, but shall be subject and subordinate to the rights and uses of said right of way granted to The City of Newark by said deed from William Jackson and Martha Jackson, his wife, to the Mayor and Common Council of the City of Newark, dated May 29th, 1869, recorded in the Register's Office of Essex County, in book L. 14 of Deeds on pages 328-329.

Section 3: That said Town of Belleville shall and will at all times here-

after indemnify and save harmless The City of Newark, its successors and assigns, from and against any and all detriment, damages, losses, claims, demands, suits, costs or expenses, which it may suffer, sustain or be subjected to directly or indirectly, by reason of the use of said right of way of the Town of Belleville under the terms of this ordinance.

Section 4: That the Director of the Department of Streets and Public Improvements of the City of Newark, and the City Clerk be and they are hereby authorized and directed to execute and deliver to the Town of Belleville on behalf of The City of Newark, a deed granting to said Town of Belleville the perpetual right to use and occupy for the purpose of a public street or highway that portion of the thirty foot right of way of The City of Newark, between Adelaide Street where the same intersects the said right of way, easterly to New Street, as shown on "Map of Property belonging to William H. Jacobson, situated at Belleville, N. J.," which map is on file in the office of the Chief Engineer of the Division of Water of the Department of Streets and Public Improvements of the City of Newark, upon the terms and conditions contained in this ordinance, a copy of which deed is hereto annexed and made a part of this ordinance; said deed to be approved as to form by the Law Department.

Section 5: This ordinance shall take effect immediately.

The ordinance having been read

nce, Commissioner Brennan moved that it be ordered to a second reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Howe, Mayor Breidenbach.

The clerk then read the ordinance by sections:

City Clerk.

NEWARK, N. J.

October 9, 1923.

A regular meeting of the Board of Commissioners of the City of Newark, N. J., was held on the above date, in the Commissioners' Chamber, City Hall, Newark, at 11 A. M.

Present: Commissioners Brennan, Gillen, Howe, Mayor Breidenbach.

The minutes of meeting of October 2nd were read and approved.

The following reports of the Commissioners of Assessments for Local Improvements were received and ordered filed:

Grading and paving Cortland Place;

Paving of Whittier Place;

Resurfacing of Seymour Avenue;

The following communication was received and read:

October 8, 1923.

The Board of Commissioners  
of the City of Newark.

Honorable Sirs:—

The Commission on Building Districts and Restrictions held a hearing on October 4th on a petition to amend the Building Zone Ordinance so that the south side of South Orange Avenue between Hazlewood

Avenue and Richelieu Terrace, would be changed from a residence to a business district.

The report of your Commission on this petition is decidedly unfavorable owing to the following facts:

1. The change desired would break into the heart of a purely residence district on a block upon which is being erected a \$16,000. dwelling, and would create a small business district surrounded on all sides by residences.

2. If any change is to be made on South Orange Avenue west of Sanford Avenue it should take in all the property to the City Line.

3. The ~~property~~ owners of the neighborhood seriously object to any change in that district, sixty of them having signed a protest against the change in question.

Your Commission, therefore, respectfully recommends that the petition be denied.

Respectfully submitted,

COMMISSION ON BUILDING  
DISTRICTS AND RESTRICTIONS.

R. B. Rankin,  
Secretary.

Mr. Frederick C. Ritger, 790 Broad Street, appeared and objected on behalf of property owners on South Orange Avenue to any change in the restrictions on South Orange Avenue, between Richelieu Terrace and Hazlewood Avenue.

Commissioner Howe moved that the report of the Commission on Building Districts and Restrictions be received and the recommendations concurred in.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Mayor Breidenbach.

Mr. Frank W. Long, 790 Broad Street, appeared and presented a petition signed by twelve property owners protesting against the erection of public garages and service station on 12th Street between Third and Springdale Avenues.

Ordered filed.

The following communication was received and read:

October 8, 1923.

The Board of Commissioners  
of the City of Newark.

Honorable Sirs:—

A petition requesting a change in the zoning regulations on the east side of North 12th Street between Springdale Avenue and Third Avenue was taken up at a meeting of the Commission on Building Districts and Restrictions on October 4th.

The petitioner requests that the block in question be changed from a

residence district to an industrial district.

The property to the east and immediately adjoining the proposed industrial district is developed with one-family dwellings, the value of which, in the opinion of your Commission, would be materially depreciated by an industrial development such as contemplated. In fact the Commission feels that any further encroachment of business or industry would be a decided detriment to the whole section.

The Commission on Building Districts and Restrictions therefore respectfully recommends that this petition be denied.

Respectfully submitted,

COMMISSION ON BUILDING  
DISTRICTS AND RESTRICTIONS.

R. B. Rankin,  
Secretary.

Commissioner Brennan moved that the communication be received and that the recommendation be concurred in.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Mayor Breidenbach.

The following communication was received and read:

October 8, 1923.

The Board of Commissioners  
of the City of Newark.

Honorable Sirs:—

The Commission on Building Districts and Restrictions held a hearing on October 4th on an amendment to the Building Zone Ordinance changing Fabyan Place between Lyons Avenue and Nye Avenue from a residence district to a business district. This amendment was introduced at the suggestion of your Commission with the idea of separating the industrial and residence zones of that section which now adjoin by inserting a zone of business between them. The proposed amendment would in the main affect only vacant property.

At the hearing, however, a great deal of opposition developed from the property owners of the district, especially those owning homes at the north end of the street.

While your Commission still feels that the change is a logical one from a zoning standpoint, in view of the formidable opposition they at this time respectfully request that the ordaining clause be stricken out.

Respectfully submitted,

COMMISSION ON BUILDING  
DISTRICTS AND RESTRICTIONS.

R. B. Rankin,  
Secretary.

Mr. George F Perry, 261 Fabyan Place:—We occupy 375 feet on Fabyan Place from Lyons Avenue North to Shaw Avenue, and adjoining our property is a steel construction plant which is very noisy and on the north of that 100 feet to Shaw Avenue is vacant property on the west side of the street. On the east side of the street from Lyons Avenue to Shaw Avenue there are no buildings facing our plant. There is only one old building formerly owned by Charles W. Littlefield. The only other property there is a factory. On the northeast corner of Lyons Avenue and Shaw Avenue is a dwelling and next to that is a material yard. I would respectfully request the Commissioners in case this objection to change the street from Lyons Avenue to Nye Avenue from residential to industrial is sustained, if the petition could be amended to include property from Lyons Avenue to 100 feet north of Shaw Avenue, because that property is absolutely worthless for residential purposes and we are desirous of erecting a garage for our trucks on the east side of the street. Of course, we cannot go ahead unless the Zoning Commission or your Honorable body grant us that permission.

Commissioner Howe. I have had a number persons speak to me against extending the business section down there, as a matter of fact, I have had a large number of people who own homes there ask for reductions on their property for the reason that they claim the value of their property has been affected because of the noises and other nuisances that come from certain industries there.

Mr. Adolph Lehmann, 39 Schley Street:—I represent sixty owners of two-family dwellings in that section. Facing Mr. Perry's place of business where he intends to build a garage, within the last four or five years, twelve houses have been erected there, and within the past year half a dozen more have been built all the way up to Lyons Avenue and Fabyan Place. We strenuously object to have any factory or the rear of any garage back up against Schley Street.

Commissioner Brennan moved that the report of the Commission on Building Districts and Restrictions and the ordinance providing for the change in zoning regulations on Nye Avenue and Fabyan Place be laid over for two weeks and that the members of the Commission make an investigation of the neighborhood before taking final action.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Mayor Breidenbach.

Commissioner Howe offered the following resolutions:

RESOLVED, That the report of the Commissioners of Assessments for Local Improvements of the City of Newark for benefits conferred by the resurfacing of Newton Street from Fourteenth Avenue to Cabinet Street, which said Report is hereunto annexed, be and the same is hereby in all things adopted, ratified and confirmed; and

BE IT FURTHER RESOLVED, That the City Clerk be and he is hereby authorized and directed to file a duplicate of said Report in the office of the Comptroller of the said City of Newark for collection.

W. J. Brennan,  
John Howe,  
Charles P. Gillen,  
F. C. Breidenbach.

The roll being called, the resolution was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Mayor Breidenbach.

BE IT FURTHER RESOLVED, That the City Clerk be and he is hereby authorized and directed to file a duplicate of said Report in the Office of the Comptroller of the said City of Newark for collection.

John Howe,  
Charles P. Gillen,  
F. C. Breidenbach,  
W. J. Brennan,

The roll being called the resolution

was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Mayor Breidenbach.

RESOLVED: That the Report of the Commissioners of Assessments for Local Improvements of the City of Newark for benefits conferred by the paving of Sanford Place from Sanford Avenue to 25 feet west of Ellery Avenue, which said report is hereto annexed, be and the same is hereby in all things adopted, ratified and confirmed; and,

BE IT FURTHER RESOLVED, That the City Clerk be and he is hereby authorized and directed to file a duplicate of said Report in the Office of the Comptroller of the said City of Newark for collection.

Charles P. Gillen,  
F. C. Breidenbach,  
W. J. Brennan,  
John Howe,

The roll being called, the resolution was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Mayor Breidenbach.

Commissioner Brennan moved that "An ordinance to amend an ordinance entitled: "An ordinance regulating and restricting the location of trades and industries and the location of buildings designed for specified uses, and regulating and limiting the height and bulk of buildings hereafter

erected, and regulating and determining the area of yards, courts and other open spaces surrounding buildings and establishing the boundaries of districts for the said purposes and providing penalties for the violation of its provisions," adopted December 31, 1919," be placed back on second reading for the purpose of amendment.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Mayor Breidenbach.

Commissioner Brennan offered the following substitute ordinance which was read by the Clerk:

An ordinance to amend an ordinance entitled: "An ordinance regulating and restricting the location of trades and industries and the location of buildings designed for specified uses, and regulating and limiting the height and bulk of buildings hereafter erected, and regulating and determining the area of yards, courts and other open spaces surrounding buildings, and establishing the boundaries of districts for the said purposes and providing penalties for the violation of its provisions," adopted December 31, 1919.

The Board of Commissioners of the City of Newark, do ordain:

1. That Article 3, Section 11, Paragraph (c) of "An ordinance regulating and restricting the location of

trades and industries and the location of buildings designed for specified uses, and regulating and limiting the height and bulk of buildings hereafter erected, and regulating and determining the area of yards, courts and other open spaces surrounding buildings, and establishing the boundaries of districts for the said purposes and providing penalties for the violation of its provisions," adopted December 31, 1919, be and the same is hereby amended to read as follows:

"C." Except as otherwise provided in this article, every room in every residence building in which persons live, sleep, work or congregate shall have at least one window or ventilating skylight of at least 10 square feet in area between stop heads, opening directly either upon a street or upon a rear yard, side yard, outer court or inner court located upon the same lot and conforming to the requirements prescribed by this article as to its minimum area and least dimensions.

2. That Article 3, Section 11, of said ordinance be and the same is hereby amended by adding at the end thereof two new paragraphs, to be known as "D" and "E", which shall read as follows:

"D". Except as otherwise provided in this article or any other law or ordinance, every room in every business or industrial building hereafter erected, shall have windows or ventilating skylights opening directly upon a street or upon a rear yard side yard or court located upon the same

lot and conforming to the requirements of this article as to area and dimensions, or some approved system of positive ventilation, approved by the Superintendent of Buildings, which shall provide a sufficiency of fresh and uncontaminated air."

E". Courts, yards and other open spaces, if provided in addition to those required by this article, need not be of the area and dimensions herein prescribed. The provisions of this article shall not be deemed to apply to courts or shafts for bathrooms, toilet compartments, hallways or stairways."

3. That Section 18 of Article 3 of said ordinance be and the same is hereby amended by adding at the end thereof a new paragraph to be known as "F", which shall read as follows:

"F". Business and commercial buildings may occupy ninety per cent of any lot. This limitation shall apply at the sill level of the second story windows, but not more than twenty feet above the curb level in any case."

4. All ordinances and parts of ordinances inconsistent with the provisions of this ordinance be and the same are hereby repealed.

5. This ordinance shall take effect immediately.

The ordinance having been read once, Commissioner Brennan moved that it be ordered to a second reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Mayor Breidenbach.

Restrictions for recommendation and report.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Mayor Breidenbach.

Commissioner Howe offered the following ordinance which was read by the clerk:

An ordinance to provide for the grading of Empire Street from Frelinghuysen Avenue to Meeker Avenue.

The Board of Commissioners of the City of Newark, Do Ordain:

Section 1. That Empire Street from Frelinghuysen Avenue to Meeker Avenue shall be graded in accordance with the plans, specifications and profiles dated September 18th, 1923, and now on file in the office of the Department of Streets and Public Improvements, under and by virtue of the provisions of an act entitled "An Act Concerning Municipalities" approved March 27, 1917, (P. L. 1917-319) and the supplements thereto and amendments thereof.

Section 2. That said improvement shall be undertaken as a local improvement and the cost thereof shall be assessed against the property benefited by said improvement, in proportion to the benefits received, under and by virtue of the provisions of the act above referred to.

Section 3. That in order to temporarily finance said improvement the sum of \$14,000.00 is hereby appropriated and temporary bonds or notes shall be issued from time to time to meet the cost thereof, under and by virtue of the provisions of an act entitled "An Act to authorize and regulate the issuance of bonds and other obligations and the incurring of indebtedness by county, city, borough, village, town, township or any municipality governed by an improvement commission" approved March 22, 1916 (P. L. 1916—525) and the supplements thereto and amendments thereof, which bonds or notes shall bear interest at a rate not to exceed six per centum per annum. All other matters in respect to such temporary bonds or notes shall be determined by the Director of the Department of Revenue and Finance who is hereby authorized to execute and issue said bonds or notes.

Section 4. That this ordinance shall take effect immediately and all ordinances or parts of ordinances inconsistent with the provisions of this ordinance, be and the same are hereby repealed.

The ordinance having been read once, Commissioner Howe moved that it be ordered to a second reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Mayor Breidenbach.

reading and final passage on October 16th.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Mayor Breidenbach.

Commissioner Howe offered the following resolution:

WHEREAS, The Board of Commissioners by resolution adopted September 11th, 1923, referred the matter of the revised and corrected report of assessments for benefits for the construction of the Vailsburg Drainage System to Thomas L. Raymond and John Howe as a Committee of said Board, for such revision or correction as to them might seem advisable for recommendation to said Board before taking final action upon said report and directing them as such Committee, to make report thereon to this Board on Tuesday, October 9, 1923; and

WHEREAS, the said Thomas L. Raymond and John Howe, Committee as aforesaid, have reported to this Board in the said matter and have recommended that there be a reduction of forty per cent in the assessments on properties assessed as aforesaid which have not a frontage on the said sewer and that in all other respects the said report be confirmed.

RESOLVED, That the report of said Committee be concurred in and that the said assessments on proper-

ties not having a frontage on said sewer be reduced forty per cent respectively and that the said revised and corrected report be corrected in accordance with said recommendation and this resolution; and that said report when corrected as aforesaid be in all things ratified and confirmed.

Commissioner Howe:— Director Raymond and myself sat with Assistant Corporation Counsel Wolber and heard the complaints of the different owners and it was our finding that where the assessments were made \$30. a lot on the property directly facing on the sewer, that that payment was satisfactory to owners, and the report for the people in the districts not directly on the sewer where the assessments had been made \$25. a lot, we recommended that it be reduced 40 per cent. or \$15. a lot.

Mayor Breidenbach: I might say I am not ready to vote for this resolution. I would rather see a letter or some word from Director Raymond stating that he is willing to vote for this resolution, unless Commissioner Howe can assure us now that Commissioner Raymond knows about this resolution and helped to draw up the resolution.

Commissioner Howe:—I can vouch for that part of it, so can Mr. Wolber. He was with us when we held this hearing and he concurred in the action mentioned in that resolution.

Assistant Corporation Counsel Wolber:—I can corroborate that statement.

Commissioner Howe. I hope my colleague, the Mayor, does not think I am trying to put anything over on him.

Mayor Breidenbach: I do not think that. I know the matter was referred to a Committee and the resolution is not signed by the committee. I do say, when I sign a resolution I want to know what I am signing, and I think this should be signed by Director Raymond.

Commissioner Howe: I would call upon our legal adviser if there is any doubt about it.

Mr. Wolber: The Committee's recommendations were as embodied in that resolution.

Commissioner Brennan moved that action on the report and resolution be laid over until October 23rd.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Mayor Breidenbach.

Commissioner Brennan offered the following resolution:

The roll being called, the resolution was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Mayor Breidenbach.

**WHEREAS,** a contract was awarded April 17, 1923, to the J. B. Gilligan-Casey Company for the resurfacing of Broad Street from Clay Street to Harvey Street with asphalt pavement on the old concrete foundation.

**AND WHEREAS,** the original estimate for the resurfacing of said street did not contemplate the removal of extensive sections of the old concrete foundations which proved upon inspection after the removal of the old pavement surface to be high;

AND WHEREAS, the original estimate for the resurfacing of said street did not contemplate the use of asphalt binder in building up and overcoming the irregularities in the surface of the old concrete foundation;

AND WHEREAS, in the judgment of the engineers of the Bureau of Streets the use of asphalt binder in the building up and overcoming of the irregularities in the surface of the old concrete foundation is in accordance with the best modern practice in the construction of pavements of this nature, and the most desirable and surest way of obtaining a uniform, secure and smooth finished surface to the roadway;

AND WHEREAS, the cost of the removal of the old concrete base where high, including labor plus fifteen per cent amounts to \$4,120.57;

AND WHEREAS, \$15.00 per ton is a fair price for asphalt binder in place, said price being in accordance with bids received both here and elsewhere for such material in place;

THEREFORE BE IT RESOLVED, that the following additional items to the contract for the resurfacing of Broad Street from Clay Street to Harvey Street be and the same are hereby approved:

The following communication was received and read:

October 8, 1923.

To Board of Commissioners  
of the City of Newark.

Honorable Sirs:

The Commission on Building Districts and Restrictions considered a petition to change Chadwick Avenue between Clinton Avenue and Bigelow Street from a residence district to a business district at a meeting held October 4th.

Your Commission finds that this block is at present purely a residential one. There are 14 dwellings on the west side and ten dwellings and a public school on the east side. A business development would be a decided detriment.

Your Commission therefore respectfully recommends that this petition be not granted.

Respectfully submitted,

COMMISSION ON BUILDING  
DISTRICTS AND RESTRICTIONS.

R. B. Rankin,  
Secretary.

Commissioner Brennan moved that the communication be received and filed, and the recommendations concurred in.

The roll being called, the motion

was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Mayor Breidenbach.

A communication dated October 1st, 1923, from Hon. Louis R. Freund, Judge, Second District Court, relative to the suspension of Sergeant-at-Arms Daniel J. Lynch, was received and read and on motion ordered filed.

A communication from the Atlantic Deeper Waterways Association, relative to the sixteenth annual convention of that organization to be held at Norfolk, Va., November 13th to 16th, 1923, was received and read.

Commissioner Gillen moved that the communication be received and the invitation accepted and that as many of the members of the Commission as can do so attend the convention.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Mayor Breidenbach.

A communication dated October 8th, from the Federation of Improvement Associations, relative to better school accommodations for the territory west of Bergen Street and south of Hawthorne Avenue was received and read and on motion of Commissioner Howe ordered referred to the Board of Education.

The roll being called, the resolution was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Mayor Breidenbach.

Corporation Counsel Congleton: — Mr. Commissioners, I desire to present for your consideration, a lease which has been negotiated by Director Raymond's Department for another piece of land at Port Newark. I thought some special mention of it should be made and I will explain it to you. The lease calls for two and one-half acres for a term of ten years. The rent for the first two years will be \$3600. a year; the next three years \$4000. a year and the last five years at \$6000. a year, with a renewal option for ten years and the rent to be 10 per cent upon the fair value of the property, the ten year period being divided into two five year periods.

WHEREAS, The Director of the Department of Streets and Public Improvements has negotiated a lease

with Port Newark Brick Company, a corporation, for certain lands at Port Newark Terminal, in said lease more particularly described, for a term of ten years from February 1, 1924, with an option in favor of said Company to renew said lease for a further term of ten years, and has reported the matter to this Board; and,

WHEREAS, it is the judgment of this Board that it is for the best interests of the City that it enter into a lease with said Company upon the terms and conditions stated by said Director and appearing in a copy of said lease annexed hereto;

THEREFORE, BE IT RESOLVED By the Board of Commissioners of the City of Newark that the Director of the Department of Streets and Public Improvements and the City Clerk be and they are hereby authorized to execute said lease on behalf of the City on the signing of this resolution.

Newark, N. J., October 13, 1923.

Hon. Fred C. Breidenbach,  
City Hall, Newark, N. J.

My dear Fred:—

Although you and each Commissioner personally may be in favor of the proposed increase in salary to the members of the Police and Fire Departments, I consider the Commission is not doing its duty unless they state publicly and plainly just what the adoption of the referendum would mean to the tax and rent payers of the City.

The facts regarding budget and tax rate increase should be plainly set forth so that everyone may understand what is ahead of them if the referendum should be adopted. The city at large is entitled to this information from their Commissioners.

With kind regards, I am,

Yours very truly,

C. B. Carrington.

Ordered filed.

Mayor Breidenbach: I might say to the Commissioners before we act on this communication, that I wish to issue a statement on behalf of my colleagues on the Board and before I have the City Clerk read my statement, I would like to say a few words. I want to let the taxpayers of the City of Newark and the Press to know that it has been mandatory on our part to vote for this ordinance allowing the police and firemen to have a referendum on an increase in salary. This statement will cover almost everything pertaining to the raise. I

have talked with the Commissioners this morning and I have stated that I would issue this statement so as to let the taxpayers of Newark vote in an intelligent way. I have had several letters of this kind sent to me as Mayor of Newark asking what stand the City Commissioners would take. Also, I believe there has been some organizations in the City of Newark who feel the City Commission should make some sort of a statement that will reach the taxpayers and voters of the City of Newark so they will be able to vote in a way that will benefit them or the police and firemen whatever it may be. I will ask the City Clerk to read the statement.

Statement of Mayor Breidenbach on the police and firemen's salary increase:

In view of the serious effect which the proposed police and fire salary increase, amounting to \$500. per man for each of the 1725 members of both Departments, will have upon all future tax bills starting next year, I consider it highly important that some fact relating to the policemen's and firemen's salaries be placed before the public of Newark at this time. In this I am joined by my colleagues on the City Commission with whom I have conferred on the matter and who agree with me that it is our duty to the tax-payers of Newark to acquaint them with the exact situation involved.

If the voters at the November election grant the policemen and firemen the \$500. increase they ask, the peo-

ple of Newark will be confronted in 1924 with a \$4. tax rate. I base this statement on the figures and estimates submitted to me by Acting City Auditor Brady. He has advised me that in all probability there will be no decrease in the present tax rate of \$3.76; in fact, he is of the opinion that there will be an increase of a few points, even despite a possible substantial increase in ratables. This is exclusive of the police and fire increases.

The \$500. increase to the uniformed men will add 16 points to the tax rate. It will mean an addition of more than \$900,000. to the amount of money the city government must raise by taxation for next year.

It must be remembered that besides the actual increase in the men's pay, the city must raise, in addition 4 per cent. of the total amount involved for the police and fire pension fund.

The foregoing figures and statements form the basis of my belief, shared by my colleagues, that the proposed increase means a \$4.00 tax rate.

I think it is pertinent here to show the progress of police and fire salaries during the last half-dozen years. Prior to September 1, 1917, first-grade patrolmen were receiving \$1,300 a year. On that date they were raised to \$1,450 a year.

On August 1, 1918, they were again increased to \$1,600 a year. And on December 1, 1919, by vote of the people on a referendum similar to that

which will be submitted at the coming election, they were increased to \$2,000 a year.

Thus it will be seen that since prior to September 1, 1917, or within a period of 6 years, they have been increased \$700. a year, or more than 50 per cent.

Of course, while the first-grade patrolmen and firemen constitute the great majority of the personnel of both Departments, all other grades of men and officers will share in the increase. At the present time, first-year patrolmen and firemen receive \$1,800, and second and third year men \$1,900. Police Sergeants receive \$2,300; Police Lieutenants and Fire Captains receive \$2,600; Police Captains and Fire Battalion Chiefs receive \$3,400; Police and Fire Deputy Chiefs, \$4,400; and Police and Fire Chiefs, \$5,400.

In conclusion, I might say that it is reported that the men of both Departments have prevailed upon pensioners to assist them in their campaign by promising the retired men that in return for their help the active men will assist them in securing legislation this winter to bring all pensioners up to the basis of the new scale of wages. Should that come to pass, some men who are now receiving a pension of \$450. a year, I am told, will be jumped to \$1,250 a year.

Commissioner Brennan moved that

the statement of the Mayor be received, filed and placed on record as the sentiments of the Commissioners.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Mayor Breidenbach.

A communication dated October 2nd, 1923, from W. Parker Runyon, New Jersey Chairman, Navy League of the United States, relative to the setting aside of Saturday, October 27th, as Navy Day, was received and read and on motion of Commissioner Gillen ordered referred to the Mayor.

Commissioner Brennan moved to adjourn.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Mayor Breidenbach.

APPROVED:

F. C. BREIDENBACH,  
CHARLES P. GILLEN,  
JOHN HOWE,  
W. J. BRENNAN,

The Board of Commissioners of  
The City of Newark, New Jersey.

W. J. EGAN,  
City Clerk.

NEWARK, N. J.

October 23, 1923.

A regular meeting of the Board of Commissioners of the City of Newark, N. J., was held on the above date, in the Commissioners' Chamber, City Hall, Newark, at 11 A. M.

**Present:** Commissioners Brennan, Gillen, Howe, Mayor Breidenbach.

**Absent:** Commissioner Raymond.

The minutes of meeting of October 16th were read and approved.

**Mayor Breidenbach:** Is there any citizen desiring to be heard by the Board?

**Mr. Geo. F. Canniff,** 24 William Street, appeared and presented the following petition, which was read by the Clerk:

We the undersigned property owners on Keer Avenue and Aldine Street, respectfully petition the Commissioners of Newark, N. J., to take the necessary steps to negotiate for or condemn the necessary land to widen Aldine Street from a point about 200 feet from the corner of Aldine Street and Chancellor Avenue to the Keer Avenue line to make the street a uniform width of 50 feet, and Keer Avenue from the Aldine Street line to a point 114 feet easterly from Aldine Street to a uniform width of 66 feet. (Signed by fourteen property owners)

Commissioner Howe moved that the

petition be received and referred to the Director of Streets and Public Improvements.

The roll being called, the motion was declared adopted by the following votes:

**Yeas:** — Commissioners Brennan, Gillen, Howe, Mayor Breidenbach.

**Dr. Charles F. Underwood,** 54 North 11th Street: Is the Vailsburg Drainage matter to come up today, Mr. Mayor?

**Mayor Breidenbach:** No, the reason for that is, Director Raymond is still away, due to sickness, and it will have to be laid over until he returns.

Commissioner Howe moved that the report on the assessments for the Vailsburg Drainage sewer system be laid over until November 13th.

The roll being called, the motion was declared adopted by the following votes:

**Yeas:** — Commissioners Brennan, Gillen, Howe, Mayor Breidenbach.

**Mr. Raymond E. Durham,** 207 Market Street: As the representative of the Retail Grocers' Association, I wish to present an ordinance providing for the closing of grocery stores on Sundays at noon. We feel the time has come to present the matter to the Commissioners whereby an ordinance will be passed to enable the grocers of Newark who are working almost

day and night to have a uniform closing hour on Sundays. The people I represent are in favor of closing at 12 o'clock on Sundays, because they claim they are working too hard.

Corporation Counsel Congleton: May I ask you to briefly tell us just what your ordinance proposes?

Mr. Durham: It provides all grocery stores and delicatessen stores shall be closed after 12 o'clock on Sunday so as to give them a half holiday.

Mr. Congleton: I suppose you have looked into the State Law on this matter? Do you think that such an ordinance passed by this Board of Commissioners legislating on that matter would be a good ordinance?

Mr. Durham: From what I understand, the matter must be brought up in Trenton.

Mr. Congleton: An ordinance such as you are proposing be passed by this Board would have no legal effect at all. I have explained it to your Counsel and to a delegation from the Grocers Association, and they referred to the ordinance we passed regulating barber shops, and I called to their attention the act which gave governing bodies the right to regulate that matter. So far as your subject is concerned there is absolutely no authority that I know of vested in this Board of Commissioners to legislate along the lines you have suggested. It seems to me your action is premature and you should go to Trenton and secure legislation investing this

Board with power to pass such an ordinance.

Mr. Frank Labowitch, 66 Avon Place; Mr. George Gottheimer, 268 Hillside Avenue and Mr. William Cohen, 39 Monmouth Street, also appeared and urged the adoption of an ordinance to provide for the closing of grocery stores on Sundays at noon.

Mayor Breidenbach: We are all in sympathy and hearty accord with your proposal to close grocery stores on Sunday afternoons, but there is nothing we can do until you have procured the necessary legislation enabling us to pass such an ordinance.

The following communication was received and read:

October 8, 1923.

The Board of Commissioners  
of the City of Newark.

Honorable Sirs:—

The Commission on Building Districts and Restrictions held a hearing on October 4th on an amendment to the Building Zone Ordinance changing Fabyan Place between Lyons Avenue and Nye Avenue from a residence district to a business district. This amendment was introduced at the suggestion of your Commission with the idea of separating the industrial and residence zones of that section which now adjoin by inserting a zone of business between them. The proposed amendment would in the main affect only vacant property.

At the hearing, however, a great deal of opposition developed from the property owners of the district, especially those owning homes at the north end of the street.

While your Commission still feels that the change is a logical one from a zoning standpoint, in view of the formidable opposition they at this time respectfully request that the ordaining clause be stricken out.

Respectfully submitted,

**COMMISSION ON BUILDING  
DISTRICTS AND RESTRICTIONS.**

R. B. Rankin,  
Secretary.

Mr. Adolph Lehmann, 39 Schley Street, appeared and protested against the passage of the ordinance to change Fabyan Place between Lyons Avenue and Nye Avenue from a residence to a business district, and stated he had presented a petition to the Zoning Commission containing the names of sixty property owners on this street against the change.

Mrs. Anna Dennis, 193 Schley Street, Mr. Patrick Boyle, 140 Fabyan Place, Mrs. Julius Zegelbreir, 172 Schley Street; Mrs. Blair, 146 Fabyan Place and Mrs. Paul H. Rogers, 175 Schley Street, also protested against any change in the present ordinance.

A communication, dated October 20th, from William P. Schorn, Secretary, Public Welfare Association, protesting against any change in zoning

regulations on Fabyan Place, was received and ordered filed.

Commissioner Gillen moved that in view of the large protest against this change that the Zoning Commission be upheld and that the ordaining clause of the ordinance providing for a change in Fabyan Place be stricken out.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Mayor Breidenbach.

**WHEREAS,** a contract was awarded to the Newark Paving Company on June 12th, 1923, for the resurfacing with asphalt of Lafayette Street from New Jersey Railroad Avenue to Wilson Avenue, which contract contemplated the building up of the old concrete foundation with new concrete;

**AND WHEREAS,** due to the small thickness of the material required to overcome the irregularities in the old concrete surface and build up the old concrete base to an even uniform surface, such thickness being unexpected and unable of determination previous to removal of old asphalt surface, it is considered advisable and in line with the best modern practice for the improvement of a street developing such a character to use asphalt binder for such purpose;

**AND WHEREAS,** the contractor, the Newark Paving Company, has agreed to furnish such asphalt binder as required, approximately four hundred (400) tons, at fifteen (\$15.00) dollars per ton in place, said price being a fair one based on the value of this material in place as indicated by bids received here and elsewhere;

**THEREFORE BE IT RESOLVED,** that the Newark Paving Company be authorized to build up the old concrete base, on Lafayette Street from New Jersey Railroad Avenue to Wilson Avenue, to an even uniform surface with asphalt binder at fifteen (\$15.00) dollars per ton for such asphalt binder in place.

The following communication was received and read:

Samuel M. Hollander  
Counsellor at Law

Newark, N. J., October 20, 1923.

Hon Frederick C Breidenbach,  
City Hall,  
Newark, N. J.

Dear Sir:—

This is to inform you that in view of the irregular manner in which you and your associates undertook to nullify the permit you granted for the use of the Maybaum Tract for cemetery purposes, I have instructed my clients to continue the development of this land for the purposes you originally sanctioned and authorized.

Yours very truly,

S. M. Hollander.

Commissioner Brennan moved that the communication be received and referred to the Law Department.

Corporation Counsel Congleton:—  
Mr. Commissioner, in view of the action you have already taken, I think referring it to me is not sufficient as long as the action you have taken stands. I think the City Clerk should be specifically instructed that should anyone apply for permit for interment in this cemetery they should be refused.

Commissioner Brennan moved that the communication be referred to the Law Department and that the City Clerk be instructed to refuse to issue any permits for burials on this Maybaum tract.

The roll being called, the motion

was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Mayor Breidenbach.

A communication from The Contemporary of Newark, New Jersey, suggesting rules and regulations governing the new market and offering to assist in any way in the maintenance of the market, was received, read and on motion ordered referred to the Director of Parks and Public Property.

A communication from De Groot Methodist Episcopal Church, protesting against the continuance of Norm's Cafe at 292-294 South Orange Avenue, was received, read and on motion ordered referred to the Director of Public Safety.

A communication from Frederic Bigelow, Superintendent of Buildings, relative to participation in joint action with the New Jersey State League of Municipalities to reverse, if possible, the recent Nutley zoning decision by appeal to the Court of Errors, was received, read and on motion ordered filed.

#### REPORTS OF CITY OFFICERS.

The following report of City Officers was received and ordered filed:

Auditor of Accounts for September, 1923.

Commissioner Gillen. I have here a set of plans and specifications for the Superintendent's Home at the City Hospital and offer them for your approval.

Commissioner Brennan moved that the plans and specifications as presented by Director Gillen for the Superintendent's Home, City Hospital, be approved.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Mayor Breidenbach.

Mayor Breidenbach: Before we adjourn I would like to remind the Commissioners that we should begin the preparation of our budgets so that there will be no delay.

Commissioner Gillen moved that each Director begin the preparation of his budget for the year 1924.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Mayor Breidenbach.

Commissioner Howe moved to adjourn.

The roll being called, the motion  
was declared adopted by the follow-  
ing votes:

CHARLES P GILLEN,  
JOHN HOWE,  
W. J. BRENNAN,

Yeas: — Commissioners Brennan,  
Gillen, Howe, Mayor Breidenbach.

The Board of Commissioners of  
The City of Newark, N. J.

APPROVED:

F. C. BREIDENBACH,

W. J. EGAN,  
City Clerk.

**NEWARK, N. J.**

**October 30, 1923.**

A regular meeting of the Board of Commissioners of the City of Newark, N. J., was held on the above date, in the Commissioners' Chamber, City Hall, Newark, at 11 A. M.

Present: Commissioners Brennan, Gillen, Howe.

Absent: Commissioner Raymond, Mayor Breidenbach.

The minutes of meeting of October 23rd were read and approved.

Commissioner Howe: Is there any person who has anything they desire to present to the Commission?

Mr. Joseph Hirsch, 26 Stanton Street, Newark: I have a petition I would like to present to the Board.

The Clerk then read the petition as follows:

To The Honorable Commissioners  
of the City of Newark.

We, the undersigned, being property holders of the section bounded by Clifton Street and Elizabeth Avenue, Alpine Street and Frelinghuysen Avenue, do respectfully petition your Honorable Board to so amend the zoning ordinance so as to change the kind of property permitted in said bounded section, to the end that business property may be located therein.

(Signed by ten property owners)

Commissioner Gillen. This petition should go before the Zoning Commission first.

Mr. Hirsch: I presented it to them and they said it should go before the City Commission first.

Commissioner Brennan moved that the petition be referred to the Zoning Commission for recommendation and report.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe.

Corporation Counsel Congleton:— Before you proceed with the rest of the business, I have just received a letter from Director Raymond, which I think ought to be read to you gentlemen. He has asked me to read and pass it along to you. The letter is addressed to me from New York and bears date of October 28th.

Mr. Congleton then read the letter to the members of the Board.

Commissioner Howe: We are all glad to hear from Director Raymond. We know of the onerous duties, we Commissioners especially, that he has undergone for the past nine years. We are glad to hear from him and we trust this vacation he is taking will result in the betterment of his health and physical condition. I regret he is not here and none of us care to lose him as a colleague, and trust that his

**condition** will rapidly improve and **permit** him to serve out his time. If **in due time** he decides his health will **not permit** him to continue in office **that** is another matter to be regretted. **I am sure** those of you who know him **all wish** him speedy recovery.

Commissioner Gillen: I endorse the **sentiments** expressed by Director **Howe** regarding Director **Raymond**. **Long years** of public service bring to **each** public servant a severe nervous strain, which is apt to physically incapacitate such public servant at any **time**. Mr. Raymond is now suffering from an illness which prevents his attending to his public duties at this **time**. If given proper time to recover his health he will undoubtedly be able to come back to his position, able and ready to faithfully discharge his duties as he has always done during his **long** period of service to the City. **We all hope** he will soon recover his **nealth**.

Mr. Angelo Fioreto, 287 Hunterdon Street: We filed a petition with the **City Clerk** on May 15th, signed by all the property owners on Maybaum Avenue, requesting this Board to have **this** street opened for the development of the adjoining land, but the records show the matter has been referred to **Director Raymond's Department**, where it has been since May without any action taken. What we want to **know** is why nothing has been done.

Commissioner Gillen: I believe an arrangement was made to substitute another street for Maybaum Avenue. I believe there was an agreement

whereby Maybaum Avenue was to be vacated and Devine Street opened in its place.

Mr. Harrison R. Van Duyne, Engineer in Charge of Streets stated that nothing has been done as yet, that his recollection was that East Orange should act first in opening Watson Avenue, but he would be glad to look into the matter again and take it up with Mr. Fioreto.

The report of the Commissioners of Assessments for Local Improvements assessing benefits for the opening of Elder Place was received and ordered filed.

Commissioner Howe offered the following resolutions:

The following communications were received and read:

Department of Public Safety  
Division of Buildings

Newark, N. J., October 26th, 1923.

The Board of Commissioners of  
The City of Newark, N. J.

Honorable Sirs:—

At a meeting of the Commission on Building Districts and Restrictions, held October 25th, 1923, a petition requesting a change in the Building Zone Ordinance, so as to permit business on Fabyan Place between Lyons Avenue and Shaw Avenue, was considered.

The Commission desires to report that there were no objections to this change. Of a total frontage on Fabyan Place, between Lyons Avenue and Shaw Avenue, of approximately 550 feet on each side of the street, the owners of approximately 450 feet on each side of the street expressed their preference for the change.

In view of the above, the Commission on Building Districts and Restrictions respectfully recommends that both sides of Fabyan Place between Lyons Avenue and Shaw Avenue, to a point of 100 feet beyond the property lines, be changed to a "Business" district, and that the Building Zone Ordinance be amended accordingly.

Respectfully submitted,

The Commission on Building  
Districts and Restrictions.

William Fiverson,  
Acting Secretary.

Commissioner Howe: In answer to this petition, there has been so much discussion pro and con on this matter, I feel before anything is done we should inspect this neighborhood and invite some representative of both sides to meet with us and try to adjust it satisfactorily. There seems to be merit on both sides. The claims of each are fair to a certain extent and we do not want to do any injustice to either the manufacturer or the house owner.

Mr. C. W. Littlefield, 12 Leslie Street:— There seems to be a mistaken idea that this is an industrial change. It is in a business change and that to my mind causes a great deal of annoyance. There seems to be a great deal of propaganda that it will be an industrial change.

Mr. C. C. Rose, 197 Schley Street:— I am vitally interested in this proposed change. I happen to be one of the owners abutting on the proposed change. I am presenting more facts which Mr. Lehmann did last week at which time you adopted a resolution in our favor. We have a petition here signed by all the property owners in the neighborhood with the exception of one and his name is on the other petition, although he has told us he was very sorry that he had signed it.

Mr. George F. Perry: I would like to object to the submission of any petition signed by residents of Wainwright Street. I am of the opinion that the only people who have a right to object to this are the people who live within a certain distance of the

property. I represent a corporation that started a business there fourteen years ago on Fabyan Place. We have 325 feet frontage. There are very few people here today to object who lived on Clinton Hill near that business when it was established. The impression has gone abroad that something objectionable from a manufacturing standpoint will be established there. It seems to be more or less propaganda and I think the proposition to come and inspect that property which we will be very glad to have you do so is very fair.

Commissioner Brennan moved that the communication from the Zoning Commission be laid over for two weeks and that the Board inspect this property on Monday, November 5th, at 12 o'clock with a representative from both sides.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe.

Samuel M. Hollander  
Counsellor At Law

Newark, N. J., October 24, 1923.

Hon. Frederick C. Breidenbach,  
Mayor of the City of Newark,  
Hon. Charles P. Gillen,  
Hon. John Howe,  
Hon. Thomas L. Raymond,  
Hon. William J. Brennan,  
Commissioners,  
and

Jerome T. Congleton, Esq.,  
City Counsel,  
Newark, New Jersey.

Gentlemen:

Re: Montefiore Holding Company.

A short time ago I was advised by your Honorable Body that this matter had been referred to the City Counsel. Up to this late date I have received no further communications from your department or the City Counsel. I call your specific attention to the fact that when this matter arose I served the City Counsel with a demand for specifications of charges, and at no time was said specification of charges ever complied with. I did not receive any kind of notice, officially or in proper form, that would indicate what the intention of the Board was, and the basis of their attempting to nullify the original resolution.

You will observe that your records show that this permit was passed in April, 1921. Pursuant to the authority vested in my clients by virtue of this permit, we undertook the development of this property for the purposes expressed in said permit. If you are in doubt as to what expenditures we have made in this respect, I invite you to call at the premises and observe that we have made changes resulting in expenditures that far exceed any amount you may anticipate.

I am sure that if you had properly consulted counsel before you un-

dertook to nullify the authority which you heretofore granted, you would have been more cautious in your action, and not so ruthlessly, and without due regard for law, have undertaken to take away from my clients that which you originally gave them. By virtue of your acquiescence to the the continued development of this tract for the purposes authorized, I now charge that you are estopped from denying them the rights originally granted by you.

I am sure this is one phase of the situation counsel has not enlightened you upon, and knowing that you are all gentlemen of honor, and being desirous of upholding the dignity of the law, as well as the constitutional rights of the citizens of this community, I urge upon you to reconsider the position you have placed yourself in, and not cause further embarrassment upon yourselves and a serious reflection upon our civic organization.

The City Counsel can safely advise you as to what the proper procedure would be if you have any remedy and I would urge that you proceed in the regular manner.

Before closing I wish to say that I have personally undertaken to investigate the newspaper statement which Mr. Congleton is credited with saying, that the Cemetery Association did not follow the proper procedure in obtaining the permit. I find that the Cemetery Association did proceed in proper and due form, and there are no irregularities about same. However, that

n itself is no justification for nullifying your original act, especially after you permitted so much of the work to be doné, and allowed so much time to elapse.

Certainly there must be some equity to which my clients are entitled, and these matters must be considered before you can undertake to undo that which you are responsible for.

I again reiterate that I consider all you have done up to the present time null and void, and of no legal effect.

Very truly yours,

S. M. Hollander.

Ordered filed.

A communication from the Police & Firemen Salary Increase Bureau, protesting against a statement made by his Honor the Mayor at a meeting of the City Commission held on October 6th, 1923, in connection with the salary increase for the policemen and firemen, was received, read and on motion ordered referred to the Mayor.

A communication from the Governmental Efficiency Bureau, Chicago, relative to an efficiency survey was received, read and on motion ordered referred to the Mayor.

Commissioner Brennan offered the following resolution:

RESOLVED, that we, the Board of Commissioners of the City of New-

ark, tender to our colleague, Thomas L. Raymond, our sincerest wishes for his speedy recovery and return to health and official duties which is of such importance to the citizens of our city.

Charles P. Gillen,  
John Howe,  
W. J. Brennan,

The roll being called, the resolution was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe.

Commissioner Gillen: On December 9th, Mr. Mayor, the World War Memorial will be unveiled and in order to prepare the park for the monument it is necessary to construct some walks. We did not have the plans from the architects in time to advertise for bids and this is an emergency resolution which I would like to present for your consideration.

Commissioner Gillen offered the following resolution:

WHEREAS, Sunday, December 9th, 1923, has been fixed as the day for the dedication of the Soldiers and Sailors Monument now in course of erection in Lincoln Park, this City; and

WHEREAS, it is desirable that the portion of the work on the approaches of said monument to be constructed and paid for by the City of Newark shall be completed before the said dedication of said monument; and

WHEREAS, under the circumstances the public exigency requires that advertisement for sealed proposals for doing of said work shall be dispensed with;

THEREFORE BE IT RESOLVED, that the Director of the Department of Parks and Public Property be and he is hereby authorized and directed, on behalf of The City of Newark, to enter into a contract with the Connelly Construction Company, contractors, for the erection of said monument, for the furnishing of necessary labor and material for the curbing, paving and sidewalk around said monument.

Charles P. Gillen,  
John Howe,  
W. J. Brennan,

The roll being called, the resolution was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe.

Mr. Myron W. Morse, 139 Third Avenue, appeared and requested an appropriation to defray the expenses of displaying the flags in the City Parks on holidays, stating he has expended in the neighborhood of \$50.00 each year for this purpose.

Corporation Counsel Congleton  
There is in the budget an appropriation for the celebration of holidays and I cannot see why this expense cannot be taken out of this appropriation. This Commission cannot make an appropriation for this purpose at this time. This application should be brought before them when they are making up their budget for the year 1924.

Commissioner Howe: I would suggest you take the matter up with the Mayor upon his return.

Commissioner Brennan moved that when we adjourn we adjourn to meet on Monday, November 5th, at 11 A. M.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe.

APPROVED:

W. J. BRENNAN,  
CHARLES P. GILLEN,  
JOHN HOWE,

The Board of Commissioners of  
The City of Newark, N. J.

W. J. EGAN,  
City Clerk.

Commissioner Gillen moved that the plans for the City Hospital equipment be approved.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Mayor Breidenbach.

Corporation Counsel Congleton:— I desire to present for Commissioner Raymond's Department a resolution affecting the warehouses at Port Newark. Mr. Sherrerd and Mr. Costello were in Washington last week on city business and they have come back with this message; that the Government is now about to consummate the sale of the warehouses to private interests on a plan of deferred pay-

ments covering a period of 25 years, title of the property not to be passed until the final payment is made. On this basis private interests will get control of the property and we will not be able to tax it. You will recall that when we entered into negotiations with the government for this property there was a certain reservation inserted in the agreement that would give us an option of 90 days within which to purchase this property. This resolution provides that Director Raymond's Department can say to the Government that we desire to have a period of 90 days within which to determine whether or not we will purchase this property in accordance with the reservation:

The clerk then read the resolution as follows:

WHEREAS, it is understood that the Quartermaster's Department of the United States Government is about to consummate at a private sale the disposal of the warehouses situated on the one hundred and thirty-three acres of land at Port Newark Terminal purchased by the United States Government from the City of Newark on the basis of deferred payments over a period of twenty-five years (the government to retain title until the final payment is made), and

WHEREAS a sale on such terms will deprive the City of taxes on such property for said period of twenty-five years, and

WHEREAS, said proposed sale is contrary to the terms of the deed

from the City of Newark to the United States Government bearing date of April 10th, 1919, which deed contains the following option on the part of the City to repurchase this property:

"Reserving, however, to the City of Newark, party of the first part, its successors and assigns, the right to re-purchase from said United States of America the above described lands and premises, or any part thereof, which said United States of America may from time to time determine to dispose of, upon the following terms, to wit:

The City of Newark shall signify its intention so to re-purchase, within ninety (90) days after receipt of notification from the United States of America of its intent to dispose of said land, and shall pay therefore as follows:

For the land so re-purchased, including any improvements made thereon by the said the City of Newark, at the rate of Ten Thousand Dollars (\$10,000.00) per acre, such sum to be paid within five (5) years of the date of the determination of the said City of Newark so to re-purchase, together with interest at the rate of four (4) per centum per annum on unpaid balances of such acreage price. In addition thereto, said the City of Newark shall pay the United States of America the value of all improvements made by said United States of America, as determined by appraisals, to be made as of the time of the determination to re-purchase, said payments to be made from time to time

as the lands whereon said improvements are located shall be leased or sold by said the City of Newark, and within thirty (30) days thereof. Said the City of Newark shall be entitled to a conveyance of said land only upon payment in full of the above mentioned price for land and improvements, but said the City of Newark shall be entitled to possession of said land pending such payments, and

WHEREAS, the City of Newark is advised that it should have a right for ninety days to exercise said option before the disposal of the property at private sale,

THEREFORE, BE IT RESOLVED, By the City Commission that the Director of the Department of Streets and Public Improvements be and is hereby authorized and directed to notify the proper authorities of the Federal Government that the City of Newark desires an opportunity for a period of ninety days from the first of November, 1923, (the day on which it first learned of the intention of the Government to dispose of said property at private sale) in which it may determine as to whether it will exercise the option in the deed as set forth in the preamble to this resolution, and that failing to receive assurances that such opportunity will be given, the Director of Streets and Public Improvements is hereby authorized to bring proceedings to prevent such sale until the City's rights in such premises have been determined.

F. C. Breidenbach,  
John Howe,  
Charles P. Gillen,  
W. J. Brennan,

Commissioner Gillen: In connection with this resolution I intend to offer a motion. Before doing so, I will explain my position.

I was a member of the old Board of Works when the Port Newark Leases were made between the City of Newark and the Federal Government. Originally the Submarine Boat Corporation, which still occupies part of Port Newark, made a lease with the City for the tract which it used subsequently for ship building and which it now occupies. After making the lease, the Submarine Boat Corporation made a deal with the Government officials at Washington whereby the Government agreed to pay all the cost for the construction of the ship building plant and for all work in connection with it. Then the Federal Government representatives came to Newark and demanded that the City abrogate the lease with the Submarine Boat Corporation and give a lease direct to the Federal Government with all sorts of conditions that were not in the original lease. It was stated that if this were not done the whole deal would fall through. The City complied with the request, annulled the lease with the Submarine Boat Corporation and executed a new lease with the Federal Government which the Federal Government immediately assigned to the Submarine Boat Corporation. The Federal Government then gave the Submarine Boat Corporation a large contract for building ships. Because of this juggling by Federal Government representatives of the lease, the Submarine Boat Corporation paid no taxes to the City for years.

Then the Federal Government decided, when war was declared, to lease another tract of Port Newark in the rear of the Submarine Boat plant, consisting of approximately 130 acres. The City entered into an agreement with the Government to lease this land. Subsequently the Government decided to buy the land instead of leasing, claiming that it would erect on this land buildings to the value of Sixty Million dollars or more and that it would be one of the most important government terminals on the Atlantic seaboard. The City did not want to sell the land, because at this time Port Newark was coming into its own and many persons wanted to lease portions of it. Under stress of war conditions, however, and the demands of the Government representatives, the City was practically forced to sell the land to the Government. The Government eventually erected buildings which did not cost Sixty million dollars or more, but probably Eleven Million Dollars, for the storage of war materials to be shipped to Europe. When the City gave the Deed to the Government for this property, it inserted a clause which provided that at the termination of the war if the Government decided to sell the property that the City would have the first right and option to purchase it back at the price paid the City by the Government plus interest, plus the value of the buildings erected thereon. After the war the Government decided to sell the property. The City offered a large sum for it with the feeling and understanding that the City would receive the co-operation of the Government for the improvement of Newark Bay and in the prevention of the

building across the Bay of the Central Railroad Bridge which chokes the Bay. Not receiving the co-operation of the Government, the bid of the City was withdrawn. Subsequently the Government advertised the property for sale asking for bids from public or private bodies. The City of Newark submitted a bid of Three Million Dollars. The only other bid received for the property was one of One Million Dollars from a private company. The City felt that its offer, under the circumstances, was a substantial offer and should have been accepted by the Government because the citizens of Newark, the City Government and civic bodies of all kinds had given great effort and thought to the development of Port Newark and the City had spent many millions of dollars on this project feeling that Newark Bay and Port Newark was destined to become one of the greatest ports on the Atlantic Coast, that it was not merely a local improvement, but a great national asset and since Newark had spent such a vast sum for the up-building of this great national port, the least the Federal Government could do would be to co-operate in every way with the City. The City's offer was turned down cold, however, by the Government and now we learn that certain officials at Washington having charge of the disposal of these government properties are trying to sell the Quartermaster's Department at Port Newark piecemeal to private parties under agreements extended over periods of 25 years, the Government to retain the title to the property for 25 years while actually giving possession to private parties for private enterprises

during that period. This would mean that, of course, while the Government holds the title, the City would receive no taxes from the property for the next 25 years.

This is an unwarranted outrage on the the part of government officials and should be stopped at once. It is a case where these Government officials are trying to cheat the City doubly and are juggling these properties for some reason best known to themselves. I do not believe the government itself knows what these officials are doing. I have great faith in the fairness of our Government and I know that these officials have not dealt fairly or honestly with the City. If they did, they would make every effort to have the City become again the lawful owner of these lands and to encourage the City in the further development of this national coast gateway.

We all know how many millions of dollars Hog Island cost the Government and what a small sum it was sold for. We do not want Port Newark to be juggled in the manner that Hog Island and Muscle Shoals were juggled.

I will make another statement: Within the past two months a gentleman from New York approached me claiming that there was a man in Boston who could purchase the Quartermaster's Department from the Government for Four Million Dollars and that if he could be assured that the City of Newark were really interested in the purchase of this land and would pay something over Four

Million Dollars that the Boston party could buy the land for Four Million Dollars and sell it to the City of Newark at a profit. Is it possible that the Government is dealing in this manner with private individuals to the disadvantage of its own municipalities? It is claimed that that this Boston man is connected with a corporation that has taken over a number of properties from the Government. Are these transactions being conducted behind closed doors? Isn't it time that a public investigation of the whole matter should be made?

Mr. Mayor and gentlemen of the Commission, I therefore offer a motion that Senator Edge be immediately asked to call for an investigation of all transactions by the Government in connection with the property at Port Newark and that he be further requested to ask the Secretary of War to hold up any sales or leases by the Government on this property pending the result of the investigation.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Mayor Breidenbach.

Commissioner Brennan moved the adoption of the resolution.

The roll being called, the resolution was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Mayor Breidenbach.

Dr. William C. Hanrahan, representing the Federation of Improvement Associations, commended Commissioner Gillen for his statement in reference to the sale of the Port Newark property, and urged the City Commission to publish all the facts and start an educational campaign so that the taxpayers will know who is to blame for this state of affairs.

Commissioner Gillen offered the following resolution:

WHEREAS, in the judgment of the Commissioners, the street in the rear of the new Centre Market, between Commerce Street and South Canal Street, should be paved; and

WHEREAS, by the exigency of the situation an emergency exists which will not permit of advertisement for bids for said work;

THEREFORE BE IT RESOLVED By the Board of Commissioners of the City of Newark by reason of the exigency aforesaid an emergency exists which will not permit of advertising for the paving of said street; and

BE IT FURTHER RESOLVED That the Director of the Department of Parks and Public Property be and he is hereby authorized to enter into contract with some suitable person for the paving of the street with reinforced concrete in the rear of the new Centre Market from Commerce Street to South Canal Street, for a width of sixty-six (66) feet.

**NEWARK, N. J.**

**November 13, 1923.**

A regular meeting of the Board of Commissioners of the City of Newark, N. J., was called on the above date, in the Commissioners' Chamber, City Hall, Newark, at 11 A. M.

Present: Commissioner Howe.

Absent:—Commissioners Brennan, Gillen, Raymond, Mayor Breidenbach.

Commissioner Howe: In the absence of a quorum, this meeting is hereby adjourned until Friday, November 16th, 1923, at 11 A. M., and all matters listed for hearing at this time are postponed until that time. I might say for the benefit of those present,

that it was necessary for the City Commissioners to go to Washington on matters of great importance to the City of Newark. I also wish to call attention to the fact that the matter of the Vailsburg Sewer which was scheduled for hearing today will be heard on Friday, and all other matters that were to come up today will be heard at that time.

**APPROVED:**

**JOHN HOWE,**

The Board of Commissioners of

The City of Newark, N. J.

**W. J. EGAN,**

City Clerk.

NEWARK, N. J.

November 16, 1923.

An adjourned meeting of the Board of Commissioners of the City of Newark, N. J., was held on the above date in the Commissioners' Chamber, City Hall, Newark, at 11 A. M.

Present:—Commissioners Brennan, and Howe.

Absent: — Commissioners Gillen, Raymond, Mayor Breidenbach.

Commissioner Howe: I want to say in the absence of a quorum, all matters that were to come up for consideration at this meeting today will be postponed until next Tuesday, November 20th, at 11 A. M.

Commissioner Brennan moved that the meeting be adjourned until Tuesday, November 20th, at 11 A. M.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Howe.

APPROVED:

JOHN HOWE,  
W. J. BRENNAN,

The Board of Commissioners of  
The City of Newark, N. J.

W. J. EGAN,  
City Clerk.

## NEWARK, N. J.

November 20, 1923.

A regular meeting of the Board of Commissioners of the City of Newark, N. J., was held on the above date, in the Commissioners' Chamber, City Hall, Newark, at 11 A. M.

Present:—Commissioners Brennan, Gillen, Howe, Raymond, Mayor Breidenbach.

The minutes of meetings of November 5th, 13th and 16th were read and approved.

Mayor Breidenbach: Is there any citizen desiring to be heard by the Board on any matter?

Dr. William G. Hanrahan, 36-A Fulton Street, appeared and deplored the recent attacks by certain men in the City of Newark upon Commissioner Thomas L. Raymond during his recent illness, stating he represented a number of Civic and Fraternal organizations in the city who resented the attacks upon the splendid reputation and life of an official who has done so much for the welfare of the City of Newark.

Dr. Hanrahan urged the support and co-operation of the citizens of Newark in making the Community Chest drive a success, stating that it was not receiving the support it should, and expressed the hope that the citizens would make it a success as it was a real civic duty to sustain these institutions.

Dr. Hanrahan also denounced the recent attacks against the City Commission in attending the recent convention of the Atlantic Deeper Waterways Association at Norfolk, stating the attacks were uncalled for and that the members who attended done wonderful work in bringing the convention to Newark next year, which would mean a return of from \$5,000 to \$10,000 to the City of Newark next year, and hoped the Commission would continue to do its duty as they saw it in the future in spite of unjust criticism in this instance.

Mr. W. F. Meyerend, Secretary, Weequahic Civic Committee appeared and stated his organization were interested in a proposed ordinance which was scheduled to come up for third reading, extending the fire limits, stating he understood the ordinance would permit the building of cheaply constructed six family frame houses on the Greisenheim tract in the Weequahic territory and involved such streets as Scheerer Avenue and Mapes Avenue, and stated his organization was opposed to this ordinance extending the fire limits if it would permit the building of six family frame houses in the Weequahic district.

Commissioner Gillen: This ordinance would permit the erection of frame dwellings of one, two and three families in places where they are now prohibited. It does not interfere with the zoning ordinance.

Commissioner Brennan: This is an ordinance Mr. Mayor that has been discussed for months, which was

brought forcibly to my attention by the Building Department in the early part of December because of the prohibitive limits now placed in various sections of the city, causing owners of property to move to Vailsburgh, Irvington and other outlying districts. After numerous conferences with the Building Department and Fire Department, it was deemed advisable to revise the ordinance so as to permit the erection of one, two and three family dwellings, none to be over three stories in height with a ground area of so many feet surrounding each building. So far as the ordinance is concerned it prohibits the erection of any building of frame material over three stories, and it does not in any manner interfere with the zoning ordinance.

Mr. Meyerend: We are not opposed to three family construction, but we are opposed to six family construction in the Weequahic Section, therefore we are for this ordinance.

Mayor Breidenbach: Is the Committee appointed on the Vailsburgh Drainage System ready to report?

Commissioner Raymond: I would like to state Mr. Mayor that Commissioner Howe and I had a joint conference with Counsel for the contestants to the assessment and with members of the Assessment Commission and other interested property owners and we brought in a tentative report with the idea of submitting it to our colleagues to see what their views were, but after a conference this morning, the concensus of opinion

seems to be our report should not be presented or adopted and that the matter should be permitted to take its legal course in the form of a hearing as the law requires, so that we will not present our report and will agree with the rest of our colleagues as to their disposition in the matter.

Commissioner Raymond moved that the hearing on the Vailsburgh Drainage Sewer be continued until next Tuesday, November 27th, and that a date be set at that time for the hearing of testimony in the Vailsburgh Drainage Sewer matter.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Raymond, Mayor Breidenbach.

Commissioner Howe offered the following resolution:

RESOLVED: That the Report of the Commissioners of Assessments for Local Improvements of the City of Newark awarding damages sustained by the opening of Elder Place from its present terminus about 290 feet south of Camp Street for a distance of about 126 feet more or less to Pennington Street, which said report is hereto annexed, be and the same is hereby in all things adopted, ratified and confirmed; and

BE IT FURTHER RESOLVED, That the City Clerk be and he is hereby authorized and directed to file a

duplicate of said Report in the Office of the Comptroller of the said City of Newark.

Thomas L. Raymond,  
F. C. Breidenbach,  
John Howe,  
W. J. Brennan,  
Charles P. Gillen

The roll being called, the resolution was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Raymond, Mayor Breidenbach.

Commissioner Brennan moved that the title of "An Ordinance to amend Section 272 of Chapter XIV of the revised ordinances of the City of Newark, approved October 4, 1913" be taken for its third reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Raymond, Mayor Breidenbach.

The clerk then read the title of the ordinance as follows:

An ordinance to amend Section 272, of Chapter XIV of the Revised Ordinances of The City of Newark, approved October 4, 1913.

The ordinance having been read three times, was then declared to be upon its third and final passage.

The roll being called, the ordinance was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Raymond, Mayor Breidenbach.

Commissioner Gillen moved that the title of "An ordinance to authorize the acquirement of lands on the southerly side of Green Street, between Broad and Mulberry Streets, in the City of Newark, New Jersey, for City Hall Extension purposes, and providing for the financing thereof," be taken for its third reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Raymond, Mayor Breidenbach.

The clerk then read the title of the ordinance as follows:

An ordinance to authorize the acquirement of lands on the southerly side of Green Street, between Broad and Mulberry Streets, in the City of Newark, New Jersey, for City Hall Extension purposes and providing for the financing thereof.

The ordinance having been read three times, was then declared to be upon its third and final passage.

The roll being called, the ordinance was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Raymond, Mayor Breidenbach.

Mayor Breidenbach: I would like to say in connection with the ordinance authorizing the erection of a residence for the Medical Director of the City Hospital, I understand from Director Gillen who has received bids for same, that it will amount to \$37,000 or \$38,000. I feel the figures are too high. I thought it would cost between \$18,000 and \$20,000 and therefore I would like to have the ordinance withdrawn.

Commissioner Brennan moved that the ordaining clause of an ordinance entitled "An ordinance to authorize the erection of a residence for the Medical Director of the Department of Public Affairs upon property now owned by the City of Newark at the northeast corner of Bank Street and Littleton Avenue, in the City of Newark," be stricken out.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Raymond, Mayor Breidenbach.

Mayor Breidenbach offered the following resolutions:

RESOLVED: That the sum of Thirty-two Thousand, One Hundred Thirty-seven Dollars and Fifteen Cents (\$32,137.15) be and the same is hereby appropriated to the persons named

on the annexed certified list, being the bills and claims of the Department of Public Affairs as follows:

The following communication was received and read:

Department of Public Safety  
Division of Buildings

Newark, N. J., October 26th, 1923.

The Board of Commissioners of

The City of Newark, N. J.

Honorable Sirs:

At a meeting of the Commission on Building Districts and Restrictions, held October 25th, 1923, a petition requesting a change in the Building Zone Ordinance so as to permit business on Fabyan Place, between Lyons Avenue and Shaw Avenue, was considered.

The Commission desires to report that there were no objections to this change. Of a total frontage on Fabyan Place, between Lyons Avenue and Shaw Avenue of approximately 550 feet on each side of the street, the owners of approximately 450 feet on each side of the street expressed their preference for the change.

In view of the above, the Commission on Building Districts and Restrictions respectfully recommends that both sides of Fabyan Place between Lyons Avenue and Shaw Avenue, to a point of 100 feet beyond the property lines, be changed to a "Business" district, and that the Building Zone Ordinance be amended accordingly.

Respectfully submitted,

The Commission on Building  
Districts and Restrictions.

William Fiverson,  
Acting Secretary.

Commissioner Gillen: I think, Mr. Mayor, that the protest in this case is well founded. It is the desire of the manufacturer to construct a garage to be used in conjunction with their factory, which they claim will not injure the property in this street, while the claim of the property owners in the immediate vicinity is that they do not want any further encroachment of industry upon a residential section. Now, if people in good faith buy or build homes in certain sections, and when buying or building are protected by city ordinances and they are changed from time to time it naturally gives them a great deal of uncertainty, and if objectionable things that the ordinance intended to eliminate are permitted to encroach on these residential districts, people soon lose faith. After all, your home is your home and a home is a sacred thing to a man. Many people have all their savings invested in their homes and are very jealous of anything that may injure the peace or tranquility or the pleasant surroundings of their home, and they come here with almost unanimous protest against the erection of this garage in that section, and I think their protest should be considered. The theory of good government is administering it in a manner to do the greatest good for the greatest number, and if we permit this garage to be built it benefits only one concern,

but scores of homes will be injured and these people who live in these homes come to us as their representatives in the City Government and ask us to stand by our own law that we made, and I think we should stand by it, and I move you, Mr. Mayor, that we vote against any change in the ordinance on Fabyan Place.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Raymond, Mayor Breidenbach.

A communication from Hugo A. Seiler relative to placing the section at the northeast corner of Springdale Avenue and North 12th Street in a business district was received and read.

Commissioner Gillen: For the same reason as the previous case, I would move that the application be turned down and that the ordinance stand as it is.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Raymond, Mayor Breidenbach.

A communication from Samuel M. Hollander, dated November 10th, relative to Montefiore Cemetery Association was received and read.

Commissioner Gillen moved that the communication be referred to the Law Department with request that they take the matter up with Mr. Hollander.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Raymond, Mayor Breidenbach.

The following communication was received and read:

Board of Assessment & Revision  
of Taxes

Newark, N. J., November 12th, 1923

To the Honorable

Board of Commissioners,

City of Newark, N. J.

Gentlemen:

I hereby respectfully tender my resignation as a member of the Board of Assessment and Revision of Taxes to take effect immediately.

Harry B. O'Connell.

Commissioner Howe moved that the resignation be accepted.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Raymond, Mayor Breidenbach.

A communication from the North Jersey District Water Supply Commission, notifying the City Commission that the Board of Conservation and Development will hold a public hearing on December 6th, 1923, at 11 A. M., at the State House Building, Trenton, New Jersey, at which time all municipalities, companies or persons desiring to appear for or against said application will be heard, was received and read.

Commissioner Gillen moved that the communication be referred to Director Raymond and that his Department be represented at the hearing.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Raymond, Mayor Breidenbach.

A communication from the National Rivers and Harbors Congress, extending an invitation to the City Commissioners to attend their Nineteenth Convention in Washington, D. C., December 5th and 6th, was received, read and on motion ordered filed.

A communication from the Good Roads Association of New Jersey, extending an invitation to the City Commissioners to attend their First Annual Convention to be held at the

Hotel Dennis, Atlantic City, New Jersey, December 7th and 8th, was received and read.

Commissioner Gillen moved that the communication be referred to Director Raymond.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Raymond, Mayor Breidenbach.

A communication from Charles A. Carrigan, Manager of the Robert Treat Hotel, relative to the newspapers attacking the City Commissioners for attending the convention of the Atlantic Deeper Waterways in Norfolk, and congratulating the members of the City Commission for bringing the convention to this city next year, was received, read and on motion ordered filed.

The following report of City Officers was received and ordered filed:

Auditor's report for month of October, 1923.

The clerk read a resolution from the Service Club of Newark, New Jersey, relative to the frequent closing of the Montgomery Street Public Bath, and requesting the City Commission to insure the citizens of this congested community the free and uninterrupted use of this public bath.

Commissioner Howe moved that the matter be referred to the Mayor.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Raymond, Mayor Breidenbach.

The clerk read a resolution from the Service Club of Newark, New Jersey, relative to the erection of a swimming pool for the citizens and residents of the Third Ward.

Commissioner Howe moved that the matter be referred to the Mayor.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Raymond, Mayor Breidenbach.

Commissioner Gillen: In view of the controversy over the Vailsburg sewer and other assessments, it seems to me the law should be corrected. Under the present law the Assessment Commission makes the assessments and it then comes back to us and under a decision of the Court the Assessment Commission has to hear all parties interested, and after this is done the City Commission has to neglect its business to hear this protest all over. It seems to me the law should be corrected and I would move you that the Law Department be instructed to prepare a bill to apply to first-class cities, as I understand objections come from smaller class towns, so that the Commissioners in

big cities can be allowed to transact its business, without being compelled to go through a repetition of testimony submitted to another Board, and that if an appeal is to be made by any protestors that this proposed law provide that those protesting can go before a Circuit Court as it was done previously to the adoption of the Home Rule Act of 1917.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Raymond, Mayor Breidenbach.

Commissioner Gillen: I have another matter I would like to take up. The time for the opening of the new market is rapidly approaching and one of the serious problems is the congestion of streets approaching the market. I do not think any of these streets can be cleared as they should be without the co-operation of at least three departments, and I would move that a Committee be appointed, consisting of representatives of Commissioner Raymond's Department, Commissioner Brennan's Department and my Department to take up this congestion problem and to work on it and submit a report as to the best

method of doing away with congestion.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Raymond, Mayor Breidenbach.

Commissioner Howe moved to adjourn.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Raymond, Mayor Breidenbach.

APPROVED:

F. C. BREIDENBACH,  
THOMAS L. RAYMOND,  
CHARLES P. GILLEN,  
JOHN HOWE,  
W. J. BRENNAN,

The Board of Commissioners of

The City of Newark, New Jersey.

W. J. EGAN,

City Clerk.

NEWARK, N. J.

November 27, 1923.

A regular meeting of the Board of Commissioners of the City of Newark, N. J., was held on the above date in the Commissioners' Chamber, City Hall, Newark, at 11 A. M.

Present: Commissioners Brennan, Gillen, Howe, Raymond, Mayor Breidenbach.

The minutes of meeting of November 20th were read and approved.

Mayor Breidenbach: Are there any citizens desiring to be heard by the Board?

Dr. W. G. Hanrahan, 36-A Fulton Street, appeared and presented the following resolution:

Newark, N. J., November 26, 1923.

WHEREAS, Two members of our City Commission recently visiting Secretary Weeks of the War Department and virtually compelling a statement from the Secretary that Newark would not suffer loss of taxation thru a deferred payment system for the holdings of the United States Government at Port Newark, and that at least \$6,000,000. would be paid for this property, and

WHEREAS, other members of the Commission and City Officials journeyed to The Deeper Waterways Convention at Norfolk and thru their un-

tiring efforts secured The Deeper Waterways Convention for 1924 for our City which will bring to us the most distinguished citizens of our country, national publicity and financial gain, therefore be it

RESOLVED, We the Federation of Improvement Associations, Inc., assembled highly commend the most excellent work of our City officials in accomplishing what they have for our City and the great benefits to be derived therefrom and be it further,

RESOLVED, That we vigorously condemn the unjust criticism that has been leveled at our Officials in spending public money for bringing so much to our City.

Frederick Neuhaus, G. F. Canniff,  
President. Secretary.

Dr. Wm. G. Hanrahan,  
Chairman of Committee.

Commissioner Howe moved that the resolution be received and filed.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Raymond, Mayor Breidenbach.

Mr. Joseph Gunn, Secretary, New Jersey Automobile Association, appeared and urged the establishment of an Automobile Tourists Camp for use of automobile tourists, stating all of the larger cities throughout the

United States have established these camps; that it would give a great deal of advertising to the City and help to bring a certain amount of revenue to the City.

Commissioner Howe moved that the matter be referred to Director Gillen.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Raymond, Mayor Breidenbach.

Mr. William F. Mullin and Mr. Corbett McCarthy, appeared before the Board and urged an appropriation of \$7,500 to meet the expenses of the celebration in connection with the unveiling of the World War Memorial in Lincoln Park on December 9th, stating that the Victory Celebration Committee were short of funds due to some subscribers declining to fulfill their pledges.

Mayor Breidenbach: I believe Director Gillen has a resolution covering this matter which he will introduce today.

Commissioner Gillen offered the following resolution:

RESOLVED: By the Board of Commissioners of the City of Newark that the sum of Seventy-five Hundred Dollars (\$7500) be and the same is hereby appropriated to Victory Celebration Committee toward the construction of Victory Monument, to be

erected in Lincoln Park, under and by virtue of the authority of—

W. J. Brennan,

The roll being called, the resolution was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Raymond, Mayor Breidenbach.

Mayor Breidenbach: The Board is now prepared to take up the matter of the assessments for the Vailsburg Drainage System.

Mr. Congleton: The request has been made that the matter go over until December 11th. Mr. Wolber is engaged in Chancery on a city case this morning, and I understood he and Mr. Smith made that arrangement.

Mr. Smith: I would like to have the understanding that we will proceed with the case on that day.

Mr. Congleton: You won't be able to go on and take testimony Tuesday morning—it will have to follow the meeting. You may adjourn it regularly now and go on in the afternoon.

Commissioner Howe: I think it would be a good thing to meet in the afternoon, so that the people won't have to come down here in the morning and have to come back again in the afternoon.

Mr. Smith: I am agreeable to everything, except that I would like to know when we can actually go on with the testimony.

Mr. Congleton: Why don't we adjourn it until December 11th, and you and Mr. Wolber can come to an arrangement about it.

Mayor Breidenbach: I think Wednesday morning will be better and then we can finish it in a day.

Commissioner Raymond: We will get through with the regular meeting at eleven o'clock and go on for an hour and a half. I think the understanding should be we will go on as soon as the meeting is over.

Mayor Breidenbach: On Tuesday?

Commissioner Raymond: Yes: There is no use wasting that time. I suggest we meet promptly at eleven o'clock, and then we will get through.

Commissioner Howe moved that the hearing on the Vailsburg Drainage System assessment be adjourned until December 11th at twelve o'clock.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Raymond, Mayor Breidenbach.

Breidenbach.

The roll being called the resolution  
was declared adopted by the follow-  
ing votes:

Yeas: — Commissioners Brennan,  
Gillen, Howe, Raymond, Mayor  
Breidenbach.

Commissioner Howe offered the fol-  
lowing resolutions:

WHEREAS: The Board of Commis-  
sioners on June 20, 1922, adopted the  
following resolution:

RESOLVED: That the Comptroller  
be and he is hereby authorized to can-  
cel from the records in his office the  
second half of taxes for the year 1922  
on property, Rear #69-73 Central  
Avenue, amounting to One Hundred  
Forty-one Dollars and Seventy-five  
Cents (\$141.75) as the same was sold  
to the City on October 1922. The City  
agreeing to assume the balance of the  
taxes of the second half.

“WHEREAS: There are, from time  
to time, funds in the City Treasury  
not presently needed for the purposes  
for which they were raised; and

“WHEREAS: Said funds can be  
used for other purposes which have  
been duly authorized and for which  
appropriations have been made but  
funds not yet raised, thus saving in-  
terest to the city;

# MINUTES OF MEETINGS

OF THE

## Board of Commissioners

---

### *December, 1923*

---

NEWARK, N. J.

December 4, 1923.

A regular meeting of the Board of Commissioners of the City of Newark, N. J., was held on the above date in the Commissioners' Chamber, City Hall, Newark, at 11 A. M.

Present: Commissioners Brennan, Gillen, Howe, Raymond, Mayor Breidenbach.

The minutes of meeting of November 27th, 1923 were read and approved.

Mr. Frank I. Liveright, 55 Van Ness Place:—I represent the Newark Beth Israel Hospital. They recently purchased property on Lyons Avenue east of Irving Place on the north side of the street. We wish to build a Hospital there moving our present

Hospital to that neighborhood. The proposed Hospital would be about seven stories in height. I understand the zoning ordinance only permits buildings 35 feet in height in that neighborhood, and I appear before you to ask you to have the ordinance amended to permit the erection of a seven story building, eighty-seven feet in height for the purposes of a general hospital.

Commissioner Brennan moved that the matter be referred to the Zoning Commission for recommendation and report.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Raymond, Mayor Breidenbach.

Mr. E. C. Moriarity, Essex Building, Newark, appeared and presented the following petition against the erection of garages on North Broad Street: To the Board of Commissioners of

The City of Newark, N. J.

The petition of the undersigned respectfully shows that:

1. They are the owners respectively of the lands and premises on North Broad Street, in the City of Newark, County of Essex and State of New Jersey, at the addresses set opposite their respective names.

2. The lands and premises of which they are the owners as aforesaid are used for private residence purposes only and on the official map of the City of Newark and vicinity, showing the building zones, all of their said lands and premises are located in a B district and designated for residence purposes.

3. One, Michael Eaton, who is a real estate dealer and a resident of East Orange, has lately purchased the land and premises known as 47 Broad Street, Newark, New Jersey, which is in the same block and on the same side of the street as the land and premises owned by your petitioners.

4. Said land and premises purchased by the said Michael Eaton consists of an L shaped tract of land on the front part of which there is a red brick building, the rear of said L shaped tract of land running parallel with Broad Street along the rears of

lands and premises of your petitioners.

5. Sometime ago the said Michael Eaton declared his intention of constructing on said rear part of said L shaped tract of land a thirty-seven car garage and made application to the Superintendent of Buildings of the City of Newark for the approval of the plans submitted for the construction of said garage.

6. Your petitioners thereupon objected to the construction of said garage, inasmuch as the construction and occupation of same as a garage would destroy the residential character of the neighborhood, the gasses and noises from said garage would be injurious to the health and comfort of your petitioners and the occupants of their said properties and the value of the petitioners' said properties would be materially decreased by the construction and occupation of said thirty-seven car garage along and in the rear of their said properties.

7. Your petitioners have relied on the aforesaid official map of the City of Newark, showing the building zones, but when the intention of your petitioners to oppose the erection of said garage became known, the said Michael Eaton was advised to withdraw his application without getting a decision thereon and to renew it at some later period when the opposition to same would be less alert.

8. Pursuant to said advice, the said Michael Eaton withdrew his said application but declared that if the

neighborhood was to be ruined he would show petitioners a thing or two and thereupon offered to sell or rent the brick house on said premises to colored people only. He has since rented said house to colored people and has a wooden sign on the front wall thereof, which reads as follows:

"This property  
For Sale  
to colored people only  
Inquire M. Eaton  
68 Sussex Ave., East Orange  
Phone Orange 7480."

9. Your petitioners condemn the said actions and attitude of the said Michael Eaton as being un-American and disavow any insinuation by him that they are enemies or prejudiced against the colored race. They feel that the avowed purpose of the said Michael Eaton in offering said property for rent or for sale to colored people only, is an insult to the Negro race, inasmuch as it is an implied declaration that the members of said race are undesirable. They, therefore, expressly declare that they have no objection to any colored tenants or purchasers of said property of the said Michael Eaton and do not wish to have it appear that any insult to any race can be used as a lever in the matter.

10. The said Michael Eaton has now made a new application to the Superintendent of Buildings of the City of Newark for the approval of said plans for building said garage, said new application being dated November 7th, 1923.

11. Your petitioners are informed that said application comes up for a hearing on Thursday, December 6th, 1923, before the Zoning Commission of the City of Newark, at the City Hall, Newark, New Jersey, and that it is the intention of said Zoning Commission or Board of Appeals to approve the plans for said garage, although your petitioners have not retracted or withdrawn their objections to same.

Your petitioners therefore pray that your Honorable Board prevent the approval of said plans and prevent the issuance of any permit or other writings authorizing the erection of said garage and refuse to allow said garage to be erected on the aforesaid premises of the said Michael Eaton.

And your petitioners pray for such other and further relief as your Honorable Board may seem just.

(Signed by thirteen property owners.)

Commissioner Raymond moved that the petition be referred to the Zoning Commission and a record made of the protest against any change in the Zoning ordinance and also against the erection of any garages on this property.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Raymond, Mayor Breidenbach.

Following reports of the Commissioners of Assessments for Local Improvements were received and ordered filed:

Fifteenth Avenue Sewer,

Spruce Street Sewer,

Simmer Avenue Storm Water Sewer,

Grafton Avenue Grading, Curbing and Flagging,

Third Street Grading, curbing and flagging.

Commissioner Raymond moved that the title of "An ordinance granting permission to the Reliable Box & Lumber Company to construct, operate and maintain a single track siding at grade across Earl Street from a point in the northerly line of Earl Street distant 7 feet westerly from the northwesterly corner of Earl Street and Avenue A to a point in the southerly line of Earl Street distant 7 feet westerly from the southwesterly corner of Earl Street and Avenue A, be taken for its third reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Raymond, Mayor Breidenbach.

The clerk then read the title of the ordinance as follows:

An ordinance granting permission to the Reliable Box and Lumber Company to construct, operate and maintain a single track siding at grade across Earl Street from a point in the northerly line of Earl Street distant 7 feet westerly from the northwesterly corner of Earl Street and Avenue A to a point in the southerly line of Earl Street distant 7 feet westerly from the southwesterly corner of Earl Street and Avenue A.

The ordinance having been read three times was then declared to be upon its third and final passage.

The roll being called, the ordinance was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Raymond, Mayor Breidenbach.

Mayor Breidenbach offered the following resolutions:

RESOLVED: That the sum of Thirty-six Thousand, Three Hundred Seventy-two Dollars and Forty Cents (\$36,372.40) be and the same is hereby appropriated to the City Treasurer for semi-monthly payrolls, from November 16th to December 1st, 1923, for the Department of Public Affairs, as follows:

Department of Public Safety  
Division of Buildings

Newark, N. J., November 20, 1923.

The Board of Commissioners,  
of the City of Newark.

Honorable Sirs:

In reference to the petition to

change Stanton Street between Elizabeth Avenue and Sherman Avenue from a residence district to a business district, and which was referred to us by your Honorable Body for recommendation and report, the Commission on Building Districts and Restrictions desires to report as follows:

The residential portion of the block in question is improved with eight dwellings. The Elizabeth Avenue Public School yard has considerable frontage on this block. A public hearing was held at which the owners of seven of the dwellings on the block presented written objection to the proposed amendment.

Your commission is of the opinion that this district should not be changed, and respectfully recommend that the ordinance be not amended.

Respectfully submitted,

COMMISSION ON BUILDING  
DISTRICTS AND RESTRICTIONS.

R. B. Rankin,  
Secretary.

CHARLES P. GILLEN,  
JOHN HOWE,  
W. J. BRENNAN,

APPROVED:

The Board of Commissioners of  
The City of Newark, New Jersey.

F. C. BREIDENBACH,  
THOMAS L. RAYMOND,

W. J. EGAN,  
City Clerk.

NEWARK, N. J.

December 11, 1923.

A regular meeting of the Board of Commissioners of the City of Newark, N. J., was held on the above date, in the Commissioners' Chamber, City Hall, Newark, at 11 A. M.

Present: Commissioners Brennan, Gillen, Howe, Mayor Breidenbach.

Absent: Commissioner Raymond.

The minutes of meeting of December 4th were read and approved.

Mayor Breidenbach: Is there any citizen desiring to be heard by the Board?

Mr. Andrew R. Fitzsimmons, 1001 South Orange Avenue: I represent some of the objectors in the Vailsburg Drainage System case, and I would like to request that this matter go over until January 8th, as I understand Mr. Raymond is ill and will not be able to be present, and as it is a very important matter, I think it should be laid over until the full Board is present.

Mayor Breidenbach: Before that motion is put, I would like to say that I had Director Raymond on the telephone this morning and he is quite ill again and he asked me to ask the people who were here on the Vailsburg Sewer assessment to excuse him for not being able to be here this morning, due to illness.

Commissioner Gillen moved that the hearing on the assessments for the Vailsburg Drainage System scheduled for today be continued until January 8th, 1924.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Mayor Breidenbach.

Commissioner Brennan offered the following ordinance which was read by the Clerk:

An ordinance to amend an ordinance entitled "An ordinance regulating and restricting the location of trades and industries and the location of buildings designed for specified uses, and regulating and limiting the height and bulk of buildings hereafter erected, and regulating and determining the area of yards, courts and other open spaces surrounding buildings, and establishing the boundaries of districts for the said purposes and providing penalties for the violation of its provisions," adopted December 31, 1919.

The Board of Commissioners of the City of Newark, Do Ordain:

Section 1. That an ordinance entitled "An ordinance regulating and restricting the location of trades and industries and the location of buildings designed for specified uses, and regulating and limiting the height and bulk of buildings hereafter erected, and regulating and determining the

area of yards, courts and other open spaces surrounding buildings, and establishing the boundaries of districts for the said purposes and providing penalties for the violation of its provisions," adopted December 31, 1919, is hereby amended so that the section of Newark hereinafter described shall be designated on the Area District Map as "C" District and on the Height District Map as "50 Foot District":

BEGINNING at the intersection of the southerly side of Hawthorne Avenue and the easterly side of Clinton Place; thence south along the easterly side of Clinton Place to Nye Avenue; thence easterly along the northerly side of Nye Avenue to the westerly side of Wolcott Terrace and thence north along the westerly side of Wolcott Terrace to the southerly side of Hawthorne Avenue; thence west along the southerly side of Hawthorne Avenue to the point and place of BEGINNING.

Section 2. This ordinance to take effect immediately.

The ordinance having been read once, Commissioner Brennan moved that it be ordered to a second reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Mayor Breidenbach.

The clerk then read the ordinance by sections:

Title declared open to amendment.

Section 1 declared open to amendment.

Section 2 declared open to amendment.

The ordinance was declared open to amendment in all its parts.

The ordinance having been read a second time, Commissioner Brennan moved that it be ordered to a third reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Mayor Breidenbach.

Commissioner Brennan moved that the ordinance be referred to the Zoning Commission for recommendation and report and that it be taken up on final reading on December 24th.

The roll being called, the resolution was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Mayor Breidenbach.

RESOLVED, that it is the intention of the Board of Commissioners of the City of Newark, N. J., under and by virtue of the provisions of an act entitled "An Act Concerning Municipalities," approved March 27, 1917, (P. L. 1917—319) and the supplements thereto and amendments thereof to order and cause the construction of a system of eight (8) inch pipe sewers for house sewage only in the following streets:

Lehigh Avenue between Osborne Terrace and Clinton Place; Huntington Terrace between Lyons Avenue and Mapes Terrace; Schuyler Avenue between Lehigh Avenue and Shephard Avenue; Goodwin Avenue between Lehigh Avenue and Shephard Avenue and Mapes Terrace between Huntington Terrace and Schuyler Avenue. These sewers to be constructed with house connections to the curb lines and to be known and designated as the "Lehigh Avenue Sewer and Branches."

Also the construction of eight (8) inch pipe sewers in Goodwin Avenue and Schuyler Avenue from Renner Avenue for a distance of about 300 feet southerly. These sewers to be constructed with house connections to the curb lines.

Together with all the appurtenances necessary to complete the same in accordance with the plans, specifications and profiles dated December 10, 1923, and now on file in the office of the Department of Streets and Public Improvements.

The said improvement shall be undertaken as local improvements and the cost thereof shall be assessed against the property benefitted by said improvements, in proportion to the benefits received, under and by virtue of the provisions of the act above referred to.

That in order to temporarily finance said improvements the following sums are hereby appropriated:

\$8,200 00 for Lehigh Avenue Sewer and Branches;

\$1,800.00 for Goodwin and Schuyler Avenue Sewers,

and temporary bonds or notes shall be issued from time to time to meet the cost thereof; under and by virtue of the provisions of an act entitled "An Act to authorize and regulate the issuance of bonds and other obligations and the incurring of indebtedness by county, city, borough, village, town, township, or any municipality governed by an improvement commission" approved March 22, 1916, (P. L. 1916—525) and the supplements thereto and amendments thereof, which bonds or notes shall bear interest at a rate not to exceed six per centum per annum. All other matters in respect to such temporary bonds or notes shall be determined by the Director of the Department of Revenue and Finance who is hereby authorized to execute and issue said bonds or notes.

And the Director of the Department of Streets and Public Improvements is hereby directed to give public notice in an authorized daily newspaper, printed and published in the City of Newark, of the intention of the Board of Commissioners to order and cause such improvements to be made, and that all persons whose lands may be affected by such improvements or who may be interested therein will be given an opportunity to be heard concerning the same at a meeting of said Board, to be held in its meeting room, City Hall, on Tuesday, January 8th, 1924, at 11 o'clock A. M., at

which time and place ordinances for the making of said improvements will be considered.

Newark, N. J., December 4, 1923.

Honorable Board of Commissioners,  
City Hall,  
Newark, N. J.

Gentlemen:

Referring to my appearance before you today, I am making formal request for permission for the Newark Beth Israel Hospital, a charitable corporation, to erect a seven story hospital building on the plot of ground located on Lyons Avenue, east from Irving Place and running back to Le-

high Avenue (the shaded portion on the map attached hereto).

I believe it will be necessary to have the ordinance, which now limits the height of buildings in this section to thirty-five feet, changed to permit a building of this character, at least eighty-five feet high.

The need of a new fireproof hospital in this section of the city cannot be questioned and it is our purpose, if your permission is granted, to sell our present site corner High and West Kinney Streets.

I trust this matter will receive your earnest attention.

Cordially yours,

Frank I. Liveright, President,

Newark Beth Israel Hospital.

Commissioner Howe moved that the matter be referred to the Zoning Commission for recommendation and report.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Mayor Breidenbach.

The following communication was received and read:

First District Court.

Newark, N. J., December 3, 1923.

Board of Commissioners of

The City of Newark,

City Hall, Newark, N. J.

Gentlemen:

Miss Mary Y. Taylor, Deputy Clerk of the 1st District Court of the City of Newark, was appointed December 16, 1910, and has since then been continually in the service of the Clerk's Office. By authority of Chapter 246 of the Laws of 1922, I do fix the salary of Miss Taylor, as Deputy Clerk, at \$2400. per year.

Yours very truly,

Cecil H. McMahon.

Ordered referred to the Director of Revenue and Finance.

The following resolution was received and read:

At a regular meeting of Connelly Post No. 461, Veterans of Foreign Wars, the following resolution was adopted:

WHEREAS, the position of Flag Custodian of the City of Newark is a very important one, more particularly because the monument erected in memory of the veterans of the World War "The Planting of the Standard of Democracy" idealizes the American Flag and will come under the jurisdiction of said custodian; therefore

BE IT RESOLVED, that it is the opinions of the members of Connelly Post No. 461 Veterans of Foreign Wars that the Flag Custodian of the City of Newark should be a war veteran; and

BE IT FURTHER RESOLVED, that we the members of Connelly Post respectfully petition the City Commissioners of our city to remove the present incumbent and appoint thereto a war veteran; and

BE IT FURTHER RESOLVED, that a copy of these resolutions be sent to the City Commissioners, the veteran organizations of the city and to the press.

Philip M. Roy,

Commander.

Official:

W. J. Mooney,

Adjutant.

Ordered referred to the Director of Parks and Public Property.

Commissioner Howe moved to adjourn.

The roll being called, the motion  
was declared adopted by the follow-  
ing votes:

W. J. EGAN,  
City Clerk.

NEWARK, N. J.

December 18, 1923.

A regular meeting of the Board of Commissioners of the City of Newark, N. J., was held on the above date, in the Commissioners' Chamber, City Hall, Newark, at 11 A. M.

Present:—Commissioners Brennan, Gillen, Howe, Raymond, Mayor Breidenbach.

The minutes of meeting of December 11th were read and approved.

The following reports of the Commissioners of Assessments for Local Improvements were received and ordered filed:

Belmont Terrace grading, curbing, flagging and paving, from Belmont Avenue to Ridgewood Avenue;

Madison Avenue resurfacing, from Clinton Avenue to Belmont Avenue;

Ferdinand Street paving, from South 20th Street to Grove Street;

Boylan Street paving from South Orange Avenue to Abinger Place;

Bridge Street repaving from Broad Street to the Passaic River;

Schuyler Avenue grading, curbing, flagging and paving, from Nye Avenue to Renner Avenue;

Hobson Street grading, curbing, flag-

ging and paving from Shaw Avenue to Lyons Avenue;

Belmont Avenue resurfacing from Clinton Avenue to Madison Avenue;

Mr. Spaulding Frazer, 20 Clinton Street, appeared and presented the following petition:

To the Board of Commissioners  
of the City of Newark:

The petition of the Plymouth Company, a corporation of the State of New Jersey, having its principal office in the City of Newark, Essex County, respectfully shows:

1. It is the owner of a tract of land situate on the southwest corner of South Orange Avenue and Richelieu Terrace.

2. South Orange Avenue, a public highway in the City of Newark, has been placed by the ordinance zoning said City in the business zone from its beginning at Springfield Avenue to its intersection with the easterly line of Sanford Avenue. From Sanford Avenue to the City Line, a distance of four or five city blocks it has been placed in the residence zone.

3. During a period of more than thirty years there has been erected on both sides of South Orange Avenue, from Sanford Avenue to the city line, but one house for private residence purposes.

4. The total improvements wester-

ly from Sanford Avenue on South Orange Avenue consist,—besides an orphan asylum on the northerly side and a church and rectory on the southerly side at or near the corner of Sanford Avenue, of but four residences of which three are at least thirty years old.

5. South Orange Avenue is a busy thoroughfare. Three lines of trolley cars traverse its entire length within the city of Newark, one line stopping at approximately the city line, a second line running to approximately the Lackawanna Station in the Village of South Orange, and a third line continuing to Maplewood. In addition there is a well developed jitney service which terminates at the city line, and a large amount of automobile and truck traffic passing at all hours of the day. The Public Service Railway Company maintains on the last block within the city limits a private turnout upon a lot in this zone restricted for residence purposes. The terminus of this line together with the terminus of the jitney line causes a large amount of congestion, the accumulation of crowds at various hours of the day and renders the property wholly unsuitable for residence development.

6. In addition, the fact that the whole length of South Orange Avenue with the exception of these few blocks is devoted to business has created psychologically a condition which makes the using of this property for strictly residence development almost impossible.

7. In addition, the values developed

on the lower portion of South Orange Avenue due to this business use are such as to compare favorably with the most high priced strictly residence zones in the city, and persons desirous of erecting handsome houses on high class property, are unwilling to do so on property so near a developed business section and on a street the normal development of which is for business purposes.

8. Your petitioner is unable to move the lands held by your petitioner for, strictly residential development, but is able to obtain a good price and is now capable of selling for a good price the lands owned by your petitioner, if the restriction against business be removed.

Your petitioner therefore prays that that portion of South Orange Avenue lying to the west of Sanford Avenue, to the city line of a depth of one hundred feet from South Orange Avenue be placed in the business zone and that the necessary amendment to the present zone ordinance to effectuate this purpose, be adopted.

Plymouth Company,

Benjamin T. Jones,  
Treasurer.

Commissioner Brennan moved that the petition be received and that the matter be referred to the Zoning Commission for recommendation and report.

The roll being called, the motion

was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Raymond, Mayor Breidenbach.

Mr. Harry Dresser, 242 Market Street, appeared before the Board and complained that the Police Department has failed to return \$84. which they took from him in a raid on a cafe at 331 Fifteenth Avenue last August and claimed the money was his and wanted it back.

Commissioner Brennan: As I understand it under the law all moneys confiscated in gambling raids are turned over to the Police and Fire Pension Fund.

Corporation Counsel Congleton: This matter was taken up with the Law Department. The Police took this money in a raid. We are not going to take the responsibility of saying who this money belongs to. We advised this gentleman if he can prove that this money belongs to him he can bring a replevin suit in the District Court. We are not passing on titles for individuals for property taken in this manner.

Mayor Breidenbach: There is nothing we can do. The only thing that can be done is to bring suit in the District Court. If you go to the Legal Aid Society they will aid you.

Commissioner Raymond: I would like to bring up the matter of the appointment of a Tax Commissioner.

Mr. Mayor, I have a resolution signed by yourself and me, which I will ask the clerk to read:

WHEREAS, a vacancy now exists in the membership of the Board of Assessment and Revision of Taxes, in the Department of Revenue and Finance, by reason of the resignation of Harry B. O'Connell therefrom;

THEREFORE, BE IT RESOLVED By the Board of Commissioners of the City of Newark that Frank S. Dodd be and he is hereby appointed a member of the Board of Assessment and Revision of Taxes, in the Department of Revenue and Finance, to fill the unexpired term of Harry B. O'Connell, at an annual salary of Three Thousand Dollars (\$3000.) per annum, to be paid semi-monthly as other salaries are paid, and the City Clerk is hereby directed to place his name upon the payroll.

Commissioner Howe: I desire to present the name of Anthony Volpe for this position. My reason for so doing is that I feel under the law I am responsible to this Commission and the general public at large for the conduct of all members of that Board and the employees of that Department. I have no good reason to offer why Mr. Dodd should not be appointed, but I have always understood each man in this Commission was held solely responsible for each Department and for that reason I refused to sign that resolution, figuring as this was my Department I had the right to name the man to fill the vacancy. I might add that it has always been

my opinion and a gentleman's agreement, that each Commissioner was responsible for his own Department and, of course, if I am overruled in that opinion I will reserve the right so long as I am in charge of that Department to present names for any office in any Department of the City Government.

Commissioner Brennan: I have nothing to say relative to the merits of either candidate whose names are presented, but I cannot permit this opportunity to pass without saying something relative to the remarks of Commissioner Howe. Since the organization of this Board, it has never been recognized that the Tax Board was in any man's department. Should that follow I might claim the right to name all the Police Judges, which I have not done or attempted to do. Commissioner Howe's contention is not justified. I am going to present the name of a man who I believe is capable of filling the office of Tax Commissioner, and who is a man of standing in the City. I refer to Domenic Valentino, whose name I present.

Commissioner Gillen: I second the nomination.

Commissioner Raymond: In reply to Commissioner Howe, the Tax Board is an intregal Board, an independent Board, over which the Director of Revenue and Finance has no control. The members of the Board are under oath to do their duty and they levy assessments and fix the taxes and from the time of the organization of

the first Commission it has been considered the duty and privilege of the entire Commission to participate in the naming of the Tax Board. It has been the practice to distribute the appointments among the members of the City Commission. This is not in any way the personal patronage of the Director of Revenue and Finance. The Assessment Commissioners, the Police Court Judges and the Tax Board members are appointed in the same manner. Mr. Howe was at one time one of the recipients of those appointments. I have the greatest regard for Mr. Volpe, and I would like very much to find something for him, but I feel Mr. Dodd is better qualified to perform the duties of this office, and it is my judgment he would make a better Tax Commissioner. I am very glad Commissioner Brennan has taken the stand he has. Outside of a Deputy Director and a Secretary, there is no such patronage in my Department, and I shall have to record my objection against the position Director Howe takes in the appointment of Tax Commissioners.

Mayor Breidenbach: I might say when I was elected a Commissioner and selected Director of Revenue and Finance, when I went into conference with the Commissioners, I was told that I would be entitled to one Commissioner. At that time Commissioner Howe was selected under the same gentleman's agreement we are going through with now. I may as well be perfectly frank in saying that at that time Commissioner Howe might not have been a Commissioner if that agreement did not exist, because I

was opposed to him at that time, and some of the other Commissioners had candidates.

Commissioner Howe: The City might have been the loser.

Mayor Breidenbach: I am glad you feel that way. We all have differences of opinion on some appointments. The appointment belongs to Director Raymond under the agreement we had, and in order to keep politics out of the Board we made this agreement. I have the highest regard for Mr. Volpe. He is Chairman of my own Ward and I am voting for a man who comes from the Eighth Ward, and I do it because Mr. Dodd is a man who has qualifications for this position. I am not opposed to Mr. Volpe. He is a very good friend of mine. I told Director Raymond if he had a man he wanted to name that I would stand by him and I am going to stand by him the same as I would if I had promised Director Howe something.

Commissioner Howe: Does Mr. Dodd want this position? I understand he has written a letter declining it.

Commissioner Raymond: Not to my knowledge. I telephoned him this morning and asked him if he would take it and he told me he would be very glad to have it.

Commissioner Howe: I want to say that I have my claim on a letter which Mr. Congleton wrote to the late Mayor Archibald, which was read to

Mr. Fettinger, Mr. Hewson and myself, in which he said we were under and answerable to Director Archibald. Do you recall that letter Mr. Congleton?

Corporation Counsel Congleton: Yes, I still say the same with respect to you with regard to supervising the work of the Board. My letter did not say Mr. Archibald had power to appoint. The same as Commissioner Brennan has certain supervision to see that the work of the Police Courts are carried out properly.

Mayor Breidenbach: We will now take a vote on the appointment of a Tax Commissioner. There are three nominees—Frank S. Dodd, Anthony Volpe and Domenic Valentino. The clerk will call the roll.

Commissioner Brennan — Domenic Valentino.

Commissioner Gillen — Domenic Valentino.

Commissioner Howe — Anthony Volpe.

Commissioner Raymond — Frank S. Dodd.

Mayor Breidenbach — Frank S. Dodd.

Mayor Breidenbach: There being a tie vote, a motion for a second ballot will be in order.

Commissioner Raymond moved that a second ballot be taken.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Raymond, Mayor Breidenbach.

The clerk then called the roll on the second ballot with the following result.

Commissioner Brennan — Domenic Valentino.

Commissioner Gillen — Domenic Valentino.

Commissioner Howe — Anthony Volpe.

Commissioner Raymond — Frank S. Dodd.

Mayor Breidenbach — Frank S. Dodd.

Mayor Breidenbach: There still being no choice, a motion for a third ballot will be in order.

Commissioner Gillen moved that a third ballot be taken.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Raymond, Mayor Breidenbach.

The clerk then called the roll on

the third ballot with the following result:

Commissioner Brennan—It seems we cannot get anywhere this way. Since Mr. O'Connell was Mr. Raymond's appointee, and he having been elevated to a higher position creating this vacancy, I therefore cast my vote for Mr. Dodd.

Commissioner Brennan — Frank S. Dodd.

Commissioner Gillen — Domenic Valentino.

Commissioner Howe — Anthony Volpe.

Commissioner Raymond — Frank S. Dodd.

Mayor Breidenbach — Frank S. Dodd.

Mayor Breidenbach: I declare Mr. Dodd elected.

Commissioner Howe: I would like to move that the vote by which Mr. Dodd has been elected be made unanimous.

Commissioner Gillen: I second that motion.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Raymond, Mayor Breidenbach.

Commissioner Raymond offered the following resolution:

WHEREAS, a vacancy now exists in the membership of the Board of Assessment and Revision of Taxes, in the Department of Revenue and Finance, by reason of the resignation of Harry B. O'Connell therefrom;

THEREFORE, BE IT RESOLVED By the Board of Commissioners of the City of Newark that Frank S. Dodd be and he is hereby appointed a member of the Board of Assessment and Revision of Taxes, in the Department of Revenue and Finance, to fill the unexpired term of Harry B. O'Connell, at an annual salary of Three Thousand Dollars (\$3000) per annum, to be paid semi-monthly as other salaries are paid; and the City Clerk is hereby directed to place his name upon the payroll.

Thomas L. Raymond,  
F. C. Breidenbach,  
John Howe,  
W. J. Brennan,  
Charles P. Gillen

The roll being called, the resolution was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Raymond, Mayor Breidenbach.

Commissioner Raymond: I would like to bring another matter before the Commission. Yesterday I held a public sale of the old Almshouse property, that is to say, the full front-

age on Elizabeth Avenue with a depth of 200 feet at one end and 213 feet on the other. There were two bidders and I took a great many bids. I do not know how many—I think there must have been twenty-five bids made, with the result that the final offer was \$43,200. I took the precaution before holding this sale to have three city officials who are real estate men, give me appraisals and those appraisals ranged from \$300. to \$400. a front foot. The gentlemen who made them do not seem to have the slightest doubt that they are pretty near right, and to sell the property for anything less than \$300,000 would be a great sacrifice. I feel that it would be better to retain the property for a while and we may later on be able to dispose of it at some higher price. I have taken the liberty of preparing a resolution rejecting the bids, which I am pleased to see you have all signed.

The following communication was then read by the clerk:

DEPARTMENT OF STREETS  
AND PUBLIC IMPROVEMENTS.

City Hall, Newark, N. J.

December 18, 1923.

SUBJECT: RE SALE OF OLD

ALMS' HOUSE PROPERTY.

The Board of Commissioners of  
The City of Newark. Addressed.

Gentlemen:—

In pursuance of a resolution passed by this Board, I advertised for sale on Monday, Dec. 17, 1923, at 11 A. M., at my office, lands in the City of Newark, described as follows:

BEGINNING at the intersection of the easterly side of Elizabeth Avenue with the southerly side of Concord Street; thence (1) along the southerly side of Concord Street  $65^{\circ} 39'$  east 200 feet; thence (2) south  $24^{\circ} 21'$  west 410 feet to the northerly side of the right of way of the West Newark Branch of the Pennsylvania Railroad; thence (3) along the same  $65^{\circ} 39'$  west 213.88 feet to the easterly side of Elizabeth Avenue; thence (4) along the same north  $24^{\circ} 19' 34''$  east 180.92 feet to an angle; and thence (5) still along the easterly side of Elizabeth Avenue north  $27^{\circ} 48'$  east 229.49 feet to the point and place of BEGINNING.

The highest bidder for said property was A. Lichtman, who bid the sum of \$43,200.

Prior to the sale I had this property appraised by competent real estate men and their appraisals varied from \$140,000 to \$150,000 for said property. In view of the small price bid at the public sale, I recommend that this bid be not confirmed.

Yours very truly,

Thomas L. Raymond,

Director, Department of Streets  
and Public Improvements

Ordered filed.

Commissioner Raymond offered the following resolution:

WHEREAS, by resolution adopted by this Board, the Director of the Department of Streets and Public Improvements was authorized to sell at public sale, for cash, to the highest bidder, certain lands in the City of Newark:

BEGINNING at the intersection of the easterly side of Elizabeth Avenue with the southerly side of Concord Street; thence (1) along the southerly side of Concord Street south  $65^{\circ} 39'$  east 200 feet; thence (2) south  $24^{\circ} 21'$  west 410 feet to the northerly side of the right of way of the West Newark Branch of the Pennsylvania Railroad; thence (3) along the same north  $65^{\circ} 39'$  west 213.88 feet to the easterly side of Elizabeth Avenue; thence (4) along the same north  $24^{\circ} 19' 34''$  east 180.92 feet to an angle; and thence (5) still along the easterly side of Elizabeth Avenue north  $27^{\circ} 48'$  east 229.49 feet to the point and place of BEGINNING.

and

WHEREAS, in accordance with said resolution the Director of the Department of Streets and Public Improvements did expose at public sale the

interest of said The City of Newark in said lands and did receive therefor a bid of \$43,200. from A. Lichtman; and,

WHEREAS, in the judgment of this Board said bid is inadequate;

THEREFORE, BE IT RESOLVED By the Board of Commissioners of the City of Newark that the bid of \$43,200 from A. Lichtman be and the same is hereby rejected; and the Director of the Department of Streets and Public Improvements is hereby authorized to return to said A. Lichtman the sum of \$2160, being 5% of the amount of his bid paid to the Director at the close of said sale.

Thomas L. Raymond,  
John Howe,  
Charles P. Gillen,  
F. C. Breidenbach,  
W. J. Brennan,

The roll being called, the resolution was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Raymond, Mayor Breidenbach.

The following communication was received and read:

DEPARTMENT OF  
PUBLIC SAFETY.

Division of Buildings,

December 17, 1923.

The Board of Commissioners  
of the City of Newark.

Honorable Sirs:—

In reference to the request to change Quitman Street, between Spruce Street and Waverly Avenue, from a residence district to a business district, and which was referred to us by your Honorable Body for recommendation and report, the Commission on Building District and Restrictions desires to report as follows:

Your Commission has visited the block in question and find that the character of the neighborhood does not warrant the proposed change. Since this request comes from but one property owner on the block, instead of the owners of fifty per cent. of the frontage, as required for a change of this character, your Commission feels that no action should be taken at this time.

We therefore respectfully recommend to your Honorable Body that this matter be laid on the table until a proper petition has been received.

Respectfully submitted,

COMMISSION ON BUILDING  
DISTRICTS AND RESTRICTIONS.

R. B. Rankin,  
Secretary.

Commissioner Brennan moved that

the recommendation of the Zoning Commission be concurred in and that the matter be laid on the table until a petition is received.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Raymond, Mayor Breidenbach.

The following communication was received and read:

DEPARTMENT OF

PUBLIC SAFETY,

Division of Buildings,

December 17, 1923.

The Board of Commissioners

of the City of Newark.

Honorable Sirs:—

At a meeting of the Commission on Building Districts and Restrictions, held December 13th, 1923, the enclosed ordinance referred to us, amending the height and area designations on the easterly side of Clinton Place, was considered.

Your Commission has drafted a substitute ordinance, which is also enclosed, which, while accomplishing the same purpose, will not interfere with the designations as established on the west side of Wolcott Terrace.

Your Commission respectfully recommends that the ordaining clause of the ordinance No. 7799, referred to us, be stricken out, and that the substitute ordinance be adopted in its place.

Respectfully submitted,

COMMISSION ON BUILDING  
DISTRICTS AND RESTRICTIONS.

R. B. Rankin,

Secretary.

Commissioner Gillen moved that the communication be received and filed and that the ordaining clause of the ordinance amending the height on the southerly side of Hawthorne Avenue and the easterly side of Clinton Place, be stricken out.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Raymond, Mayor Breidenbach.

The following communication was received and read:

DEPARTMENT OF

PUBLIC SAFETY

Division of Buildings

December 17, 1923.

The Board of Commissioners  
of the City of Newark.

Honorable Sirs:—

At a meeting of the Commission on Building Districts and Restrictions, held December 13, 1923, a communication from Frank I. Liveright, President of Newark Beth Israel Hospital, requesting permission to erect a seven-story hospital building on Lyons Avenue, was considered.

The Commission on Building Districts and Restrictions is of the opinion that the Building Zone Ordinance should be amended, so as to give the Board of Appeals the jurisdiction to exempt public buildings, such as churches, schools and hospitals, from the height and area requirements, subject to suitable safeguards.

An amendment to the ordinance embodying this recommendation is herewith enclosed, and we respectfully urge its adoption.

Respectfully submitted,

COMMISSION ON BUILDING  
DISTRICTS AND RESTRICTIONS.

R. B. Rankin,  
Secretary.

Commissioner Gillen moved that the communication be referred to the Law Department for advice.

The roll being called, the motion

was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Raymond, Mayor Breidenbach.

Commissioner Brennan offered as a substitute the following ordinance which was read by the Clerk:

An ordinance to amend an ordinance entitled: "An Ordinance regulating and restricting the location of trades and industries and the location of buildings designed for specified uses, and regulating and limiting the height and bulk of buildings hereafter erected, and regulating and determining the area of yards, courts and other open spaces surrounding buildings, and establishing the boundaries of districts for the said purposes and providing for the violation of its provisions," adopted December 31, 1919.

The Board of Commissioners of the City of Newark, Do Ordain:

Section 1. That an ordinance entitled: "An ordinance regulating and restricting the location of trades and industries and the location of buildings designed for specified uses, and regulating and limiting the height and bulk of buildings hereafter erected, and regulating and determining the area of yards, courts and other open spaces surrounding buildings, and establishing the boundaries of districts for said purposes and providing penalties for the violation of its provisions", adopted December 31, 1919, is here-

by amended by extending the "C" area district as shown on the area District Map, and the "Fifty-foot" height district as shown on the Height District Map so as to include the area bounded on the north by a line one hundred feet south of and parallel to Hawthorne Avenue; on the east by a line one hundred feet east of and parallel to Clinton Place; on the south by Nye Avenue; and on the west by Clinton Place; and that the Area and Height District Maps which accompany said ordinance to which this ordinance is an amendment be and the same are hereby amended so as to include within the "C" area District and the "Fifty-foot" Height District the area above described.

Section 2. That Section 22 of Article IV of said Ordinance is hereby amended to read as follows:

"Section 22.—Jurisdiction.

"The Board of Appeals may in a specific case, after public notice and hearing, and subject to appropriate conditions and safeguards, determine and vary the application of the regulations herein established in harmony with their general purpose and intent as follows:

"1. Where a use district boundary line divides a lot in a single ownership at the time of the passage of this ordinance, permit a use authorized on either portion of such lot to extend to the entire lot.

"2. Permit in a business district the construction, extension, alteration

or conversion of a building intended for the storage of motor vehicles, or a motor vehicle service station.

"3. Grant in undeveloped sections of the city temporary and conditional permits for not more than two years for structures and uses in contravention of the requirements of article one of this ordinance.

"4. Exempt a proposed building in a C, D or E area district either in whole or in part from the requirements of providing outer courts beyond the minimum setback line observed by at least one-half of the buildings situated on either side of a street between two intersecting streets. This relief shall, however, be granted only in cases where the proposed building adjoins on either or both sides buildings that do not conform to such minimum setback line, or where compliance with the minimum setback line would cause unnecessary hardship to the owner without any compensating benefit to the community.

"5. Where the street layout actually on the ground varies from the street layout as shown on the use height or area district map, apply the designations shown on the mapped streets in such a way as to carry out the intent and purpose of the plan for the particular section in question

"6. Permit any public utility building.

"7. Exempt a proposed public building such as a church, school or

hospital either in whole or in part from the height and area requirements."

Section 3. This ordinance shall take effect immediately.

The ordinance having been read once, Commissioner Brennan moved that it be ordered to a second reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Raymond, Mayor Breidenbach.

The clerk then read the ordinance by sections:

Title declared open to amendment.

Section 1 declared open to amendment.

Section 2 declared open to amendment.

Section 3 declared open to amendment.

The ordinance was declared open to amendment in all its parts.

The ordinance having been read a second time, Commissioner Brennan moved that it be ordered to a third reading.

The roll being called, the motion

was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Raymond, Mayor Breidenbach.

Commissioner Brennan moved that the ordinance be referred to the Zoning Commission for recommendation and report and that it be taken up on third reading on December 31st.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Raymond, Mayor Breidenbach.

Mayor Breidenbach offered the following resolution:

RESOLVED: That the sum of Thirty-six Thousand, Six Hundred Thirty-nine Dollars and Fifty Cents (\$36,639.50) be and the same is hereby appropriated to the City Treasurer for semi-monthly payrolls, December 1 to December 15, 1923, of the Department of Public Affairs as follows:

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Raymond, Mayor Breidenbach.

A communication from the American Road Builders' Association, New York City, inviting the City Commissioners to attend the Good Road Shows in Chicago, Ill., January 14 to 18, 1924, was received, read and on motion ordered referred to the Director of the Department of Streets and Public Improvements.

The following communication was received and read:

15 Lombardy Street, Newark, N. J.

December 10, 1923.

Mayor Frederick Breidenbach,  
City Hall,  
Newark, N. J.

My dear Mayor:

I know you are trying to make the Pennsylvania Railroad serve Newark well. Enclosed, please find a Pullman check for which I was compelled to pay seventy-five cents in order to get on a train at Manhattan Transfer to ride to New York. This train carried two day coaches, but locked. Such a thing is not a fair proposition to the citizens of Newark.

I would also call your attention to the fact that a train from Chicago, No. 136-24, leaves Chicago at 11:30 P. M. and compels all its passengers to change cars at Pittsburgh at 12:30 P. M. No. 24 leaves there at 1:00 o'clock and arrives in New York at 11:46 that night. You cannot obtain a Pullman car from Chicago, but if you buy a ticket from Chicago by this train to New York, you have to pay \$6.00 extra. On the other hand, if you buy a ticket from Chicago to Pittsburgh and then from Pittsburgh to New York, you save the \$6.00.

Very truly yours,

Wells P. Eagleton.

Mayor Breidenbach: I might say this condition has existed a long time in the City of Newark and the matter was referred to Director Raymond's Department some time ago.

I believe some action should be taken on the way the people of Newark are handled by the Pennsylvania Railroad. If you want to get on a train you have to go to Manhattan Transfer and if you come in from some other town you have to go to the transfer. It is a great inconvenience and if you get there late at night there is no one to carry baggage or anything else, and I think the matter should be taken up and a report made to this Commission as to the conditions.

Dr. W. G. Hanrahan, 36-A Fulton Street, deplored the service offered by the Pennsylvania Railroad to New-arkers stating on several occasions he has had to go to Manhattan Transfer.

Dr. W. G. Hanrahan, 36-A Fulton Street: I want to give a little experience I had on two occasions coming from Philadelphia. I could not get off at Market Street and had to go through to Manhattan Transfer, where I had to watch three or four trains go through before I could get back to Park Place. I think the people of Newark are discriminated against compared with other points along the Pennsylvania Railroad, and I am glad the Commission is taking the matter up.

Commissioner Gillen moved that the City Clerk be instructed to take this matter up with the Interstate Commerce Commission.

The roll being called, the motion

was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Raymond, Mayor Breidenbach.

The following communications from First N. J. Infantry Post No. 180, William H. Camfield, Adjutant, Veterans Alliance of Essex County, Edward J. Costello, Adjutant, Battery B Circle No. 14, Irene F. Reilly, President, American Lincoln Post No. 253, Carl J. F. Carpenter, Adjutant, the Wounded and Disabled Veterans of New Jersey, Joseph D. Murphy, Adjutant, James A. Garfield Post, Charles H. Collver, Adjutant, Captain A. D. Marsh Post, William J. Quinn, Adjutant, Lincoln Post No. 11 G. A. R., A. J. Mattison, Adjutant, James W. Hennessey No. 713 Post, Edward Helmstaeder, Adjutant, Newark Camp No. 6 Post, Louis F. Herold, Adjutant, requesting the removal of Myron W. Morse as Flag Custodian were received and read.

Commissioner Brennan moved that the matter be referred to Commissioner Gillen.

Commissioner Howe moved that the Board hold a Budget Conference on Friday, December 21st, in the Mayor's Office.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Raymond, Mayor Breidenbach.

Commissioner Gillen moved that the Board adjourn to meet on Monday, December 24th, at 11 A. M.

The roll being called, the motion was declared adopted by the following votes:

**APPROVED:**

THOMAS L. RAYMOND,  
F. C. BREIDENBACH,  
CHARLES P. GILLEN,  
JOHN HOWE,  
W. J. BRENNAN,

The Board of Commissioners of  
The City of Newark, N. J.

W. J. EGAN,  
City Clerk.

NEWARK, N. J.

December 24, 1923.

A regular meeting of the Board of Commissioners of the City of Newark, N. J., was held on the above date in the Commissioners' Chamber, City Hall, Newark, at 11 A. M.

Present: — Commissioners Brennan, Gillen, Howe, Raymond, Mayor Breidenbach.

RESOLVED, that the report of the Commissioners of Assessments for Local Improvements of the City of Newark for benefits conferred by the construction of a sewer in Spruce Street between High Street and Quitman Street, which said report is hereto annexed, be and the same is hereby in all things adopted, ratified and confirmed; and

BE IT FURTHER RESOLVED, that the City Clerk be and he is hereby authorized and directed to file a duplicate of said report in the office of the Comptroller of the said City of Newark for collection.

Thomas L. Raymond,  
Charles P. Gillen,  
F. C. Breidenbach,  
John Howe,  
W. J. Brennan,

The roll being called, the resolution was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Raymond, Mayor Breidenbach.

RESOLVED, that the report of the Commissioners of Assessments for Local Improvements of the City of Newark for benefits conferred by the construction of a storm water sewer in Summer Avenue from Sylvan Avenue to the Second River and a sewer in Summer Avenue from Verona Avenue to Greenwood Lake Railroad, which said report is hereto annexed, be and the same is hereby in all things ratified and confirmed; and

BE IT FURTHER RESOLVED, that the City Clerk be and he is hereby authorized and directed to file a duplicate of said report in the office of the Comptroller of the said City of Newark for collection.

Thomas L. Raymond,  
F. C. Breidenbach,  
Charles P. Gillen  
John Howe,  
W. J. Brennan,

The roll being called, the resolution was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Raymond, Mayor Breidenbach.

RESOLVED, that the report of the Commissioners of Assessments for

Local Improvements of the City of Newark for benefits conferred by the grading, curbing and flagging of Grafton Avenue from Beaumont Place to Third Street, which said report is hereto annexed, be and the same is hereby in all things adopted, ratified and confirmed; and

BE IT FURTHER RESOLVED, that the City Clerk be and he is hereby authorized and directed to file a duplicate of said report in the office of the Comptroller of the said City of Newark for collection.

Thomas L. Raymond,  
John Howe,  
F. C. Breidenbach,  
Charles P. Gillen,  
W. J. Brennan,

The roll being called, the resolution was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Raymond, Mayor Breidenbach.

RESOLVED, that the report of the Commissioners of Assessments for Local Improvements of the City of Newark for benefits conferred by the grading, curbing and flagging of Third Street from Grafton Avenue to Montclair Avenue, which said report is hereto annexed, be and the same is hereby in all things adopted, ratified and confirmed; and

BE IT FURTHER RESOLVED, that the City Clerk be and he is hereby authorized and directed to file a

duplicate of said report in the office of the Comptroller of the said City of Newark for collection.

Thomas L. Raymond,  
F. C. Breidenbach,  
John Howe,  
W. J. Brennan,  
Charles P. Gillen,

The roll being called the resolution was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Raymond, Mayor Breidenbach.

Mr. Charles W. Mason, 31 Clinton Street, presented the following petition. Mr. Mason stated that if the contract for the establishment of a dog pound on Paris Street is awarded to the Associated Humane Societies it will be attacked in the Supreme Court because it did not think a charitable organization should be permitted to engage in this line of business, particularly when they are relieved from the payment of taxes. Mr. Mason therefore requested that the awarding of the contract be postponed until after the first of the year, at which time he will be in a better position to present a legal defense in behalf of the 800 or 900 inhabitants in this vicinity.

The clerk then read the following petition:

To the Honorable Charles P. Gillen,  
Director of the Dept. of Parks  
and Public Property,  
City Hall, Newark, N. J.

We, the undersigned, residents of Newark, do hereby protest against the establishment of the city dog pound on Paris Street as intended by the Associated Humane Societies of New Jersey because such an institution close to our homes on Paris Street and vicinity will constitute a serious menace to the peace and health of our families and furthermore will constitute a serious detriment to the neighborhood generally.

(Signed by 39 residents)

Ordered filed.

Commissioner Gillen stated he will postpone action on the awarding of the contract until January 8th.

John Howe,  
Charles P. Gillen,

The roll being called, the resolution was declared adopted by the following vote:

Yeas: — Commissioners Brennan, Gillen, Howe, Raymond, Mayor Breidenbach.

Commissioner Raymond moved that the Corporation Counsel be requested to take steps toward representing the City in the matter of the application of the Public Service Railway Corporation to transfer their terminal

building to the Public Service Corporation. I think it would be well for Mr. Congleton to notify the Utility Board that the City desires to object and possibly make argument or file a brief before they dispose of the matter, and ask that it be postponed for two weeks in order that we may have an opportunity to do so.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Raymond, Mayor Breidenbach.

Commissioner Gillen offered the following resolutions:

WHEREAS, By authority of the Board of Commissioners of the City of Newark, New Jersey, the Director of the Department of Parks and Public Property publicly advertised for sealed proposals for built-in metal equipment for the Newark City Hospital, and

WHEREAS, One bid only was received, and

WHEREAS, It is the judgment of the Director of the Department of Parks and Public Property that the plans for the same be revised so as to afford more competition.

THEREFORE BE IT RESOLVED, That the bid received be and the same is hereby rejected and the Director of the Department of Parks

and Public Property authorized to re-advertise for the aforesaid under the revised plans and specifications.

#### REPORTS OF CITY OFFICERS

The following report of City Officers was received and ordered filed:

Auditor of Accounts for November, 1923.

Commissioner Raymond moved that the Board adjourn to meet on Monday, December 31st, at 11 A. M.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Raymond, Mayor Breidenbach.

APPROVED:

THOMAS L. RAYMOND,  
W. J. BRENNAN,  
CHARLES P. GILLEN,  
JOHN HOWE,

The Board of Commissioners of  
The City of Newark, N. J.

W. J. EGAN,  
City Clerk.

NEWARK, N. J.

December 31, 1923.

A regular meeting of the Board of Commissioners of the City of Newark, N. J., was held on the above date, in the Commissioners' Chamber, City Hall, Newark, at 11 A. M.

Present: —Commissioners Brennan, Gillen, Howe, Raymond, Mayor Breidenbach.

The minutes of meeting of December 24th were read and approved.

Mrs. William Aitken, 646 South 13th Street, Newark, appeared and presented the following petition:

To The Honorable

Board of City Commissioners.

We, the undersigned property owners, residents and tenants in the vicinity of Springfield Avenue and South 13th Street, do hereby respectfully petition your Honorable Board to rescind the transfer of the permit for the conducting of a Chicken-Slaughter House now at 656 South 13th Street, under name Horwitz Poultry Market, to 650 South 13th Street.

This business is already an offense and a nuisance to our homes and if moved 75 feet further into the residence district will be a greater nuisance and will thereby further disturb the peace and comfort of our homes, and enhance the bad effects. The discharge and loading of fowls from trucks at this point obstructs free access between homes and Springfield

Avenue, the smells issuing from that place of business are offensive; the noises created by fowls is rest-disturbing in the early morning hours; the careless handling of crates of live fowls has a brutalizing influence on the children of the neighborhood, and the proximity of such a business affects adversely the value of residence properties which long ante-date the establishment of this slaughtering business.

(Signed by Fifty-four Property

Owners and Residents.)

Commissioner Howe moved that the matter be referred to the Mayor.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Raymond, Mayor Breidenbach.

Commissioner Raymond: — Mr. Mayor, I would like to comment on two of my resolutions which I am offering today. We have adjusted a good many salaries in past years, but we have not given any great consideration in my department to superiors and the entire working of a great engineering department such as mine depends primarily upon the character and ability of the engineers at the head of it. In the first place we have Mr. Sherrerd, who two and a half years ago was made Consulting Engineer at a salary tentatively fixed at \$5,000 a year. Since then, Mr. Sherrerd has been in constant attendance as Consultant in my department and has made innumerable trips to Wash-

ington, Trenton and other places, where important hearings and proceedings have been held, in all of which cases the City of Newark has depended upon his testimony and his statements as an Engineer. I do not know, it would not be fair for me now to estimate what we would have had to pay to expert engineers to go before the Interstate Commerce Commission; before Congressional Committees and the Engineers of the Army and Army Boards and present the very important cases that the City of Newark faces in the meadow development, but we have had the unfailing support and work of Mr. Sherrerd in all these proceedings and the benefit of his testimony which will be witnessed to this morning by Mr. Congleton, if necessary. Mr. Sherrerd I might say is as able an engineer as any in the United States; has an international reputation and I think we have been very fortunate to have him in the City of Newark, and in my department, which requires continuous advice because of the tremendous undertakings which we are engaged in, where we are in need of expert advice of the highest character. I appreciate Mr. Sherrerd has other employments, but Mr. Sherrerd has reached years, I would not dare say he is old; where he should reap some fruits from his professional works. I have therefore introduced a resolution increasing his salary to \$7,500 a year, and I am pleased to see all the Commissioners have signed this resolution without any request from me.

I have another case I wish to bring up. I discovered Mr. Costello in Phil-

adelphia tending to street cleaning in the year 1918, when I was almost desperate with the situation of street cleaning and garbage removal, and when we were doing our best to handle this work. As Superintendent of that important work he overcame the difficulties. At that time, Mr. Costello wanted \$6,000, but there was some talk he was not known and there was no confidence in him and he accepted \$5,000 and came here. His work was so excellent and the advantages from it so great, the result was his salary was increased to \$6,000 in April 1920. As my department broadened out, it became necessary to place greater responsibility upon Mr. Costello, and some time back, three or four years ago, I placed the entire responsibility for paving under Mr. Costello, but with no appropriate increase in salary. You will then recall in August, 1921, I reorganized my entire department, created three Divisions and put Mr. Costello at the head of Docks, and made him responsible under the consulting advice of Mr. Sherrerd. He then became Chief Engineer of Works, which includes Docks, Street Cleaning, Sewers, Lighting and Paving. All these things he is absolutely responsible for and I feel I can call upon him for any mishaps in the management of any of this work. I think he has the confidence of the entire city. Everyone knows his ability and knows how fortunate the City is to have him. I wish to point out that the Chief Engineer of the North Jersey District Water Company, who is a construction engineer and in charge of construction receives \$10,000; the Chief Engineer of the Passaic Valley Sewerage Commission is paid \$12,000 a

year, and I think for the character of work that Mr. Costello is doing we should pay him something which would not only compensate him, but give him the dignity and compensation in range with other departments, and I have recommended paying him \$3,000 more. I have not recommended Mr. Costello for an increase since January, 1921. When the reorganization was made in my department he was put in charge of great additional work without any payment for it at all. It has been three years since he has been raised, so today, instead of having given these slight increases, Mr. Costello out of modesty did not want them, and his range having been fixed by the Civil Service Commission, I wish the Commission to join with me in making his salary \$10,000. I think we all realize how important it is to Newark to have these Engineers and I want the public and press to know why we do these things. We cannot expect to keep these gentlemen unless we pay them somewhere within the range paid by others. I have other engineers and I am thinking over their cases. It involves great study and I want to be very careful and when I reach conclusions I will come with recommendations which I hope will be approved.

Commissioner Raymond: If I am permitted to talk further, I am glad to say we have at last effected the terms and conditions with the Town of Montclair which permits the City of Newark to furnish the Town of Montclair with water. The terms are satisfactory to the officials of both towns and I wish to introduce that resolution today.

Charles P. Gillen,  
W. J. Brennan,  
John Howe,

The roll being called, the resolution was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Raymond, Mayor Breidenbach.

Commissioner Howe: I wish to call your attention to the losses the City is sustaining every year by virtue of the taxing date for the succeeding year being fixed at October 1st. Every year hundreds of thousands of dollars' worth of property is escaping

taxation because it is purchased a few days or more after October 1st. I know of a number of cases where persons waited to purchase automobiles until after the taxing date in order to escape taxation. The same is true of stores and other property. This is a serious situation and exceedingly unfair to the majority of taxpayers and the City as a whole. I would suggest that this Commission make an effort to have remedial legislation passed to have the taxing date changed so that property could be taxed at any time.

Commissioner Raymond moved that the matter be referred to Commissioner Howe and the Law Department to have such legislation passed as meets with the wishes of Commissioner Howe.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Raymond, Mayor Breidenbach.

Commissioner Gillen offered the following resolution:

RESOLVED: That Louis Leonardis of 50 Adam Street, Newark, New Jersey, a resident of the Fifth Ward, be and he is hereby appointed a Constable from the said Fifth Ward for a full term of three years beginning on the first day of January, 1924.

A communication from the Zoning Commission relative to the extension of the "C" district and the 50-foot height district to cover the vicinity of Hawthorne Avenue, Clinton Place and Nye Avenue was read and on motion of Commissioner Brennan laid over for one week.

Mr. Michael Estrin, 185 Market Street, urged the Commission to extend the "C" district and the 50-foot height district to cover the vicinity of Hawthorne Avenue, Clinton Place and Nye Avenue. Mr. Estrin stated that the changing of the ordinance will merely permit him to do what his neighbors have already done in this vicinity.

Commissioner Brennan moved that the ordinance extending the "C" district and the 50-foot height district to cover the vicinity of Hawthorne Avenue, Clinton Place and Nye Avenue be laid over for one week, and that copies of the proposed amendment be sent by the City Clerk to each Commissioner.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Brennan, Gillen, Howe, Raymond, Mayor Breidenbach.

The following communication was received and read:

The Board of Commissioners of

The City of Newark,  
Addressed.

Gentlemen:

The term of Mr. Christian W.  
Feigenspan as a member of the Sink-  
ing Fund Commission of the City of  
Newark expires on January 1, 1924.

By virtue of the power and author-  
ity vested in me under an act of the  
legislature of this State entitled:

"An Act Concerning Sinking  
Funds and Sinking Fund Com-  
missioners," approved March 29,  
1917, and the acts amendatory  
thereof and supplemental thereto,

I am, by and with the consent of  
your body, appointing Christian W.  
Feigenspan, a resident taxpayer on  
real estate, a member of the Sinking  
Fund Commission of The City of  
Newark, for a term of three years to  
commence from January 1, 1924.

Respectfully,

F. C. Breidenbach,

Mayor.

of the Sinking Fund Commission of  
the City of Newark, for a term of  
three years from January 1, 1924;

THEREFORE BE IT RESOLVED  
by the Board of Commissioners of  
The City of Newark that the action  
of said Frederick C. Breidenbach,  
Mayor of The City of Newark, in ap-  
pointing said Christian W. Feigen-  
span a member of the Sinking Fund  
Commission of The City of Newark  
for a term of three years from Janu-  
ary 1, 1924, be and the same is here-  
by ratified and confirmed, and our  
consent to said appointment is here-  
by given; and

BE IT FURTHER RESOLVED,  
that said Christian W. Feigenspan  
give a bond, with corporate security,  
in the sum of \$5000. for the faithful  
performance of said office.
